(a) At an annual meeting of the Stockholders, the only business that shall be conducted is such business that has been properly brought before the meeting. To be properly brought before an annual meeting of the Stockholders, business must be: (a) specified in a notice of meeting of the Stockholders (or any supplement or amendment thereto) given by or at the direction of the Board of Directors or a duly authorized committee of the Board; (b) if not specified in a notice of meeting of the Stockholders, otherwise brought before the meeting by the Board of Directors or the chairperson of the meeting; or (c) otherwise properly brought before the meeting by a Stockholder present in person, or by remote communication. To properly bring a matter for consideration at an annual meeting, a Stockholder must: (A) (i) be a Stockholder of record of the Corporation both at the time of giving the notice provided for in this Section 2.13 and at the time of the meeting; (ii) be entitled to vote at the meeting; and (iii) be in compliance with this Section 2.13 in all respects; or (B) have properly made such proposal in accordance with Rule 14a-8 under the Exchange Act, which proposal has been included in the proxy statement for such annual meeting of the Stockholders. The foregoing clause (c) shall be the exclusive means for a Stockholder to propose business to be brought before an annual meeting of the Stockholders. The only matters that may be brought before a special meeting of the Stockholders are the matters specified in the Corporation's notice of meeting of the Stockholders given by or at the direction of the person calling the meeting pursuant to the Certificate of Incorporation and Section 2.03. For purposes of this Section 2.13 and Section 2.14, "present in person" shall mean that the Stockholder proposing that the business be brought before the annual meeting or special meeting of the Stockholders, as applicable. If the proposing Stockholder is not an individual, then a qualified representative of such proposing Stockholder may appear in person at such annual or special meeting of the Stockholders. For purposes of this Section 2.13, a "qualified representative" of such proposing Stockholder shall be, if such proposing Stockholder is (x) a general or limited partnership, any general partner or person who functions as a general partner of the general or limited partnership or who controls the general or limited partnership; (y) a corporation or a limited liability company, any officer or person who functions as an officer of the corporation or limited liability company or any officer, director, general partner or person who functions as an officer, director or general partner of any entity ultimately in control of the corporation or limited liability company; or (z) a trust, any trustee of such trust.

(b) To properly bring a matter for consideration at an annual meeting of the Stockholders, a Stockholder must: (a) provide Timely Notice in writing and in proper form to the Secretary; and (b) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.13. To be timely, a Stockholder's notice must be delivered to, or mailed and received at, the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the one-year anniversary of the immediately preceding year's annual meeting. With respect to the first annual meeting of Stockholders following the Effective Time (as defined in the Certificate of Incorporation), the date for timely notice shall be [•]. In the event that the date of the annual meeting of the Stockholders is more than 30 days before or more than 60 days after such anniversary date, to be timely, notice by a Stockholder must be delivered, or mailed and received, not later than the later of (A) the 90th day prior to such annual meeting and (B) the 10th day following the day on which public disclosure of the date of such annual meeting was first made (such notice within such time periods, "Timely Notice"). In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of Timely Notice as described above.

(c) To be in proper form for purposes of this Section 2.13, a Stockholder's notice to the Secretary shall set forth:

(i) As to each Proposing Person: (A) the name and address of such Proposing Person (including, if applicable, the name and address that appear on the Corporation's books and records); and (B) the number of shares of each class or series of Stock of the Corporation that are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by such Proposing Person. A Proposing Person shall in all events be deemed to beneficially own any shares of any class or series of Stock of the Corporation as to which such Proposing Person has a right to acquire beneficial ownership at any time in the future (the disclosures to be made pursuant to the foregoing clauses (A) and (B) are referred to as "Stockholder Information");

(ii) As to each Proposing Person, the full notional amount of any securities that, directly or indirectly, underlie any "derivative security" (as such term is defined in Rule 16a-1(c) under the Exchange Act) that constitutes a "call equivalent position" (as such term is defined in Rule 16a-1(b) under the Exchange Act) ("Synthetic Equity Position") and that is, directly or indirectly, held or maintained by such Proposing Person with respect to any shares of any class or series of Stock of the Corporation. For the purposes of the definition of "Synthetic Equity Position," the term "derivative security" shall also include any security or instrument that would not otherwise constitute a "derivative security" as a result of any feature that would make any conversion, exercise or similar right or privilege of such security or instrument becoming determinable only at some future date or upon the happening of a future occurrence, in which case the determination of the amount of securities into which such security or instrument would be convertible or exercisable shall be made assuming that such security or instrument is immediately convertible or exercisable at the time of such determination. For the avoidance of doubt, any Proposing Person satisfying the requirements of Rule 13d-1(b)(1) under the Exchange Act (other than a Proposing Person that so satisfies Rule 13d-1(b)(1) under the Exchange Act solely by reason of Rule 13d-1(b)(1)(ii)(E)) shall not be deemed to hold or maintain the notional amount of any securities that underlie a Synthetic Equity Position held by such Proposing Person as a hedge with respect to a bona fide derivatives trade or position of such Proposing Person arising in the ordinary course of such Proposing Person's business as a derivatives dealer The notice for each Proposing Person shall also set forth: (A) any rights to dividends on the shares of any class or series of Stock of the Corporation owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation; (B) any material pending or threatened legal proceeding in which such Proposing Person is a party or material participant involving the Corporation or any of its officers or Directors, or any affiliate of the Corporation; (C) any other material relationship between such Proposing Person, on the one hand, and the Corporation or any affiliate of the Corporation, on the other hand, (E) any direct or indirect material interest in any material contract or agreement of such Proposing Person with the Corporation or any affiliate of the Corporation (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement); and (D) any other information relating to such Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies or consents by such Proposing Person in support of the business proposed to be brought before the applicable meeting of the Stockholders pursuant to Section 14(a) of the Exchange Act. The disclosures to be made pursuant to this Section 2.13(c)(ii) are referred to as "Disclosable Interests"); provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the Stockholder directed to prepare and submit the notice required by these By-laws on behalf of a beneficial owner; and

(iii) As to each item of business that the Stockholder proposes to bring before the annual meeting of the Stockholders: (A) a brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any material interest in such business of each Proposing Person; (B) the text of the proposal or business (including the text of any resolutions proposed for consideration and the text of any proposed amendment to these By-laws); (C) a reasonably detailed description of all agreements, arrangements and understandings (x) between or among any of the Proposing Persons or (y) between or among any Proposing Person and any other person or entity (including their names) in connection with the proposal of such business by such Stockholder; and (D) any other information relating to such item of business that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies in support of the business proposed to be brought before the meeting pursuant to Section 14(a) of the Exchange Act. The disclosures

required by this Section 2.13(c)(iii) shall not include, however, any disclosures with respect to any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the Stockholder directed to prepare and submit the notice required by these By-laws on behalf of a beneficial owner.

(d) The term "Proposing Person" shall mean (a) the Stockholder providing the notice of business proposed to be brought before an annual meeting of the Stockholders, (b) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the business proposed to be brought before the annual meeting of the Stockholders is made, and (c) any participant (as defined in paragraphs (a)(ii)-(vi) of Instruction 3 to Item 4 of Schedule 14A) with such Stockholder in such solicitation.

(e) A Proposing Person shall update and supplement its notice to the Corporation of its intent to propose business at an annual meeting of the Stockholders, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.13 shall be true and correct as of the record date for notice of the meeting and as of the date that is 10 business days prior to the meeting or any adjournment or postponement of the meeting. Any such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for notice of the meeting. In the case of the update and supplement required to be made as of the record date), any update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement of the meeting. If delivery as set forth in the preceding sentence is not practicable, delivery shall be effected on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof).

(f) Notwithstanding anything in these By-laws to the contrary, no business shall be conducted at an annual meeting of the Stockholders that is not properly brought before the meeting in accordance with this Section 2.13. If the facts warrant, the presiding officer of the meeting shall determine that the business was not properly brought before the meeting in accordance with this Section 2.13. The presiding person shall announce any such determination to the meeting and any such business not properly brought before the meeting shall not be transacted.

(g) In addition to the requirements of this Section 2.13 with respect to any business proposed to be brought before an annual meeting of the Stockholders, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such business. Nothing in this Section 2.13 shall be deemed to affect the rights of Stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(h) "Public disclosure" means disclosure in a press release reported by a national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

Section 2.14 Advance Notice Procedures for Nominations of Directors.

(a) Nominations of any person for election to the Board of Directors at an annual meeting or at a special meeting of the Stockholders may be made at such meeting only: (a) by or at the direction of the Board of Directors, including by any committee or persons authorized to do so by the Board of Directors or these By-laws; or (b) by a Stockholder present in person (as defined in Section 2.13) (1) who was a Stockholder of record of the Corporation both at the time of giving the notice provided for in this Section 2.14 and at the time of the meeting, (2) is entitled to vote at the meeting and (3) has complied with this Section 2.14 as to such notice and nomination. Nominations of any person for election to the Board can only occur if the election of Directors is a matter specified in the notice of meeting given by or at the direction of the person calling such special meeting of the Stockholders. This Section 2.14 shall be the exclusive means for a Stockholder to make any nomination of a person or persons for election to the Board of Directors at any annual meeting or special meeting of the Stockholders.

(b)

(i) For a Stockholder to make any nomination of a person or persons for election to the Board of Directors at an annual meeting of the Stockholders, the Stockholder must (a) provide Timely Notice

(as defined in Section 2.13(b)) in writing and in proper form to the Secretary at the principal executive offices of the Corporation; (b) provide the information, agreements and questionnaires with respect to such Stockholder and such Stockholder's candidate for nomination as required by this Section 2.14; and (c) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.14.

(ii) If the election of Directors is a matter specified in the notice of meeting given by or at the direction of the person calling a special meeting of the Stockholders, then for a Stockholder to make any nomination of a person or persons for election to the Board of Directors at a special meeting of the Stockholders, the Stockholder must: (a) provide timely notice in writing and in proper form to the Secretary at the principal executive offices of the Corporation; (b) provide the information, agreements and questionnaires with respect to such Stockholder and its candidate for nomination required by this Section 2.14; and (c) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.14. To be timely for purposes of this Section 2.14(b)(ii), a Stockholder's notice for nominations to be made at a special meeting of the Stockholders must be delivered to, or mailed to and received by the Secretary not earlier than the 120th day prior to such special meeting and not later than the 90th day prior to such special meeting or, if later, the tenth day following the day on which public disclosure (as defined in Section 2.13(h)) of the date of such special meeting was first made.

(iii) In no event shall any adjournment or postponement of an annual meeting or special meeting of the Stockholders, or the announcement of such adjournment or postponement, commence a new time period for the giving of a Stockholder's notice as described above.

(iv) In no event may a Nominating Person provide notice under this Section 2.14 or otherwise with respect to a greater number of Director candidates than are subject to election by Stockholders at the applicable meeting. If, subsequent to such notice, the Corporation shall increase the number of Directors subject to election at the meeting, any notice as to any additional nominees shall be due on the later of: (i) the conclusion of the time period for Timely Notice (with respect to an annual meeting of the Stockholders); (ii) the date set forth in Section 2.14(b)(ii) (with respect to a special meeting); or (iii) the tenth day following the date of public disclosure (as defined in Section 2.13(h)) of such increase.

(c) To be in proper form for purposes of this Section 2.14, a Stockholder's notice to the Secretary shall set forth:

(i) As to each Nominating Person, the Stockholder Information (as defined in Section 2.13(c)(i)) except that the term "Nominating Person" shall be substituted for the term "Proposing Person" in all places it appears in Section 2.13(c)(i);

(ii) As to each Nominating Person, any Disclosable Interests (as defined in Section 2.13(c)(ii), except that the term "Nominating Person" shall be substituted for the term "Proposing Person" in all places it appears in Section 2.13(c)(ii) and the disclosure with respect to the business to be brought before the meeting of the Stockholders in Section 2.13(c)(iii) shall be made with respect to nomination of each person for election as a Director at such meeting); and

(iii) As to each candidate whom a Nominating Person proposes to nominate for election as a Director, (A) all information with respect to such candidate for nomination that would be required to be set forth in a Stockholder's notice pursuant to this Section 2.14 if such candidate for nomination were a Nominating Person; (B) all information relating to such candidate for nomination that is required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors in a contested election pursuant to Section 14(a) under the Exchange Act (including such candidate's written consent to being named in the Corporation's proxy statement as a nominee and to serving as a Director if elected); (C) a description of any direct or indirect material interest in any material contract or agreement between or among any Nominating Person, on the one hand, and each candidate for nomination or any other participants in such solicitation, on the other hand, including all information that would be required to be disclosed pursuant to Item 404 under Regulation S-K if such Nominating Person were the "registrant" for purposes of such rule and the candidate for nomination were a Director or executive officer of such registrant; and (D) a completed and signed questionnaire, representation and agreement as provided in Section 2.14(f).

(d) The term "Nominating Person" means (a) the Stockholder providing the notice of the nomination proposed to be made at the meeting of the Stockholders; (b) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the nomination proposed to be made at the meeting is made; and (c) any other participant in such solicitation.

(e) A Stockholder providing notice of any nomination proposed to be made at a meeting of the Stockholders shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.14 shall be true and correct as of the record date for notice of the meeting and as of the date that is ten business days prior to the meeting or any adjournment or postponement of the meeting. Any such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for notice of the meeting (in the case of the update and supplement required to be made as of such record date), and not later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement of the meeting. In the event such delivery is not practicable, delivery shall be effected on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof).

(f) To be eligible to be a candidate for election as a Director at an annual or special meeting of the Stockholders, a candidate must be nominated in the manner prescribed in this Section 2.14. Whether nominated by the Board of Directors or by a Stockholder of record, any candidate must have previously delivered (in accordance with the time period prescribed for delivery in a notice to such candidate given by or on behalf of the Board of Directors), to the Secretary at the principal executive offices of the Corporation: (a) a completed written questionnaire (in the form provided by the Corporation) with respect to the background, qualifications, stock ownership and independence of such candidate for nomination; and (b) a written representation and agreement (in the form provided by the Corporation) that such candidate for nomination (A) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation or reimbursement for service as a Director that has not been disclosed in such written questionnaire and (B) if elected as a Director, will comply with all applicable corporate governance, conflict of interest, confidentiality, stock ownership and trading and other policies and guidelines of the Corporation applicable to all Directors and in effect during such person's term in office as a Director (and, if requested by any candidate for nomination, the Secretary shall provide to such candidate for nomination all such policies and guidelines then in effect).

(g) The Board of Directors may also require any proposed candidate for nomination as a Director to furnish such other information as may reasonably be requested by the Board of Directors in writing prior to the meeting of Stockholders at which such candidate's nomination is to be acted upon in order for the Board of Directors to determine the eligibility of such candidate for nomination to be an independent Director in accordance with the Corporation's Corporate Governance Guidelines.

(h) In addition to the requirements of this Section 2.14 with respect to any nomination proposed to be made at a meeting, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such nominations.

(i) No candidate shall be eligible for nomination as a Director unless such candidate for nomination and the Nominating Person seeking to place such candidate's name in nomination has complied with this Section 2.14. If the facts warrant, the presiding officer at the meeting shall determine that a nomination was not properly made in accordance with this Section 2.14. In the event of any such determination, the presiding person shall announce their determination to the meeting and the defective nomination shall be disregarded. Any ballots cast for the candidate in question (but in the case of any form of ballot listing other qualified nominees, only the ballots case for the nominee in question) shall be void and of no force or effect.

(j) Notwithstanding anything to the contrary in these By-laws, no candidate for nomination shall be eligible to be seated as a Director unless nominated and elected in accordance with this Section 2.14.

(k) Notwithstanding the foregoing provisions of this Section 2.14, unless otherwise required by law, if any Nominating Person provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act and subsequently fails to comply with the requirements of Rule 14a-19(a)(2) and Rule 14a-19(a)(3) promulgated under the Exchange Act, then the Corporation shall disregard any proxies or votes solicited for the Nominating

Person's nominee. Upon request by the Corporation, if any Nominating Person provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act, such Nominating Person shall deliver to the Corporation, no later than five business days prior to the applicable meeting, reasonable evidence that it has met the requirements of Rule 14a-19(a)(3) promulgated under the Exchange Act.

Section 2.15 Delivery to the Corporation. Whenever this Article II requires one or more persons (including a record or beneficial owner of Stock) to deliver a document or information to the Corporation or any officer, employee or agent of the Corporation, such document or information shall be in writing exclusively (and not in an electronic transmission) and shall be delivered exclusively by hand (including, without limitation, overnight courier service) or by certified or registered mail, return receipt requested. Without limiting the generality of the foregoing, the requirements set forth in the preceding sentence shall apply to any notice, request, questionnaire, revocation, representation or other document or agreement and the Corporation shall not be required to accept delivery of any document not in such written form or so delivered. For the avoidance of doubt, the Corporation expressly opts out of Section 116 of the DGCL with respect to the delivery of information and documents to the Corporation required by this Article II.

ARTICLE III

BOARD OF DIRECTORS

Section 3.01 Powers. Except as otherwise provided by the Certificate of Incorporation or the DGCL, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

Section 3.02 Number; Tenure; Qualifications. Subject to the Certificate of Incorporation and the rights of holders of any series of preferred Stock to elect Directors, the total number of Directors constituting the entire Board of Directors shall be fixed from time to time exclusively by resolution of the Board of Directors, each of whom shall be a natural person. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires. The Directors shall be classified in the manner provided in the Certificate of Incorporation. Each Director shall hold office until such time as provided in the Certificate of Incorporation. Directors need not be Stockholders to be qualified for election or service as a Director.

Section 3.03 Election, Qualification and Term of Office of Directors. Except as provided in these By-laws, and subject to the Certificate of Incorporation, each Director, including a Director elected to fill a vacancy or newly created directorship, shall hold office until the expiration of the term of the class, if any, for which elected and until such Director's successor is elected and qualified or until such Director's earlier death, resignation, disqualification or removal. Directors need not be Stockholders. The Certificate of Incorporation or these By-laws may prescribe qualifications for Directors.

Section 3.04 Resignation and Vacancies.

(a) Any Director may resign at any time upon notice given in writing or by electronic transmission to the Corporation. The resignation shall take effect at the time specified in such writing or electronic transmission or upon the happening of an event specified in such notice or electronic transmission, and if no time or event is specified, at the time of its receipt. When one or more Directors so resigns and the resignation is effective at a future date or upon the happening of an event to occur on a future date, a majority of the Directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies. The appointment of the newly elected directors shall take effect upon the resignation or resignations of such resigning Directors and each Director so chosen shall hold office as provided in Section 3.03.

(b) Unless otherwise provided in the Certificate of Incorporation or these By-laws, vacancies resulting from the death, resignation, disqualification or removal of any Director, and newly created directorships resulting from any increase in the authorized number of Directors shall be filled only by a majority of the Directors then in office, although less than a quorum, or by a sole remaining Director.

Section 3.05 Regular Meetings. Regular meetings of the Board of Directors may be held at such places, if any, within or without the State of Delaware. Such regular meetings shall be held at times designated by the Board of Directors and publicized among all Directors, either orally or in writing, by telephone, including a voice-messaging system or other system designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other means of electronic transmission. No further notice shall be required for regular meetings of the Board of Directors.

Section 3.06 Special Meetings. Special meetings of the Board of Directors may be called by the Chairperson, the Chief Executive Officer, the President, the Secretary or a majority of the Directors then in office. Any such special meetings shall be held at such time, date and place, if any, within or without the State of Delaware as they shall fix. Notice to Directors of the date, place and time of any special meeting of the Board of Directors shall be given to each Director by the Secretary or by the officer or one of the Directors calling the meeting. Such notice may be given in person, by United States first-class mail, or by e-mail, telephone, telecopier, facsimile or other means of electronic transmission. If the notice is delivered in person, by e-mail, telephone, telecopier, facsimile or other means of electronic transmission, it shall be delivered or sent at least 24 hours before the time of holding of the meeting. If the notice is sent by mail, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. The notice need not specify the place of the meeting if the meeting is to be held at the Corporation's principal executive office nor the purpose of the meeting.

Section 3.07 Place of Meetings; Telephonic Meetings. The Board of Directors may hold meetings, both regular and special, either within or outside the State of Delaware. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, Directors may participate in any meetings of the Board of Directors or a committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting of the Board of Directors pursuant to this Section 3.07 shall constitute presence in person at such meeting.

Section 3.08 Quorum; Vote Required for Action . Unless otherwise provided by the Certificate of Incorporation, at all meetings of the Board of Directors a majority of the total number of Directors shall constitute a quorum for the transaction of business. Notwithstanding the foregoing and solely for the purposes of filling vacancies pursuant to Section 3.04, a meeting of the Board of Directors may be held if a majority of the Directors then in office participate in such meeting. The affirmative vote of a majority of the Directors present at any meeting of the Board of Directors at which a quorum is present shall be the act of the Board of Directors, except as may be otherwise specifically required by applicable law, the Certificate of Incorporation or these By-laws. If a quorum is not present at any meeting of the Board of Directors, then the Directors present at the meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

Section 3.09 Organization. Meetings of the Board of Directors shall be presided over by the Chairperson, or in such person's absence by the person whom the Chairperson shall designate, or in the absence of the foregoing persons by a chairperson chosen at the meeting by the affirmative vote of a majority of the Directors present at the meeting. The Secretary shall act as secretary of the meeting, but in such person's absence, the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 3.10 Action by Unanimous Consent of Directors. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting of the Board of Directors if all members of the Board of Directors or such committee consent in writing or by electronic transmission. Thereafter, the writing or writings or electronic transmissions shall be filed with the minutes of proceedings of the Board of Directors or such committee in accordance with applicable law. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. Such action by written consent or consent by electronic transmission shall have the same force and effect as a unanimous vote of the Board of Directors.

Section 3.11 Compensation of Directors. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, the Board of Directors shall have the authority to fix the compensation, including fees and reimbursements of expenses and equity compensation, of Directors for services to the Corporation in any capacity. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation from the Corporation for such service. Any Director may decline any or all such compensation payable to such Director in such person's discretion.

Section 3.12 Chairperson. The Board of Directors may appoint from its members a chairperson (the "Chairperson"). The Board of Directors may, in its sole discretion, from time to time appoint one or more vice chairpersons (each, a "Vice Chairperson"), each of whom in such capacity shall report directly to the Chairperson.

ARTICLE IV

COMMITTEES

Section 4.01 Committees. The Board of Directors may designate one or more committees, each committee to consist of one or more of the Directors. The Board of Directors may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. In the absence or disqualification of a member of any committee, the member or members present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum and may unanimously appoint another member of the Board of Directors to act at the meeting in place of any such absent or disqualified member. To the extent permitted by applicable law and to the extent provided in a resolution of the Board of Directors, any such committee may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation (if one is adopted) to be affixed to all papers that may require it. No such committee shall have the power or authority, however, to: (i) approve or adopt, or recommend to the Stockholders, any action or matter expressly required by the DGCL to be submitted to Stockholders for approval; or (ii) adopt, amend or repeal any bylaw of the Corporation. Except as otherwise provided in the Certificate of Incorporation, these By-laws, or the resolution of the Board of Directors designating the committee, a committee may create one (1) or more subcommittees, each subcommittee to consist of one or more members of the committee, and delegate to a subcommittee any or all of the powers and authority of the committee. Except as otherwise provided in the Certificate of Incorporation, these By-laws, or the resolution of the Board of Directors designating the committee (or resolution of the committee designating the subcommittee, if applicable), a majority of the Directors then serving on a committee or subcommittee shall constitute a quorum for the transaction of business. The vote of a majority of the members of the committee or subcommittee present at a meeting at which a quorum is present shall be the act of the committee or subcommittee. Meetings of any committee of the Board of Directors may be held at any time or place, if any, within or without the State of Delaware whenever called by the Chairperson or a majority of the members of such committee.

Section 4.02 Committee Minutes. Each committee of the Board of Directors shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 4.03 Committee Rules. Unless the Board of Directors otherwise provides, each committee designated by the Board of Directors may make, alter and repeal rules for the conduct of its business. In the absence of such rules, each such committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to Article III.

ARTICLE V

OFFICERS

Section 5.01 Officers. The officers of the Corporation shall include a Chief Executive Officer, a President and a Secretary. The Corporation may also have, at the discretion of the Board of Directors, a Chairperson, a Vice Chairperson, a Chief Financial Officer, a Treasurer, one or more Vice Presidents, one or more Assistant Vice Presidents, one or more Assistant Treasurers, one or more Assistant Secretaries, and any such other officers as may be appointed in accordance with the provisions of these By-laws. Each officer of the Corporation shall hold office for such term as may be prescribed by the Board of Directors and until such person's successor is duly elected and qualified or until such person's earlier death, resignation or removal. No officer need be a Stockholder or Director.

Section 7.10 Transfer of Stock. Shares of Stock shall be transferable in the manner prescribed by law and in these By-laws. Shares of Stock shall be transferred on the books of the Corporation only by the holder of record or by such holder's attorney duly authorized in writing, upon surrender to the Corporation of the certificate or certificates representing such shares endorsed by the appropriate person or persons (or by delivery of duly executed instructions with respect to uncertificated shares). Any transfer of Shares shall be accompanied by such evidence of the authenticity of such endorsement or execution, transfer, authorization and other matters as the Corporation may reasonably require, along with all necessary stock transfer stamps. No transfer of Stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing the names of the persons from and to whom it was transferred. Notwithstanding anything to the contrary in these By-laws, at all times that the Corporation's stock is listed on a stock exchange, the Shares of Stock of the Corporation shall comply with all direct registration system eligibility requirements established by such exchange, including any requirement that shares of the Corporation's stock be eligible for issue in uncertificated or book-entry form. All issuances and transfers of Shares of Stock shall be entered on the books of the Corporation with all information necessary to comply with such direct registration system eligibility requirements, including the name and address of the person to whom the Shares of Stock are issued, the number of Shares of Stock issued and the date of issue. The Corporation shall have power to enter into and perform any agreement with any number of Stockholders of any one or more classes or series of Stock to restrict the transfer of shares of Stock of any one or more classes owned by such Stockholders in any manner not prohibited by the DGCL.

The Corporation shall: (i) be entitled to recognize the exclusive right of a person registered on its books as the owner of shares of Stock to receive dividends and to vote as such owner; and (ii) not be bound to recognize any equitable or other claim to or interest in such share or shares of Stock on the part of another person, whether or not it shall have express or other notice of such claim to or interest in such share or shares of Stock, except as otherwise provided by the laws of the State of Delaware.

Section 7.13 Waiver of Notice. Whenever notice is required to be given under any provision of the DGCL, the Certificate of Incorporation or these By-laws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time of the event for which notice is to be given, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Stockholders need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the Certificate of Incorporation or these By-laws.

ARTICLE VIII

NOTICE

Section 8.01 Delivery of Notice; Notice by Electronic Transmission

(a) Without limiting the manner by which notice otherwise may be given effectively to Stockholders, any notice to Stockholders given by the Corporation under any provisions of the DGCL, the Certificate of Incorporation, or these By-laws may be given in writing directed to the Stockholder's mailing address (or by electronic transmission directed to the Stockholder's electronic mail address, as applicable) as it appears on the records of the Corporation. All such notices shall be given: (1) if mailed, when the notice is deposited in the U.S. mail, postage prepaid; (2) if delivered by courier service, the earlier of when the notice is received or left at such Stockholder's address; or (3) if given by electronic mail, when directed to such Stockholder's electronic mail address unless the Stockholder has notified the Corporation in writing or by electronic transmission of an objection to receiving notice by electronic mail. A notice by electronic mail must include a prominent legend that the communication is an important notice regarding the Corporation.

(b) Without limiting the manner by which notice otherwise may be given effectively to Stockholders, any notice to Stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these By-laws shall be effective if given by a form of electronic transmission consented to by

the Stockholder to whom the notice is given. Any such consent shall be revocable by the Stockholder by written notice or electronic transmission to the Corporation. Notwithstanding the provisions of this paragraph, the Corporation may give a notice by electronic mail in accordance with Section 8.01(a) without obtaining the consent required by this Section 8.01(b).

(c) Any notice given pursuant to Section 8.01(b) shall be deemed given: (i) if by facsimile telecommunication, when directed to a number at which the Stockholder has consented to receive notice; (ii) if by a posting on an electronic network together with separate notice to the Stockholder of such specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and (iii) if by any other form of electronic transmission, when directed to the Stockholder. The inadvertent failure to discover such inability shall not invalidate any meeting or other action. An affidavit of the Secretary or an Assistant Secretary or of the transfer agent or other agent of the Corporation that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

ARTICLE IX

INDEMNIFICATION

Section 9.01 Indemnification of Directors and Officers. To the fullest extent permitted by the DGCL as it presently exists or may hereafter be amended, the Corporation shall indemnify and hold harmless, any Director or officer of the Corporation who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding") by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a Director or officer of the Corporation or, while serving as a Director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership (a "covered person"), joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees, judgments, fines ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection with any such Proceeding. Notwithstanding the preceding sentence, except as otherwise provided in Section 9.04, the Corporation shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized in the specific case by the Board of Directors.

Section 9.02 Indemnification of Others. To the fullest extent permitted by applicable law as it presently exists or may hereafter be amended ,the Corporation shall have the power to indemnify and hold harmless, any employee or agent of the Corporation who was or is made or is threatened to be made a party or is otherwise involved in any Proceeding by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was an employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses reasonably incurred by such person in connection with any such Proceeding.

Section 9.03 Prepayment of Expenses. To the fullest extent not prohibited by applicable law the Corporation shall pay the expenses (including attorneys' fees) incurred by any covered person, and may pay the expenses incurred by any employee or agent of the Corporation, in defending any Proceeding in advance of its final disposition; provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the person to repay all amounts advanced if it should be ultimately determined that the person is not entitled to be indemnified under this Article IX or otherwise.

Section 9.04 Determination; Claim. If a claim for indemnification (following the final disposition of such Proceeding) under this Article IX is not paid in full within 60 days, or a claim for advancement of expenses under this Article IX is not paid in full within 30 days, after a written claim has been received by the Corporation the claimant may thereafter (but not before) file suit to recover the unpaid amount of such claim. If successful in whole or in part, the claimant shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by law, including reasonable attorneys' fees. It shall be a defense to any such action (other than an action brought

The burden of proof in such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such claimant has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 9.05 Non-Exclusivity of Rights. The rights conferred on any person by this Article IX shall not be exclusive of any other rights that such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, these By-laws, agreement, vote of Stockholders or disinterested Directors or otherwise.

Section 9.07 Other Indemnification. The Corporation's obligation, if any, to indemnify or advance expenses to any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

Section 9.08 Continuation of Indemnification. The rights to indemnification and to prepayment of expenses provided by, or granted pursuant to, this Article IX shall continue notwithstanding that the person has ceased to be a Director or officer of the Corporation and shall inure to the benefit of the estate, heirs, executors, administrators, legatees and distributes of such person.

Section 9.09 Amendment or Repeal; Interpretation.

(a) The provisions of this Article IX shall constitute a contract between the Corporation, on the one hand, and, on the other hand, each individual who serves or has served as a Director or officer of the Corporation (whether before or after the adoption of these By-laws), in consideration of such person's performance of such services. Pursuant to this Article IX, the Corporation intends to be legally bound to each such current or former Director or officer of the Corporation. WHEREAS, as of the Effective Date, the Parent Support Parties are the holders of record and the "beneficial owners" (within the meaning of Rule 13d-3 under the Securities Exchange Act of 1934 (the "Exchange Act")) and are entitled to dispose of (or to direct the disposition of) and to vote (or direct the voting of) such number of Parent Class B Ordinary Shares and Parent Private Placement Warrants as are indicated opposite each of their names on Schedule I attached to this Agreement (collectively, the "Subject Securities");

WHEREAS, contemporaneously with the execution and delivery of this Agreement, the Parent, the Company, Learn SPAC Holdco, Inc., a Delaware corporation ("Holdco"), LCW Merger Sub, Inc., a Delaware corporation ("LCW Merger Sub"), Innventure Merger Sub, LLC, a Delaware limited liability company ("Innventure Merger Sub", and together with LCW Merger Sub, the "Merger Subs"), have entered into the Business Combination Agreement (as it may be amended, supplemented, restated or otherwise modified from time to time in accordance with its terms, the "Business Combination Agreement"), dated as of the Effective Date, pursuant to which, upon the terms and subject to the conditions set forth therein, (i) LCW Merger Sub with merge with and into Parent, with Parent surviving as the wholly-owned subsidiary of Holdco (the "LCW Merger"), and (ii) Innventure Merger Sub will merge with and into the Company, with the Company surviving as the wholly-owned subsidiary of Holdco (the "Innventure Merger", and together with the LCW Merger, the "Merger").

WHEREAS, (i) as a result of the LCW Merger, each Parent Ordinary Share issued and outstanding immediately prior to the effective time of the LCW Merger will be converted into the right to receive one share of Holdco Common Stock, and (ii) as a result of the Innventure Merger, Company membership units issued and outstanding immediately prior to the effective time of the Innventure Merger will be converted into the right to receive a certain number of shares of Holdco Common Stock (such transaction described in clauses (i) and (ii), together with the Merger and other transactions contemplated by the Business Combination Agreement, the "Transactions"); and

WHEREAS, as a condition to the willingness of the Company to enter into the Business Combination Agreement, and as an inducement and in consideration therefor, the Parent Support Parties are executing this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual premises, representations, warranties, covenants and agreements contained herein, the Parties, intending to be legally bound, hereby agree as follows:

ARTICLE I

SUPPORT AGREEMENT; COVENANTS

Section 1.1 Binding Effect of Business Combination Agreement. Each Parent Support Party acknowledges that such Person has read the Business Combination Agreement and this Agreement and has had the opportunity to consult with such Person's tax and legal advisors. Each Parent Support Party shall be bound by, be subject to and comply with Section 6.06 (*No Solicitation*), Section 6.15 (*Public Announcements*) and Section 6.16 (*Confidential Information*) of the Business Combination Agreement (and any relevant definitions contained in any such Sections) as if such Parent Support Party was an original signatory to the Business Combination Agreement with respect to such provisions.

Section 1.2 No Transfer.

(a) Unless otherwise deemed a Permitted Transfer or with the Company's prior written consent, during the period commencing on the Effective Date and ending on the earliest of: (i) the Closing; (ii) such date and time as the Business Combination Agreement shall be terminated in accordance with Section 8.01 (*Termination*)

of the Business Combination Agreement (the "BCA Termination"); and (iii) the liquidation of the Parent, without the prior written consent of the Company, no Parent Support Party shall: (A) sell, offer to sell, contract or agree to sell, hypothecate or pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subject Securities owned by such Parent Support Party; (B) enter into any swap or other arrangement that transfers to another any of the economic consequences of ownership of any Subject Securities owned by the Parent Support Parties, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise; (C) take any action in furtherance of any of the matters described in the foregoing clause (A) or (B); or (D) publicly announce any intention to effect any transaction specified in the foregoing clause (A) or (B) (each, a "Transfer").

(b) "Permitted Transfer" means any Transfer of the Subject Securities: (i) to the Parent's officers or directors, any Affiliate or family member of any of the Parent's officers or directors, any members or partners of the Sponsor or their Affiliates and funds and accounts advised or managed by such members or partners, any Affiliates of the Sponsor, or any employees of such Affiliates; (ii) upon reasonably prompt prior notice to the Company, by private sales or in connection with the consummation of the Transactions at prices no greater than the price at which the Subject Securities were originally purchased; (iii) in the case of an individual, by gift to a member of one of the individual's immediate family or to a trust, the beneficiary of which is a member of the individual's family or an Affiliate of such person or to a charitable organization; (iv) in the case of an individual, by virtue of laws of descent and distribution upon death of such individual; (v) in the case of an individual, pursuant to a qualified domestic relations order; (vi) in the case of an entity that is a trust, Transfers to a trustor or beneficiary of the trust or to the estate of a beneficiary of such trust; (vii) by virtue of the Sponsor's organizational documents upon liquidation or dissolution of the Sponsor; (viii) to the Parent for no value for cancellation in connection with the consummation of the Transactions; (ix) in the event of the Parent's liquidation prior to the completion of a business combination; (x) in the event of completion of a liquidation, merger, share exchange or other similar transaction which results in all of the Parent Shareholders having the right to exchange their Parent Class B Ordinary Shares for cash, securities or other property subsequent to the completion of the Transactions; or (xi) to a nominee or custodian of a Person to whom a Transfer would be permitted under clauses (i) through (x). Notwithstanding the foregoing, in the case of clauses (i) through (vii), as a precondition to such Transfer, such transferee must enter into a written agreement with the Company and the Parent agreeing to assume all of the obligations under this Agreement with respect to such Subject Securities and to be bound by the restrictions set forth in this Agreement. No Transfer permitted under this Section 1.2 shall relieve the applicable Parent Support Party of such Person's obligations under this Agreement.

Section 1.3 New Shares. If: (a) any Parent Class B Ordinary Shares or Parent Warrants are issued to a Parent Support Party after the Effective Date pursuant to any share dividend, share split, recapitalization, reclassification, combination or exchange of or similar transaction with respect to, on or affecting the Parent Class B Ordinary Shares or the Parent Warrants owned by such Parent Support Party or otherwise; (b) a Parent Support Party purchases or otherwise acquires beneficial ownership of any Parent Class B Ordinary Shares or Parent Warrants after the Effective Date; or (c) a Parent Support Party acquires the right to vote or share in the voting of any Parent Class B Ordinary Shares after the Effective Date (such Parent Class B Ordinary Shares or Parent Warrants, collectively, the "New Securities"), then such New Securities acquired or purchased by such Parent Support Party shall be subject to the terms of this Agreement to the same extent as if they constituted the Subject Securities owned by such Parent Support Party as of the Effective Date.

Section 1.4 Closing Date Deliverables. On the Closing Date, each of the Parent Support Parties shall deliver to the Parent and the Company a duly executed copy of the A&R Registration Rights Agreement.

Section 1.5 Agreements.

(a) In all circumstances in which the vote, consent or other approval of the Parent Shareholders is sought, each of the Parent Support Parties shall: (i) appear at each such meeting, in person or by proxy, or otherwise cause all of such Person's Subject Securities that are entitled to vote and any Parent Class A Ordinary Shares held by such Parent Support Party to be counted as present at such meeting for purposes of calculating a quorum; and (ii) vote (or cause to be voted), or execute and deliver a written consent (or cause a written consent to be executed and delivered) covering, all of such Person's Subject Securities that are entitled to vote and any Parent Class A Ordinary Shares held by such Parent Support Party:

(A) in favor of each Transaction Proposal;

(B) in favor of each proposal, action or agreement in connection with any Additional Financing;

(C) in favor of each proposal, action or agreement in connection with the CEF;

(D) against any merger agreement or merger (other than the Business Combination Agreement and the Transactions), consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Parent;

(E) against any change in the business, management or board of directors of the Parent (other than in connection with the Transaction Proposals or pursuant to the Business Combination Agreement or the Ancillary Documents); and

(F) against any proposal, action or agreement that would: (I) impede, interfere, frustrate, prevent or nullify any provision of this Agreement, the Business Combination Agreement or the Transactions; (II) result in a breach in any respect of any covenant, representation, warranty or any other obligation or agreement of the Parent under the Business Combination Agreement; (III) result in any of the conditions set forth in Article VII (*Closing Conditions*) of the Business Combination Agreement not being fulfilled; (IV) result in a breach of any covenant, representation or warranty or other obligation or agreement of such Parent Support Party contained in this Agreement; or (V) change in any manner the dividend policy or capitalization of, including the voting rights of any class of capital stock of, the Parent.

No Parent Support Party shall commit or agree to take any action inconsistent with the foregoing in such Parent Support Party's capacity as a shareholder of the Parent.

(b) Notwithstanding anything to the contrary in this Agreement, if at any time following the Effective Date and until the BCA Termination, the board of directors of the Parent effect a Modification in Recommendation, then the obligations of the Parent Support Parties to vote or consent in accordance with Section 1.5(a): (i) with respect to the Parent Support Parties other than Sponsor, shall cease to apply, and from and after the occurrence of a Modification in Recommendation, such Parent Support Parties shall be expressly permitted to vote or provide consent in respect of their respective Subject Securities in their sole discretion; and (ii) with respect to the Sponsor, shall automatically be deemed to be modified such that, from and after the occurrence of a Modification in Recommendation, the Sponsor shall vote or provide consent in respect of its Subject Securities in the same proportion to the votes cast or consent provided, as applicable, by the holders of the Parent Class B Ordinary Shares (but shall continue to vote or provide consent in accordance with Section 1.5(a) with respect to all Parent Class A Ordinary Shares held by the Sponsor).

Section 1.6 No Challenges. Each Parent Support Party agrees not to commence, join in, facilitate, assist or encourage, and agrees to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against the Parent, the Company or any of their respective successors or directors: (a) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement; or (b) alleging a breach of any fiduciary duty of any person in connection with the evaluation, negotiation or entry into this Agreement, the Business Combination Agreement or the Transactions. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall limit or restrict the ability of the Parent Support Parties to enforce their rights under this Agreement or any other Ancillary Document to which such Person is a party or seek any other remedies with respect to any breach of this Agreement or such other Ancillary Document by any other party to this Agreement or such other Ancillary Document, including by commencing any action in connection with this Agreement or any other Ancillary Document.

Section 1.7 Further Assurances. Each Parent Support Party shall take, or cause to be taken, all actions and do, or cause to be done, all things reasonably necessary under applicable Laws to consummate the transactions contemplated by this Agreement on the terms and subject to the conditions set forth in this Agreement and the Transactions on the terms and subject to the conditions set forth in the Business Combination Agreement.

Section 1.8 No Inconsistent Agreement. Each Parent Support Party represents and covenants that such Parent Support Party has not, in such Person's capacity as a shareholder of the Parent, entered into, and shall not enter into, any agreement that would restrict, limit or interfere with the performance of such Parent Support Party's obligations under this Agreement.

Section 1.9 Waiver of Anti-Dilution Provision. Subject to the consummation of the Transactions, each Parent Support Party waives (for itself and for its successors, heirs and assigns), to the fullest extent permitted by law and the amended and restated memorandum and articles of association of the Parent (as may be amended from time to time, the "Articles"), all anti-dilution rights that would otherwise result in Parent Class B Ordinary Shares held by such Parent Support Party converting into Holdco Common Shares on a greater than one-for-one basis in connection with the Transactions. The waiver specified in this Section 1.9 shall be applicable only in connection with the Transactions and the transactions contemplated by this Agreement and any Holdco Common Shares or equity-linked securities issued in connection with the Transactions and the transactions contemplated by this Agreement. If the Business Combination Agreement shall be terminated for any reason, the foregoing waiver shall be void and of no force and effect.

Section 1.10 Sponsor Surrendered Securities. Effective immediately upon the Closing, Sponsor will (i) forfeit 750,000 shares of Parent Class B Ordinary Shares held by the Sponsor for no consideration and (ii) be subject to potential additional forfeiture and cancellation of up to 1,880,000 shares of Parent Class B Ordinary Shares held by the Sponsor (the "At Risk Sponsor Shares") for no consideration as follows:

(a) to the extent the aggregate amount of any Additional Financing (which may be debt or equity financing) plus any funds from Trust Account available for distribution to the Holdco or the Company at Closing (the "Additional Funds") equals or exceeds $50,000,000 (the "Target Amount ") before taking into account financing fees and transaction expenses, none of the At Risk Sponsor Shares shall be forfeited;

(b) to the extent the Additional Funds are less than the Target Amount, the Sponsor shall forfeit such number of the At Risk Sponsor Shares as shall be equal to the product of 1,880,000 multiplied by a fraction, the numerator of which shall be the Target Amount less the actual amount of Additional Funds and the denominator of which shall be the Target Amount. For illustration only, if the Additional Funds are equal to $20,000,000, the Sponsor shall forfeit 1,128,000 At Risk Sponsor Shares, calculated by multiplying 1,880,000 shares times (($50,000,000 minus $20,000,000) divided by $50,000,0000); and

(c) notwithstanding the foregoing subparts (a) and (b), to the extent the Sponsor shall not forfeit any of the At Risk Sponsor Shares as specified above, Sponsor shall not Transfer any shares of Holdco Common Stock received by Sponsor in exchange for such retained At Risk Sponsor Shares pursuant to the LCW Merger (the "At Risk Holdco Shares") until the VWAP of the shares of Holdco Common Stock shall have exceeded $11.50 per share for at least twenty days in any immediately preceding thirty day period (the "VWAP Completion Event"); provided, that if the VWAP Completion Event has not occurred prior to the date that is seven (7) years following the Closing, all of such At Risk Holdco Shares shall automatically be deemed to be forfeited and Holdco shall, and shall cause its transfer agent to, cancel such shares on the books and records of Holdco.

"Additional Financing" means an Additional Financing (as defined in the Business Combination Agreement); provided, that any debt or equity financing approved by the Company not otherwise meeting the definition of an Additional Financing shall be deemed an Additional financing for purposes of this Section 1.10; provided, further that if Sponsor delivers to the Company a bona fide third party offer to provide debt or equity financing that meets the definition of an Additional Financing and the Company does not complete such proposed financing, such amounts shall be deemed raised for purposes of this Section 1.10.

Section 1.11 Milestone Earnout.

(a) In addition to the At Risk Sponsor Shares and At Risk Holdco Shares determined as set forth in Section 1.10 above, the Sponsor shall not Transfer any Milestone Shares (as defined below) except in accordance with the following milestones (the "Milestones"), if achieved:

(i) Forty percent (40%) of the Milestone Shares shall be Transferable upon achievement by Holdco of Milestone One.

(ii) Forty percent (40%) of the Milestone Shares shall be Transferable upon achievement by Holdco of Milestone Two.

(iii) Twenty percent (20%) shall of the Milestone Shares shall be Transferable upon achievement by Holdco of Milestone Three.

(b) "Milestone Shares" means an amount of shares of Holdco Common Stock (received by the Sponsor in exchange for its Parent Class B Ordinary Shares in the LCW Merger) equal to the product of 3,000,000 multiplied by a fraction, the numerator of which is 5 million and the denominator of which is the total Merger Consideration. The Milestone Shares shall be adjusted as appropriate to reflect any stock splits, reverse stock splits, stock dividends, extraordinary cash dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change or transaction with respect to the shares of Holdco Common Stock occurring on or after the Closing. Milestones may be achieved at the same time or at different times. If any Milestone shall not be achieved by the seventh (7^{th}) anniversary of the Closing, then the Milestone Shares associated with such Milestone shall automatically be deemed to be forfeited and Holdco shall, and shall cause its transfer agent to, cancel such shares on the books and records of Holdco.

(c) Notwithstanding the above, any Milestones otherwise not yet achieved on or prior to the seventh (7^{th}) anniversary of the Closing shall automatically be deemed to have occurred and all Milestone Shares associated with such Milestone shall be immediately due and payable by Holdco upon the occurrence of any of the following:

(i) There is a Change of Control; or

(ii) The occurrence of the VWAP Completion Event.

(d) For the avoidance of doubt, the achievement of Milestone One, Milestone Two and Milestone Three, respectively, pursuant to the Business Combination Agreement, shall be deemed an achievement of such Milestones for purposes of this Section 1.11.

Section 1.12 Sponsor Waiver of Exercise Rights. In the event a member of the Sponsor serves on the board of directors of the Holdco following the completion of the Transactions, Sponsor shall waive its rights to exercise Converted Warrants on a cashless basis. For the avoidance of doubt, the member serving on the board of directors of the Holdco shall retain his right to exercise his Holdco Warrants on a cashless basis.

ARTICLE II

REPRESENTATIONS AND WARRANTIES

Section 2.1 Representations and Warranties of the Parent Support Parties. Each Parent Support Party, severally and not jointly, represents and warrants as of the Effective Date to the Parent and the Company, in each case, only with respect to itself, as follows:

(a) Organization; Due Authorization. If the Parent Support Party is an individual, such Person has all the requisite power and authority and has taken all action necessary in order to execute and deliver this Agreement, to perform such Person's obligations under this Agreement and to consummate the transactions contemplated by this Agreement. If the Parent Support Party is not an individual: (i) such Person is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which such Person is incorporated, formed, organized or constituted; and (ii) the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement are within such Parent Support Party's corporate, limited liability company, partnership or similar organizational powers and have been duly authorized by all necessary corporate, limited liability company, partnership or similar organizational actions on the part of such Parent Support Party. This Agreement has been duly executed and delivered by such Parent Support Party.

Assuming the due authorization, execution and delivery by the other parties to this Agreement, this Agreement constitutes a legally valid and binding obligation of such Parent Support Party. Except as enforceability may be limited by bankruptcy Laws, other similar Laws affecting creditors' rights and general principles of equity affecting the availability of specific performance and other equitable remedies, this Agreement is enforceable against such Parent Support Party in accordance with its terms. If this Agreement is being executed in a representative or fiduciary capacity, the Person signing this Agreement has full power and authority to enter into this Agreement on behalf of such Parent Support Party.

(b) Ownership. Such Parent Support Party is the record and beneficial owner (as defined in Rule 13d-3 of the Exchange Act) of, and has good title to, all of such Person's respective Subject Securities. There exist no Liens or any other limitation or restriction affecting any such Subject Securities, other than Liens pursuant to: (i) this Agreement; (ii) the Parent's Organizational Documents; (iii) the Business Combination Agreement; (iv) the Sponsor's Organizational Documents; (v) agreements between such Parent Support Party and such Parent Support Party's members or Affiliates, as applicable; or (vi) any applicable securities Laws. Such Parent Support Party's Subject Securities are the only equity securities of the Parent owned of record or beneficially by such Parent Support Party on the Effective Date. Except as provided under this Agreement, none of such Subject Securities are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Subject Securities. Other than the Parent Warrants held by such Parent Support Party, such Parent Support Party does not hold or own any rights to acquire (directly or indirectly) any equity securities of the Parent or any equity securities convertible into, or which can be exchanged for, equity securities of the Parent.

(c) No Conflicts. The execution and delivery of this Agreement by such Parent Support Party does not, and the performance by such Parent Support Party of such Person's obligations under this Agreement will not: (i) if such Parent Support Party is not an individual, conflict with or result in a violation of the organizational documents of such Parent Support Party; or (ii) require any consent or approval that has not been given or other action that has not been taken by any Person (including under any Contract binding upon such Parent Support Party or such Parent Support Party's Subject Securities), in each case, to the extent such consent, approval or other action would prevent, enjoin or materially delay the performance by such Parent Support Party of such Person's obligations under this Agreement.

(d) Litigation. There are no Legal Proceedings pending against such Parent Support Party, or to the knowledge of such Parent Support Party threatened against such Parent Support Party, before (or, in the case of threatened Legal Proceedings, that would be before) any arbitrator or any Governmental Authority, that in any manner challenge or seek to prevent, enjoin or materially delay the performance by such Parent Support Party of such Person's obligations under this Agreement.

(e) Brokerage Fees. Except as set forth on Section 5.15 (*Finders and Brokers*) of the Parent Disclosure Letter, no broker, finder, financial advisor, investment banker or other Person is entitled to any brokerage fee, finders' fee or other similar commission in connection with the Transactions based upon arrangements made by such Parent Support Party, for which such Person or such Person's Affiliates would be liable.

(f) Acknowledgement. Such Parent Support Party understands and acknowledges that each of the Parent and the Company is entering into the Business Combination Agreement in reliance upon the Parent Support Party's execution and delivery of this Agreement.

ARTICLE III

MISCELLANEOUS

Section 3.1 Termination. This Agreement and all of its provisions shall terminate and be of no further force or effect upon the earliest of: (a) the BCA Termination; (b) the liquidation of the Parent; and (c) the written agreement of the Parent Support Parties, the Parent and the Company. Upon such termination of this Agreement: (i) all obligations of the parties under this Agreement will terminate, without any liability or other obligation on the part of any party to this Agreement to any Person with respect to this Agreement or the transactions contemplated by this Agreement; and (ii) no party to this Agreement shall have any claim against another (and no Person shall have any rights against such party), whether under contract, tort or otherwise, with respect to the subject matter of this Agreement. Notwithstanding the foregoing, the termination of this Agreement shall not relieve any party to this Agreement from liability arising in respect of any breach of this Agreement prior to such termination. This Article III shall survive the termination of this Agreement.

Section 3.2 No Recourse. This Agreement may only be enforced against, and any action for breach of this Agreement may only be made against, the parties to this Agreement. No claims of any nature whatsoever (whether in tort, contract or otherwise) arising under or relating to this Agreement, the negotiation of this Agreement or its subject matter, or the transactions contemplated by this Agreement shall be asserted against any Non-Party Affiliate. Except to the extent liable in such Person's capacity as a party to this Agreement, no Non-Party Affiliates shall have any liability arising out of or relating to this Agreement, the negotiation of this Agreement or its subject matter, or the transactions contemplated by this Agreement, including: (a) with respect to any claim (whether in tort, contract or otherwise) for breach of this Agreement; (b) in respect of any written or oral representations made or alleged to be made in connection with this Agreement; (c) as expressly provided in this Agreement; or (d) for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind furnished in connection with this Agreement, the negotiation of this Agreement or the transactions contemplated by this Agreement. "Non-Party Affiliate" means: (i) any officer, director, employee, partner, member, manager, direct or indirect equityholder or Affiliate of each of the Company, the Parent, the Sponsor or any of the Parent Support Parties; and (ii) each of the former, current or future Affiliates, Representatives, successors or permitted assigns of any of the Persons referred to in the immediately preceding clause (i) (other than the parties to this Agreement).

Section 3.3 Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary: (a) no Parent Support Party makes any agreement or understanding in this Agreement in any capacity other than in such Parent Support Party's capacity as a record holder and beneficial owner of such Person's respective Subject Securities; and (b) nothing in this Agreement will be construed to limit or affect any action or inaction expressly permitted under the Business Combination Agreement by any Parent Support Party or any representative of such Parent Support Party in such Person's capacity as a member of the board of directors (or other similar governing body) of the Parent or as an officer, employee or fiduciary of the Parent or an Affiliate of the Parent.

Section 3.4 Assignment. This Agreement and all of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties to this Agreement and their respective heirs, successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations under this Agreement will be assigned (including by operation of law) without the prior written consent of the parties to this Agreement. Any assignment without such consent shall be null and void.

Section 3.5 Specific Performance. The parties to this Agreement acknowledge and agree that irreparable damage may occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. In addition to any other remedy to which such party is entitled at law or in equity, the parties to this Agreement shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement. In the event that any action shall be brought in equity to enforce the provisions of this Agreement, no party shall allege, and each party waives the defense, that there is an adequate remedy at law. Each party agrees to waive any requirement for the securing or posting of any bond in connection with such action.

Section 3.6 Jurisdiction. Any Legal Proceeding based upon, arising out of or related to this Agreement or the transactions contemplated by this Agreement must be brought in the Court of Chancery of the State of Delaware and any State of Delaware appellate court therefrom (or, but only to the extent the Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the parties irrevocably: (i) submits to the exclusive jurisdiction of each such court in any such Legal Proceeding; (ii) waives any objection such party may now or after this Agreement have to personal jurisdiction, venue or to convenience of forum; (iii) agrees that all claims in respect of the Legal Proceeding shall be heard and determined only in any such court; and (iv) agrees not to bring any Legal Proceeding arising out of or relating to this Agreement or the transactions contemplated by this Agreement in any other court. Nothing in this Agreement shall be deemed to affect the right of any party to serve process in any manner permitted by Law or to commence Legal Proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Legal Proceeding brought pursuant to this Section 3.6.

Section 3.7 Amendment. This Agreement may not be amended, changed, supplemented, waived or otherwise modified or terminated, except upon the execution and delivery of a written agreement executed by the Parent, the Company and the Parent Support Parties.

Section 3.8 Miscellaneous. Sections 9.02 (*Notices*), 9.05 (*Governing Law*), 9.07 (*Waiver of Jury Trial*), 9.09 (*Severability*), 9.11 (*Entire Agreement*), 9.12 (*Interpretation*), 9.13 (*Counterparts*) and 9.15 (*Waiver of Claims Against Trust*) of the Business Combination Agreement are each incorporated into this Agreement (including any relevant definitions contained in any such Sections), mutatis mutandis.

Section 3.9 Liability. The liability of any Parent Support Party under this Agreement is several (and not joint). Notwithstanding any other provision of this Agreement, in no event will any Parent Support Party be liable for any other Parent Support Party's breach of such other Parent Support Party's obligations under this Agreement.

Section 3.10 Disclosure. Each Parent Support Party authorizes the Parent and the Company to publish and disclose in any announcement or disclosure relating to the Transactions, including any such announcement or disclosure required or requested by the SEC (or as otherwise required or requested pursuant to any applicable Laws or any other Governmental Authorities), such Parent Support Party's identity and ownership of the Subject Securities, the nature of such Parent Support Party's obligations under this Agreement and a copy of this Agreement, if reasonably deemed appropriate by the Parent and the Company. Each Parent Support Party will promptly provide any information reasonably requested in writing by the Parent or the Company for any regulatory application or filing made or approval sought in connection with the transactions contemplated by the Business Combination Agreement (including filings with the SEC).

MEMBER SUPPORT AGREEMENT

This Member Support Agreement (this "Agreement") is made as of October 24, 2023, by and among (i) Learn CW Investment Corporation, a Cayman Islands exempted company with limited liability ("Parent"), Learn SPAC Holdco, Inc. ("Holdco"), a Delaware corporation and a wholly owned subsidiary of Parent, (iii) Innventure LLC, a Delaware limited liability company (the "Company"), and (iv) the undersigned Company Members (the "Company Members" and each a "Company Member").

WHEREAS, contemporaneously with the execution and delivery of this Agreement, Parent, Holdco and the Company, and the other persons party thereto, have entered into a Business Combination Agreement (as amended or modified from time to time, the "Transaction Agreement"), whereby the parties intend to effect a business combination among Parent, Holdco and the Company and , on the terms and subject to the conditions set forth therein (collectively, the "Transactions") (capitalized terms used but not defined herein shall have the respective meanings set forth in the Transaction Agreement).

NOW, THEREFORE, in order to induce Parent and Holdco to enter into the Transaction Agreement and for other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. As used herein, the term "Voting Units" shall mean all securities of the Company beneficially owned (as such term is defined in Rule 13d-3 under the Exchange Act, excluding membership interests underlying unexercised options or warrants, but including any membership interests acquired upon exercise of such options or warrants) ("Beneficially Owned") by any Company Member, including any and all securities of the Company acquired and held in such capacity subsequent to the date hereof. Capitalized terms used and not defined herein shall have the respective meanings assigned to them in the Transaction Agreement.

2. Representations and Warranties of the Company Members. Each Company Member on its own behalf only hereby represents and warrants to the other parties hereto, severally and not jointly, with respect to such Company Member (and not as to any other Person) and such Company Member's ownership of its Voting Units:

(a) Authority. If Company Member is a legal entity, Company Member is an entity duly organized, validly existing and in good standing (where applicable) under the Laws of the jurisdiction in which it is incorporated, organized or constituted, and has all requisite power and authority to enter into this Agreement, to perform fully Company Member's obligations hereunder and to consummate the transactions contemplated hereby. If Company Member is a natural person, Company Member has the legal capacity to enter into this Agreement. If Company Member is a legal entity, this Agreement has been duly authorized, executed and delivered by Company Member. This Agreement constitutes a valid and binding obligation of Company Member enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(b) No Consent. No consent, approval or authorization of, or designation, declaration or filing with, any Governmental Authority or other Person on the part of Company Member is required in connection with the execution, delivery and performance of this Agreement, that would reasonably be expected to prevent or delay the consummation of the Transactions or that would reasonably be expected to prevent or materially delay Company Member from fulfilling its obligations under this Agreement. If Company Member is a natural person, no consent of such Company Member's spouse is necessary under any "community property" or other Laws for the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby. If Company Member is a trust, no consent of any beneficiary is required for the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(c) No Conflicts. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor compliance with the terms hereof, will violate, conflict with or result in a breach of, or constitute a default (with or without notice or lapse of time or both) under any provision of, Company Member's organizational documents, any trust agreement, loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise, license,

judgment, order, notice, decree, statute, Law, ordinance, rule or regulation applicable to Company Member or to Company Member's property or assets (including the Voting Units) that would reasonably be expected to prevent or delay the consummation of the Transactions or that would reasonably be expected to prevent Company Member from fulfilling its obligations under this Agreement.

(d) Ownership of Membership Interests. Company Member (i) Beneficially Owns all of the Voting Units free and clear of all Liens (ii) has the sole power to vote or caused to be voted its Voting Units and the sole power of disposition and sole power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of its Voting Units, other than pursuant to the Company Affiliate Agreements or any restrictions on transfer arising under applicable securities Laws. Except pursuant hereto and pursuant to that certain Fifth Amended and Restated Limited Liability Company Agreement of the Company, effective as of April 27, 2022, by and among the Company, Innventure1 LLC, a Delaware limited liability company, WE-INN LLC, an Illinois limited liability company and certain other members of the Company party thereto, as may be amended and amended and restated, from time to time, and any other similar agreements or side letters between the Company and Company Members relating to management rights, board observer rights or similar arrangements, the "Company Affiliate Agreements"), there are no options, warrants or other rights, agreements, arrangements or commitments of any character to which Company Member is a party relating to the pledge, acquisition, disposition, transfer or voting of Voting Units prior to the consummation of the Transactions and there are no voting trusts or voting agreements with respect to the Voting Units. Company Member does not Beneficially Own (i) any Voting Units other than the Voting Units set forth on Annex A or (ii) any options, warrants or other rights to acquire any additional Voting Units or any security exercisable for or convertible into Voting Units, other than as set forth on Annex A.

(e) No Litigation. There is no Action pending against, or, to the knowledge of Company Member, threatened against, Company Member that would reasonably be expected, individually or in the aggregate, to materially impair or materially adversely affect the ability of Company Member to perform Company Member's obligations hereunder or to consummate the transactions contemplated by this Agreement. None of Company Member or any of its Affiliates is subject to any injunction, order, decree or ruling enacted, issued, promulgated, enforced or entered into by any Governmental Authority that would reasonably be expected, individually or in the aggregate, to materially impair or materially adversely affect the ability of Company Member to perform Company Member's obligations hereunder or to consummate the transactions contemplated by this Agreement.

3. Agreement to Vote Membership Interests; Irrevocable Proxy; Further Assurances.

(a) Each Company Member irrevocably and unconditionally agrees that it shall, and shall cause any other holder of record of any of such Company Member's Voting Units to, validly execute and deliver to the Company, as promptly as reasonably practicable after the Registration Statement becomes effective, and in any event within seventy-two (72) hours after the Registration Statement becomes effective, an irrevocable Written Consent in the form proposed by the Company in respect of all of such Company Member's Voting Units. In addition, each Company Member irrevocably and unconditionally agrees that at any duly called meeting of the Company Members (or any adjournment or postponement thereof), and in any action by written consent of the Company Members requested by the Company's board of managers or undertaken as contemplated by the Transactions, each Company Member shall, if a meeting is held, appear at the meeting, in person or by proxy, or otherwise cause its Voting Units to be counted as present thereat for purposes of establishing a quorum, and each Company Member shall vote or consent (or cause to be voted or consented), in person or by proxy, all of such Voting Units (i) in favor of the adoption of the Transaction Agreement and approval of the Transactions (and any actions required in furtherance thereof), (ii) against any action, proposal, transaction or agreement that would result in a breach in any respect of any representation, warranty, covenant, obligation or agreement of the Company contained in the Transaction Agreement, (iii) in favor of any proposal to adjourn or postpone such meeting of the Company to a later date if there are not sufficient votes to approve the Transactions, (iv) in favor of the conversion of the Company Units into the right to receive the Holdco Common Stock contingent upon the consummation of the Transactions, (v) in favor of the termination of the Company Affiliate Agreements, immediately prior to, and contingent upon, the consummation of the Transactions and (vi) against the following actions or proposals: (A) any proposal in opposition to approval of the Transaction Agreement

or in competition with or materially inconsistent with the Transaction Agreement or (B) any other action or proposal involving the Company or any of its subsidiaries that is intended, or would reasonably be expected, to prevent, impede, interfere with, delay, postpone or adversely affect the Transactions in any material respect or would reasonably be expected to result in any of the Company's closing conditions or obligations under the Transaction Agreement not being satisfied. Each Company Member agrees not to, and shall cause its Affiliates not to, enter into any agreement, commitment or arrangement with any person, the effect of which would be inconsistent with or violative of the provisions and agreements contained in this Section 3(a).

(b) Each of the Company Members hereby appoints Parent, as its proxy and attorney-in-fact, with full power of substitution and resubstitution, to vote or act by written consent during the term of this Agreement with respect to the Voting Units in accordance with Section 3(a) (but only to matters and proposals relating thereto). This proxy and power of attorney is given to secure the performance of the duties of Company Member under this Agreement. Each Company Member shall take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy. This proxy and power of attorney granted by Company Member shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke any and all prior proxies granted by Company Member with respect to the Voting Units (but only with respect to the matters and proposals set forth in Section 3(a)). The power of attorney granted by Company Member herein is a durable power of attorney and shall survive the dissolution, bankruptcy, death or incapacity of Company Member. The proxy and power of attorney granted hereunder shall terminate upon the termination of this Agreement.

(c) From time to time, at the request of the Company, each Company Member shall take all such further actions, as may be necessary or appropriate to, in the most expeditious manner reasonably practicable, effect the purposes of this Agreement, and execute customary documents incident to the consummation of the Transactions.

4. No Voting Trusts or Other Arrangement. Each Company Member agrees that during the term of this Agreement Company Member will not, and will not permit any entity under Company Member's control to, deposit any Voting Units in a voting trust, grant any proxies with respect to the Voting Units or subject any of the Voting Units to any arrangement with respect to the voting of the Voting Units. Each Company Member hereby revokes any and all previous proxies and attorneys in fact with respect to the Voting Units.

5. Transfer and Encumbrance. Each Company Member agrees that during the term of this Agreement, absent the advance written consent of Parent, Company Member will not, directly or indirectly, Transfer any of his, her or its Voting Units or enter into any contract, option or other agreement with respect to, or consent to, a Transfer of, any of his, her or its Voting Units or Company Member's voting or economic interest therein. Any attempted Transfer of Voting Units or any interest therein in violation of this Section 5 shall be null and void. This Section 5 shall not prohibit a Transfer of Voting Units by any Company Member (a) to any other Company Member who is a signatory hereto, (b) in the case of an individual, (i) by gift to any person related to the Company Member by blood, marriage, or domestic relationship ("immediate family"), a charitable organization or a trust or other entity formed for estate planning purposes for the benefit of an immediate family member, (ii) by will, intestacy or by virtue of laws of descent and distribution upon the death of such individual, or (iii) pursuant to a qualified domestic relations order, (c) in the case of a corporation, limited liability company, partnership, trust or other entity, to any stockholder, member, partner or trust beneficiary as part of a distribution, or to any corporation, partnership or other entity that is an affiliate (as defined in Rule 405 of the Securities Act of 1933, as amended) of the Company Member, (d) in the event of a liquidation, merger, stock or unit exchange or other similar transaction which results in all of the Company Members having the right to exchange their shares of common stock for cash, securities or other property, or (e) to the Company in connection with the "net" or "cashless" exercise of options or other rights to purchase shares of common stock held by such Company Member in satisfaction of any tax withholding or exercise price obligations through cashless surrender or otherwise (each, a "Permitted Transferee"), provided that any shares of common stock issued upon exercise of such option or other rights shall remain subject to the terms of this Section 5; provided, however, that, in the case of clauses (b) and (c), such transferees shall enter into a written agreement with the Company agreeing to be bound by the transfer restrictions set forth herein; and provided, further, with respect to clauses (b) and (c), that any such transfer shall not involve a disposition for value. For purposes of this Agreement, "Transfer"

means the (1) sale or assignment of, offer to sell, contract or agreement to sell, gift, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to, any security, (2) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (3) public announcement of any intention to effect any transaction specified in clause (1) or (2).

6. Appraisal and Dissenters' Rights. Each Company Member hereby (a) waives, and agrees not to assert or perfect, any rights of appraisal or rights to dissent from the Transactions that Company Member may have by virtue of ownership of the Voting Units and (b) agrees not to commence or participate in any claim, derivative or otherwise, against the Company relating to the negotiation, execution or delivery of this Agreement or the Transaction Agreement or the consummation of the Transactions, including any claim (i) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or (ii) alleging a breach of any fiduciary duty of the Board of managers of the Company in connection with this Agreement, the Transaction Agreement or the Transactions.

7. Lock-Up.

(a) Subject to and contingent upon the consummation of the Transactions, the Company Members may not Transfer any shares of common stock received by the Company Members as consideration in the Transactions ("Lock-up Shares") until the end of the period beginning on the closing date of the Transactions and ending on the date of the opening of the first trading window at least 180 days after the closing date of the Transactions (the "Lock-up Period"). The Lock-up Shares shall carry appropriate legends indicating the restrictions on Transfer imposed by this Section 7, including as required by Section 151(f) of the DGCL in respect to uncertificated stock.

(b) Notwithstanding the provisions set forth in Section 7(a), the Company Members or their respective Permitted Transferees may Transfer the Lock-up Shares during the Lock-up Period to any Permitted Transferee (with such definition applying *mutatis mutandis* to the Lock-up Shares as if set forth fully herein), provided that any shares of common stock issued upon exercise of option or other rights pursuant to clause (e) of the definition of Permitted Transferee shall remain subject to the terms of this Section 7; provided, however, that, in the case of clauses (b) and (c) of the definition of Permitted Transferee, such transferees shall enter into a written agreement with Holdco agreeing to be bound by the transfer restrictions set forth herein; and provided, further, with respect to clauses (b) and (c) of the definition of Permitted Transferee, that any such transfer shall not involve a disposition for value.

8. Redemption Rights. Each Company Member agrees not to exercise any right to redeem any of Company Member's Voting Units Beneficially Owned as of the date hereof or acquired and held in such capacity subsequent to the date hereof.

9. Termination. This Agreement shall automatically terminate upon the earliest to occur of (a) the Effective Time and (b) the date on which the Transaction Agreement is terminated in accordance with its terms; provided, that, in the event the Transactions are consummated, the obligations of the Company Members with respect to the Lock-up Shares shall survive any termination of this Agreement until the expiration of the Lock-up Period. Upon termination of this Agreement, no party shall have any further obligations or liabilities under this Agreement; provided, that nothing in this Section 9 shall relieve any party of liability for any willful breach of this Agreement occurring prior to termination.

10. No Agreement as Manager or Officer. Each Company Member is signing this Agreement solely in its capacity as a Company Member, as applicable. No Company Member makes any agreement or understanding in this Agreement in such Company Member's capacity (or in the capacity of any Affiliate, partner or employee of Company Member) as a manager or officer of the Company (if Company Member holds such office). Nothing in this Agreement will limit or affect any actions or omissions taken by a Company Member in his, her or its capacity as a manager or officer of the Company, and no actions or omissions taken in any Company Member's capacity as a manager or officer shall be deemed a breach of this Agreement. Nothing in this Agreement will be construed to prohibit, limit or restrict a Company Member from exercising his or her fiduciary duties as an officer or manager to the Company or the Company Members, as applicable.

11. Specific Enforcement. Monetary damages would not adequately compensate an injured party for the breach of this Agreement by any party hereto and, accordingly, this Agreement shall be specifically enforceable, in addition to any other remedy to which such injured party is entitled at law or in equity, and any breach of this Agreement shall be the proper subject of a temporary or permanent injunction or restraining order. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach or an award of specific performance is not an appropriate remedy for any reason at law or equity and agrees that a party's rights would be materially and adversely affected if the obligations of the other parties under this Agreement were not carried out in accordance with the terms and conditions hereof.

12. Entire Agreement. This Agreement and the Transaction Agreement supersede all prior agreements, written or oral, among the parties hereto with respect to the subject matter hereof and contain the entire agreement among the parties with respect to the subject matter hereof. Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or, in the case of a waiver, by the party against whom the waiver is to be effective. No waiver of any provisions hereof by either party shall be deemed a waiver of any other provisions hereof by such party, nor shall any such waiver be deemed a continuing waiver of any provision hereof by such party.

13. Notices. All notices, requests, claims, demands, and other communications hereunder shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt), (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested), (c) on the date sent by e-mail of a PDF document (provided, that no "error" message or other notification of non-delivery or non-receipt is generated) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient, or (d) on the next Business Day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses set forth in the Transaction Agreement, with respect to Parent and the Company, and at the addresses set forth on Annex A with respect to the Company Members (or at such other address for a party as shall be specified in a notice given in accordance with this Section 13).

14. Miscellaneous.

(a) *Governing Law*. This Agreement, the rights and duties of the parties hereto, and any disputes (whether in contract, tort or statute) arising out of, under or in connection with this Agreement will be governed by and construed and enforced in accordance with the Laws of the State of Delaware, without giving effect to its principles or rules of conflict of Laws to the extent such principles or rules would require or permit the application of the Laws of another jurisdiction. The parties hereto irrevocably and unconditionally submit to the exclusive jurisdiction of the United States District Court for the District of Delaware or, if such court does not have jurisdiction, the Delaware state courts located in Wilmington, Delaware, in any action arising out of or relating to this Agreement. The parties hereto irrevocably agree that all such claims shall be heard and determined in such a Delaware federal or state court, and that such jurisdiction of such courts with respect thereto will be exclusive. Each party hereto hereby waives, and agrees not to assert, as a defense in any action, suit or proceeding arising out of or relating to this Agreement that it is not subject to such jurisdiction, or that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. The parties hereto hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that mailing of process or other papers in connection with any such action, suit or proceeding in the manner provided in Section 13 or in such other manner as may be permitted by Law, will be valid and sufficient service thereof.

(b) *Waiver of Jury Trial*. To the extent not prohibited by applicable Law that cannot be waived, each of the parties hereto irrevocably waives any right it may have to trial by jury in respect of any litigation based on, arising out of, under or in connection with this Agreement, including but not limited to any course of conduct, course of dealing, oral or written statement or action of any party hereto.

(c) *Severability*. The invalidity of any portion hereof shall not affect the validity, force or effect of the remaining portions hereof. If it is ever held that any restriction hereunder is too broad to permit enforcement of such restriction to its fullest extent, such restriction shall be enforced to the maximum extent permitted by Law.

(d) *Counterparts*. This Agreement may be executed in two or more counterparts for the convenience of the parties hereto, each of which shall be deemed an original and all of which together will constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by electronic, facsimile or portable document format shall be effective as delivery of a mutually executed counterpart to this Agreement.

(e) *Titles and Headings*. The titles, captions and table of contents in this Agreement are for reference purposes only, and shall not in any way define, limit, extend or describe the scope of this Agreement or otherwise affect the meaning or interpretation of this Agreement.

(f) *Assignment; Successors and Assigns; No Third Party Rights*. Except as otherwise provided herein, this Agreement may not, without the prior written consent of the other parties hereto, be assigned by operation of law or otherwise, and any attempted assignment shall be null and void. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors, permitted assigns and legal representatives, and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(g) *Further Assurances*. Each party hereto shall execute and deliver such additional documents as may be necessary or desirable to effect the transactions contemplated by this Agreement.

Re: Lock-Up Agreement for Company Shares

Ladies and Gentlemen:

This letter (this "**Lock-Up Agreement**") is being delivered to you in accordance with that certain Business Combination Agreement (as amended or modified from time to time, the "**Business Combination Agreement**") entered into by and among Learn SPAC Holdco, Inc. (the "**Company**"), Learn CW Investment Corporation ("**Parent**"), LCW Merger Sub, Inc. ("**LCW Merger Sub**"), Innventure LLC ("**Innventure**") and Innventure Merger Sub, Inc. ("**Innventure Merger Sub**"), pursuant to which, among other things, LCW Merger Sub will merge with and into Parent with Parent being the surviving company (the "**LCW Merger**") and Innventure Merger Sub will merge with and into Innventure with Innventure being the surviving company (the "**Innventure Merger**"), and with the surviving companies resulting from the LCW Merger and the Innventure Merger being wholly-owned direct subsidiaries of the Company (collectively, the "**Transactions**").

In order to induce Parent to proceed with the Transactions and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (the "**Stockholder**") hereby agrees as follows:

1. Subject to the exceptions set forth herein, the Stockholder agrees not to, without the prior written consent of CWAM LC Sponsor LLC ("**Sponsor**"), (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise transfer, dispose of or agree to transfer or dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities and Exchange Commission (the "**Commission**") promulgated thereunder, (A) any shares of common stock of the Company ("**Company Stock**"), or (B) any securities convertible into, exercisable for, exchangeable for or that represent the right to receive any shares of Company Stock (securities set forth under clause (A) and (B), collectively, the "**Restricted Securities**"), whether now owned or hereinafter acquired, that is owned directly by such Stockholder (including securities held as custodian) or with respect to which such Stockholder has beneficial ownership within the rules and regulations of the Commission, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any of the Restricted Securities, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified in clauses (i)-(iii), collectively, "**Transfer**") for a period of one year commencing from the Closing Date (as defined in the Business Combination Agreement) (the "**Lock-Up Period**").

2. Notwithstanding the restrictions set forth in Section 1 above with respect to the Restricted Securities held by any Stockholder, such Stockholder is permitted to Transfer such Restricted Securities:

   (a) in the case of an individual:

      (i) by gift to any person related to the Stockholder by blood, marriage, or domestic relationship ("**immediate family**"), a charitable organization or a trust or other entity formed for estate planning purposes for the benefit of an immediate family member,

      (ii) by will, intestacy or by virtue of laws of descent and distribution upon the death of such individual, or

      (iii) pursuant to a qualified domestic relations order;

   (b) in the case of a corporation, limited liability company, partnership, trust or other entity, to any stockholder, member, partner or trust beneficiary as part of a distribution, or to any corporation, partnership or other entity that is an affiliate (as defined in Rule 405 of the Securities Act of 1933, as amended) of the Stockholder; or

(c) to the Company in connection with the "net" or "cashless" exercise of options or other rights to purchase shares of Company Stock held by such Stockholder in satisfaction of any tax withholding or exercise price obligations through cashless surrender or otherwise; provided that any shares of Company Stock issued upon exercise of such option or other rights shall remain subject to the terms of Section 1;

each of the foregoing clauses (a) through (d) being a "**Permitted Transferee**"; provided, however, that in the case of clauses (a) and (b), these Permitted Transferees must enter into a written agreement, in substantially the form of this Lock-Up Agreement (it being understood that any references to "immediate family" in the agreement executed by such transferee shall expressly refer only to the immediate family of the Stockholder and not to the immediate family of the transferee), agreeing to be bound by the transfer restrictions set forth herein; and provided, further, with respect to clauses (b) and (c), that any such transfer shall not involve a disposition for value.

3. The Lock-Up Period shall terminate upon the earlier of (a) the expiration of one year after the Closing Date, and (b) subsequent to the Closing Date, (i) if the closing price of the Company Stock equals or exceeds $12.00 per share (as adjusted for share subdivisions, share capitalizations, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Closing Date, or (ii) the date which the Company completes a merger, liquidation, stock exchange, reorganization or other similar transaction after the Closing Date that results in all of the public stockholders of the Company having the right to exchange their Company Stock for cash securities or other property.

4. In furtherance of the foregoing, the Company, Parent, Sponsor, and any duly appointed transfer agent for the registration or transfer of the securities described herein, are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Lock-Up Agreement.

5. This Lock-Up Agreement may be amended, supplemented or modified only by execution of a written instrument signed by the undersigned Stockholder, the Company and Sponsor (and with respect to the Company, only with the consent of a majority of the Company's Board of Directors, which shall include a majority of the Company's independent Directors).

6. This Lock-Up Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns; provided, however, each of the parties hereto agrees that each of Parent and Sponsor is an intended third party beneficiary of this Lock-Up Agreement. This Lock-Up Agreement shall not be assigned by any party hereto, by operation of law or otherwise, without the prior written consent of the other party and Sponsor and any assignment without such consent shall be null and void; provided, that no such assignment shall relieve the assigning party of its obligations hereunder.

7. This Lock-Up Agreement and any action, proceeding, claim or dispute (whether in contract, tort or otherwise) (each, an "**Action**") that may be based upon, arise out of or relate to this Lock-Up Agreement or the negotiation, execution or performance hereof shall be governed by, construed and enforced in accordance with the laws (both substantive and procedural) of the State of Delaware, without regard to the conflicts of law principles thereof. All Actions arising out of or relating to this Lock-Up Agreement shall be heard and determined exclusively in the Court of Chancery of the State of Delaware, or to the extent such Court does not have subject matter jurisdiction, any federal court within the State of Delaware (and any courts having jurisdiction over appeals therefrom) (the "**Specified Courts**"). Each party hereto hereby (i) submits to the exclusive personal and subject matter jurisdiction of any Specified Court for the purpose of any Action arising out of or relating to this Lock-Up Agreement by any party hereto and (ii) irrevocably waives, and agrees not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject to the personal or subject matter jurisdiction of the above named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated hereby may not be enforced in or by any Specified Court. Each party hereto agrees that a final judgment in any Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by laws.

8. This Lock-Up Agreement shall become effective on the date hereof and terminate on the earlier of (i) the expiration of the Lock-up Period, or (ii) the termination of the Merger Agreement.

Capitalized terms used herein but not defined shall be defined as set forth in the Business Combination Agreement.

[*Signature pages follow*]

IN WITNESS WHEREOF, each party has duly executed this Lock-Up Agreement, as of the date first written above.

Very truly yours,

[Stockholder]

Registrations

2.1. Shelf Registration.

2.1.1. Initial Registration. The Company shall promptly, but in no event later than 45 days after the date hereof, file a Registration Statement under the Securities Act to permit the public resale of all the Registrable Securities held by the Holders from time to time as permitted by Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) ("**Rule 415**") on the terms and conditions specified in this subsection 2.1.1 and shall use commercially reasonable efforts to cause such Registration Statement to be declared effective as soon as reasonably practicable after the filing thereof, but in no event later than the earlier of (i) 60 days following the filing deadline (or 120 days after the filing deadline if the Registration Statement is reviewed by, and receives comments from, the Commission) and (ii) 15 business days after the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review. The Registration Statement filed with the Commission pursuant to this subsection 2.1.1 shall be a shelf registration statement on Form S-1 (a "**Form S-1 Shelf**") or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this subsection 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use commercially reasonable efforts to cause a Registration Statement filed pursuant to this subsection 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. As soon as reasonably practicable following the effective date of a Registration Statement filed pursuant to this subsection 2.1.1, but in any event within five business days of such date, the Company shall notify the Holders of the effectiveness of such Registration Statement. When effective, a Registration Statement filed pursuant to this subsection 2.1.1 (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain any Misstatement.

2.1.2. Form S-3 Shelf. If the initial Registration Statement filed by the Company pursuant to subsection 2.1.1 is a Form S-1 Shelf, upon the Company becoming eligible to register the Registrable Securities for resale by the Holders on a shelf registration statement on Form S-3 (a "**Form S-3 Shelf**"), the Company shall use commercially reasonable efforts to amend such initial Registration Statement to a Form S-3 Shelf or file a Form S-3 Shelf in substitution of such initial Registration Statement and cause such Registration Statement to be declared effective as promptly as practicable thereafter. If the Company files a Form S-3 Shelf and at any time thereafter the Company becomes ineligible to use Form S-3 for secondary sales, the Company shall use commercially reasonable efforts to file a Form S-1 Shelf as promptly as practicable to replace the shelf registration statement that is a Form S-3 Shelf and have the Form S-1 Shelf declared effective as promptly as practicable and to cause such Form S-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities.

2.1.3. Shelf Takedown. At any time and from time to time following the effectiveness of the shelf registration statement required by subsection 2.1.1 or 2.1.2, any Holder or Holders (the "**Shelf Demanding Holders**") may request to sell all or a portion of their Registrable Securities in an underwritten offering that is registered pursuant to such shelf registration statement (a "**Shelf Underwritten Offering**"), provided that such Holder(s) (a) reasonably expect aggregate gross proceeds in excess of $[•][1] from such Shelf Underwritten Offering or (b) reasonably expects to sell all of the Registrable Securities held by such Holder in such Shelf Underwritten Offering but in no event less than $[•][2]. All requests for a Shelf Underwritten Offering shall be made by giving written notice to the Company (the "**Shelf Takedown Notice**"). Each Shelf Takedown Notice shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and the expected price range (net of underwriting discounts and commissions) of such Shelf Underwritten Offering. Within [•] business days after receipt of any Shelf Takedown Notice, the Company shall give written notice of such requested Shelf Underwritten Offering to all other Holders of Registrable Securities (the "**Company Shelf Takedown Notice**") and, subject to reductions consistent with the Pro Rata calculations in Section 2.2.4, shall include in such Shelf Underwritten Offering all Registrable Securities with respect to which the Company has received written requests for inclusion therein (the "**Shelf Requesting Holders**"), within [•] business days after sending the Company Shelf Takedown Notice. The Company shall enter into an underwriting agreement in a form as is customary in Underwritten Offerings of securities with the managing Underwriter or Underwriters selected by the Company after consultation with the initiating Holders and shall take all such other reasonable actions as are reasonably requested by the managing Underwriter or Underwriters in order to facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this subsection 2.1.3, subject to Section 3.3 and Article IV, the underwriting agreement into which each Holder and the Company shall enter shall contain such representations, covenants, indemnities and other rights and obligations of the Company and the selling stockholders as are customary in Underwritten Offerings of securities by the Company.

2.1.4. Holder Information Required for Participation in Registration. At least [•] business days prior to the first anticipated filing date of a Registration Statement pursuant to this Article II, the Company shall use commercially reasonable efforts to notify each Holder in writing of the information reasonably necessary about the Holder to include such Holder's Registrable Securities in such Registration Statement. Notwithstanding anything else in this Agreement, the Company shall not be obligated to include such Holder's Registrable Securities to the extent the Company has not received such information, and received any other reasonably requested agreements or certificates, on or prior to the fifth business day prior to the first anticipated filing date of a Registration Statement pursuant to this Article II.

2.2. Demand Registration.

2.2.1. Request for Registration. Subject to the provisions of subsection 2.2.4 and Section 2.4 hereof, and provided that the Company does not have an effective Registration Statement pursuant to subsection 2.2.1 outstanding covering all the Registrable securities, at any time and from time to time after the first anniversary of the Closing, either (a) the Sponsor, or (b) the New Holders of at least a majority-in-interest of the then-outstanding number of Registrable Securities held by the New Holders (the "**Demanding Holders**"), in

[1] **Note to Draft**: Amount to be mutually agreed by the parties.

[2] **Note to Draft**: Amount to be mutually agreed by the parties.

each case, may make a written demand for Registration of all or part of their Registrable Securities, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a "**Demand Registration**"). The Company shall, within five business days of the Company's receipt of the Demand Registration, notify, in writing, all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder's Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder's Registrable Securities in such Registration, a "**Requesting Holder**") shall so notify the Company, in writing, within five business days after the receipt by the Holder of the notice from the Company. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, such Requesting Holder(s) shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall effect, as soon thereafter as practicable, but not more than [•] days immediately after the Company's receipt of the Demand Registration, the Registration of all Registrable Securities requested by the Demanding Holders and Requesting Holders pursuant to such Demand Registration. Under no circumstances shall the Company be obligated to effect more than (i) an aggregate of [•][3] Registration initiated by the Sponsor and (ii) [•][4] Registration initiated by the New Holders, in each case pursuant to a Demand Registration under this subsection 2.2.1 with respect to any or all Registrable Securities. Notwithstanding anything to the contrary in this subsection 2.2.1, any Demand Registration in the form of an Underwritten Offering, must include, in the aggregate, Registrable Securities having an aggregate market value of at least $[•][5] (based on the Registrable Securities included in such Demand Registration by all Holders participating in such Demand Registration).

2.2.2. Effective Registration. Notwithstanding the provisions of subsection 2.2.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Demand Registration unless and until (i) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (ii) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency the Registration Statement with respect to such Demand Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated and (ii) a majority-in-interest of the Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than [•] days, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration becomes effective or is subsequently terminated.

2.2.3. Underwritten Offering. Subject to the provisions of subsection 2.2.4 and Section 2.4 hereof, if a majority-in-interest of the Demanding Holders so advise the Company as part of their written demand for a Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such Demanding Holder or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.3 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company after consultation with the Demanding Holders initiating the Demand Registration.

2.2.4. Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Registration pursuant to a Demand Registration, in good faith, advises the Company, the Demanding Holders (or Shelf Demanding Holders) and the Requesting Holders (or Shelf Demanding Holders) (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders (or Shelf Demanding Holders) and the Requesting Holders (or Shelf Demanding Holders) (if any) desire to sell,

taken together with all other Common Stock or other equity securities that the Company desires to sell and the Common Stock, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "**Maximum Number of Securities**"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Demanding Holders or Shelf Demanding Holders, as applicable, and the Requesting Holders or Shelf Requesting Holders, as applicable (pro rata based on the respective number of Registrable Securities that each Demanding Holder or Shelf Demanding Holder, as applicable, has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Requesting Holders or Shelf Requesting Holders, as applicable, have requested be included in such Underwritten Registration (such proportion is referred to herein as "**Pro Rata**")) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i), the Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Common Stock or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.2.5. Demand Registration Withdrawal. Any Demanding Holder, Shelf Demanding Holder, Requesting Holder, or Shelf Requesting Holder, pursuant to an Underwritten Registration under subsection 2.2.1 shall have the right to withdraw from a Registration pursuant to such Demand Registration or a Shelf Underwritten Offering pursuant to subsection 2.1.3 for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Underwritten Registration at least [•] business day prior to the effectiveness of the Registration Statement filed with the Commission with respect to the Registration of their Registrable Securities pursuant to such Demand Registration. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to the withdrawal of any such Holder under this subsection 2.2.5.

2.3. Piggyback Registration.

2.3.1. Piggyback Rights. If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into, equity securities, for its own account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including, without limitation, pursuant to Section 2.2 hereof), other than a Registration Statement (i) filed in connection with any employee stock option or other benefit plan, (ii) for a rights offering or an exchange offer or offering of securities solely to the Company's existing stockholders, (iii) for an offering of debt that is convertible into equity securities of the Company, (iv) for a dividend reinvestment plan or an at-the-market offering or (v) on Form S-4 or Form S-8 or their successor forms, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as reasonably practicable but not less than five business days before the anticipated filing date of such Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within five business days after receipt of such written notice (such Registration a "**Piggyback Registration**"). The Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and shall use commercially reasonable efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.3.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company included in such Registration and to permit the sale or other disposition

of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.3.1 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company.

2.3.2. Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Registration that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of shares of Common Stock that the Company desires to sell, taken together with (i) the Common Stock, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder (ii) the Registrable Securities as to which registration has been requested pursuant to Section 2.3 hereof, and (iii) the Common Stock, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Securities, then:

(a) If the Registration is undertaken for the Company's account, the Company shall include in any such Registration (A) first, the Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock, if any, as to which Registration has been requested or demanded pursuant to written contractual piggy-back registration rights of other stockholders of the Company, which can be sold without exceeding the Maximum Number of Securities;

(b) If the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (A) first, the Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Common Stock or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

2.3.3. Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration (or in the case of an Underwritten Registration pursuant to Rule 415, at least [•] business days prior to the time of pricing of the applicable offering). The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this subsection 2.3.3

2.3.4. Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to Section 2.3 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 hereof or a Shelf Underwritten Offering effected under subsection 2.1.3 hereof.

2.4. Restrictions on Registration Rights. If (A) during the period starting with the date sixty (60) days priorto the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.2.1 and it continues to actively employ, in good faith, commercially reasonable efforts to cause the applicable Registration Statement to become effective; (B) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of an Underwriter(s) to firmly underwrite the offer; or (C) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board, the Chief Executive Officer or the Chief Financial Officer of the Company stating that, in their good faith judgment, it would require the Company to make an Adverse Disclosure and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than ninety (90) days in any 12-month period (the "**Aggregate Blocking Period**").

2.5. Rule 415; Removal. If at any time the Commission takes the position that the offering of some or all ofthe Registrable Securities in a Registration Statement on Form S-3 filed pursuant to this Article II is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use commercially reasonable efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the Commission guidance, including without limitation, Compliance and Disclosure Interpretation 612.09) or requires a Holder to be named as an "underwriter," the Company shall (i) promptly notify each holder of Registrable Securities thereof (or in the case of the Commission requiring a Holder to be named as an "underwriter," the Holders) and (ii) use commercially reasonable efforts to persuade the Commission that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering "by or on behalf of the issuer" as defined in Rule 415 and that none of the Holders is an "underwriter." The Holders whose Registrable Securities are subject to such position of the Commission shall have the right to select one (1) legal counsel designated by the holders of a majority of the Registrable Securities subject to such position of the Commission (at the Company's sole cost and expense) to review and oversee any registration or matters pursuant to this Section 2.5, including participation in any meetings or discussions with the Commission regarding the Commission's position and to comment on any written submission made to the Commission with respect thereto. No such written submission regarding the Holders with respect to this matter shall be made to the Commission to which the applicable Holders' counsel reasonably objects. In the event that, despite the Company's commercially reasonable efforts and compliance with the terms of this Section 2.5, the Commission refuses to alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities (the "**Removed Shares**") and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the Commission may require to assure the Company's compliance with the requirements of Rule 415; provided, however, that the Company shall not agree to name any Holder as an "underwriter" in such Registration Statement without the prior written consent of such Holder. In the event of a share removal pursuant to this Section 2.5, the Company shall give the applicable Holders at least [•] days' prior written notice along with the calculations as to such Holder's allotment. Any removal of shares of the Holders pursuant to this Section 2.5 shall be allocated between the Holders on a Pro Rata basis based on the aggregate amount of Registrable Securities held by the Holders. In the event of a share removal of the Holders pursuant to this Section 2.5, the Company shall promptly register the resale of any Removed Shares pursuant to subsection 2.1.2 hereof and in no event shall the filing of such Registration Statement on Form S-1 or subsequent Registration Statement on Form S-3 filed pursuant to the terms of subsection 2.1.2 be counted as a Demand Registration hereunder. Until such time as the Company has registered all of the Removed Shares for resale pursuant to Rule 415 on an effective Registration Statement, the Company shall not be able to defer the filing of a Registration Statement pursuant to Section 2.4 hereof.

Article III.

3.1.3. prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and each Holder of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.5. notify the Holders whose Registrable Securities are included in a Registration Statement promptly, and in all events within [•] business days, of the occurrence of any of the following: (i) when such Registration Statement becomes effective; (ii) when any post-effective amendment to such Registration Statement becomes effective; and (iii) any request by the Commission for any amendment or supplement to such Registration Statement or any Prospectus relating thereto or for additional information or of the occurrence of an event requiring the preparation of a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of the securities covered by such Registration Statement, such Prospectus will not contain a Misstatement, and promptly make available to the Holders whose Registrable Securities are included in such Registration Statement any such supplement or amendment;

3.1.6. cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed;

3.1.7. provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.8. advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.9. at least [•] days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus (other than by way of a document incorporated by reference) furnish a copy thereof to each seller of such Registrable Securities or its counsel;

3.1.10. notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.11. permit a representative of the Holder (such representative to be selected by a majority-in-interest of the participating Holders), the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate, at each such person's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that such representatives or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information; provided, further, the Company may not include the name of any Holder or Underwriter or any information regarding any Holder or Underwriter in any Registration Statement or Prospectus, any amendment or supplement to such Registration Statement or Prospectus, any document that is to be incorporated by reference into such Registration Statement or Prospectus, or any response to any comment letter, without the prior written consent of such Holder or Underwriter and providing each such Holder or Underwriter a reasonable amount of time to review and comment on such applicable document, which comments the Company shall include unless contrary to applicable law;

3.1.12. obtain a "comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Registration, in customary form and covering such matters of the type customarily covered by "comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.13. on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders;

3.1.14. in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.15. make available for inspection by the Holders whose Registrable Securities are included in such Registration Statement and who have signed a non-disclosure agreement, any Underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other professional retained by any Holder whose Registrable Securities are included in such Registration Statement or any Underwriter, all financial and other records, pertinent corporate documents and properties of the Company, as shall be reasonably requested to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information reasonably requested by any of them in connection with such Registration Statement;

3.1.16. make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.17. if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of $[•][6], use commercially reasonable efforts to make available senior executives of the Company to participate in customary "road show," analyst or investor presentations and other such meetings organized by the Underwriters that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.18. otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

3.2. Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketingcosts and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3. Requirements for Participation in Underwritten Offerings. No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person's securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.4. Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until it is advised in writing by the Company thatthe use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement financial statements that are unavailable to the Company for reasons beyond the Company's control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time possible, but in no event more than [•] days, determined in good faith by the Company to be necessaryfor such purpose; provided, that each day of any such suspension pursuant to thisSection 3.4 shall correspondingly decrease the Aggregate Blocking Period available to the Company during any 12-month period pursuant to Section 2.4 hereof. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5. Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the datehereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell or transfer shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 or pursuant to any other available exemption from the Securities Act, including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

Article IV.

Indemnification and Contribution

4.1. Indemnification.

4.1.1. The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors and each person who controls such Holder (within the meaning of the Securities

[6] **Note to Draft**: Amount to be mutually agreed by the parties.

Act) (the "**Holder Indemnified Parties**") against all losses, judgments, claims, actions, damages, liabilities and expenses (including attorneys' fees) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by such Holder expressly for inclusion therein. The Company shall promptly reimburse the Holder Indemnified Parties for any legal and any other expenses reasonably incurred by such Holder Indemnified Party in connection with investigating and defending any such losses, judgments, claims, actions, damages, liabilities or expenses. The Company shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2. In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act) against any losses, judgments, claims, actions, damages, liabilities and expenses (including without limitation reasonable attorneys' fees) resulting from any untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Holder expressly for inclusion therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3. Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4. The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5. If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages,

liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. Upon the written request of the Investor, the Company shall promptly (but no later than the next business day on which the transfer agent for the Common Shares is open for business) confirm orally or in writing to the Investor the number of Common Shares then outstanding. In connection with each Advance Notice delivered by the Company, any portion of the Advance that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder to exceed the Commitment Amount shall automatically be withdrawn with no further action required by the Company, and such Advance Notice shall be deemed automatically modified to reduce the number of Advance Shares requested by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.

(ii) The total Advance Shares in respect of each Advance (after reductions have been made to arrive at the Adjusted Advance Amount, if any) shall be automatically increased by such number of Common Shares (the "Additional Shares") equal to the number of Common Shares sold by the Investor on such Excluded Day, if any, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice multiplied by 97% (without any further discount), provided that this increase shall not cause the total Advance Shares to exceed the amount set forth in the original Advance Notice or any limitations set forth in Section 2.01(c).

Article V.
Indemnification

The Investor and the Company represent to the other the following with respect to itself:

Section 5.01 Indemnification by the Company. In consideration of the Investor's execution and delivery of this Agreement and acquiring the Shares hereunder, and in addition to all of the Company's other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor and its investment manager, Yorkville Advisors Global, LP, and each of their respective officers, directors, managers, members, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Investor Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable and documented expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by the Investor Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Investor specifically for inclusion therein; (b) any material misrepresentation or breach of any material representation or material warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby; or (c) any material breach of any material covenant, material agreement or material obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby. To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and all of its officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnitees") from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the

extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Laws, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 5.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the Parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement.

Section 5.05 Limitation of liability. Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages.

2. BOARD OF DIRECTORS.

2.1 Designees

(a) Upon the Closing, the Board shall initially consist of seven (7) directors, including [_____], [_____], [_____], [_____], [_____], [_____] and [_____].[1] In accordance with the certificate of incorporation of Holdco, the Board will be divided into three (3) classes serving staggered three-year terms. The initial term of the Class I directors shall expire at the first (1st) annual meeting of the stockholders of Holdco following the Closing Date at which directors are elected. The initial term of the Class II directors shall expire at the second (2nd) annual meeting of the stockholders of Holdco following the Closing Date at which directors are elected. The initial term of the Class III directors shall expire at the third (3rd) annual meeting of the stockholders of Holdco following the Closing Date at which directors are elected. [•] and [•] will be assigned to Class I, [•] and [•] will be assigned to Class II, and [•], [•] and [•] will be assigned to Class III.[2] From and after the Closing, the rights of the Founding Investors to designate directors to the Board and its committees shall be as set forth in the remainder of this Section 2.

(b) From and after the Closing Date, in respect of each annual meeting or special meeting of the stockholders of Holdco at which directors are to be elected, the Founding Investors, collectively, shall have the right, but not the obligation, to nominate for election to the Board of Directors in any applicable election that number of individuals determined in accordance with Section 2.1(c) below (the "**Founding Investor Nominees**"). Holdco will use reasonable best efforts, including taking all necessary action (to the extent permitted by applicable law and to the extent such action is consistent with the fiduciary duties of the directors under Delaware law), to cause the Founding Investor Nominees to be elected to serve as directors on the Board of Directors.

(c) The number of Founding Investor Nominees which Holdco shall cause to be elected at each annual meeting or special meeting of the stockholders of Holdco at which directors are to be elected is that number which, assuming all such individuals are successfully elected to the Board of Directors, when taken together with any incumbent director of a different class nominated by the Founding Investors and not standing for election in such election, would result in the number of directors on the Board of Directors nominated by the Founding Investors as specified below:

(i) up to five (5) directors, so long as the Founding Investors collectively beneficially own (directly or indirectly) greater than 70% of the outstanding Common Shares;

(ii) up to four (4) directors, so long as the Founding Investors collectively beneficially own more than 50% of the outstanding Common Shares but less than 70% of the outstanding Common Shares;

(iii) up to three (3) directors, so long as the Founding Investors collectively beneficially own at least 40% of the outstanding Common Shares but less than 50% of the outstanding Common Shares;

[1] Initial directors to be identified. To include three members of management and two Independent Directors nominated by Founding Investors, and two additional "at large" Independent Directors to be agreed by the parties. One of the Independent Directors nominated by Founding Investors and two "at large" Independent Directors to be "audit committee" independent.

[2] Founding Investors to determine class allocations.

(iv) up to two (2) directors, so long as the Founding Investors collectively beneficially own at least 20% of the outstanding Common Shares but less than 40% of the outstanding Common Shares; and

(v) up to one (1) director, so long as the Founding Investors collectively beneficially own at least 5% of the outstanding Common Shares but less than 20% of the outstanding Common Shares.

(d) For the avoidance of doubt, the rights granted to the Founding Investors to designate members of the Board are additive to, and not intended to limit in any way, the rights that Founding Investors or any of their respective Affiliates may have to nominate, elect or remove directors under Holdco's certificate of incorporation, bylaws or the Delaware General Corporation Law.

(e) Holdco agrees, to the fullest extent permitted by applicable law (including with respect to any applicable fiduciary duties under Delaware law), that taking all necessary corporate action to effectuate the above will include (i) including the Persons designated pursuant to this Section 2.1(b) in the slate of nominees recommended by the Board for election at any meeting of stockholders called for the purpose of electing directors, (ii) nominating and recommending each such individual to be elected as a director as provided herein, (iii) soliciting proxies or consents in favor thereof, and (iv) without limiting the foregoing, otherwise using its reasonable best efforts to cause such nominees to be elected to the Board, including providing at least as high a level of support for the election of such nominees as it provides to any other individual standing for election as a director.

(f) In the event that a vacancy is created on the Board at any time by the death, disability, resignation or removal of a Director designated by the Founding Investors pursuant to this Agreement, then the Founding Investors will be entitled to designate an individual to fill the vacancy. Holdco will take all necessary action (to the extent permitted by applicable law and to the extent such action is consistent with the fiduciary duties of the directors under Delaware law) to cause such replacement designee to become a member of the Board.

3. MISCELLANEOUS.

3.1 Assignment; No Third Party Beneficiaries. This Agreement and the rights, duties and obligations of Holdco hereunder may not be assigned or delegated by Holdco in whole or in part.

3.2 Notices. other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible that is valid and enforceable.

No waiver of any breach of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof nor of any other agreement or provision herein contained. No waiver or extension of time for performance of any obligations or acts shall be deemed a waiver or extension of the time for performance of any other obligations or acts.

3.9 Remedies Cumulative. In the event that Holdco fails to observe or perform any covenant or agreement to be observed or performed under this Agreement, the Investor may proceed to protect and enforce its rights by suit in equity or action at law, whether for specific performance of any term contained in this Agreement or for an injunction against the breach of any such term or in aid of the exercise of any power granted in this Agreement or to enforce any other legal or equitable right, or to take any one or more of such actions, without being required to post a bond. None of the rights, powers or remedies conferred under this Agreement shall be mutually exclusive, and each such right, power or remedy shall be cumulative and in addition to any other right, power or remedy, whether conferred by this Agreement or now or hereafter available at law, in equity, by statute or otherwise.

3.10 Governing Law; Dispute Resolution. This Agreement shall be governed by the laws of the State of Delaware applicable to contracts entered into and to be performed solely within such state, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction. The parties (a) hereby irrevocably and unconditionally submit to the jurisdiction of Court of Chancery of the State of Delaware and any State of Delaware appellate court therefrom for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement, (b) agree not to commence any suit, action or other proceeding arising out of or based upon this Agreement except in the Court of Chancery of the State of Delaware and any State of Delaware appellate court therefrom, and (c) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

3.11 Waiver of Trial by Jury. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR THE SUBJECT MATTER HEREOF. THE SCOPE OF THIS WAVIER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE

SUBJECT MATTER OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT OR DELICT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW, CIVIL LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. EACH PARTY HERETO HEREBY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS RIGHT TO A TRIAL BY JURY FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

Each party will bear its own costs in respect of any disputes arising under this Agreement. The prevailing party shall be entitled to reasonable legal fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled. Without limiting the generality of the foregoing, those activities include: (i) investing in securities of Innventure, LLC, a Delaware limited liability company, or any successor entities thereto ("***Innventure***"), and any of its subsidiaries; (ii) exercising all rights, powers, privileges and other incidents of ownership or possession with respect to the Corporation's assets, including managing, holding, selling and disposing of such assets; and (iii) engaging in any other activities incidental or ancillary thereto.

ARTICLE IV

Section 4.1 Authorized Stock. The total number of shares of all classes of stock that the Corporation is authorized to issue is [•] ([•]) shares, consisting of [•] ([•]) shares of common stock, with a par value of $0.0001 per share (the "***Common Stock***"), and [•] ([•]) shares of preferred stock, with a par value of $0.0001 per share (the "***Preferred Stock***").[1]

Section 4.2 Number of Authorized Shares. The number of authorized shares of any of the Common Stock or Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of all of the outstanding shares of capital stock of the Corporation entitled to vote on such increase or decrease, voting together as a single class, irrespective of the provisions of Section 242(b)(2) of the DGCL, unless a separate vote of holders of the Common Stock or Preferred Stock is required pursuant to the terms of any Preferred Stock Designation (as defined below). Notwithstanding the immediately preceding sentence, the number of authorized shares of the Common Stock may not be decreased below the number of shares of Common Stock then outstanding plus the number of shares of Common Stock issuable in connection with the exercise of all outstanding options, warrants, exchange rights, conversion rights or similar rights for Common Stock.

Section 4.3 Preferred Stock. Subject to any limitations prescribed by law, the board of directors of the Corporation (the "***Board of Directors***") is authorized to provide, out of the unissued shares of Preferred Stock, for the issuance of shares of Preferred Stock in one or more series, including "blank check" preferred stock. The issuance

of Preferred Stock as set forth in the preceding sentence shall be accomplished by filing a certificate pursuant to the applicable law of the State of Delaware (such certificate shall be referred to as a "***Preferred Stock Designation***"), to: (i) establish from time to time the number of shares to be included in each such series; and (ii) fix the powers, designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions of such preferred shares. Without limitation, those rights, designations and preferences shall include the authority to fix the dividend rights, dividend rates, conversion rights, exchange rights, voting rights, rights and terms of redemption (including sinking and purchase fund provisions), the redemption price or prices, restrictions on the issuance of shares of such series, the dissolution preferences and the rights in respect of any distribution of assets of any wholly unissued series of Preferred Stock, or any of them and to increase or decrease the number of shares of any series so created (except where otherwise provided in the Preferred Stock Designation), subsequent to the issue of that series but not below the number of shares of such series then outstanding. In case the authorized number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series (except where otherwise provided in the Preferred Stock Designation). There shall be no limitation or restriction on any variation between any of the different series of Preferred Stock as to the designations, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof. The several series of Preferred Stock may vary in any and all respects as fixed and determined by the resolution or resolutions of the Board of Directors or by a duly authorized committee of the Board of Directors, providing for the issuance of the various series of Preferred Stock.

Section 4.4 Common Stock. The powers, preferences and rights of the Common Stock and the qualifications, limitations or restrictions thereof are as follows:

(a) *Voting Rights.* Except as otherwise required by law: Each share of Common Stock shall entitle the record holder as of the applicable record date to one (1) vote per share in person or by proxy on all matters submitted to a vote of the holders of Common Stock. The holders of shares of Common Stock shall not have cumulative voting rights. Except as otherwise required by law or this Certificate of Incorporation, and subject to the rights of the holders of shares of Preferred Stock, if any, at any annual or special meeting of the stockholders of the Corporation, the holders of shares of Common Stock shall have the right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders; provided, however, that, except as otherwise required by law, holders of shares of Common Stock shall not be entitled to vote on any amendment to this Certificate of Incorporation that relates solely to the terms, number of shares, powers, designations, preferences or relative, participating, optional or other special rights (including, without limitation, voting rights), or to qualifications, limitations or restrictions thereof, of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Certificate of Incorporation or pursuant to the DGCL. Except as otherwise required by law or this Certificate of Incorporation, the holders of shares of Common Stock shall vote together as a single class with such holders of Preferred Stock if any holders of shares of Preferred Stock are entitled to vote together with the holders of Common Stock.

(b) *Dividends and Distributions*. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock or any class or series of stock having a preference senior to or the right to participate with the Common Stock with respect to the payment of dividends (and other distributions of cash, stock or property), such holders of Common Stock shall be entitled to the payment of dividends (and other distributions of cash, stock or property) ratably in proportion to the number of shares held by each such stockholder when, as and if declared by the Board of Directors in its discretion from time to time in accordance with applicable law.

(c) *Liquidation Rights*. In the event of liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and other liabilities of the Corporation and after making provisions for preferential and other amounts, if any, to which the holders of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to payments in liquidation shall be entitled, the remaining assets and funds of the Corporation available for distribution shall be divided among and paid ratably to the holders of all outstanding shares of Common Stock in proportion to the number of shares held by each such stockholder.

(d) *Transfers*. Subject to applicable law and any transfer restrictions set forth in the By-laws of the Corporation, as may be amended from time to time (the "***By-laws***"), or this Certificate of Incorporation, shares of Common Stock and the rights and obligations associated therewith shall be fully transferable.

Section 4.5 Reservation of Stock. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares or other securities at least as many shares of Common Stock or other securities equal to: (i) the number of shares of Common Stock issuable upon the conversion of the then-outstanding shares of convertible preferred stock of the Corporation, if any.

Section 4.6 Lock-Up.

(a) Subject to Section 4.6(b), the holders (the "***Lock-up Holders***") of Common Stock (the "***Lock-up Shares***") issued as consideration (including any Earnout Shares, as defined in the Business Combination Agreement (as defined below)) to former holders of membership interests, warrants or other equity interests of Innventure LLC, a Delaware limited liability company ("***Innventure***"), may not Transfer any Lock-up Shares until the end of the period beginning on the date of the closing of the Transactions (as defined below) and ending on the date of the opening of the first trading window at least 180 days after the closing date of the Transactions (the "***Lock-up Period***"). As used in this Certificate of Incorporation, (i) "***Business Combination Agreement***" means the Business Combination Agreement, dated as of October 24, 2023, by and among Learn CW Investment Corporation, a Cayman Islands exempted company (the "***SPAC***"), Innventure, the Corporation, LCW Merger Sub, Inc., a Delaware corporation, Innventure Merger Sub, LLC, a Delaware limited liability and (ii) "***Transactions***" means the transactions contemplated by the Business Combination Agreement.

(b) Notwithstanding the provisions set forth in Section 4.6(a), the Lock-up Holders may Transfer the Lock-up Shares during the Lock-up Period (i) in the case of an individual, (A) by gift to any person related to the Lock-up Holder by blood, marriage, or domestic relationship ("***immediate family***"), a charitable organization or a trust or other entity formed for estate planning purposes for the benefit of an immediate family member, (B) by will, intestacy or by virtue of laws of descent and distribution upon the death of such individual, or (C) pursuant to a qualified domestic relations order, (ii) in the case of a corporation, limited liability company, partnership, trust or other entity, to any stockholder, member, partner or trust beneficiary as part of a distribution, or to any corporation, partnership or other entity that is an affiliate (as defined in Rule 405 of the Securities Act) of the Lock-up Holder, (iii) in the event of a liquidation, merger, stock or unit exchange or other similar transaction which results in all of the Lock-up Holders having the right to exchange their shares of Common Stock for cash, securities or other property, or (iv) to the Corporation in connection with the "net" or "cashless" exercise of options or other rights to purchase shares of Common Stock held by such Lock-up Holder in satisfaction of any tax withholding or exercise price obligations through cashless surrender or otherwise, provided that any shares of Common Stock issued upon exercise of such option or other rights shall remain subject to the terms of Section 4.6(a); provided, however, that, in the case of clauses (ii) and (iii), such transferees shall enter into a written agreement agreeing to be bound by the transfer restrictions set forth herein in form and substance reasonably satisfactory to the Corporation; and provided, further, with respect to clauses (ii) and (iii), that any such transfer shall not involve a disposition for value.

(c) Notwithstanding the other provisions set forth in this Section 4.6 or any other provision contained herein, the Corporation may, with the prior written consent of the SPAC given prior to the closing of the Transactions, determine to waive, amend, or repeal the Lock-up obligations set forth in this Section 4.6, whether in whole or in part.

(d) The Lock-up Shares shall carry appropriate legends indicating the restrictions on Transfer imposed by this Section 4.6, including as required by Section 151(f) of the DGCL in respect to uncertificated stock.

ARTICLE V

In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to adopt, amend or repeal the By-laws. In addition to any vote of the holders of any class or series of stock of the Corporation required by applicable law or by this Certificate of Incorporation (including any Preferred Stock Designation in respect of one or more series of Preferred Stock) or the By-laws, the adoption, amendment or repeal of the By-laws by the stockholders of the Corporation shall require the affirmative vote of the holders of at least two-thirds of the voting power of all of the then outstanding shares of capital stock of the Corporation entitled to vote generally in an election of directors, voting together as a single class.

ARTICLE VI

Section 6.1 Management. Except as otherwise expressly provided by the DGCL or this Certificate of Incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

Section 6.2 Ballot. Elections of directors (each such director, in such capacity, a "***Director***") need not be by written ballot unless the By-laws shall so provide.

Section 6.3 Number and Terms of the Board of Directors. Subject to the rights of the holders of any series of Preferred Stock to elect directors under specified circumstances, if any, the number of directors which shall constitute the whole Board of Directors shall not be less than seven (7). Within such limit, the number of members of the entire Board of Directors shall be fixed exclusively by one or more resolutions adopted from time to time by the Board of Directors in accordance with the By-laws.

Section 6.4 Newly Created Directorships and Vacancies. Except as otherwise required by law and the separate rights of the holders of any series of Preferred Stock then outstanding, unless the Board of Directors otherwise determines, newly created directorships resulting from any increase in the authorized number of directors or any vacancies on the Board of Directors resulting from the death, resignation, disqualification, removal from office or other cause shall be filled exclusively by the affirmative vote of a majority of the Directors then in office, even though less than a quorum, or by a sole remaining Director, and not by the stockholders. Any Director so chosen shall hold office until the next election of the class for which such Director shall have been chosen and until his successor shall be elected and qualified or until such Director's earlier death, resignation, retirement, disqualification, or removal.

Section 6.5 Removal. Subject to the rights of the holders of any series of Preferred Stock then outstanding, for as long as this Certificate of Incorporation provides for a classified Board of Directors, any Director, or the entire Board of Directors, may otherwise be removed only for cause by an affirmative vote of at least two-thirds of the total voting power of all the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, at a meeting duly called for that purpose.

Section 6.6 Classified Board. Subject to the rights of the holders of any series of Preferred Stock then outstanding, the Directors shall be divided into three classes, with each Director then in office to be designated as a Class I Director, a Class II Director or a Class III Director, with each class to be apportioned as nearly equal in number as practicable. Directors shall be assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors. The initial Class I Directors shall serve for a term expiring at the first annual meeting of stockholders of the Corporation following the effectiveness of this Article VI (the "***Effective Time***"); the initial Class II Directors shall serve for a term expiring at the second annual meeting of stockholders following the Effective Time; and the initial Class III Directors shall serve for a term expiring at the third annual meeting of stockholders following the Effective Time. At each annual meeting of stockholders beginning with the first annual meeting of stockholders following the Effective Time, the successors of the class of Directors whose term expires at that meeting shall be elected to hold office for a term expiring at the third annual meeting of stockholders to be held following their election. Each Director in each such class shall hold office until such Director's successor is duly elected and qualified, subject to such Director's earlier death, resignation or removal in accordance with this Certificate of Incorporation. The Board of Directors is authorized to assign each Director already in office at the Effective Time, as well as each Director elected or appointed to a newly created directorship due to an increase in the size of the Board of Directors, to Class I, Class II or Class III. However, if the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible. Any such additional director of any class elected or appointed to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case shall a decrease in the number of directors remove or shorten the term of any incumbent director.

Section 6.7 Notwithstanding any of the other provisions of this Article VI, whenever the holders of any one or more series of Preferred Stock issued by the Corporation shall have the right, voting separately by series, to elect Directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of the Preferred Stock Designation, and such Directors so elected shall not be divided into classes pursuant to this Article VI unless expressly provided by such terms. During any period when the holders of any series of Preferred Stock have the right to elect additional Directors as provided for or fixed pursuant to the provisions of this Article VI, then upon commencement and for the duration of the period during which such right continues; (i) the then otherwise total authorized number of Directors of the Corporation shall automatically be increased by such specified number of Directors, and the holders of such Preferred Stock shall be

entitled to elect the additional Directors so provided for or fixed pursuant to such provisions, and (ii) each such additional Director shall serve until such Director's successor shall have been duly elected and qualified, or until such Director's right to hold such office terminates pursuant to such provisions, whichever occurs earlier, subject to such Director's earlier death, resignation or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock having such right to elect additional Directors are divested of such right pursuant to the provisions of such series of stock, the terms of office of all such additional directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation or removal of such additional directors, shall forthwith terminate, and the total authorized number of Directors of the Corporation shall be reduced accordingly.

ARTICLE VII

Section 7.1 Action by Written Consent. Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of the stockholders of the Corporation (and may not be taken by consent of the stockholders in lieu of a meeting). In addition to the foregoing, any action required or permitted to be taken by the holders of any series of Preferred Stock, voting separately as a series or separately as a class with one or more other such series, may be taken without a meeting, without prior notice and without a vote, to the extent expressly so provided by the applicable Preferred Stock Designation relating to such series of Preferred Stock. To be valid, any such consent or consents shall: (i) be in writing; (ii) set forth the action to be taken; (iii) be signed by the holders of outstanding shares of the relevant series of Preferred Stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote on the action were present and voted; and (iv) be delivered to the Corporation in accordance with the applicable provisions of the DGCL.

Section 7.2 Special Meetings. Subject to the special rights of the holders of one or more series of Preferred Stock, special meetings of the stockholders of the Corporation may be called, for any purpose or purposes, at any time only by or at the direction of the Board of Directors, the Chairperson of the Board of Directors, the Chief Executive Officer or President. Except as set forth in the preceding sentence, special meetings shall not be called by any other Person.

Section 7.3 Advance Notice. Advance notice of stockholder nominations for the election of directors and of other business proposed to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the By-laws. Any business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes identified in the notice of meeting (or any supplement to such notice of meeting).

ARTICLE VIII

Notwithstanding any other provision of this Certificate of Incorporation, and in addition to any other vote that may be required by law, applicable stock exchange rule or the terms of any series of Preferred Stock, the affirmative vote of at least two-thirds of the outstanding shares entitled to vote generally in the election of directors, voting together as a single class, is required to amend, alter, change or repeal any provision contained in this Certificate of Incorporation. Notwithstanding the foregoing, the affirmative vote of at least a majority of the then outstanding shares entitled to vote generally in the election of directors, voting together as a single class, is required to amend, alter, change or repeal any provision contained in Articles I, II, and III of this Certificate of Incorporation.

ARTICLE IX

No director or officer of the Corporation shall have any personal liability to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director or officer, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or hereafter may be amended. Any amendment, repeal or modification of this Article IX, or the adoption of any provision of this Certificate of Incorporation inconsistent with this Article IX, shall not adversely affect any right or protection of a director or officer of the Corporation with respect to any act or omission occurring prior to such amendment, repeal, modification or adoption. If the DGCL is amended after approval by the stockholders of this Article IX to authorize corporate action further eliminating or limiting the personal liability of directors or officers, then the liability of a director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

ARTICLE X

The Corporation shall have the power to provide rights to indemnification and advancement of expenses to its current and former officers, directors, employees and agents and to any Person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

ARTICLE XI

Unless a majority of the Board of Directors, acting on behalf of the Corporation consents in writing to the selection of an alternative forum: (a) the Court of Chancery (the "***Chancery Court***") of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action, suit or proceeding brought on behalf of the Corporation, (ii) any action, suit or proceeding asserting a claim of breach of a fiduciary duty owed by any director, officer or stockholder of the Corporation to the Corporation or to the Corporation's stockholders, (iii) any action, suit or proceeding arising pursuant to any provision of the DGCL or the bylaws of the Corporation or this Restated Certificate (as either may be amended from time to time) or (iv) any action, suit or proceeding asserting a claim against the Corporation governed by the internal affairs doctrine; and (b) subject to the preceding provisions of this Article XI, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause or causes of action arising under the Securities Act, including all causes of action asserted against any defendant to such complaint. If any action the subject matter of which is within the scope of clause (a) of the immediately preceding sentence is filed in a court other than the Chancery Court in the State of Delaware (a "***Foreign Action***") in the name of any stockholder, such stockholder shall be deemed to have consented to (x) the personal jurisdiction of the state and federal courts in the State of Delaware in connection with any action brought in any such court to enforce the provisions of clause (a) of the immediately preceding sentence and (y) having service of process made upon such stockholder in any such action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder.

Any Person purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to this Article XI. This Article XI is intended to benefit and may be enforced by the Corporation, its officers and directors, the underwriters to any offering giving rise to such complaint, and any other professional or entity whose profession gives authority to a statement made by that Person and who has prepared or certified any part of the documents underlying the offering. Notwithstanding the foregoing, the provisions of this Article XI shall not apply to suits brought to enforce any liability or duty created by the Securities Act or Exchange Act, or any other claim for which the federal courts of the United States have exclusive jurisdiction.

ARTICLE XII

If any provision or provisions of this Certificate of Incorporation shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Certificate of Incorporation (including, each portion of any sentence of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (ii) to the fullest extent possible and without limiting any other provisions of this Certificate of Incorporation (or any other provision of the By-laws or any agreement entered into by the Corporation), the provisions of this Certificate of Incorporation (including, each such portion of any paragraph of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Corporation to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to, or for the benefit of, the Corporation to the fullest extent permitted by law.

To the fullest extent permitted by law, each and every Person purchasing or otherwise acquiring any interest (of any nature whatsoever) in any shares of the capital stock of the Corporation shall be deemed, by reason of and from and after the time of such purchase or other acquisition, to have notice of and to have consented to all of the provisions of (a) this Certificate of Incorporation, (b) the By-laws and (c) any amendment to this Certificate of Incorporation or the By-laws enacted or adopted in accordance with this Certificate of Incorporation, the By-laws and applicable law.

ARTICLE XIII

Section 13.1 In recognition and anticipation that (i) certain directors, managers, principals, officers, employees and/or other representatives of the Principal Stockholders and their Affiliates may serve as directors, officers or

agents of the Corporation, (ii) the Principal Stockholders and their Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Corporation, directly or indirectly, may engage, and (iii) members of the Board of Directors who are not employees of the Corporation or a majority owned subsidiary thereof ("***Non-Employee Directors***") and their respective Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Corporation, directly or indirectly, may engage, the provisions of this Article XIII are set forth to regulate and define the conduct of certain affairs of the Corporation with respect to certain classes or categories of business opportunities as they may involve any of the Principal Stockholders, the Non-Employee Directors or their respective Affiliates and the powers, rights, duties and liabilities of the Corporation and its directors, officers and stockholders in connection therewith.

Section 13.2 To the fullest extent permitted by law, none of (i) the Principal Stockholders or any of their Affiliates or (ii) any Non-Employee Director (including any Non-Employee Director who serves as an officer of the Corporation in both such Director's director and officer capacities) or such Director's Affiliates (the Persons identified in (i) and (ii) above being referred to, collectively, as "***Identified Persons***" and, individually, as an "***Identified Person***") shall have any duty to refrain from directly or indirectly (1) engaging in the same or similar business activities or lines of business in which the Corporation or any of its Affiliates now engages or proposes to engage or (2) otherwise competing with the Corporation or any of its Affiliates. To the fullest extent permitted by law, no Identified Person shall be liable to the Corporation or its stockholders or to any Affiliate of the Corporation for breach of any fiduciary duty solely by reason of the fact that such Identified Person engages in any such activities. To the fullest extent permitted by law, the Corporation renounces any interest or expectancy in, or right to be offered an opportunity to participate in, any business opportunity which may be a corporate opportunity for an Identified Person and the Corporation or any of its Affiliates, except as provided in Section 13.3. Subject to Section 13.3 and to the fullest extent permitted by law, in the event that any Identified Person acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity for itself, herself or himself and the Corporation or any of its Affiliates, such Identified Person shall have no duty to communicate or offer such transaction or other business opportunity to the Corporation or any of its Affiliates and shall not be liable to the Corporation or its stockholders or to any Affiliate of the Corporation for breach of any fiduciary duty as a stockholder, director or officer of the Corporation solely by reason of the fact that such Identified Person pursues or acquires such corporate opportunity for itself, herself or himself, offers or directs such corporate opportunity to another Person, or does not communicate information regarding such corporate opportunity to the Corporation or any Affiliate of the Corporation.

Section 13.3 The Corporation does not renounce its interest in any corporate opportunity offered to any Non-Employee Director (including any Non-Employee Director who serves as an officer of the Corporation in both his or her director and officer capacities) if such opportunity is expressly offered to such Person solely in his or her capacity as a director or officer of the Corporation, and the provisions of Section 13.2 shall not apply to any such corporate opportunity.

Section 13.4 In addition to and notwithstanding the foregoing provisions of this Article XIII, a corporate opportunity shall not be deemed to be a potential corporate opportunity for the Corporation if it is a business opportunity that: (i) the Corporation is neither financially or legally able, nor contractually permitted, to undertake; (ii) from its nature, is not in the line of the Corporation's business or is of no practical advantage to the Corporation; or (iii) is one in which the Corporation has no interest or reasonable expectancy.

Section 13.5 Solely for purposes of this Article XIII, "***Affiliate***" shall mean in respect of any Principal Stockholder, any Person that, directly or indirectly, is controlled by such Principal Stockholder, controls such Principal Stockholder or is under common control with such Principal Stockholder. Affiliate shall include: (a) any principal, member, director, manager, partner, stockholder, officer, employee or other representative of any of the foregoing (other than the Corporation and any entity that is controlled by the Corporation); and (b) any funds or vehicles advised by Affiliates of such Principal Stockholder. Solely for purposes of this Article XIII, (x) in respect of a Non-Employee Director, the term "Affiliate" shall include any Person that, directly or indirectly, is controlled by such Non-Employee Director (other than the Corporation and any entity that is controlled by the Corporation); and (y) in respect of the Corporation, the term "Affiliate" shall include any Person that, directly or indirectly, is controlled by the Corporation.

Section 13.6 To the fullest extent permitted by law, any Person purchasing or otherwise acquiring or holding any interest in any shares of capital stock of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Article XIII.

ARTICLE XIV

Section 14.1 Definitions. As used in this Certificate of Incorporation, the following terms shall have the following meaning:

(a) "***Affiliate***" (other than for purposes of Article XIII) means a Person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, another Person, whether through one or more intermediaries or otherwise.

(b) "***control***," including the terms "***controlling***," "***controlled by***" and "***under common control with***," means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A Person who is the owner of ten percent (10%) or more of the outstanding voting power of any corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such Person holds voting stock, in good faith and not for the purpose of circumventing this section, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(c) "***Exchange Act***" means the U.S. Securities Exchange Act of 1934, as amended, and any applicable rules and regulations promulgated thereunder, and any successor to such statute, rules or regulations.

(d) "***owner***," including the terms "***own***" and "***owned***," when used with respect to any stock, means a Person that individually or with or through any of its Affiliates:

(i) beneficially owns such stock, directly or indirectly; or

Notwithstanding the foregoing, a Person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such Person or any of such Person's Affiliates until such tendered stock is accepted for purchase or exchange; or (b) the right to vote such stock pursuant to any agreement, arrangement or understanding. Notwithstanding the foregoing, a Person shall not be deemed the owner of any stock because of such Person's right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to ten or more Persons; or

(iii) has any agreement, arrangement or understanding, for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (b) of subsection (ii) above), or disposing such stock, with any other Person that beneficially owns, or whose Affiliates beneficially own, directly or indirectly, such stock.

(e) "***Person***" means any individual, corporation, company, partnership, limited liability company, unincorporated association or other entity or organization.

(f) "***Principal Stockholder***" means any stockholder who owns or has the right, directly or indirectly, through any contract, arrangement understanding relationship or otherwise, to vote 10% or more of the shares of capital stock of the Corporation.

(g) "***Securities Act***" means the U.S. Securities Act of 1933, as amended, and applicable rules and regulations promulgated thereunder, and any successor to such statute, rules or regulations.

(h) "***stock***" with respect to any corporation means, capital stock and, with respect to any other entity, any equity interest.

(i) "***Transfer***" means the (i) sale or assignment of, offer to sell, contract or agreement to sell, gift, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly

or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to, any security, (ii) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (iii) public announcement of any intention to effect any transaction specified in the foregoing clause (i) or (ii).

(j) "***voting stock***" means stock of any class or series entitled to vote generally in the election of directors and, with respect to any entity that is not a corporation, any equity interest entitled to vote generally in the election of the governing body of such entity. Every reference to a percentage of voting stock shall refer to such percentages of the votes of such voting stock.

If the adjournment is for more than 30 days, a notice of the adjourned meeting of Stockholders shall be given to each Stockholder of record entitled to vote at the adjourned meeting of Stockholders. If after the adjournment a new record date for determination of Stockholders entitled to vote is fixed for the adjourned meeting of Stockholders. At any meeting of the Stockholders, the holders of a majority of the voting power of the issued and outstanding shares of capital stock of the Corporation ("Stock") entitled to vote at the meeting, present in person, or by remote communication, if applicable, or represented by proxy, shall constitute a quorum for all purposes, unless or except to the extent that the presence of a larger number may be required by applicable law, the rules of any stock exchange upon which the Corporation's securities are listed, the Certificate of Incorporation or these By-laws. In the absence of a quorum, then either (i) the chairperson of the meeting or (ii) the Stockholders by the affirmative vote of a majority of the voting power of the outstanding shares of Stock entitled to vote thereon, present in person, or by remote communication, if applicable, or represented by proxy, shall have the power to recess or adjourn the meeting of Stockholders from time to time in the manner provided in Section 2.05 of these By-laws until a quorum is present or represented. At any such recessed or adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed. Where a separate vote by a class or classes or series of Stock is required by applicable law or the Certificate of Incorporation, the holders of a majority of voting power of the shares of such class or classes or series of Stock issued and outstanding and entitled to vote on such matter, present in person, or by remote communication, if applicable, or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on such matter. A quorum, once established at a meeting, shall not be broken by the withdrawal of enough votes to leave less than a quorum.

Section 2.07 Organization. Meetings of Stockholders shall be presided over by the Chairperson or by such other officer of the Corporation or Director as designated by the Board of Directors or the Chairperson. In the absence of such person or designation, then the chairperson for the meeting shall be chosen by the affirmative vote of a majority of the voting power of the outstanding shares of Stock present or represented at the meeting and entitled to vote at the meeting (provided there is a quorum). The Secretary of the Corporation ("Secretary") shall act as secretary of the meeting, but in such person's absence, the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 2.08 Voting; Proxies.

(a) Each Stockholder entitled to vote at any meeting of Stockholders shall be entitled to the number of votes, if any, for each share of Stock held of record by such Stockholder that has voting power upon the matter in question as set forth in the Certificate of Incorporation or, if such voting power is not set forth in the Certificate of Incorporation, one vote per share. Voting at meetings of Stockholders need not be by written ballot. Unless otherwise provided in the Certificate of Incorporation, at all meetings of Stockholders for the election of Directors at which a quorum is present, a plurality of the votes cast shall be sufficient to elect Directors. No holder of shares of Stock shall have the right to cumulate votes. All other elections and questions presented to the Stockholders at a meeting at which a quorum is present shall be decided by the affirmative vote of the holders of a majority of votes cast (excluding abstentions and broker non-votes) on such matter, unless a

different or minimum vote is required by the Certificate of Incorporation, these By-laws, the rules or regulations of any stock exchange applicable to the Corporation, or applicable law or pursuant to any regulation applicable to the Corporation or its securities, in which case such different or minimum vote shall be the applicable vote on the matter.

(b) Each Stockholder entitled to vote at a meeting of Stockholders or express consent to corporate action in writing without a meeting (if permitted by the Certificate of Incorporation) may authorize another person or persons to act for such Stockholder by proxy authorized by an instrument in writing or by a transmission permitted by law, including Rule 14a-19 promulgated under the Exchange Act, filed in accordance with the procedure established for the meeting. No such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212 of the DGCL. A Stockholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person (or by means of remote communication, if applicable) or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date. A proxy may be in the form of an electronic transmission that sets forth or is submitted with information from which it can be determined that the transmission was authorized by the Stockholder.

Section 2.09 Fixing Date for Determination of Stockholders of Record.

(a) In order that the Corporation may determine the Stockholders entitled to notice of any meeting of Stockholders or any adjournment of such meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors. Unless otherwise required by applicable law, any such record date shall not be more than 60 nor less than ten days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the Stockholders entitled to vote at such meeting. Notwithstanding the foregoing, at the time it fixes such record date, the Board of Directors may determine, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining Stockholders entitled to notice of and to vote at a meeting of Stockholders shall be at the close of business on the day immediately preceding the day on which notice is given, or, if notice is waived, at the close of business on the day immediately preceding the day on which the meeting is held. A determination of Stockholders of record entitled to notice of or to vote at a meeting of Stockholders shall apply to any adjournment of the meeting. The Board of Directors may, however, fix a new record date for determination of Stockholders entitled to vote at the adjourned meeting. In such event the Board of Directors shall also fix as the record date for Stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of Stockholders entitled to vote in accordance with the foregoing provisions of this Section 2.09(a) at the adjourned meeting.

(b) In order that the Corporation may determine the Stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of Stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted. Any such record date shall not be more than 60 days prior to such action. If no such record date is fixed, the record date for determining Stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating to such record date.

(c) Unless otherwise restricted by the Certificate of Incorporation, in order that the Corporation may determine the Stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors. Any such record date shall not be more than ten days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date for determining Stockholders entitled to consent to corporate action in writing without a meeting is fixed by the Board of Directors, (i) when no prior action of the Board of Directors is required by applicable law or the Certificate of Incorporation, the record date for such purpose shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with applicable law and (ii) if prior action by the Board of Directors is required by applicable law or the Certificate of Incorporation, the record date for such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 2.10 List of Stockholders Entitled to Vote. At least ten days before every meeting of Stockholders, the Corporation shall prepare a complete list of the Stockholders entitled to vote at the meeting arranged in alphabetical order and showing the address of each Stockholder and the number of shares registered in the name of each Stockholder as of the record date (or such other date). In the event the record date for determining the Stockholders entitled to vote is less than ten days before the date of the meeting, the list referenced in the preceding sentence shall reflect the Stockholders entitled to vote as of the tenth day before the meeting date). The Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any Stockholder, for any purpose germane to the meeting at least ten days prior to the meeting (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting or (ii) during ordinary business hours at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to Stockholders. Such list shall presumptively determine the identity of the Stockholders entitled to vote at the meeting and the number of shares held by each of them. Except as otherwise provided by law, the "stock ledger" shall be the only evidence as to the Stockholders entitled to examine the list of Stockholders required by this Section 2.10 or to vote in person or by proxy at any meeting of Stockholders. For purposes of these By-laws, the term "stock ledger" means one or more records administered by or on behalf of the Corporation in which the names of all of the Corporation's Stockholders of record, the address and number of shares registered in the name of each such Stockholder and all issuances and transfers of Stock are recorded.

Section 2.11 Inspectors of Election. In advance of any meeting of Stockholders, the Corporation may, and shall if required by law, appoint one or more inspectors of election, who may be employees of the Corporation, to act at the meeting or any adjournment of such meeting and to make a written report of such meeting. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of Stockholders, the person presiding at the meeting may, and to the extent required by law, shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of such person's ability. Any report or certificate made by the inspectors of election is prima facie evidence of the facts stated in any such report or certificate. The inspector or inspectors of election may appoint such persons to assist them in performing their duties as they determine. The inspector or inspectors so appointed or designated shall: (i) ascertain the number of shares of Stock outstanding and the voting power of each such share; (ii) determine the number of shares of Stock represented at the applicable meeting of the Stockholders and the validity of proxies and ballots; (iii) count and tabulate all votes and ballots; (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and (v) certify their determination of the number of shares of Stock represented at the meeting and such inspectors' count of all votes and ballots. Any certification and report shall specify such other information as may be required by applicable law. In determining the validity and counting of proxies and ballots cast at any meeting of Stockholders, the inspectors may consider any information permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election. The inspectors may appoint or retain other persons to assist them in the performance of their duties.

Section 2.12 Conduct of Meetings. The date and time of the opening and the closing of the polls for each matter upon which the Stockholders will vote at a meeting of the Stockholders shall be announced at the meeting by the person presiding over the meeting designated in accordance with Section 2.07. After the polls close, no ballots, proxies or votes or any revocations or changes may be accepted. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of Stockholders as it deems appropriate. Except to the extent inconsistent with any rules and regulations adopted by the Board of Directors, the person presiding over any meeting of Stockholders shall have the right and authority to: (i) convene and (for any or no reason) to recess and/or adjourn the meeting; and (ii) prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding person, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the presiding person of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to Stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the presiding person of the meeting shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement of the meeting; and (v) limitations on the time allotted to

questions or comments by participants. In addition to making any other determinations that may be appropriate to the conduct of the meeting, the presiding person at any meeting of Stockholders, shall, if the facts warrant, determine that a matter or business was not properly brought before the meeting. In the event of any such determination, the presiding person shall announce their determination to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board of Directors or the person presiding over the applicable meeting of Stockholders, meetings of Stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 2.13 Advance Notice Procedures for Business Brought before a Meeting. This Section 2.13 shall apply to any business that may be brought before an annual meeting of Stockholders other than nominations for election to the Board of Directors at such a meeting, which shall be governed by Section 2.14. Stockholders seeking to nominate persons for election to the Board of Directors must comply with Section 2.14. This Section 2.13 shall not be applicable to nominations for election to the Board of Directors except as expressly provided in Section 2.14.

(a) At an annual meeting of the Stockholders, the only business that shall be conducted is such business that has been properly brought before the meeting. To be properly brought before an annual meeting of the Stockholders, business must be: (a) specified in a notice of meeting of the Stockholders (or any supplement or amendment thereto) given by or at the direction of the Board of Directors or a duly authorized committee of the Board; (b) if not specified in a notice of meeting of the Stockholders, otherwise brought before the meeting by the Board of Directors or the chairperson of the meeting; or (c) otherwise properly brought before the meeting by a Stockholder present in person, or by remote communication. To properly bring a matter for consideration at an annual meeting, a Stockholder must: (A) (i) be a Stockholder of record of the Corporation both at the time of giving the notice provided for in this Section 2.13 and at the time of the meeting; (ii) be entitled to vote at the meeting; and (iii) be in compliance with this Section 2.13 in all respects; or (B) have properly made such proposal in accordance with Rule 14a-8 under the Exchange Act, which proposal has been included in the proxy statement for such annual meeting of the Stockholders. The foregoing clause (c) shall be the exclusive means for a Stockholder to propose business to be brought before an annual meeting of the Stockholders. The only matters that may be brought before a special meeting of the Stockholders are the matters specified in the Corporation's notice of meeting of the Stockholders given by or at the direction of the person calling the meeting pursuant to the Certificate of Incorporation and Section 2.03. For purposes of this Section 2.13 and Section 2.14, "present in person" shall mean that the Stockholder proposing that the business be brought before the annual meeting or special meeting of the Stockholders, as applicable. If the proposing Stockholder is not an individual, then a qualified representative of such proposing Stockholder may appear in person at such annual or special meeting of the Stockholders. For purposes of this Section 2.13, a "qualified representative" of such proposing Stockholder shall be, if such proposing Stockholder is (x) a general or limited partnership, any general partner or person who functions as a general partner of the general or limited partnership or who controls the general or limited partnership; (y) a corporation or a limited liability company, any officer or person who functions as an officer of the corporation or limited liability company or any officer, director, general partner or person who functions as an officer, director or general partner of any entity ultimately in control of the corporation or limited liability company; or (z) a trust, any trustee of such trust.

(b) To properly bring a matter for consideration at an annual meeting of the Stockholders, a Stockholder must: (a) provide Timely Notice in writing and in proper form to the Secretary; and (b) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.13. To be timely, a Stockholder's notice must be delivered to, or mailed and received at, the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the one-year anniversary of the immediately preceding year's annual meeting. With respect to the first annual meeting of Stockholders following the Effective Time (as defined in the Certificate of Incorporation), the date for timely notice shall be [•]. In the event that the date of the annual meeting of the Stockholders is more than 30 days before or more than 60 days after such anniversary date, to be timely, notice by a Stockholder must be delivered, or mailed and received, not later than the later of (A) the 90th day prior to such annual meeting and (B) the 10th day following the day on which public disclosure of the date of such annual meeting was first made (such notice within such time periods, "Timely Notice"). In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of Timely Notice as described above.

(c) To be in proper form for purposes of this Section 2.13, a Stockholder's notice to the Secretary shall set forth:

(i) As to each Proposing Person: (A) the name and address of such Proposing Person (including, if applicable, the name and address that appear on the Corporation's books and records); and (B) the number of shares of each class or series of Stock of the Corporation that are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by such Proposing Person. A Proposing Person shall in all events be deemed to beneficially own any shares of any class or series of Stock of the Corporation as to which such Proposing Person has a right to acquire beneficial ownership at any time in the future (the disclosures to be made pursuant to the foregoing clauses (A) and (B) are referred to as "Stockholder Information");

(ii) As to each Proposing Person, the full notional amount of any securities that, directly or indirectly, underlie any "derivative security" (as such term is defined in Rule 16a-1(c) under the Exchange Act) that constitutes a "call equivalent position" (as such term is defined in Rule 16a-1(b) under the Exchange Act) ("Synthetic Equity Position") and that is, directly or indirectly, held or maintained by such Proposing Person with respect to any shares of any class or series of Stock of the Corporation. For the purposes of the definition of "Synthetic Equity Position," the term "derivative security" shall also include any security or instrument that would not otherwise constitute a "derivative security" as a result of any feature that would make any conversion, exercise or similar right or privilege of such security or instrument becoming determinable only at some future date or upon the happening of a future occurrence, in which case the determination of the amount of securities into which such security or instrument would be convertible or exercisable shall be made assuming that such security or instrument is immediately convertible or exercisable at the time of such determination. For the avoidance of doubt, any Proposing Person satisfying the requirements of Rule 13d-1(b)(1) under the Exchange Act (other than a Proposing Person that so satisfies Rule 13d-1(b)(1) under the Exchange Act solely by reason of Rule 13d-1(b)(1)(ii)(E)) shall not be deemed to hold or maintain the notional amount of any securities that underlie a Synthetic Equity Position held by such Proposing Person as a hedge with respect to a bona fide derivatives trade or position of such Proposing Person arising in the ordinary course of such Proposing Person's business as a derivatives dealer The notice for each Proposing Person shall also set forth: (A) any rights to dividends on the shares of any class or series of Stock of the Corporation owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation; (B) any material pending or threatened legal proceeding in which such Proposing Person is a party or material participant involving the Corporation or any of its officers or Directors, or any affiliate of the Corporation; (C) any other material relationship between such Proposing Person, on the one hand, and the Corporation or any affiliate of the Corporation, on the other hand, (E) any direct or indirect material interest in any material contract or agreement of such Proposing Person with the Corporation or any affiliate of the Corporation (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement); and (D) any other information relating to such Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies or consents by such Proposing Person in support of the business proposed to be brought before the applicable meeting of the Stockholders pursuant to Section 14(a) of the Exchange Act. The disclosures to be made pursuant to this Section 2.13(c)(ii) are referred to as "Disclosable Interests"); provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the Stockholder directed to prepare and submit the notice required by these By-laws on behalf of a beneficial owner; and

(iii) As to each item of business that the Stockholder proposes to bring before the annual meeting of the Stockholders: (A) a brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any material interest in such business of each Proposing Person; (B) the text of the proposal or business (including the text of any resolutions proposed for consideration and the text of any proposed amendment to these By-laws); (C) a reasonably detailed description of all agreements, arrangements and understandings (x) between or among any of the Proposing Persons or (y) between or among any Proposing Person and any other person or entity (including their names) in connection with the proposal of such business by such Stockholder; and (D) any other information relating to such item of business that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies in support of the business proposed to be brought before the meeting pursuant to Section 14(a) of the Exchange Act. The disclosures

required by this Section 2.13(c)(iii) shall not include, however, any disclosures with respect to any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the Stockholder directed to prepare and submit the notice required by these By-laws on behalf of a beneficial owner.

(d) The term "Proposing Person" shall mean (a) the Stockholder providing the notice of business proposed to be brought before an annual meeting of the Stockholders, (b) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the business proposed to be brought before the annual meeting of the Stockholders is made, and (c) any participant (as defined in paragraphs (a)(ii)-(vi) of Instruction 3 to Item 4 of Schedule 14A) with such Stockholder in such solicitation.

(e) A Proposing Person shall update and supplement its notice to the Corporation of its intent to propose business at an annual meeting of the Stockholders, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.13 shall be true and correct as of the record date for notice of the meeting and as of the date that is 10 business days prior to the meeting or any adjournment or postponement of the meeting. Any such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for notice of the meeting. In the case of the update and supplement required to be made as of the record date), any update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement of the meeting. If delivery as set forth in the preceding sentence is not practicable, delivery shall be effected on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof).

(f) Notwithstanding anything in these By-laws to the contrary, no business shall be conducted at an annual meeting of the Stockholders that is not properly brought before the meeting in accordance with this Section 2.13. If the facts warrant, the presiding officer of the meeting shall determine that the business was not properly brought before the meeting in accordance with this Section 2.13. The presiding person shall announce any such determination to the meeting and any such business not properly brought before the meeting shall not be transacted.

(g) In addition to the requirements of this Section 2.13 with respect to any business proposed to be brought before an annual meeting of the Stockholders, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such business. Nothing in this Section 2.13 shall be deemed to affect the rights of Stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(h) "Public disclosure" means disclosure in a press release reported by a national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

Section 2.14 Advance Notice Procedures for Nominations of Directors.

(a) Nominations of any person for election to the Board of Directors at an annual meeting or at a special meeting of the Stockholders may be made at such meeting only: (a) by or at the direction of the Board of Directors, including by any committee or persons authorized to do so by the Board of Directors or these By-laws; or (b) by a Stockholder present in person (as defined in Section 2.13) (1) who was a Stockholder of record of the Corporation both at the time of giving the notice provided for in this Section 2.14 and at the time of the meeting, (2) is entitled to vote at the meeting and (3) has complied with this Section 2.14 as to such notice and nomination. Nominations of any person for election to the Board can only occur if the election of Directors is a matter specified in the notice of meeting given by or at the direction of the person calling such special meeting of the Stockholders. This Section 2.14 shall be the exclusive means for a Stockholder to make any nomination of a person or persons for election to the Board of Directors at any annual meeting or special meeting of the Stockholders.

(b)

(i) For a Stockholder to make any nomination of a person or persons for election to the Board of Directors at an annual meeting of the Stockholders, the Stockholder must (a) provide Timely Notice

(as defined in Section 2.13(b)) in writing and in proper form to the Secretary at the principal executive offices of the Corporation; (b) provide the information, agreements and questionnaires with respect to such Stockholder and such Stockholder's candidate for nomination as required by this Section 2.14; and (c) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.14.

(ii) If the election of Directors is a matter specified in the notice of meeting given by or at the direction of the person calling a special meeting of the Stockholders, then for a Stockholder to make any nomination of a person or persons for election to the Board of Directors at a special meeting of the Stockholders, the Stockholder must: (a) provide timely notice in writing and in proper form to the Secretary at the principal executive offices of the Corporation; (b) provide the information, agreements and questionnaires with respect to such Stockholder and its candidate for nomination required by this Section 2.14; and (c) provide any updates or supplements to such notice at the times and in the forms required by this Section 2.14. To be timely for purposes of this Section 2.14(b)(ii), a Stockholder's notice for nominations to be made at a special meeting of the Stockholders must be delivered to, or mailed to and received by the Secretary not earlier than the 120th day prior to such special meeting and not later than the 90th day prior to such special meeting or, if later, the tenth day following the day on which public disclosure (as defined in Section 2.13(h)) of the date of such special meeting was first made.

(iii) In no event shall any adjournment or postponement of an annual meeting or special meeting of the Stockholders, or the announcement of such adjournment or postponement, commence a new time period for the giving of a Stockholder's notice as described above.

(iv) In no event may a Nominating Person provide notice under this Section 2.14 or otherwise with respect to a greater number of Director candidates than are subject to election by Stockholders at the applicable meeting. If, subsequent to such notice, the Corporation shall increase the number of Directors subject to election at the meeting, any notice as to any additional nominees shall be due on the later of: (i) the conclusion of the time period for Timely Notice (with respect to an annual meeting of the Stockholders); (ii) the date set forth in Section 2.14(b)(ii) (with respect to a special meeting); or (iii) the tenth day following the date of public disclosure (as defined in Section 2.13(h)) of such increase.

(c) To be in proper form for purposes of this Section 2.14, a Stockholder's notice to the Secretary shall set forth:

(i) As to each Nominating Person, the Stockholder Information (as defined in Section 2.13(c)(i)) except that the term "Nominating Person" shall be substituted for the term "Proposing Person" in all places it appears in Section 2.13(c)(i);

(iii) As to each candidate whom a Nominating Person proposes to nominate for election as a Director, (A) all information with respect to such candidate for nomination that would be required to be set forth in a Stockholder's notice pursuant to this Section 2.14 if such candidate for nomination were a Nominating Person; (B) all information relating to such candidate for nomination that is required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors in a contested election pursuant to Section 14(a) under the Exchange Act (including such candidate's written consent to being named in the Corporation's proxy statement as a nominee and to serving as a Director if elected); (C) a description of any direct or indirect material interest in any material contract or agreement between or among any Nominating Person, on the one hand, and each candidate for nomination or any other participants in such solicitation, on the other hand, including all information that would be required to be disclosed pursuant to Item 404 under Regulation S-K if such Nominating Person were the "registrant" for purposes of such rule and the candidate for nomination were a Director or executive officer of such registrant; and (D) a completed and signed questionnaire, representation and agreement as provided in Section 2.14(f).

(d) The term "Nominating Person" means (a) the Stockholder providing the notice of the nomination proposed to be made at the meeting of the Stockholders; (b) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the nomination proposed to be made at the meeting is made; and (c) any other participant in such solicitation.

(e) A Stockholder providing notice of any nomination proposed to be made at a meeting of the Stockholders shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.14 shall be true and correct as of the record date for notice of the meeting and as of the date that is ten business days prior to the meeting or any adjournment or postponement of the meeting. Any such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for notice of the meeting (in the case of the update and supplement required to be made as of such record date), and not later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement of the meeting. In the event such delivery is not practicable, delivery shall be effected on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof).

(f) To be eligible to be a candidate for election as a Director at an annual or special meeting of the Stockholders, a candidate must be nominated in the manner prescribed in this Section 2.14. Whether nominated by the Board of Directors or by a Stockholder of record, any candidate must have previously delivered (in accordance with the time period prescribed for delivery in a notice to such candidate given by or on behalf of the Board of Directors), to the Secretary at the principal executive offices of the Corporation: (a) a completed written questionnaire (in the form provided by the Corporation) with respect to the background, qualifications, stock ownership and independence of such candidate for nomination; and (b) a written representation and agreement (in the form provided by the Corporation) that such candidate for nomination (A) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation or reimbursement for service as a Director that has not been disclosed in such written questionnaire and (B) if elected as a Director, will comply with all applicable corporate governance, conflict of interest, confidentiality, stock ownership and trading and other policies and guidelines of the Corporation applicable to all Directors and in effect during such person's term in office as a Director (and, if requested by any candidate for nomination, the Secretary shall provide to such candidate for nomination all such policies and guidelines then in effect).

(g) The Board of Directors may also require any proposed candidate for nomination as a Director to furnish such other information as may reasonably be requested by the Board of Directors in writing prior to the meeting of Stockholders at which such candidate's nomination is to be acted upon in order for the Board of Directors to determine the eligibility of such candidate for nomination to be an independent Director in accordance with the Corporation's Corporate Governance Guidelines.

(h) In addition to the requirements of this Section 2.14 with respect to any nomination proposed to be made at a meeting, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such nominations.

(i) No candidate shall be eligible for nomination as a Director unless such candidate for nomination and the Nominating Person seeking to place such candidate's name in nomination has complied with this Section 2.14. If the facts warrant, the presiding officer at the meeting shall determine that a nomination was not properly made in accordance with this Section 2.14. In the event of any such determination, the presiding person shall announce their determination to the meeting and the defective nomination shall be disregarded. Any ballots cast for the candidate in question (but in the case of any form of ballot listing other qualified nominees, only the ballots case for the nominee in question) shall be void and of no force or effect.

(j) Notwithstanding anything to the contrary in these By-laws, no candidate for nomination shall be eligible to be seated as a Director unless nominated and elected in accordance with this Section 2.14.

(k) Notwithstanding the foregoing provisions of this Section 2.14, unless otherwise required by law, if any Nominating Person provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act and subsequently fails to comply with the requirements of Rule 14a-19(a)(2) and Rule 14a-19(a)(3) promulgated under the Exchange Act, then the Corporation shall disregard any proxies or votes solicited for the Nominating

Person's nominee. Upon request by the Corporation, if any Nominating Person provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act, such Nominating Person shall deliver to the Corporation, no later than five business days prior to the applicable meeting, reasonable evidence that it has met the requirements of Rule 14a-19(a)(3) promulgated under the Exchange Act.

Section 2.15 Delivery to the Corporation. Whenever this Article II requires one or more persons (including a record or beneficial owner of Stock) to deliver a document or information to the Corporation or any officer, employee or agent of the Corporation, such document or information shall be in writing exclusively (and not in an electronic transmission) and shall be delivered exclusively by hand (including, without limitation, overnight courier service) or by certified or registered mail, return receipt requested. Without limiting the generality of the foregoing, the requirements set forth in the preceding sentence shall apply to any notice, request, questionnaire, revocation, representation or other document or agreement and the Corporation shall not be required to accept delivery of any document not in such written form or so delivered. For the avoidance of doubt, the Corporation expressly opts out of Section 116 of the DGCL with respect to the delivery of information and documents to the Corporation required by this Article II.

ARTICLE III

BOARD OF DIRECTORS

Section 3.01 Powers. Except as otherwise provided by the Certificate of Incorporation or the DGCL, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

Section 3.02 Number; Tenure; Qualifications. Subject to the Certificate of Incorporation and the rights of holders of any series of preferred Stock to elect Directors, the total number of Directors constituting the entire Board of Directors shall be fixed from time to time exclusively by resolution of the Board of Directors, each of whom shall be a natural person. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires. The Directors shall be classified in the manner provided in the Certificate of Incorporation. Each Director shall hold office until such time as provided in the Certificate of Incorporation. Directors need not be Stockholders to be qualified for election or service as a Director.

Section 3.03 Election, Qualification and Term of Office of Directors. Except as provided in these By-laws, and subject to the Certificate of Incorporation, each Director, including a Director elected to fill a vacancy or newly created directorship, shall hold office until the expiration of the term of the class, if any, for which elected and until such Director's successor is elected and qualified or until such Director's earlier death, resignation, disqualification or removal. Directors need not be Stockholders. The Certificate of Incorporation or these By-laws may prescribe qualifications for Directors.

Section 3.04 Resignation and Vacancies.

(a) Any Director may resign at any time upon notice given in writing or by electronic transmission to the Corporation. The resignation shall take effect at the time specified in such writing or electronic transmission or upon the happening of an event specified in such notice or electronic transmission, and if no time or event is specified, at the time of its receipt. When one or more Directors so resigns and the resignation is effective at a future date or upon the happening of an event to occur on a future date, a majority of the Directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies. The appointment of the newly elected directors shall take effect upon the resignation or resignations of such resigning Directors and each Director so chosen shall hold office as provided in Section 3.03.

(b) Unless otherwise provided in the Certificate of Incorporation or these By-laws, vacancies resulting from the death, resignation, disqualification or removal of any Director, and newly created directorships resulting from any increase in the authorized number of Directors shall be filled only by a majority of the Directors then in office, although less than a quorum, or by a sole remaining Director.

Section 3.05 Regular Meetings. Regular meetings of the Board of Directors may be held at such places, if any, within or without the State of Delaware. Such regular meetings shall be held at times designated by the Board of Directors and publicized among all Directors, either orally or in writing, by telephone, including a voice-messaging system or other system designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other means of electronic transmission. No further notice shall be required for regular meetings of the Board of Directors.

Section 3.06 Special Meetings. Special meetings of the Board of Directors may be called by the Chairperson, the Chief Executive Officer, the President, the Secretary or a majority of the Directors then in office. Any such special meetings shall be held at such time, date and place, if any, within or without the State of Delaware as they shall fix. Notice to Directors of the date, place and time of any special meeting of the Board of Directors shall be given to each Director by the Secretary or by the officer or one of the Directors calling the meeting. Such notice may be given in person, by United States first-class mail, or by e-mail, telephone, telecopier, facsimile or other means of electronic transmission. If the notice is delivered in person, by e-mail, telephone, telecopier, facsimile or other means of electronic transmission, it shall be delivered or sent at least 24 hours before the time of holding of the meeting. If the notice is sent by mail, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. The notice need not specify the place of the meeting if the meeting is to be held at the Corporation's principal executive office nor the purpose of the meeting.

Section 3.07 Place of Meetings; Telephonic Meetings. The Board of Directors may hold meetings, both regular and special, either within or outside the State of Delaware. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, Directors may participate in any meetings of the Board of Directors or a committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting of the Board of Directors pursuant to this Section 3.07 shall constitute presence in person at such meeting.

Section 3.08 Quorum; Vote Required for Action . Unless otherwise provided by the Certificate of Incorporation, at all meetings of the Board of Directors a majority of the total number of Directors shall constitute a quorum for the transaction of business. Notwithstanding the foregoing and solely for the purposes of filling vacancies pursuant to Section 3.04, a meeting of the Board of Directors may be held if a majority of the Directors then in office participate in such meeting. The affirmative vote of a majority of the Directors present at any meeting of the Board of Directors at which a quorum is present shall be the act of the Board of Directors, except as may be otherwise specifically required by applicable law, the Certificate of Incorporation or these By-laws. If a quorum is not present at any meeting of the Board of Directors, then the Directors present at the meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

Section 3.09 Organization. Meetings of the Board of Directors shall be presided over by the Chairperson, or in such person's absence by the person whom the Chairperson shall designate, or in the absence of the foregoing persons by a chairperson chosen at the meeting by the affirmative vote of a majority of the Directors present at the meeting. The Secretary shall act as secretary of the meeting, but in such person's absence, the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 3.10 Action by Unanimous Consent of Directors. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting of the Board of Directors if all members of the Board of Directors or such committee consent in writing or by electronic transmission. Thereafter, the writing or writings or electronic transmissions shall be filed with the minutes of proceedings of the Board of Directors or such committee in accordance with applicable law. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. Such action by written consent or consent by electronic transmission shall have the same force and effect as a unanimous vote of the Board of Directors.

Section 3.11 Compensation of Directors. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, the Board of Directors shall have the authority to fix the compensation, including fees and reimbursements of expenses and equity compensation, of Directors for services to the Corporation in any capacity. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation from the Corporation for such service. Any Director may decline any or all such compensation payable to such Director in such person's discretion.

Section 3.12 Chairperson. The Board of Directors may appoint from its members a chairperson (the "Chairperson"). The Board of Directors may, in its sole discretion, from time to time appoint one or more vice chairpersons (each, a "Vice Chairperson"), each of whom in such capacity shall report directly to the Chairperson.

ARTICLE IV

COMMITTEES

Section 4.01 Committees. The Board of Directors may designate one or more committees, each committee to consist of one or more of the Directors. The Board of Directors may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. In the absence or disqualification of a member of any committee, the member or members present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum and may unanimously appoint another member of the Board of Directors to act at the meeting in place of any such absent or disqualified member. To the extent permitted by applicable law and to the extent provided in a resolution of the Board of Directors, any such committee may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation (if one is adopted) to be affixed to all papers that may require it. No such committee shall have the power or authority, however, to: (i) approve or adopt, or recommend to the Stockholders, any action or matter expressly required by the DGCL to be submitted to Stockholders for approval; or (ii) adopt, amend or repeal any bylaw of the Corporation. Except as otherwise provided in the Certificate of Incorporation, these By-laws, or the resolution of the Board of Directors designating the committee, a committee may create one (1) or more subcommittees, each subcommittee to consist of one or more members of the committee, and delegate to a subcommittee any or all of the powers and authority of the committee. Except as otherwise provided in the Certificate of Incorporation, these By-laws, or the resolution of the Board of Directors designating the committee (or resolution of the committee designating the subcommittee, if applicable), a majority of the Directors then serving on a committee or subcommittee shall constitute a quorum for the transaction of business. The vote of a majority of the members of the committee or subcommittee present at a meeting at which a quorum is present shall be the act of the committee or subcommittee. Meetings of any committee of the Board of Directors may be held at any time or place, if any, within or without the State of Delaware whenever called by the Chairperson or a majority of the members of such committee.

Section 4.02 Committee Minutes. Each committee of the Board of Directors shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 4.03 Committee Rules. Unless the Board of Directors otherwise provides, each committee designated by the Board of Directors may make, alter and repeal rules for the conduct of its business. In the absence of such rules, each such committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to Article III.

ARTICLE V

Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice. Unless otherwise specified in the notice of resignation, the acceptance of the resignation shall not be necessary to make it effective. If a resignation is made effective at a later date and the Corporation accepts the future effective date, the Board of Directors may fill the pending vacancy before the effective date if the Board of Directors provides that the successor shall not take office until the effective date. Any resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

Section 5.05 Vacancies in Offices. Any vacancy occurring in any office of the Corporation shall be filled by the Board of Directors or as provided in Section 5.02.

GENERAL MATTERS

Section 7.01 Execution of Corporate Contracts and Instruments. Except as otherwise provided in these By-laws, the Board of Directors may authorize any officer or officers, or agent or agents to enter into any contract or execute any instrument in the name of and on behalf of the Corporation; such authority may be general or confined to specific instances.

Section 7.02 Stock Certificates.

(a) The shares of Stock shall be represented by certificates, provided that the Board of Directors by resolution may provide that some or all of the shares of any class or series of Stock shall be uncertificated. Any such resolution shall not apply to shares represented by a certificate previously issued until such certificate is surrendered to the Corporation. Certificates for the shares of Stock shall be in such form as is consistent with the Certificate of Incorporation and applicable law. Every holder of Stock represented by a certificate shall be

entitled to have a certificate signed by, or in the name of the Corporation by, any two officers authorized to sign stock certificates representing the number of shares registered in certificate form. The Chairperson or Vice Chairperson, Chief Executive Officer, the President, Vice President, the Treasurer, any Assistant Treasurer, the Secretary or any Assistant Secretary of the Corporation shall be specifically authorized to sign stock certificates. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if they were such officer, transfer agent or registrar at the date of issue.

(b) The Corporation may issue the whole or any part of its shares of Stock as partly paid and subject to call for the remainder of the consideration to be paid for such shares. Upon the face or back of each stock certificate issued to represent any such partly paid shares, or upon the books and records of the Corporation in the case of uncertificated partly paid shares, the total amount of the consideration to be paid and the amount paid shall be stated. Upon the declaration of any dividend on fully paid shares, the Corporation shall declare a dividend upon partly paid shares of the same class, but only upon the basis of the percentage of the consideration actually paid.

Section 7.03 Special Designation of Certificates. If the Corporation is authorized to issue more than one class of Stock or more than one series of any class, then the powers, the designations, the preferences and the relative, participating, optional or other special rights of each class of Stock or series of Stock and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or on the back of the certificate that the Corporation shall issue to represent such class or series of Stock (or, in the case of uncertificated shares, set forth in a notice provided pursuant to Section 151 of the DGCL). Except as otherwise provided in Section 202 of the DGCL, in lieu of the foregoing requirements, there may be set forth on the face of back of the certificate that the Corporation shall issue to represent such class or series of Stock (or, in the case of any uncertificated shares, included in the aforementioned notice) a statement that the Corporation will furnish without charge to each Stockholder who so requests the powers, the designations, the preferences and the relative, participating, optional or other special rights of each class of Stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

Section 7.04 Lost Certificates. Except as provided in this Section 7.04, no new certificates for shares of Stock shall be issued to replace a previously issued certificate unless the latter is surrendered to the Corporation and cancelled at the same time. The Corporation may issue a new certificate of Stock or uncertificated shares in place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed. The Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

Section 7.05 Shares Without Certificates. The Corporation may adopt a system of issuance, recordation and transfer of its shares of Stock by electronic or other means not involving the issuance of certificates, provided the use of such system by the Corporation is permitted in accordance with applicable law.

Section 7.06 Construction; Definitions. Unless the context requires otherwise, the general provisions, rules of construction and definitions in the DGCL shall govern the construction of these By-laws. Without limiting this provision, the singular number includes the plural and the plural number includes the singular.

Section 7.07 Dividends. Subject to any restrictions contained in either (i) the DGCL or (ii) the Certificate of Incorporation, the Board of Directors may declare and pay dividends upon the shares of its Stock. Dividends may be paid in cash, in property or in shares of Stock. The Board of Directors may set apart out of any of the funds of the Corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve. Such purposes shall include but not be limited to equalizing dividends, repairing or maintaining any property of the Corporation, and meeting contingencies.

Section 7.08 Fiscal Year. The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors and may be changed by the Board of Directors.

Section 7.09 Seal. The Corporation may adopt a corporate seal, which shall be adopted and which may be altered by the Board of Directors. The Corporation may use the corporate seal by causing it or a facsimile of such seal to be impressed or affixed or in any other manner reproduced.

Section 7.10 Transfer of Stock. Shares of Stock shall be transferable in the manner prescribed by law and in these By-laws. Shares of Stock shall be transferred on the books of the Corporation only by the holder of record or by such holder's attorney duly authorized in writing, upon surrender to the Corporation of the certificate or certificates representing such shares endorsed by the appropriate person or persons (or by delivery of duly executed instructions with respect to uncertificated shares). Any transfer of Shares shall be accompanied by such evidence of the authenticity of such endorsement or execution, transfer, authorization and other matters as the Corporation may reasonably require, along with all necessary stock transfer stamps. No transfer of Stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing the names of the persons from and to whom it was transferred. Notwithstanding anything to the contrary in these By-laws, at all times that the Corporation's stock is listed on a stock exchange, the Shares of Stock of the Corporation shall comply with all direct registration system eligibility requirements established by such exchange, including any requirement that shares of the Corporation's stock be eligible for issue in uncertificated or book-entry form. All issuances and transfers of Shares of Stock shall be entered on the books of the Corporation with all information necessary to comply with such direct registration system eligibility requirements, including the name and address of the person to whom the Shares of Stock are issued, the number of Shares of Stock issued and the date of issue. The Board of Directors shall have the power and authority to make such rules and regulations as it may deem necessary or proper concerning the issue, transfer and registration of Shares of Stock of the Corporation in both the certificated and uncertificated form.

Section 7.11 Stock Transfer Agreements. The Corporation shall have power to enter into and perform any agreement with any number of Stockholders of any one or more classes or series of Stock to restrict the transfer of shares of Stock of any one or more classes owned by such Stockholders in any manner not prohibited by the DGCL.

Section 7.12 Registered Stockholders. The Corporation shall: (i) be entitled to recognize the exclusive right of a person registered on its books as the owner of shares of Stock to receive dividends and to vote as such owner; and (ii) not be bound to recognize any equitable or other claim to or interest in such share or shares of Stock on the part of another person, whether or not it shall have express or other notice of such claim to or interest in such share or shares of Stock, except as otherwise provided by the laws of the State of Delaware.

Section 7.13 Waiver of Notice. Whenever notice is required to be given under any provision of the DGCL, the Certificate of Incorporation or these By-laws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time of the event for which notice is to be given, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Stockholders need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the Certificate of Incorporation or these By-laws.

ARTICLE IX

To the fullest extent permitted by the DGCL as it presently exists or may hereafter be amended, the Corporation shall indemnify and hold harmless, any Director or officer of the Corporation who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding") by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a Director or officer of the Corporation or, while serving as a Director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership (a "covered person"), joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees, judgments, fines ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection with any such Proceeding. Notwithstanding the preceding sentence, except as otherwise provided in Section 9.04, the Corporation shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized in the specific case by the Board of Directors.

Section 9.02 Indemnification of Others. To the fullest extent permitted by applicable law as it presently exists or may hereafter be amended ,the Corporation shall have the power to indemnify and hold harmless, any employee or agent of the Corporation who was or is made or is threatened to be made a party or is otherwise involved in any Proceeding by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was an employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses reasonably incurred by such person in connection with any such Proceeding.

The burden of proof in such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such claimant has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

The Corporation's obligation, if any, to indemnify or advance expenses to any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

Section 9.08 Continuation of Indemnification. The rights to indemnification and to prepayment of expenses provided by, or granted pursuant to, this Article IX shall continue notwithstanding that the person has ceased to be a Director or officer of the Corporation and shall inure to the benefit of the estate, heirs, executors, administrators, legatees and distributes of such person.

(d) Each such grant or sale will provide that during or after the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Stock will be prohibited or restricted in the manner and to the extent prescribed by the Committee on the Date of Grant (which restrictions may include rights of repurchase or first refusal of the Company or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture while held by any transferee).

(e) Any grant of Restricted Stock may specify Management Objectives regarding the vesting of such Restricted Stock.

(f) Notwithstanding anything to the contrary contained in this Plan, Restricted Stock may provide for continued vesting or the earlier vesting of such Restricted Stock, including in the event of the retirement, death, disability or termination of employment or service of a Participant or in the event of a Change in Control.

(g) Any such grant or sale of Restricted Stock may require that any and all dividends or other distributions paid thereon during the period of such restrictions be automatically deferred and/or reinvested in additional Restricted Stock, which will be subject to the same restrictions as the underlying award. For the avoidance of doubt, any such dividends or other distributions on Restricted Stock shall be deferred until, and paid contingent upon, the vesting of such Restricted Stock.

(h) Each grant or sale of Restricted Stock will be evidenced by an Evidence of Award. Each Evidence of Award will be subject to this Plan and will contain such terms and provisions, consistent with this Plan, as the Committee may approve. Unless otherwise directed by the Committee, (i) all certificates representing Restricted Stock will be held in custody by the Company until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such shares or (ii) all Restricted Stock will be held at the Company's transfer agent in book entry form with appropriate restrictions relating to the transfer of such Restricted Stock.

7. **Restricted Stock Units.** The Committee may, from time to time and upon such terms and conditions as it may determine, authorize the granting or sale of Restricted Stock Units to Participants. Each such grant or sale may utilize any or all of the authorizations, and will be subject to all of the requirements, contained in the following provisions:

(a) Each such grant or sale will constitute the agreement by the Company to deliver Common Stock or cash, or a combination thereof, to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions (which may include achievement regarding Management Objectives) during the Restriction Period as the Committee may specify.

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share on the Date of Grant.

(c) Notwithstanding anything to the contrary contained in this Plan, Restricted Stock Units may provide for continued vesting or the earlier lapse or other modification of the Restriction Period, including in the event of the retirement, death, disability or termination of employment or service of a Participant or in the event of a Change in Control.

(d) During the Restriction Period, the Participant will have no right to transfer any rights under his or her award and will have no rights of ownership in the Common Stock deliverable upon payment of the Restricted Stock Units and will have no right to vote them, but the Committee may, at or after the Date of Grant, authorize the payment of dividend equivalents on such Restricted Stock Units on a deferred and contingent basis, either in cash or in additional shares of Common Stock; provided, however, that dividend equivalents or other distributions on Common Stock underlying Restricted Stock Units shall be deferred until and paid contingent upon the vesting of such Restricted Stock Units.

(e) Each grant or sale of Restricted Stock Units will specify the time and manner of payment of the Restricted Stock Units that have been earned. Each grant or sale will specify that the amount payable with respect thereto will be paid by the Company in Common Stock or cash, or a combination thereof.

(f) Each grant or sale of Restricted Stock Units will be evidenced by an Evidence of Award. Each Evidence of Award will be subject to this Plan and will contain such terms and provisions, consistent with this Plan, as the Committee may approve.

8. **Cash Incentive Awards, Performance Shares and Performance Units.** The Committee may, from time to time and upon such terms and conditions as it may determine, authorize the granting of Cash Incentive Awards, Performance Shares and Performance Units. Each such grant may utilize any or all of the authorizations, and will be subject to all of the requirements, contained in the following provisions:

(a) Each grant will specify the number or amount of Performance Shares or Performance Units, or cash amount payable with respect to a Cash Incentive Award, to which it pertains, which number or amount may be subject to adjustment to reflect changes in compensation or other factors.

(b) The Performance Period with respect to each Cash Incentive Award or grant of Performance Shares or Performance Units will be such period of time as will be determined by the Committee, which may be subject to continued vesting or earlier lapse or other modification, including in the event of the retirement, death, disability or termination of employment or service of a Participant or in the event of a Change in Control.

(c) Each grant of a Cash Incentive Award, Performance Shares or Performance Units will specify Management Objectives regarding the earning of the award.

(d) Each grant will specify the time and manner of payment of a Cash Incentive Award, Performance Shares or Performance Units that have been earned. Any grant may specify that the amount payable with respect thereto may be paid by the Company in cash, in Common Stock, in Restricted Stock or Restricted Stock Units or in any combination thereof.

(e) The Committee may, on the Date of Grant of Performance Shares or Performance Units, provide for the payment of dividend equivalents to the holder thereof either in cash or in additional shares of Common Stock, which dividend equivalents shall be subject to deferral and payment on a contingent basis based on the Participant's earning and vesting of the Performance Shares or Performance Units, as applicable, with respect to which such dividend equivalents are paid.

(f) Each grant of a Cash Incentive Award, Performance Shares or Performance Units will be evidenced by an Evidence of Award. Each Evidence of Award will be subject to this Plan and will contain such terms and provisions, consistent with this Plan, as the Committee may approve.

9. **Other Awards.**

(a) Subject to applicable law and the applicable limits set forth in **Section 3** of this Plan, the Committee may authorize the grant to any Participant of Common Stock or such other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock or factors that may influence the value of such shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of Common Stock, purchase rights for shares of Common Stock, awards with value and payment contingent upon performance of the

Company or specified Subsidiaries, affiliates or other business units thereof or any other factors designated by the Committee, and awards valued by reference to the book value of the shares of Common Stock or the value of securities of, or the performance of specified Subsidiaries or affiliates or other business units of the Company. The Committee will determine the terms and conditions of such awards. Common Stock delivered pursuant to an award in the nature of a purchase right granted under this **Section 9** will be purchased for such consideration, paid for at such time, by such methods, and in such forms, including, without limitation, Common Stock, other awards, cash, notes or other property, as the Committee determines.

(b) Cash awards, as an element of or supplement to any other award granted under this Plan, may also be granted pursuant to this **Section 9**.

(c) The Committee may authorize the grant of shares of Common Stock as a bonus, or may authorize the grant of other awards in lieu of obligations of the Company or a Subsidiary to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, subject to such terms as will be determined by the Committee in a manner that complies with Section 409A of the Code.

(d) The Committee may, at or after the Date of Grant, authorize the payment of dividends or dividend equivalents on awards granted under this **Section 9** on a deferred and contingent basis, either in cash or in additional shares of Common Stock; provided, however, that dividend equivalents or other distributions on Common Stock underlying awards granted under this **Section 9** shall be deferred until and paid contingent upon the earning and vesting of such awards.

(e) Each grant of an award under this **Section 9** will be evidenced by an Evidence of Award. Each such Evidence of Award will be subject to this Plan and will contain such terms and provisions, consistent with this Plan, as the Committee may approve, and will specify the time and terms of delivery of the applicable award.

(f) Notwithstanding anything to the contrary contained in this Plan, awards under this **Section 9** may provide for the earning or vesting of, or earlier elimination of restrictions applicable to, such award upon certain events, including in the event of the retirement, death, disability or termination of employment or service of a Participant or in the event of a Change in Control.

10. **Administration of this Plan.**

(a) This Plan will be administered by the Committee; provided, that, at the discretion of the Board, this Plan may be administered by the Board, including with respect to the administration of any responsibilities and duties held by the Committee hereunder. The Committee may from time to time delegate all or any part of its authority under this Plan to a subcommittee thereof. To the extent of any such delegation, references in this Plan to the Committee will be deemed to be references to such subcommittee.

(b) The interpretation and construction by the Committee of any provision of this Plan or of any Evidence of Award (or related documents) and any determination by the Committee pursuant to any provision of this Plan or of any such agreement, notification or document will be final and conclusive. No member of the Committee shall be liable for any such action or determination made in good faith. In addition, the Committee is authorized to take any action it determines in its sole discretion to be appropriate subject only to the express limitations contained in this Plan, and no authorization in any Plan section or other provision of this Plan is intended or may be deemed to constitute a limitation on the authority of the Committee.

(c) To the extent permitted by law, the Committee may delegate to one or more of its members, to one or more officers of the Company, or to one or more agents or advisors, such administrative duties or powers as it may deem advisable, and the Committee, the subcommittee, or any person to whom duties or powers have been delegated as aforesaid, may employ one or more persons to render advice with respect to any responsibility the Committee, the subcommittee or such person may have under this Plan. The Committee or the subcommittee may, by resolution, authorize one or more officers of the Company to do one or both of the following on the same basis as the Committee or the subcommittee: (i) designate employees to be recipients of awards under this Plan and (ii) determine the size of any such awards; provided, however, that (A) the Committee will not delegate such responsibilities to any such officer for awards granted to an employee who is an officer (for purposes of Section 16 of the Exchange Act), Director, or more than 10% "beneficial owner" (as such term is defined in Rule 13d-3 promulgated under the Exchange Act) of any class of the Company's equity securities that is registered pursuant to Section 12 of the Exchange Act, as determined by the Committee in accordance with

Section 16 of the Exchange Act; (B) the resolution providing for such authorization shall set forth the total number of shares of Common Stock such officer(s) may grant and such terms as required by applicable law; and (C) the officer(s) will report periodically to the Committee regarding the nature and scope of the awards granted pursuant to the authority delegated.

11. **Adjustments.** The Committee shall make or provide for such adjustments in the number of and kind of shares of Common Stock covered by outstanding Option Rights, Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units granted hereunder and, if applicable, in the number of and kind of shares of Common Stock covered by other awards granted pursuant to **Section 9** of this Plan, in the Option Price and Base Price provided in outstanding Option Rights and Appreciation Rights, respectively, in Cash Incentive Awards, and in other award terms, as the Committee, in its sole discretion, determines, in good faith, is equitably required to prevent dilution or enlargement of the rights of Participants that otherwise would result from (a) any extraordinary cash dividend, stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, in the event of any such transaction or event or in the event of a Change in Control, the Committee may provide in substitution for any or all outstanding awards under this Plan such alternative consideration (including cash), if any, as it, in good faith, may determine to be equitable in the circumstances and shall require in connection therewith the surrender of all awards so replaced in a manner that complies with Section 409A of the Code. In addition, for each Option Right or Appreciation Right with an Option Price or Base Price, respectively, greater than the consideration offered in connection with any such transaction or event or Change in Control, the Committee may in its sole discretion elect to cancel such Option Right or Appreciation Right without any payment to the person holding such Option Right or Appreciation Right. The Committee shall also make or provide for such adjustments in the numbers of shares of Common Stock specified in **Section 3** of this Plan as the Committee in its sole discretion, determines, in good faith, is appropriate to reflect any transaction or event described in this **Section 11**; provided, however, that any such adjustment to the number specified in Section 3(c) of this Plan will be made only if and to the extent that such adjustment would not cause any Option Right intended to qualify as an Incentive Stock Option to fail to so qualify.

12. **Change in Control**. For purposes of this Plan, except as may be otherwise prescribed by the Committee in an Evidence of Award made under this Plan or as otherwise provided in another plan or agreement applicable to the Participant, a "Change in Control" will be deemed to have occurred upon the occurrence of any of the following events after the consummation of the transactions contemplated by the BCA; provided, that for the avoidance of doubt, the transactions contemplated by the BCA shall not constitute a Change in Control for purposes of this Plan:

(a) the acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a "Person") of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of voting securities of the Company where such acquisition causes such Person to own more than 50% of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of Directors (the "Outstanding Company Voting Securities"); provided, however, that for purposes of this **subsection (a)**, the following acquisitions shall not be deemed to result in a Change in Control:

(i) any acquisition directly from the Company that is approved by the Incumbent Board (as defined in **subsection (b)** below),

(ii) any acquisition by the Company,

(iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or

(iv) any acquisition by any corporation pursuant to a transaction that complies with **clauses (i), (ii) and (iii)** of **subsection (c)** below; provided, further, that if any Person's beneficial ownership of the Outstanding Company Voting Securities exceeds 50% as a result of a transaction described in **clause (i) or (ii)** above, and such Person subsequently acquires beneficial ownership of additional voting securities of the Company, such subsequent acquisition shall be treated as an acquisition that causes such Person to own more than 50% of the Outstanding Company Voting Securities; and provided, further, that if at least a majority of the members of the Incumbent Board determines in good faith that a Person has acquired beneficial ownership (within the

meaning of Rule 13d-3 promulgated under the Exchange Act) of more than 50% of the Outstanding Company Voting Securities inadvertently, and such Person divests as promptly as practicable a sufficient number of shares so that such Person beneficially owns (within the meaning of Rule 13d-3 promulgated under the Exchange Act) 50% or less of the Outstanding Company Voting Securities, then no Change in Control shall have occurred as a result of such Person's acquisition;

(b) individuals who, as of the Effective Date, constitute the Board (the "Incumbent Board" as modified by this **subsection (b)**) cease for any reason to constitute at least a majority of the Board;provided, however, that any individual becoming a Director subsequent to the Effective Date whose election, or nomination for election by the Stockholders, was approved by a vote of at least a majority of the Directors then comprising the Incumbent Board (either by specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for Director, without objection to such nomination) shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest or the use of any proxy access procedures in the Company's organizational documents with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;

(c) consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets of another corporation or other transaction ("Business Combination") excluding, however, such a Business Combination pursuant to which

(i) the individuals and entities who were the beneficial owners of the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the entity resulting from such Business Combination (including, without limitation, an entity that as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries),

(ii) no Person (excluding any employee benefit plan (or related trust) of the Company, the Company or such entity resulting from such Business Combination) beneficially owns, directly or indirectly, more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of directors of the entity resulting from such Business Combination, and

(iii) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(d) Stockholder approval of a complete liquidation or dissolution of the Company except pursuant to a Business Combination that complies with **clauses (i), (ii) and (iii)** of **subsection (c)** above.

13. **Clawback and Recoupment Provisions**. Any Evidence of Award (or any part thereof) may provide for the cancellation or forfeiture of an award or the forfeiture and repayment to the Company of any gain or earnings related to an award, or other provisions intended to have a similar effect, upon such terms and conditions as may be determined by the Committee in accordance with (a) any Company clawback or recoupment policy or policies as adopted from time to time, including any policy that is adopted to comply with the requirements of any applicable laws, rules, regulations, stock exchange listing standards or otherwise (in each case, the "Clawback Policy"), or (b) any applicable laws that impose mandatory clawback or recoupment requirements under the circumstances set forth in such laws, including as required by the Sarbanes-Oxley Act of 2002, the Dodd-Frank Wall Street Reform and Consumer Protection Act, or other applicable laws, rules, regulations, or stock exchange listing standards, as may be in effect from time to time, and which may operate to create additional rights for the Company with respect to awards and the recovery of amounts relating thereto. By accepting awards under the Plan, the Participants consent to be bound by the terms of the Clawback Policy, if applicable, and agree and acknowledge that they are obligated to cooperate with, and provide any and all assistance necessary to, the Company in its efforts to recover or recoup any award, any gains or earnings related to any award, or any other amount paid under the Plan or otherwise subject to

clawback or recoupment pursuant to such laws, rules, regulations, stock exchange listing standards or Company policy. Such cooperation and assistance shall include, but is not limited to, executing, completing and submitting any documentation necessary to facilitate the recovery or recoupment by the Company from the Participant of any such amounts, including from the Participant's accounts or from any other compensation, to the extent permissible under Section 409A of the Code.

14. **Non-U.S. Participants.** In order to facilitate the making of any grant or combination of grants under this Plan, the Committee may provide for such special terms for awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America or who provide services to the Company or any Subsidiary under an agreement with a foreign nation or agency, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Committee may approve such supplements to or amendments, restatements or alternative versions of this Plan (including sub-plans) (to be considered part of this Plan) as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further Stockholder approval.

15. **Transferability.**

(a) Except as otherwise determined by the Committee, and subject to compliance with **Section 17(b)** of this Plan and Section 409A of the Code, no Option Right, Appreciation Right, Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, Cash Incentive Award, award contemplated by **Section 9** of this Plan or dividend equivalents paid with respect to awards made under this Plan will be transferable by the Participant except by will or the laws of descent and distribution. In no event will any such award granted under this Plan be transferred for value. Where transfer is permitted, references to "Participant" shall be construed, as the Committee deems appropriate, to include any permitted transferee to whom such award is transferred. Except as otherwise determined by the Committee, Option Rights and Appreciation Rights will be exercisable during the Participant's lifetime only by him or her or, in the event of the Participant's legal incapacity to do so, by his or her guardian or legal representative acting on behalf of the Participant in a fiduciary capacity under state law or court supervision.

(b) The Committee may specify on the Date of Grant that part or all of the shares of Common Stock that are (i) to be issued or transferred by the Company upon the exercise of Option Rights or Appreciation Rights, upon the termination of the Restriction Period applicable to Restricted Stock Units or upon payment under any grant of Performance Shares or Performance Units or other awards under this Plan or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in **Section 6** of this Plan, will be subject to further restrictions on transfer, including minimum holding periods.

16. **Withholding Taxes.** To the extent that the Company is required to withhold federal, state, local or foreign taxes or other amounts in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes or other amounts required to be withheld, which arrangements (in the discretion of the Committee) may include relinquishment of a portion of such benefit. Notwithstanding the foregoing, when a Participant is required to pay the Company an amount required to be withheld under applicable income, employment, tax and other laws, the Committee may require the Participant to satisfy the obligation, in whole or in part, by having withheld, from the shares of Common Stock delivered or required to be delivered to the Participant, shares of Common Stock having a value equal to the amount required to be withheld or by delivering to the Company other shares of Common Stock held by such Participant. The Common Stock used for tax or other withholding will be valued at an amount equal to the fair market value of such Common Stock on the date the benefit is to be included in the Participant's income. In no event will the fair market value of the Common Stock to be withheld and delivered pursuant to this **Section 16** exceed the minimum amount required to be withheld, unless (i) an additional amount can be withheld and not result in adverse accounting consequences and (ii) such additional withholding amount is authorized by the Committee. Participants will also make such arrangements as the Company may require for the payment of any withholding tax or other obligation that may arise in connection with the disposition of Common Stock acquired upon the exercise of Option Rights.

17. **Compliance with Section 409A of the Code.**

(a) To the extent applicable, it is intended that this Plan and any grants made hereunder comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Participants. This Plan and any grants made hereunder will be administered in a manner consistent with this intent. Any reference in this Plan to Section 409A of the Code will also include any regulations or any other formal guidance promulgated with respect to such section by the U.S. Department of the Treasury or the Internal Revenue Service.

(b) Neither a Participant nor any of a Participant's creditors or beneficiaries will have the right to subject any deferred compensation (within the meaning of Section 409A of the Code) payable under this Plan and grants hereunder to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A of the Code, any deferred compensation (within the meaning of Section 409A of the Code) payable to a Participant or for a Participant's benefit under this Plan and grants hereunder may not be reduced by, or offset against, any amount owed by a Participant to the Company or any of its Subsidiaries.

(c) If, at the time of a Participant's separation from service (within the meaning of Section 409A of the Code), (i) the Participant will be a specified employee (within the meaning of Section 409A of the Code and using the identification methodology selected by the Company from time to time) and (ii) the Company makes a good faith determination that an amount payable hereunder constitutes deferred compensation (within the meaning of Section 409A of the Code) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A of the Code in order to avoid taxes or penalties under Section 409A of the Code, then the Company will not pay such amount on the otherwise scheduled payment date but will instead pay it, without interest, on the tenth business day of the seventh month after such separation from service.

(d) Solely with respect to any award that constitutes nonqualified deferred compensation subject to Section 409A of the Code and that is payable on account of a Change in Control (including any installments or stream of payments that are accelerated on account of a Change in Control), a Change in Control shall occur only if such event also constitutes a "change in the ownership," "change in effective control," and/or a "change in the ownership of a substantial portion of assets" of the Company as those terms are defined under Treasury Regulation §1.409A-3(i)(5), but only to the extent necessary to establish a time and form of payment that complies with Section 409A of the Code, without altering the definition of Change in Control for any purpose in respect of such award.

(e) Notwithstanding any provision of this Plan and grants hereunder to the contrary, in light of the uncertainty with respect to the proper application of Section 409A of the Code, the Company reserves the right to make amendments to this Plan and grants hereunder as the Company deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A of the Code. In any case, a Participant will be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on a Participant or for a Participant's account in connection with this Plan and grants hereunder (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any of its affiliates will have any obligation to indemnify or otherwise hold a Participant harmless from any or all of such taxes or penalties.

18. **Amendments.**

(a) The Board may at any time and from time to time amend this Plan in whole or in part; provided, however, that if an amendment to this Plan, for purposes of applicable stock exchange rules and except as permitted under **Section 11** of this Plan, (i) would materially increase the benefits accruing to Participants under this Plan, (ii) would materially increase the number of securities which may be issued under this Plan, (iii) would materially modify the requirements for participation in this Plan, or (iv) must otherwise be approved by the Stockholders in order to comply with applicable law or the rules of the **[Nasdaq Stock Market]** or, if the Common Stock is not traded on the **[Nasdaq Stock Market]**, the principal national securities exchange upon which the Common Stock is traded or quoted, all as determined by the Board, then, such amendment will be subject to Stockholder approval and will not be effective unless and until such approval has been obtained.

(b) Except in connection with a corporate transaction or event described in **Section 11** of this Plan or in connection with a Change in Control, the terms of outstanding awards may not be amended to reduce the Option Price of outstanding Option Rights or the Base Price of outstanding Appreciation Rights, or cancel outstanding

"underwater" Option Rights or Appreciation Rights (including following a Participant's voluntary surrender of "underwater" Option Rights or Appreciation Rights) in exchange for cash, other awards or Option Rights or Appreciation Rights with an Option Price or Base Price, as applicable, that is less than the Option Price of the original Option Rights or Base Price of the original Appreciation Rights, as applicable, without Stockholder approval. This **Section 18(b)** is intended to prohibit the repricing of "underwater" Option Rights and Appreciation Rights and will not be construed to prohibit the adjustments provided for in **Section 11** of this Plan. Notwithstanding any provision of this Plan to the contrary, this **Section 18(b)** may not be amended without Stockholder approval.

(c) If permitted by Section 409A of the Code, but subject to **Section 18(d)**, including in the case of termination of employment or service, or in the case of unforeseeable emergency or other circumstances or in the event of a Change in Control, to the extent a Participant holds an Option Right or Appreciation Right not immediately exercisable in full, or any Restricted Stock as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or any Restricted Stock Units as to which the Restriction Period has not been completed, or any Cash Incentive Awards, Performance Shares or Performance Units which have not been fully earned, or any dividend equivalents or other awards made pursuant to **Section 9** of this Plan subject to any vesting schedule or transfer restriction, or holds Common Stock subject to any transfer restriction imposed pursuant to **Section 15(b)** of this Plan, the Committee may, in its sole discretion, provide for continued vesting or accelerate the time at which such Option Right, Appreciation Right or other award may vest or be exercised or the time at which such substantial risk of forfeiture or prohibition or restriction on transfer will lapse or the time when such Restriction Period will end or the time at which such Cash Incentive Awards, Performance Shares or Performance Units will be deemed to have been earned or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award.

(d) Subject to **Section 18(b)** of this Plan, the Committee may amend the terms of any award theretofore granted under this Plan prospectively or retroactively. Except for adjustments made pursuant to **Section 11** of this Plan, no such amendment will materially impair the rights of any Participant without his or her consent. The Board may, in its discretion, terminate this Plan at any time. Termination of this Plan will not affect the rights of Participants or their successors under any awards outstanding hereunder and not exercised in full on the date of termination.

19. **Governing Law.** This Plan and all grants and awards and actions taken hereunder will be governed by and construed in accordance with the internal substantive laws of the State of Delaware.

20. **Effective Date/Termination.** This Plan will be effective as of the Effective Date. No grant will be made under this Plan on or after the tenth anniversary of the Effective Date, but all grants made prior to such date will continue in effect thereafter subject to the terms thereof and of this Plan.

21. **Miscellaneous Provisions.**

(a) The Company will not be required to issue any fractional shares of Common Stock pursuant to this Plan. The Committee may provide for the elimination of fractions or for the settlement of fractions in cash.

(b) This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

(c) Except with respect to **Section 21(e)** of this Plan, to the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right. Such provision, however, will remain in effect for other Option Rights and there will be no further effect on any provision of this Plan.

(d) No award under this Plan may be exercised by the holder thereof if such exercise, and the receipt of cash or shares thereunder, would be, in the opinion of counsel selected by the Company, contrary to law or the regulations of any duly constituted authority having jurisdiction over this Plan.

(e) Subject to Section 409A of the Code, absence on leave approved by a duly constituted officer of the Company or any of its Subsidiaries will not be considered interruption or termination of service of any employee for any purposes of this Plan or awards granted hereunder.

(f) No Participant will have any rights as a Stockholder with respect to any Common Stock subject to awards granted to him or her under this Plan prior to the date as of which he or she is actually recorded as the holder of such Common Stock upon the share records of the Company.

(g) The Committee may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

(h) Except with respect to Option Rights and Appreciation Rights, the Committee may permit Participants to elect to defer the issuance of Common Stock or cash payments under this Plan pursuant to such rules, procedures or programs as it may establish for purposes of this Plan and which are intended to comply with the requirements of Section 409A of the Code. The Committee also may provide that deferred issuances and settlements include the crediting of dividend equivalents or interest on the deferral amounts.

(i) If any provision of this Plan is or becomes invalid, illegal or unenforceable in any jurisdiction, or would disqualify this Plan or any award under any law deemed applicable by the Committee, such provision will be construed or deemed amended or limited in scope to conform to applicable laws or, in the discretion of the Committee, it will be stricken and the remainder of this Plan will remain in full force and effect. Notwithstanding anything in this Plan or an Evidence of Award to the contrary, nothing in this Plan or in an Evidence of Award prevents a Participant from providing, without prior notice to the Company, information to governmental authorities regarding possible legal violations or otherwise testifying or participating in any investigation or proceeding by any governmental authorities regarding possible legal violations, and for purpose of clarity a Participant is not prohibited from providing information voluntarily to the Securities and Exchange Commission pursuant to Section 21F of the Exchange Act.

22. **Stock-Based Awards in Substitution for Awards Granted by Another Company.** Notwithstanding anything in this Plan to the contrary:

(a) Awards may be granted under this Plan in substitution for or in conversion of, or in connection with an assumption of, stock options, stock appreciation rights, restricted stock, restricted stock units or other stock or stock-based awards held by awardees of an entity engaging in a corporate acquisition or merger transaction with the Company or any Subsidiary. Any conversion, substitution or assumption will be effective as of the close of the merger or acquisition, and, to the extent applicable, will be conducted in a manner that complies with Section 409A of the Code. The awards so granted may reflect the original terms of the awards being assumed or substituted or converted for and need not comply with other specific terms of this Plan, and may account for Common Stock substituted for the securities covered by the original awards and the number of shares subject to the original awards, as well as any exercise or purchase prices applicable to the original awards, adjusted to account for differences in stock prices in connection with the transaction.

(b) In the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary merges has shares available under a pre-existing plan previously approved by shareholders and not adopted in contemplation of such acquisition or merger, the shares available for grant pursuant to the terms of such plan (as adjusted, to the extent appropriate, to reflect such acquisition or merger) may be used for awards made after such acquisition or merger under this Plan; provided, however, that awards using such available shares may not be made after the date awards or grants could have been made under the terms of the pre-existing plan absent the acquisition or merger, and may only be made to individuals who were not employees or directors of the Company or any Subsidiary prior to such acquisition or merger.

(c) Any Common Stock that is issued or transferred by, or that is subject to any awards that are granted by, or become obligations of, the Company under **Sections 22(a) or 22(b)** of this Plan will not reduce the shares of Common Stock available for issuance or transfer under this Plan or otherwise count against the limits contained in **Section 3** of this Plan, except as otherwise provided in this Plan. In addition, no shares of Common Stock subject to an award that is granted by, or becomes an obligation of, the Company under **Sections 22(a) or 22(b)** of this Plan, will be added to the aggregate limit contained in **Section 3(a)(i)** of this Plan.

Item 20. Indemnification of Directors and Officers.

Holdco is a Delaware corporation. Section 145 of the DGCL provides, in general, that a corporation may indemnify any person who was or is a party (or is threatened to be made a party) to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A Delaware corporation may also indemnify directors, officers, employees and other agents of such corporation in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the person to be indemnified has been adjudged to be liable to the corporation. The DGCL provides that Section 145 of the DGCL is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Holdco's Bylaws contain provisions that require it to indemnify any person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person, or a person for whom such person is the legal representative, is or was a director or officer of Holdco or, while a director or officer of Holdco, is or was serving at the request of Holdco as a director, officer, employee or agent of another corporation or of a partnership, joint venture, limited liability company, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such person, to the fullest extent permitted by the DGCL, as it may be amended from time to time.

In addition, the Holdco Certificate of Incorporation (as will be in effect upon the consummation of the Business Combination) contains provisions requiring Holdco to indemnify and advance expenses to any director incurred in defending or otherwise participating in any proceeding in advance of its final disposition, provided that such director presents to Holdco a written undertaking to repay such amount if it shall ultimately be determined that such director is not entitled to be indemnified by Holdco.

As permitted by Section 102(b)(7) of the DGCL, Holdco's Certificate of Incorporation (as will be in effect upon completion of the Business Combination) contains provisions eliminating the personal liability of directors to Holdco or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted under the DGCL.

Holdco expects to maintain standard policies of insurance under which coverage is provided (a) to its directors and officers against losses arising from claims made by reason of breach of duty or other wrongful act by such persons in their respective capacities as officers and directors Holdco, and (b) to Holdco with respect to payments which may be made by the registrant to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

Item 22. Undertakings.

1. The registrant hereby undertakes:

   (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

      (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

      (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Filing Fee Tables" in the effective registration statement; and

      (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

   (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

   (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

   (d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

   (e) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

      (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

      (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

      (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

      (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

2. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant

has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

3. The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

4. The undersigned registrant hereby undertakes as follows: that every prospectus (1) that is filed pursuant to the immediately preceding paragraph, or (2) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

5. The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the Registration Statement through the date of responding to the request.

6. The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.

Section 2. **Other Offices**. The corporation shall also have and maintain an office or principal place of business at such place as may be fixed by the corporation's board of directors (the "***Board of Directors***"), and may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine or the business of the corporation may require. (Del. Code Ann., tit. 8, § 122(8))

Section 3. **Books and Records**. Any records administered by or on behalf of the corporation in the regular course of its business, including its stock ledger, books of account, and minute books, may be maintained on any information storage device, method, or one or more electronic networks or databases (including one or more distributed electronic networks or databases); provided that the records so kept can be converted into clearly legible paper form within a reasonable time, and, with respect to the stock ledger, the records so kept comply with Section 224 of the Delaware General Corporation Law ("***DGCL***"). The corporation shall so convert any records so kept upon the request of any person entitled to inspect such records pursuant to applicable law. (Del. Code Ann., tit. 8, § 224)

ARTICLE II

CORPORATE SEAL

Section 4. **Corporate Seal**. The Board of Directors may adopt a corporate seal. The corporate seal shall bear the name of the corporation and the inscription, "Corporate Seal-Delaware." Said seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise. (Del. Code Ann., tit. 8, § 122(3))

ARTICLE III

STOCKHOLDERS' MEETINGS

Section 5. **Place of Meetings**. Meetings of the stockholders of the corporation may be held at such place, either within or without the State of Delaware, as may be determined from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication as provided under the DGCL. (Del. Code Ann., tit. 8, § 211(a))

Section 6. **Annual Meeting**. The annual meeting of the stockholders of the corporation for the election of directors and for the transaction of such other business as may properly come before the meeting shall be held at such date, time and place, if any, as shall be determined by the Board of Directors and stated in the notice of the meeting. (Del. Code Ann., tit. 8, § 211(b))

Section 7. **Special Meetings**. Special meetings of the stockholders of the corporation for any purpose or purposes may be called pursuant to a resolution approved by the Board of Directors or by stockholders holding at least a majority of the outstanding shares of stock entitled to vote and may not be called by any other person or persons. The only business which may be conducted at a special meeting shall be the matter or matters set forth in the notice of such meeting. (Del. Code Ann., tit. 8, § 211(d))

Section 8. **Notice of Meetings**. Except as otherwise provided by law, notice, given in writing or by electronic transmission, of each meeting of stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting, such notice to specify the place, if any, date and hour, in the case of special meetings, the purpose or purposes of the meeting, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at any such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the corporation. Notice of the time, place, if any, and purpose of any meeting of stockholders may be waived in writing, signed by the person entitled to notice thereof or by electronic transmission by such person, either before or after such meeting, and will be waived by any stockholder by his attendance thereat in person, by remote communication, if applicable, or by proxy, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given. Neither the business to be transacted at, nor the purpose of, any meeting of the stockholders or any adjourned session thereof need be specified in any written waiver of notice. (Del. Code Ann., tit. 8, §§ 222, 229, 232)

Section 9. **Quorum**. At all meetings of stockholders, except where otherwise provided by statute or by the certificate of incorporation of the corporation (as amended from time to time, the "***Certificate of Incorporation***"), or by these bylaws of the corporation (these "***Bylaws***"), the presence, in person, by remote communication, if applicable, or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business. In the absence of a quorum, any meeting of stockholders may be adjourned, from time to time, either by the chairman of the meeting or by vote of the holders of a majority of the shares represented thereat, but no other business shall be transacted at such meeting. The stockholders present at a duly called or convened meeting, at which a quorum is present, may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Except as otherwise provided by statute, or by the Certificate of Incorporation or these Bylaws, in all matters other than the election of directors, the affirmative vote of a majority of shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the subject matter shall be the act of the stockholders. Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, directors shall be elected by a plurality of the votes of the shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the statute or by the Certificate of Incorporation or these Bylaws, a majority of the outstanding shares of such class or classes or series, present in person, by remote communication, if applicable, or represented by proxy duly authorized, shall constitute a quorum entitled to take action with respect to that vote on that matter. Except where otherwise provided by statute or by the Certificate of Incorporation or these Bylaws, the affirmative vote of the majority (plurality, in the case of the election of directors) of shares of such class or classes or series present in person, by remote communication, if applicable, or represented by proxy at the meeting shall be the act of such class or classes or series. (Del. Code Ann., tit. 8, § 216)

Section 10. **Adjournment and Notice of Adjourned Meetings**. Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the chairman of the meeting or by the vote of a majority of the shares present in person, by remote communication, if applicable, or represented by proxy. When a meeting is adjourned to another time or place, if any, notice need not be given of the adjourned meeting if the time and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. (Del. Code Ann., tit. 8, § 222(c))

Section 11. **Voting Rights**. For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the corporation on the record date, as provided in Section 13 of these Bylaws, shall be entitled to vote at any meeting of stockholders. Every person entitled to vote or execute consents shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with Delaware law. An agent so appointed need not be a stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period. (Del. Code Ann., tit. 8, §§ 211(e), 212(b))

Section 12. **Joint Owners of Stock**. If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Delaware Court of Chancery for relief as provided in the DGCL, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest. (Del. Code Ann., tit. 8, § 217(b))

Section 13. **List of Stockholders**. The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Nothing contained in this Section 13 shall require the corporation to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or during ordinary business hours, at the principal place of business of the corporation. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. The list shall be open to examination of any stockholder during the time of the meeting as provided by law. (Del. Code Ann., tit. 8, § 219)

Section 14. **Action Without Meeting**.

(a) Unless otherwise provided in the Certificate of Incorporation, any action required by statute to be taken at any annual or special meeting of the stockholders, or any action which may be taken at any annual or special meeting of the stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, or by electronic transmission setting forth the action to be so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. (Del. Code Ann., tit. 8, § 228)

(b) Every written consent or electronic transmission shall bear the date of signature of each stockholder who signs the consent, and no written consent or electronic transmission shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered to the corporation in the manner herein required, written consents or electronic transmissions signed by a sufficient number of stockholders to take action are delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. (Del. Code Ann., tit. 8, § 228)

(c) Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall, to the extent required by applicable law, be given to those stockholders who have not consented in writing or by electronic transmission and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take such action were delivered to the corporation as provided in Section 228(c) of the DGCL. If the action which is consented to is such as would have required the filing of a certificate under any section of the DGCL if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written consent has been given in accordance with Section 228 of the DGCL.

(d) An electronic mail, facsimile or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this Section 14, provided that any such electronic mail, facsimile or other electronic transmission sets forth or is delivered with information from which the corporation can determine (i) that the electronic mail, facsimile or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such electronic mail, facsimile or electronic transmission. The date on which such electronic mail, facsimile or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. Delivery made to a corporation's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents given by electronic mail, facsimile or other electronic transmission may be otherwise delivered to the principal place of business of the corporation or to an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the Board of Directors. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Section 15. Organization.

(a) At every meeting of stockholders, the Chairman of the Board of Directors, or, if a Chairman has not been appointed or is absent, the President, or, if the President is absent, a chairman of the meeting chosen by a majority in interest of the stockholders entitled to vote, present in person or by proxy, shall act as chairman. The Secretary, or, in his or her absence, an Assistant Secretary directed to do so by the President, shall act as secretary of the meeting.

(b) The Board of Directors shall be entitled to make such rules or regulations for the conduct of meetings of stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to stockholders of record of the corporation and their duly authorized and constituted proxies and such other persons as the chairman shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

ARTICLE IV

DIRECTORS

Section 16. **Number and Term of Office**. The authorized number of directors of the corporation shall be fixed by the Board of Directors from time to time. Directors need not be stockholders unless so required by the Certificate of Incorporation. If, for any cause, the directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient.

Section 17. **Powers**. The powers of the corporation shall be exercised, its business conducted and its property controlled by the Board of Directors, except as may be otherwise provided by statute or by the Certificate of Incorporation. (Del. Code Ann., tit. 8, § 141(a))

Section 18. **Term of Directors**. Each director shall serve until his successor is duly elected and qualified or until his death, incapacity, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

Section 19. **Vacancies**. Unless otherwise provided in the Certificate of Incorporation, and subject to the rights of the holders of any class of stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors. For the avoidance of doubt, the stockholders have the right to appoint a director to fill any such vacancy in their sole discretion. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified. A vacancy in the Board of Directors shall be deemed to exist under these Bylaws in the case of the death, incapacity, removal or resignation of any director. (Del. Code Ann., tit. 8, § 223(a), (b))

Section 20. **Resignation**. Any director may resign at any time by delivering his or her notice in writing or by electronic transmission to the Secretary, such resignation to specify whether it will be effective at a particular time, upon receipt by the Secretary or at the pleasure of the Board of Directors. If no such specification is made, it shall be deemed effective at the pleasure of the Board of Directors. When one or more directors shall resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies in accordance with Section 19, the vote thereon to take effect when such resignation or resignations shall become effective, and each Director so chosen shall hold office for the unexpired portion of the term of the Director whose place shall be vacated and until his successor shall have been duly elected and qualified. (Del. Code Ann., tit. 8, §§ 141(b), 223(d))

Section 21. Meetings

(a) **Regular Meetings**. Unless otherwise restricted by the Certificate of Incorporation, regular meetings of the Board of Directors may be held at any time or date and at any place within or without the State of Delaware which has been designated by the Board of Directors and publicized among all directors, either orally or in writing, including a voice-messaging system or other system designated to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means. No further notice shall be required for a regular meeting of the Board of Directors. (Del. Code Ann., tit. 8, § 141(g))

(b) **Special Meetings**. Unless otherwise restricted by the Certificate of Incorporation, special meetings of the Board of Directors may be held at any time and place within or without the State of Delaware whenever called by the Chairman of the Board or Directors, the President or any director. (Del. Code Ann., tit. 8, § 141(g))

(c) **Meetings by Electronic Communications Equipment**. Any member of the Board of Directors, or of any committee thereof, may participate in a meeting by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting. (Del. Code Ann., tit. 8, § 141(i))

(d) **Notice of Special Meetings**. Notice of the time and place of all special meetings of the Board of Directors shall be orally or in writing, by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means, during normal business hours, at least twenty-four (24) hours before the date and time of the meeting. If notice is sent by US mail, it shall be sent by first class mail, postage prepaid at least three (3) days before the date of the meeting. Notice of any meeting may be waived in writing or by electronic transmission at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither notice of a meeting nor a waiver of a notice need specify the purposes of the meeting. (Del. Code Ann., tit. 8, § 229)

(e) **Waiver of Notice**. The transaction of all business at any meeting of the Board of Directors, or any committee thereof, however called or noticed, or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present and if, either before or after the meeting, each of the directors not present who did not receive notice shall sign a written waiver of notice or shall waive notice by electronic transmission. All such waivers shall be filed with the corporate records or made a part of the minutes of the meeting. (Del. Code Ann., tit. 8, § 229)

Section 22. Quorum and Voting.

(a) Unless the Certificate of Incorporation requires a greater number, a quorum of the Board of Directors shall consist of a majority of the exact number of directors fixed from time to time by the Board of Directors in accordance with these Bylaws and the Certificate of Incorporation; provided, however, at any meeting, whether a quorum be present or otherwise, a majority of the directors present may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors, without notice other than by announcement at the meeting. (Del. Code Ann., tit. 8, § 141(b))

(b) At each meeting of the Board of Directors at which a quorum is present, all questions and business shall be determined by the affirmative vote of a majority of the directors present, unless a different vote be required by law, the Certificate of Incorporation or these Bylaws. (Del. Code Ann., tit. 8, § 141(b))

Section 23. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing or writings or transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. (Del. Code Ann., tit. 8, § 141(f))

Section 24. Fees and Compensation. Directors shall be entitled to such compensation for their services as may be approved by the Board of Directors, including, if so approved, by resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, for attendance at each regular or special meeting of the Board of Directors and at any meeting of a committee of the Board of Directors. Nothing herein contained shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise and receiving compensation therefor. (Del. Code Ann., tit. 8, § 141(h))

Section 25. Committees. The Board of Directors may, from time to time, (a) appoint such committees as may be permitted by law, (b) designate, change the membership of or terminate the existence of any committee or committees, or (c) designate one or more directors as alternate members of any such committee who may replace any absent or disqualified member at any meeting of the committee. Subject to the Certificate of Incorporation and applicable law, such other committees appointed by the Board of Directors shall consist of one (1) or more members of the Board of Directors and shall have such powers and perform such duties as may be prescribed by the resolution or resolutions creating such committees. If any other member of a committee shall be absent from any meeting, or disqualified from voting thereat, the remaining member or members present at the meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent permitted by applicable law, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation and may authorize the seal of the corporation to be affixed to all papers that may require it to the extent so authorized by the Board of Directors. Subject to the Certificate of Incorporation, unless the Board of Directors provides otherwise, at all meetings of such committee, a majority of the then authorized members of the committee shall constitute a quorum for the transaction of business, and the vote of a majority of the members of the committee present at any meeting at which there is a quorum shall be the act of the committee. Each committee shall keep regular minutes of its meetings. Unless the Board of Directors provides otherwise, each committee designated by the Board of Directors may make, alter, and repeal rules and procedures for the conduct of its business; provided that, for the avoidance of doubt, no such rules or alteration or repeal thereof shall contradict the requirements of the Certificate of Incorporation or these Bylaws. In the absence of such rules and procedures each committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to this Article IV. All references in these Bylaws to a committee will also be deemed to refer to a subcommittee. (Del. Code Ann., tit. 8, § 141(c))

Section 26. **Organization**. At every meeting of the directors, the Chairman of the Board of Directors, or, if a Chairman has not been appointed or is absent, the President, or, in the absence of any such person, a chairman of the meeting chosen by a majority of the directors present, shall preside over the meeting. The Secretary, or in his or her absence, any Assistant Secretary directed to do so by the President, shall act as secretary of the meeting.

ARTICLE V

The officers of the corporation shall include, if and when designated by the Board of Directors, the Chairman of the Board of Directors, the Chief Executive Officer, the President, one or more Vice Presidents, the Secretary, the Chief Financial Officer, the Treasurer and the Controller, all of whom shall be elected at the organizational meeting of the Board of Directors. Section 41. **Fiscal Year**. The fiscal year of the corporation shall be fixed by resolution of the Board of Directors.

ARTICLE XI

INDEMNIFICATION

Section 42. **Indemnification of Directors, Executive Officers, Other Officers, Employees and Other Agents**.

(a) **Directors and Executive Officers**. The corporation shall indemnify its current and former directors and executive officers (for the purposes of this Article XI, "executive officers" shall mean any person designated as an "executive officer" by the Board of Directors) to the fullest extent not prohibited by the DGCL or any other applicable law; *provided, however*, that the corporation may modify the extent of such indemnification by individual contracts with its directors and executive officers; and, *provided, further*, that the corporation shall not be required to indemnify any current or former director or executive officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors, (iii) such indemnification is provided by the corporation, in its sole discretion, pursuant to the powers vested in the corporation under the Delaware General Corporation Law or any other applicable law or (iv) such indemnification is required to be made under subsection (d) of this Section 42.

(b) **Other Officers, Employees and Other Agents**. The corporation shall have power to indemnify its officers, employees and other agents as set forth in the DGCL or any other applicable law. The Board of Directors shall have the power to delegate the determination of whether indemnification shall be given to any such person except executive officers to such officers or other persons as the Board of Directors shall determine.

(c) **Expenses**. The corporation shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or executive officer, of the corporation, or is or was serving at the request of the corporation as a director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any such director or executive officer in connection with such proceeding, provided, however, that, if the DGCL requires, an advancement of expenses incurred by a current or former director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section 42 or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Section 42, no advance shall be made by the corporation to an executive officer of the corporation (except by reason of the fact that such executive officer is or was a director of the corporation, in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by a majority vote of a quorum consisting of directors who were not parties to the proceeding, even if not a quorum, or (ii) by a committee of such directors designated by a majority of such directors, even though less than a quorum, or (iii) if there are no such directors, or such directors so direct, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation.

(d) Enforcement. Without the necessity of entering into an express contract, all rights to indemnification and advances to current or former directors and executive officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the corporation and the current or former director or executive officer. Any right to indemnification or advances granted by this Bylaw to a current or former director or executive officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor or, with respect to any claim for indemnification, within ninety (90) days after the later of (x) request therefor and (y) the final resolution of the underlying proceeding. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting the claim. In connection with any claim for indemnification, the corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the DGCL or any other applicable law for the corporation to indemnify the claimant for the amount claimed. Neither the failure of the corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL or any other applicable law, nor an actual determination by the corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a current or former director or executive officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of proving that such director or executive officer is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the corporation.

(e) Non-Exclusivity of Rights. The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any applicable statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the DGCL or any other applicable law.

(f) Survival of Rights. The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director or executive officer, employee or other agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) Insurance. To the fullest extent permitted by the DGCL, or any other applicable law, the corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

(h) **Amendments**. Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the corporation.

(i) **Saving Clause**. If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the corporation shall nevertheless indemnify each director and executive officer to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law. If this Section 43 shall be invalid due to the application of the indemnification provisions of another jurisdiction, then the corporation shall indemnify each director and executive officer to the full extent under applicable law.

(j) **Certain Definitions**. For the purposes of this Bylaw, the following definitions shall apply:

(1) The term "proceeding" shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(2) The term "expenses" shall be broadly construed and shall include, without limitation, court costs, attorneys' fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(3) The term the "corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Bylaw with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(4) References to a "director," "executive officer," "officer," "employee," or "agent" of the corporation shall include, without limitation, situations where such person is serving at the request of the corporation as, respectively, a director, executive officer, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(5) References to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the corporation" shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this Bylaw.

(Del. Code Ann., tit. 8, § 222)

(d) Methods of Notice. It shall not be necessary that the same method of giving notice be employed in respect of all recipients of notice, but one permissible method may be employed in respect of any one or more, and any other permissible method or methods may be employed in respect of any other or others.

(e) Notice to Person with Whom Communication Is Unlawful. Whenever notice is required to be given, under any provision of law or of the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the corporation is such as to require the filing of a certificate under any provision of the DGCL, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

The loan, guarantee or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the corporation. Nothing in these Bylaws shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the corporation at common law or under any statute. (a) Interest Rate. Subject to Section 2.3(b), the principal amount outstanding under the Term Loans shall accrue interest at a rate equal to the AFR applicable to such Term Loan. Interest shall accrue on the Term Loans commencing on, and including, the date such Term Loan is borrowed, and shall accrue on the principal amount outstanding under each Term Loan through and including the day on which such Term Loan is paid in full or converted pursuant to Section 2.7. Interest shall be payable in arrears at the end of each fiscal quarter of the Borrower and shall be paid in kind (the **"PIK Interest"),** which PIK Interest shall automatically on the applicable interest payment date be added to the then outstanding principal of the Term Loans and shall immediately begin accruing interest at the rate, and in the manner, set forth in this Section 2.3(a); provided, however, any PIK Interest payable under this Section 2.3(a) may, at the Borrower's written election and with the Lender's approval prior to such PIK Interest automatically being deemed to paid as PIK Interest, be paid in cash on any one or more interest payment dates in lieu of increasing the then outstanding amount of the principal of the Term Loans.

(b) Default Rate. Immediately upon the occurrence and during the continuance of an Event of Default, the Obligations shall accrue interest at a per annum rate equal to the rate that is otherwise applicable thereto pursuant to the applicable Loan Document plus two percent (2%) (the **"Default Rate").** Payment or acceptance of the increased interest rate provided in this Section 2.3(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Lender.

(c) 360-Day Year. Interest shall be computed on the basis of a three hundred sixty (360) day year, and the actual number of days elapsed.

(d) Payments. Except as otherwise expressly provided herein, all payments by the Borrower under the Loan Documents shall be made to the Lender, at the Lender's office in immediately available funds on the date specified herein. Payments of principal and/or interest received after 12:00 PM New York, New York time are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not a Business Day, the payment is due the next Business Day and additional fees or interest, as applicable, shall continue to accrue until paid. All payments to be made by the Borrower hereunder or under any other Loan Document, including payments of principal and interest, and all fees, expenses, indemnities and reimbursements, shall be made without set-off, recoupment or counterclaim, in lawful money of the United States and in immediately available funds.

2.4 Notations. The Borrower irrevocably authorizes the Lender to make or cause to be made, on or about the Effective Date or at the other time an appropriate notation in the Lender's records reflecting the making of the Term Loans or (as the case may be) the receipt of any payment in respect thereof. The outstanding amount of the Term Loans set forth in such records shall be prima facie evidence of the principal amount thereof owing and unpaid to the Lender, but the failure to record, or any error in so recording, any such amount in such records shall not limit or otherwise affect the obligations of the Borrower under any Loan Document to make payments of principal of or interest when due.

2.5 Fees and Expenses. The Borrower shall pay to the Lender all Lender's Expenses (including attorneys' fees and expenses in connection with this Agreement) incurred through and after the Effective Date, when due.

2.6 Withholding. Payments received by the Lender from the Borrower hereunder or under any other Loan Document will be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, duties, deductions, withholdings, assessments, or other charges in the nature of a tax imposed by any Governmental Authority (including any interest, additions to tax or penalties applicable thereto) **("Taxes")** unless required by applicable law. Specifically, however, if at any time any Governmental Authority, applicable law, regulation or international agreement requires the Borrower to make any withholding or deduction from any such payment or other sum payable hereunder to the Lender on account of Indemnified Taxes, the Borrower hereby covenants and agrees that the amount due from the Borrower with respect to such payment or other sum payable hereunder with respect to Indemnified Taxes will be increased to the extent necessary to ensure that, after the making of such required withholding or deduction, the Lender receives a net sum equal to the sum which it would have received had no withholding or deduction been required and the Borrower shall pay the full amount withheld or deducted to the relevant Governmental Authority. For purposes of the preceding sentence, **"Indemnified Taxes"** means all Taxes imposed on or with respect to any payment made by or on account of any obligation of the Borrower under any Loan Document other than (i) Taxes imposed on or measured by net income (however denominated), franchise Taxes, and branch profits Taxes, in each case, (A) imposed as a result of the Lender being organized under the laws of, or having its principal office located in, the jurisdiction imposing such Tax (or any political subdivision thereof) or (B) that are imposed as a result of a present or former connection between the Lender and the jurisdiction imposing such Tax (other than connections arising solely from the Lender having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, engaged in any other transaction pursuant to or enforced this Agreement), (ii) withholding Taxes imposed on amounts payable pursuant to a law in effect on the date hereof; (iii) Taxes attributable to the Lender's failure to comply with Section 2.6(B) and (iv) any withholding Taxes imposed under FATCA. The Borrower will, upon request, furnish Lender with proof reasonably satisfactory to the Lender indicating that the Borrower has made such withholding payment on Indemnified Taxes; *provided, however,* that the Borrower need not make any withholding payment if the amount or validity of such withholding payment is contested in good faith by appropriate and timely proceedings and as to which payment in full is bonded or reserved against by the Borrower. The agreements and obligations of the Borrower and the Lender contained in this Section 2.6 shall survive the termination of this Agreement.

2.7 Optional Conversion.

(a) At the option of the Lender, **in** lieu of repayment pursuant to Section 2.2, the then outstanding principal amount of the Term Loans and any unpaid accrued interest and any fees and expenses owed by the Borrower hereunder shall convert in whole into shares of Next Equity Securities at a price per share equal to 100% of the price per share of Next Equity Securities that are issued and sold by the Borrower in any Qualified Financing, with the same terms and conditions as the shares of Next Equity Securities that are issued and sold by the Borrower in such Qualified Financing (a **"Conversion").**

(b) No fractional shares of capital stock of the Borrower will be issued upon the Conversion. In lieu of any fractional share to which the Lender would otherwise be entitled, the Borrower will pay to the Lender, in cash, the amount of the unconverted principal amount and any accrued but unpaid interest then outstanding under the Term Loans that would otherwise be converted into such fractional share. Upon Conversion, at its expense, the Borrower will, as soon as practicable thereafter, issue and deliver to the Lender a certificate or certificates for the number of shares to which the Lender is entitled upon such Conversion, together with any other securities and property to which the Lender is entitled upon such Conversion under the terms of this Agreement, including a wire transfer or check payable to the Lender for any cash amounts payable as described herein. Upon Conversion of the Term Loans, the Borrower will be forever released from all of its obligations and liabilities under this Agreement with regard to that portion of the Term Loans being converted, including without limitation the obligation to pay such portion of the principal amount of such Term Loans.

2.8 Guarantee.

(a) The Guarantor hereby absolutely, unconditionally and irrevocably guarantees (the **"Guarantee")** to the Lender the due and timely payment, observance, performance and discharge of the obligations of the Borrower under this Agreement (the **"Guaranteed Obligations").**

(b) This Guarantee is a continuing guarantee of payment, not of collection, and the liability of the Guarantor pursuant to the Guarantee shall be absolute, irrevocable, unaffected by and unconditional irrespective of, and the Guaranteed Obligations of the Guarantor shall not be released or discharged in whole or in part, or otherwise affected by:

(i) any change in the legal existence, structure or ownership of the Borrower, the Guarantor or any other Person or any insolvency, bankruptcy, liquidation, reorganization or other similar proceeding affecting the Borrower, the Guarantor or any other Person or their respective assets;

(ii) any waiver, amendment, rescission or modification of this Agreement, or change in the time, manner, place or terms of payment or performance, or any change or extension of the time of payment or performance, renewal or alteration of, the Guaranteed Obligations;

(iii) the existence of any claim, set off or other right that the Guarantor may have at any time against the Lender, whether **in** connection with the Guaranteed Obligations or otherwise;

(iv) the failure or delay on the part of the Lender to assert any claim or demand or to enforce any right or remedy against the Borrower, the Guarantor or any other Person;

(v) the addition, substitution or release of any Person now or hereafter liable for the Guaranteed Obligations;

(vi) the adequacy of any other means the Lender may have of obtaining payment of the Guaranteed Obligations;

(vii) any other act or omission that may or would vary the risk of the Borrower or discharge the Borrower as a matter of law or equity (other than payment of the Guaranteed Obligations in full); or

(viii) any absence of any notice to, or knowledge by, the Guarantor of the existence or occurrence of any of the matters or events set forth in the foregoing clauses (i) through (vii).

(c) To the fullest extent permitted by law, the Guarantors hereby waive (i) any and all notice of the creation, renewal, extension or accrual of the Guaranteed Obligations and notice of or proof of reliance by the Payee upon the Guarantee or acceptance of the Guarantee, (ii) any right or defense arising by reason of any law that would require election of remedies by the Payee, promptness, diligence, presentment, demand for payment, protest, default, dishonor and any notice of acceptance of the Guarantee and of the Guaranteed Obligations, notice of any obligations incurred and other notices of any kind not provided for herein, (iii) all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar law now or hereafter in effect, any right to require the marshalling of assets of the Maker or any other Person now or hereafter liable with respect to any of the Guaranteed Obligations or otherwise interested in the transactions contemplated by the EPA and all suretyship defenses generally. Each Guarantor hereby acknowledges that it will receive substantial direct and indirect benefits from the transactions contemplated by the EPA and that the Guarantee, including the waivers set forth in the Guarantee, are knowingly made in contemplation of such benefits. Each Guarantor acknowledges that the Payee is entering into the EPA in reliance on the Guarantee.

3. CONDITIONS OF LOANS

(e) the Loan Parties shall be in compliance with the covenants and requirements contained in Sections 4, 6 and 7 of this Agreement;

(f) in Lender's sole discretion, there has not been any Material Adverse Change since December 31, 2022; and

(g) payment of the fees and Lender's Expenses then due as specified in Section 2.5 hereof.

4. CREATION OF SECURITY INTEREST

4.1 Grant of Security Interest. Each Loan Party hereby grants to the Lender to secure the payment and performance in full of all of the Obligations, a continuing security interest in, and pledges to the Lender the Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Each Loan Party represents, warrants, and covenants that the security interest granted herein is and shall at all times continue to be first priority perfected security interest in the Collateral, subject only to Permitted Liens that are permitted by the terms of this Agreement to have priority to the Lender's Lien. If any Loan Party shall acquire a commercial tort claim (as defined in the Code) with a value in excess of Twenty-Five Thousand Dollars ($25,000.00), such Loan Party shall promptly notify the Lender in a writing signed by such Loan Party, as the case may be, of the general details thereof (and further details as may be required by the Lender) and grant to the Lender in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Lender.

If this Agreement is terminated, the Lender's Lien in the Collateral shall continue until the Obligations (other than inchoate indemnity obligations and Lender's Expense reimbursement obligations for which no claim has been made) are indefeasibly repaid in full in cash or are converted pursuant to Section 2.7. Upon indefeasible payment in full in cash of the Obligations (other than inchoate indemnity obligations and Lender's Expense reimbursement obligations for which no claim has been made) or conversion pursuant to Section 2.7, the Lender shall, at the sole cost and expense of the Loan Parties, release its Liens in the Collateral and all rights therein shall revert to the Loan Parties.

4.2 Authorization to File Financing Statements. Each Loan Party hereby authorizes the Lender to file financing statements with a description set forth in Exhibit E or any broader or narrower description as the Lender may determine, or take any other action required or desirable to perfect, preserve or protect the Lender's Liens on the Collateral, without notice to such Loan Party, with all appropriate jurisdictions to perfect, preserve or protect the Lender's interest or rights under the Loan Documents, including a notice that any disposition of the Collateral, except to the extent permitted by the terms of this Agreement, by any Loan Party, or any other Person, shall be deemed to violate the rights of the Lender under the Code.

4.3 Pledge of Collateral.

(a) Each Loan Party hereby pledges, collaterally assigns and grants to the Lender a security interest in all the Shares and Pledged Debt, together with all proceeds and substitutions thereof, all cash, stock and other moneys and property paid thereon, all rights to subscribe for securities declared or granted in connection therewith, and all other cash and noncash proceeds of the foregoing, as security for the performance of the Obligations. On the Signing Date or, to the extent not certificated or owned by the Loan Parties as of the Signing Date, within ten (10) days of the certification of any Shares, or the acquisition or formation of any Shares or Pledged Debt, the certificate or certificates for such Shares or the note or other agreement evidencing such Pledged Debt, as applicable, shall be delivered to the Lender, accompanied by an instrument of assignment duly executed in blank by the applicable Loan Party. To the extent required by the terms and conditions governing the Shares, each Loan Party shall cause the books of each entity whose Shares are part of the Collateral and any transfer agent to reflect the pledge of the Shares. Upon the occurrence and during the continuance of an Event of Default hereunder, the Lender may effect the transfer of any securities and Pledged Debt included in the Collateral (including but not limited to the Shares) into the name of the Lender and cause new (as applicable) certificates representing such securities to be issued in the name of the Lender or its transferee. The Loan Parties will execute and deliver such documents, and take or cause to be taken such actions, as the Lender may reasonably request to perfect, protect, preserve or continue the perfection of the Lender's security interest in the Shares, Pledged Debt and any other Collateral. Unless an Event of Default shall have occurred and be continuing, the Loan Parties shall be entitled to exercise any voting rights with respect to the Shares and to give consents, waivers and ratifications in respect thereof, provided that no vote shall be cast or consent, waiver or ratification given or action taken which would be inconsistent with any of the terms of this Agreement or which would constitute or create any violation of any of such terms. All such rights to vote and give consents, waivers and ratifications shall terminate upon the occurrence and continuance of an Event of Default, and all such rights shall thereupon become vested in the Lender, which shall have the sole and exclusive right and authority to exercise such rights.

(b) Each Loan Party shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Shares to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in compliance with, the terms and conditions of this Agreement, the other Loan Documents and applicable laws; *provided,* that any noncash dividends, interest, principal or other distributions that would constitute Shares, whether resulting from a subdivision, combination or reclassification of the outstanding equity interests of the issuer of any Shares or received in exchange for Shares or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Collateral, and, if received by any Loan Party, shall not be commingled by such Loan Party with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Lender and shall be forthwith delivered to the Lender in the same form as so received (with any necessary endorsement).

(c) Upon the occurrence and during the continuance of an Event of Default, after the Lender shall have notified the Loan Parties in writing of the suspension of their rights under this clause (c), then all rights of the Loan Parties to dividends, interest, principal or other distributions that such Loan Party is authorized to receive pursuant to Section 4.3(b) shall cease, and all such rights shall thereupon become vested in the Lender, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Loan Party contrary to the provisions of this clause (c) shall be held in trust for the benefit of the Lender, shall be segregated from other property or funds of such Loan Party and shall be forthwith delivered to the Lender upon demand in the same form as so received (with any necessary endorsement). Any and all money and other property paid over to or received by the Lender pursuant to the provisions of this clause (c) shall be retained by the Lender in an account to be established by the Lender upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 9.4. After all Events of Default have been cured or waived, the Lender shall promptly repay to the Loan Parties (without interest) all dividends, interest, principal or other distributions that the Loan Parties would otherwise be permitted to retain pursuant to the terms of Section 4.3(b) and that remain in such account.

4.4 Authorization to File Intellectual Property Security Agreements. Each Loan Party hereby authorizes the Lender to file one or more intellectual property security agreements with the United States Patent and Trademark Office and/or the United States Copyright Office and take such other actions as the Lender shall reasonably request in its good faith business judgment to perfect and maintain a first priority perfected security interest in favor of the Lender in the Intellectual Property set forth on Schedule 5. 2 on the Signing Date.

Except as noted on Schedule 5.2, nether the Borrower nor the Guarantor is a party to, nor is bound by, any material license or other material agreement with respect to which either the Borrower or the Guarantor is the licensee that (i) prohibits or otherwise restricts any Loan Party from granting a security interest in such Loan Party's interest in such material license or material agreement or any other property, or (ii) for which a default under or termination of could interfere with the Lender's right to sell any Collateral.

5.3 Litigation. Except as disclosed (i) on Schedule 5.3 or (ii) in accordance with Section 6.6 hereof, there are no actions, suits, investigations, or proceedings pending or, to the knowledge of the Responsible Officers, threatened in writing by or against any Loan Party involving more than Ten Thousand Dollars ($10,000.00).

9.4 Application of Payments and Proceeds. Notwithstanding anything to the contrary contained in this Agreement, upon the occurrence and during the continuance of an Event of Default, (a) the Borrower irrevocably waives the right to direct the application of any and all payments at any time or times thereafter received by the Lender from or on behalf of the Borrower of all or any part of the Obligations, and, as between the Borrower on the one hand and the Lender on the other, the Lender shall have the continuing and exclusive right to apply and to reapply any and all payments received against the Obligations in such manner as the Lender may deem advisable notwithstanding any previous application by the Lender, and (b) the proceeds of any sale of, or other realization upon all or any part of the Collateral shall be applied: first, to the Lender's Expenses; second, to accrued and unpaid interest on the Obligations (including any interest which, but for the provisions of the United States Bankruptcy Code, would have accrued on such amounts); third, to the principal amount of the Obligations outstanding; and fourth, to any other indebtedness or obligations of the Borrower owing to the Lender under the Loan Documents. 9.6 No Waiver; Remedies Cumulative. Failure by the Lender, at any time or times, to require strict performance by the Loan Parties of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of the Lender thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the Lender and then is only effective for the specific instance and purpose for which it is given. The rights and remedies of the Lender under this Agreement and the other Loan Documents are cumulative. The Lender shall have all rights and remedies provided under the Code, by any applicable law, or in equity. The exercise by the Lender of one right or remedy is not an election, and Lender's waiver of any Event of Default is not a continuing waiver. The Lender's delay in exercising any remedy is not a waiver, election, or acquiescence.

9.7 Demand Waiver. Each Loan Party waives, to the fullest extent permitted by law, demand, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees held by the Lender on which such Loan Party is liable.

Notwithstanding the foregoing, the Lender may disclose a general description of the transaction arising under the Loan Documents for advertising, marketing or similar purposes.

Subject to the provisions of Section 12.8, each Loan Party authorizes Lender to disclose to any prospective participant or assignee of the Term Loans, any and all information in the Lender's possession concerning the Loan Parties and their financial affairs which has been delivered to the Lender by or on behalf of the Loan Parties pursuant to this Agreement.

LOAN AGREEMENT

This Loan Agreement (this "Agreement") is entered into on **February 9, 2023** between

BORROWER: **AeroFlexx Packaging Company, LLC**, a Delaware limited liability company, which has a principal business address at 8511 Trade Center Drive, Suite 350, West Chester, OH 45011; and

LENDER: **Auto Now Acceptance Co., LLC**, an Ohio limited liability company, which has a principal business address of 302 Market Street, Portsmouth, OH 45662.

1. **Loan**. Subject to the terms stated in this Agreement, Lender will lend an amount up to **$4,000,000.00** to Borrower (the "Loan"). Borrower's indebtedness shall be evidenced by one or more promissory notes not cumulatively exceeding **$4,000,000.00** at any one time. Borrower may borrow, repay, and reborrow Loan funds during the Commitment Period as allowed in this Agreement.

   1.1. Conversion to Term Loan. Lender may agree to convert one or more promissory notes to a term loan. Conversion to a term loan shall be at Lender's sole discretion. The face amount agreed to be converted to a term loan shall be deducted from the availability of the Loan funds. The method to convert a promissory note to a term loan may be by amendment of the promissory note, or by capitalizing principal and interest owed into a separate new promissory note.

2. **Commitment Period**. Provided that Borrower is not in default under any agreement with Lender, including this Agreement, and the promissory notes and security instruments contemplated by this Agreement, Lender shall make the Loan funds open and available to Borrower from **February 9, 2023 through January 31, 2024** (the "Commitment Period"), contingent on the following:

   2.1. Lender shall only make Loan funds available to Borrower after receiving executed promissory notes and security instruments in forms satisfactory to Lender. A copy of a satisfactory sample promissory note is attached as Exhibit A.

   2.2. Lender shall only make Loan funds available to Borrower if Lender is satisfied that the Collateral securing Borrower's indebtedness is sufficient.

   2.3. Lender shall only make Loan funds available to Borrower for the purposes allowed in this Agreement.

   Prior to expiration, the Commitment Period may be renewed up to four additional times. Each renewal of the Commitment Period shall be for a single calendar year, beginning **January 3** of each year. To renew the Commitment Period, Borrower shall notify Lender in writing as provided in this Agreement. Alternatively, the renewal notice may be delivered by electronic mail to [***]. However, delivery by electronic mail will not automatically be deemed delivered as the case with notices provided pursuant to paragraph 13.3.

3. **Interest Rate.** Interest shall accrue on the Borrower's indebtedness at variable interest rates, calculated on a 365 day calendar year. The rates shall be based upon the prime rate, as published by The Wall Street Journal, plus 5.0%. However, the interest rates of the indebtedness or any promissory note shall never be less than **12.00%** per annum (the "Interest Rate").

4. **Security**. This Loan is secured by the following security instrument(s), prepared with and dated the same as this Agreement (the "Security Instruments"):

   4.1. A Security Agreement granting Lender an interest in Borrower's liquid filling equipment.

   Borrower shall take all steps necessary for Lender to perfect the created security interests, including paying any necessary expenses and fees for document preparation, filing and recordation. Any expense not paid by Borrower and paid by Lender shall be added to the principal balance of the promissory note from which the expense was incurred.

   If in Lender's judgment the Collateral has materially decreased in value, or if Lender shall at any time deem Borrower to be financially unstable, Borrower shall either provide enough additional Collateral in an amount satisfactory to Lender or reduce Borrower's total indebtedness to Lender at an amount satisfactory to Lender.

5. **Guarantors**. The Guarantor of this Loan shall be AeroFlexx, LLC, a Delaware limited liability company.

6. **Payment of the Loan**. Upon execution and delivery of any promissory note by Borrower to Lender, Borrower shall pay, at minimum, to Lender the amount of interest accrued on the promissory note's principal balance for the previous month. Interest payments shall be made on the first day of each month. However, interest payments may be deferred for the first nine months following the date of the promissory note ("Interest Deferment Period"). If Borrower chooses to defer interest payments on any promissory note, Borrower shall pay all accrued interest on the first day of the succeeding month following the Interest Deferment Period. Borrower may make a principal payment on one or more promissory notes at any time. Payments shall be due at P.O. Box 1308, Portsmouth, Ohio 45662, or at any place otherwise instructed by Lender.

7. **Use of Proceeds**. The proceeds of this loan may be used to purchase liquid filling equipment as part of its liquid packaging operations.

8. **Fees**. The following fees shall apply:

    8.1. Commitment Fee. Borrower shall pay to Lender a commitment fee of $0.00 on or before the Commitment Termination Date. The fee shall accrue interest at the Interest Rate from the first day of the Commitment Period.

    8.2. Late Fees. Any payment not paid by Borrower within ten (10) days of its due date, shall be subject to a late charge. The late charge shall equal five percent (5%) of the amount due.

    8.3. Check Return Fee. A fee in the amount of $30.00 shall be charged to Borrower for any check returned for insufficient funds.

9. **Method of Borrowing**. Borrower shall give Lender written notice of a requested advance of funds ("Notice of Borrowing"). The Notice of Borrowing shall include the amount of requested funds and include a specific description of the equipment to be purchased. A specific description shall include the year, make, model and serial number of the equipment to be purchased. Each Notice of Borrowing shall be signed by a financial officer of Borrower designated to give such Notice of Borrowing by its Board of Directors. Borrower shall notify Lender in writing of the names of such officers and shall provide Lender with specimen signatures of such officers. Lender shall be entitled to rely conclusively on such officers' authority to request an advance on behalf of Borrower until Lender receives from Borrower written notice to the contrary. Lender may allow the use of electronic signatures on Notices of Borrowing at Lender's discretion. After approving the advance, Lender will make the advance by check or wire.

THE SCIENCE OF COMPANY CREATION

PROPRIETARY INFORMATION, INVENTIONS,
NON-COMPETITION AND NON-SOLICITATION AGREEMENT

This Proprietary Information, Inventions, Non-competition, and Non-solicitation Agreement ("***Agreement***") is made in consideration for my employment by **Innventure**, a Delaware corporation, or its subsidiaries or affiliates (the " ***Company***"), and the compensation now and hereafter paid to me. I hereby agree as follows:

1. Nondisclosure.

1.1 Recognition of Company's Rights; Nondisclosure. I recognize that all Proprietary Information (as defined below) is and shall remain the sole and exclusive property of the Company. At all times during my employment and thereafter, I will hold in strictest confidence and will not disclose or use any Proprietary Information, except as such disclosure or use may be required in connection with my work for the Company or unless the Company expressly authorizes such disclosure or use in writing. I will obtain the Company's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to my work at the Company and/or incorporates any Proprietary Information. I hereby assign to the Company any rights I may have or acquire in such Proprietary Information. I will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Proprietary Information. If I am ever requested or required by subpoena, court order, or similar process to disclose any Proprietary Information, I agree that I will provide the Company with immediate notice of such request(s) for subpoena, court order, or similar process so that the Company may take appropriate action.

1.2 Proprietary Information. The term "***Proprietary Information***" means all confidential and/or proprietary knowledge, data or information of the Company. By way of illustration but not limitation, "Proprietary Information" includes all or any of the following: (a) trade secrets, inventions, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs, techniques, Assigned Inventions (as defined below), Company Inventions (as defined below) and any other proprietary technology and all trade secrets, patents, copyrights, trademarks and other intellectual property rights throughout the world in those Assigned Inventions and Company Inventions, (b) information regarding plans for research, development, new products, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, discounts, credit terms, pricing and billing policies, quoting procedures, methods of obtaining business, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital raising plans, activities and agreements, internal services and operational manuals, methods of conducting Company business, suppliers and supplier information and purchasing; (c) information regarding customers and potential customers of the Company, including customer lists, names, representatives, customers' needs or desires with respect to the products or services offered, proposals, bids, contracts and their contents and parties, the type and quantity of products and services provided or sought to be provided to customers and potential customers of the Company and other non-public information relating to customers and potential customers; (d) information regarding any of the Company's business partners and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Company, and other non-public information relating to business partners; (e) information regarding personnel, employee lists, compensation, and employee skills; and (f) any other non-public information that a competitor of the Company could use to the competitive disadvantage of the Company. Notwithstanding the foregoing, it is understood that, at all times, I am free to use information that is generally known in the trade or industry through no breach of this Agreement or other act or omission by me.

1.3 Third Party Information. I understand, in addition, that the Company has received and in the future will receive from third parties confidential or proprietary information ("***Third Party Information***") subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of my employment and thereafter, I will hold Third Party Information in the strictest confidence and will not disclose to anyone or use the Third-Party Information, except as such disclosure or use may be required in connection with my work for the Company unless expressly authorized by an officer of the Company in writing.

1.4 No Improper Use of Information of Prior Employers and Others. During my employment by the Company, I will not improperly use or disclose any confidential information or trade secrets, if any, of any former employer or any other person to whom I have an obligation of confidentiality. I will not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person to whom I have an obligation of confidentiality unless the former employer or person consents in writing to my bringing the documents or property onto the Company's premises and I deliver a copy of the written consent to the Company. I will use in the performance of my duties only information that is generally known and used by persons with training and experience comparable to my own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company or me.

2. Assignment of Inventions.

2.1 Proprietary Rights. The term "***Proprietary Rights*"** shall mean all trade secret, trademark, patent, copyright, mask work and/or other intellectual property rights throughout the world.

2.2 Prior Inventions. Inventions (as defined below), if any, patented or unpatented, that I made prior to the commencement of my employment with the Company are excluded from the scope of this Agreement. To preclude any possible uncertainty, I have identified on the attached **Exhibit A** (Prior Inventions) a complete list of all inventions that I have, alone or jointly with others, conceived, developed or reduced to practice or caused to be conceived, developed or reduced to practice prior to the commencement of my employment with the Company, that I consider to be my property or the property of third parties and that I wish to have excluded from the scope of this Agreement (collectively, "***Prior Inventions***"). If disclosure of any such Prior Invention would cause me to violate any prior confidentiality agreement, I understand that I am not to list such Prior Inventions in **Exhibit A** but am only to disclose a non-substantive name for each such invention, a listing of the party to whom it belongs and the fact that full disclosure as to such inventions has not been made for that reason. If no such disclosure is attached or if the attached disclosure is left blank, I represent that there are no Prior Inventions. I agree that I will not incorporate, or permit to be incorporated, Prior Inventions in any Company Inventions (as defined below) without the Company's prior written consent. If, in the course of my employment with the Company, I incorporate a Prior Invention into a Company product, process or machine or Company Invention of any kind, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, fully-paid, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, make derivative works of, publicly perform, modify, import, use and sell and exercise any and all present and future rights in such Prior Invention.

2.3 ;Assignment of Inventions. I assign to the Company and agree to assign in the future to the Company all my right, title and interest in and to any and all inventions (and all Proprietary Rights with respect thereto), trade secrets, confidential and proprietary information, software programs, discoveries, conceptions, preparations and developments, whether or not eligible for or covered by patent, copyright or trade secret protection (collectively, "***Inventions***"), and whether or not such Inventions constitute works for hire or would otherwise belong to the Company by operation of law which (i) are related to the Company's business or actual or demonstrably anticipated research or development or (ii) were developed during Company time or using Company resources (collectively, "***Assigned Inventions***") that become known to, or are made, conceived, reduced to practice or learned by me, either alone or jointly with others, during the period of my employment with the Company. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 2, are hereinafter referred to as "***Company Inventions***."

2.4 Obligation to Keep Company Informed. I will promptly disclose to the Company fully and in writing all Inventions authored, conceived or reduced to practice by me, either alone or jointly with others, during the period of my employment. At the time of each such disclosure, I will advise the Company in writing of any Inventions that I believe are non-assignable inventions in accordance with Florida law and I will at that time provide to the Company in writing all evidence necessary to substantiate that belief. In the absence of written disclosure described in this section, I represent that I did not author, conceive, or reduce to practice any Inventions during the period of my employment with the Company.

2.5 Works for Hire. I acknowledge that all original works of authorship that are made by me (solely or jointly with others) within the scope of my employment and that are protectable by copyright are "works made for hire," pursuant to the United States Copyright Act (17 U.S.C., Section 101).

2.6 Enforcement of Proprietary Rights. I will assist the Company in every proper way to obtain, and from time to time enforce, United States and foreign Proprietary Rights relating to Company Inventions in any and all countries. To that end I will execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing Proprietary Rights and the assignment thereof. In addition, I will execute, verify and deliver assignments of Proprietary Rights relating to Company Inventions to the Company or its designee. My obligation to assist the Company with respect to Proprietary Rights relating to such Company Inventions in any and all countries shall continue beyond the termination of my employment, but if the Company requests that I assist the Company with respect to Proprietary Rights relating to Company Inventions, the Company shall compensate me at a reasonable rate after my termination for the time actually spent by me and for any reasonable expenses actually incurred by me at the Company's request on such assistance.

If the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agents and attorneys-in-fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawful acts to further the purposes of the preceding paragraph with the same legal force and effect as if those acts were executed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any Proprietary Rights assigned under this Agreement to the Company.

3. No Conflicts or Solicitation. To protect the Company's Proprietary Information, I agree that during the period of my employment by the Company I will not, without the Company's express written consent, enter into any other employment or business activity for myself or with any other person or entity. I also agree that for the period of my employment by the Company and for one (l) year after the date of termination of my employment with the Company I will not, either directly or through others: (a) solicit, induce or attempt to solicit or induce any person or entity who is currently, or was at any time during the one (1) year period of time preceding the date my employment terminated with the Company, an employee of, independent contractor to, consultant to or other service provider to the Company ("***Service Provider***"), to terminate his or her relationship with the Company; (b) hire or attempt to hire any Service Provider of the Company as an employee, independent contractor or consultant to or for myself or others; (c) solicit or attempt to solicit (i) any customer to which the Company sold any product, or for which the Company performed any service, within two (2) years prior to the termination of my employment with the Company; or (ii) any prospective customer that the Company called on at any time within two (2) years prior to the termination of my employment with the Company (collectively, a "***Company Customer***"); or (d) provide products or services competitive with a product or service of the Company to any Company Customer. If any restriction set forth in this Section 3 is found by any court of competent jurisdiction to be unenforceable because it extends for too long a period of time or over too great a range of activities or in too broad a geographic area, it shall extend only over the maximum period of time, range of activities or geographic area as to which such court shall determine it to be enforceable.

4. Covenant Not to Compete. To protect Proprietary Information, I agree that during my employment with the Company and for a period of one (1) year after my last day of employment with the Company, I will not directly or indirectly engage in (whether as an employee, consultant, proprietor, partner, director or otherwise), or have any ownership interest in, or participate in the financing, operation, management or control of, any person, firm, corporation or business that engages in a Restricted Business in a Restricted Territory (each as defined below). It is agreed that ownership of no more than one percent (1%) of the outstanding voting stock of a publicly traded corporation shall not constitute a violation of this provision.

4.1 Reasonable. I agree and acknowledge that the time limitation on the restrictions in Section 4, combined with the geographic scope, is reasonable. I also acknowledge and agree that Section 4 is reasonably necessary for the protection of Proprietary Information, that through my employment I shall receive adequate consideration for any loss of opportunity associated with the provisions herein, and that these provisions provide a reasonable way of protecting Company's business value which will be imparted to me.

4.2 As used in this Agreement, the terms:

(a) "***Restricted Business***" means (i) any business related to core business model of Innventure **;** and (ii) any other business that the Company is actively engaged in researching, developing or marketing at the time of the termination of my employment, provided that this clause (ii) shall only apply if I am involved with the research, development, or marketing of that other business.

(b) "***Restricted Territory***" shall mean (i) the entire world; (ii) North America; (iii) the United States of America; (iv) each state in which the Company does business or did business at any time within two (2) years prior to the termination of my employment with the Company; or (v) the State of Florida. If a court of competent jurisdiction determines that the Restricted Territory described above in subparagraph (i) is too restrictive, then the parties agree that the Restricted Territory shall be the area specified in subparagraph (ii). If a court of competent jurisdiction determines that the Restricted Territory as set forth in subparagraphs (i) and (ii) above are too restrictive, then the parties agree the Restricted Territory shall be reduced to the area specified in each of the following subsections and in the following order until the court determines an acceptable geographic area: subparagraphs (iii), (iv), or (v). If the court determines that all of the areas mentioned above are too restrictive, then the parties agree that the court may reduce or limit the area to enable the intent of this Section to be enforced in the largest acceptable area.

5. Non-Disparagement. I will not make any disclosures, issue any statements or otherwise cause to be disclosed any information that is designed, intended or might reasonably be anticipated to disparage the Company, its officers or directors, its business, services, products and/or personnel.

6. Records. I will keep and maintain adequate and current records of all Proprietary Information developed by me and all Inventions made by me during the period of my employment at the Company, which records shall be available to and remain the sole property of the Company at all times.

7. No Conflicting Obligation. I represent that my performance of all the terms of this Agreement and my performance of my duties as an employee of the Company do not and will not breach any agreement regarding information acquired by me in confidence or in trust prior to my employment by the Company. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict herewith.

8. Return Of Company Materials. At any time upon request of the Company and when I leave the employ of the Company, I will deliver to the Company, or, if delivery is impossible, certify to the destruction of any and all drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Company Inventions, Third Party Information or Proprietary Information in whatever form such information is contained.

9. Right to Inspect. I understand and agree that any property situated on the Company's premises and owned by the Company, including disks, storage media, computer data, filing cabinets, or any work area, is subject to inspection by Company personnel at any time with or without notice and I understand that I should have no expectation of privacy with regard to the same.

10. Legal And Equitable Remedies. Because my services are personal and unique, because I will have access to and become acquainted with the Proprietary Information and because the Company would not have an adequate remedy at law for the breach or threatened breach of this Agreement, I expressly consent to the enforcement of this Agreement and any of its provisions by temporary restraining order, preliminary injunction, permanent injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

11. Notices. Any notices required or permitted hereunder shall be given to the appropriate party at the address specified below or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or if sent by certified mail, three days after the date of mailing.

12. Notification Of New Employer. In the event that I leave the employ of the Company, the Company may notify my new employer of my rights and obligations under this Agreement.

13. General Provisions.

13.1 Governing Law; Consent to Personal Jurisdiction. This Agreement will be governed by and construed according to the substantive laws of the State of Florida. If the choice of law regime of Florida indicates that the substantive law of a jurisdiction other than Florida applies, it is the express intent of the parties that the substantive law of Florida applies. I hereby expressly understand and consent that my employment is a transaction of business in the State of Florida and that this Agreement is executed and will be performed in the State of Florida and, accordingly, and that my interaction with the Company and the performance of my job duties shall constitute the minimum contacts necessary to make me subject to the personal jurisdiction of the federal courts located in the State of Florida, and the state courts located in [COUNTY] County, Florida, for any lawsuit filed against me by Company arising from or related to this Agreement.

13.2 Severability. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. If moreover, any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it to the broadest application that is enforceable.

13.3 "Employee"/"Employment" Terms For purposes of this Agreement, the term "employee" shall be deemed to include "consultant," "independent contractor" or "director," and the term "employment," or any variation thereof, shall be deemed to include "engagement" or any variation thereof.

13.4 Successors and Assigns. This Agreement will be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of the Company, its successors, and its assigns. I expressly agree that the Company's successors and assigns may enforce this Agreement.

13.5 Survival. The provisions of this Agreement shall survive the termination of my employment and the assignment of this Agreement by the Company to any successor-in-interest or other assignee.

13.6 No Employment Rights. I agree and understand that my employment is at-will which means that I and the Company have independent rights to terminate my employment at any time, with or without advance notice and with or without cause. I further agree and understand that nothing in this Agreement shall confer any right with respect to continuation of employment by the Company, nor shall it interfere in any way with my right or the Company's right to terminate my employment at any time, with or without cause or notice.

13.7 Waiver. No waiver by the Company of any breach of this Agreement shall be a waiver of any earlier or later breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

13.8 Tolling of Limitation Period. I agree that a breach of any provision(s) of this Agreement will toll the running of the limitation period with respect to such provision(s) for as long as such breach continues.

13.9 Entire Agreement. My obligations under Sections 1 through 4 and Sections 6 and 7 (including all subparts) of this Agreement shall apply to any time during which I was previously employed, or am in the future employed, by the Company as an employee if no other agreement governs nondisclosure and assignment of inventions during such period. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between us with respect to the subject matter hereof. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing and signed by the party to be charged. Any subsequent change or changes in my duties, salary or compensation will not affect the validity or scope of this Agreement.

This Agreement shall be effective as of September 25, 2023, the first day of my employment with the Company.

I have read this Agreement carefully and understand its terms. I have had an opportunity to seek the advice of independent legal counsel. I have completed exhibit a to this Agreement.

3 . Representations and Warranties of the Purchaser. As a material inducement to the Company to enter into this Agreement and to perform its obligations hereunder, the Purchaser hereby represents and warrants to the Company that:

3.1 Authorization. The Purchaser has full power and authority to enter into the Transaction Documents. The Transaction Documents to which the Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and any other laws of general application affecting enforcement of creditors' rights generally, and as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3.2 Purchase Entirely for Own Account. This Agreement is made with the Purchaser in reliance upon the Purchaser's representation to the Company, which by the Purchaser's execution of this Agreement, the Purchaser hereby confirms, that the Units to be acquired by the Purchaser will be acquired for investment for the Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, the Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Units. The Purchaser has not been formed for the specific purpose of acquiring the Units.

3.3 No Violation. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not with or without the giving of notice or the lapse of time or both (A) violate any provision of law, statute, rule or regulation to which the Purchaser is subject, (B) violate any order, judgment or decree applicable to it, or (C) conflict with or result in a breach or default under any term or condition of its applicable governing instruments or any agreement or other instrument to which the Purchaser is a party or by which it is bound.

3.4 Disclosure of Information. The Purchaser has had an opportunity to discuss the Company's business, management, financial affairs and the terms and conditions of the offering of the Units with the Company's management and has had an opportunity to review the Company's facilities. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of the Purchaser to rely thereon.

3.5 Restricted Securities. The Purchaser understands that the Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. The Purchaser understands that the Units are "restricted securities" under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Purchaser must hold the Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The Purchaser acknowledges that the Company has no obligation to register or qualify the Units, or any other securities that may be held by Purchaser, for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Units, and on requirements relating to the Company which are outside of the Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.6 No Public Market. The Purchaser understands that no public market now exists for the Units, and that the Company has made no assurances that a public market will ever exist for the Units.

3.7 Legends. The Purchaser understands that the Units and any securities issued in respect of or exchange for the Units, may be notated with one or all of the following legends:

"THE UNITS REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. THE UNITS MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER SUCH ACT AND LAWS, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER."

(a) Any legend set forth in, or required by, the other Transaction Documents.

(b) Any legend required by the securities laws of any state to the extent such laws are applicable to the Units represented by the certificate, instrument, or book entry so legended.

3.8 Accredited Investor. The Purchaser is an "accredited investor" as defined in Exhibit D and Rule 501(a) of Regulation D promulgated under the Securities Act (an "Accredited Investor"). The Purchaser has authorized and directed a third-party registered broker-dealer, investment adviser registered with the Securities and Exchange Commission, licensed attorney, or certified public accountant, to furnish the Company with written confirmation from such third-party that it has taken reasonable steps to verify that the Purchaser is an Accredited Investor within the prior three (3) months. Any information that has been furnished or that will be furnished by the Purchaser to evidence its status as an Accredited Investor is accurate and complete, and does not contain any misrepresentation or material omission. The Purchaser agrees to furnish any additional information requested by the Company or any of its affiliates to assure compliance with applicable U.S. federal and state securities laws in connection with the purchase and sale of the Units.

3.9 Foreign Investors. If the Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), the Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Units or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Units, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Units. The Purchaser's subscription and payment for and continued beneficial ownership of the Units will not violate any applicable securities or other laws of the Purchaser's jurisdiction.

3.10 Information and Sophistication. Without lessening or obviating the representations and warranties of the Company set forth in Section 2, the Purchaser hereby: (i) acknowledges that it has been given access to and an opportunity to examine such documents, materials, and information concerning the Company as Purchaser deems to be necessary or advisable in order to reach an informed decision as to an investment in the Company, to the extent that the Company possesses such information, that it has carefully reviewed and understands all such documents, materials, and information, and that it has had answered to Purchaser's full satisfaction any and all questions regarding all such documents, materials, and information, (ii) represents that it has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Units and to obtain any additional information necessary to verify the accuracy of the information given the Purchaser and (iii) further represents that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risk of this investment.

3.11 Ability to Bear Economic Risk. The Purchaser acknowledges that investment in the Units involves a high degree of risk, and represents that it is able, without materially impairing its financial condition, to hold the Units for an indefinite period of time and to suffer a complete loss of its investment.

For each Fiscal Year (or portion thereof), after giving effect to the special allocations set forth in Section 6.02, Net Income and Net Loss of the Company with respect to the Class I Business shall be allocated among the holders of Class I Units pro rata in accordance with their respective Class I Percentage.

(a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section l.704-2(d)(l)) during any Fiscal Year, each Member shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section l.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2([])(6) and l.704-2(j)(2). This Section 6.02 is intended to comply with the "minimum gain chargeback" requirement in Treasury Regulations Section l.704-2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section I. 704-2(i). Except as otherwise provided in Treasury Regulations Section I. 704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Nonrecourse Debt Minimum Gain shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. Items to be allocated pursuant to this paragraph shall be determined in accordance with Treasury Regulations Sections l.704-2(i)(4) and l.704-2(j)(2). This Section 6.02(b) is intended to comply with the "minimum gain chargeback" requirements in Treasury Regulations Section I. 704-2(i)(4) and shall be interpreted consistently therewith.

This Section 6.02(d} is intended to comply with the qualified income offset requirement in Treasury Regulations Section I. 704-l(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(e) The allocations set forth in paragraphs (a), (b), (c) and (d) above (the **"Regulatory Allocations")** are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this ARTICLE VI (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members of any class so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the Regulatory Allocations to each Member with respect to such class shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.

(b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and the traditional method with curative allocations of Treasury Regulations Section l.704-3(c), so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulations Section l.704-l(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

(d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Board taking into account the principles of Treasury Regulations Section I. 704-l(b)(4)(ii).

(e) Allocations pursuant to this Section 6.03 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, Distributions or other items pursuant to any provisions of this Agreement.

Section 6.04 Allocations in Respect of Transferred Units. In the event of a Transfer of Units during any Fiscal Year made in compliance with the provisions of ARTICLE X, Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Units for such Fiscal Year shall be determined using the interim closing of the books method.

Section 6.05 Curative Allocations. In the event that the Partnership Representative determines, after consultation with counsel experienced in income tax matters, that the allocation of any item of Company income, gain, loss or deduction is not specified in this ARTICLE VI (an **"Unallocated Item"),** or that the allocation of any item of Company income, gain, loss or deduction hereunder is clearly inconsistent with the Members' economic interests in the Company (determined by reference to the general principles of Treasury Regulations Section 1.704-l(b) and the factors set forth in Treasury Regulations Section l.704-l(b)(3)(ii)) (a **"Misallocated Item"),** then the Board may allocate such Unallocated Items, or reallocate such Misallocated Items, to reflect such economic interests; *provided,* that no such allocation will be made without the prior consent of each Member that would be adversely and disproportionately affected thereby; and *provided, further,* that no such allocation shall have any material effect on the amounts Distributable to any Member, including the amounts to be Distributed upon the complete liquidation of the Company.

Section 6.06 Forfeiture Allocations. If any unvested Class C Unit is forfeited, the Company shall make forfeiture allocations with respect to such Unit in accordance with Proposed Regulation §1. 704-l(b)(4)(xii) or such other official guidance as shall be applicable.

ARTICLE VII
DISTRIBUTIONS

Section 7.01 Distributions of Cash Flow and Capital Proceeds from Innventure Business.

(a) The Board shall have sole discretion regarding the amounts and timing of Distributions to Members participating in the Innventure Business, including to decide to forego payment of Distributions in order to provide for the retention and establishment of reserves of, or payment to any Person of, such funds as it deems necessary with respect to the reasonable business needs of the Company (which needs may include the payment or the making of provision for the payment when due of the Company's obligations, including, but not limited to, present and anticipated debts and obligations, capital needs and expenses, the payment of any management or administrative fees and expenses, and reasonable reserves for contingencies). Notwithstanding the foregoing, the Board shall make the following Distributions:

(i) Tax Advances. Subject to Section 7.01(a) and any restrictions in the Company's then-applicable debt-financing arrangements, at least five (5) days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall use its best commercial efforts to Distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such Distribution, a **"Tax Advance").** If, at any time after the final Quarterly Estimated Tax Amount has been Distributed pursuant to this Section 7.01(a)(i) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a **"Shortfall Amount"),** then the Company shall use commercially reasonable efforts to Distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to Distribute Shortfall Amounts with respect to a Fiscal Year prior to the expiration of seventy-five (75) days into the next succeeding Fiscal Year; *provided,* that if the Company has made Distributions other than pursuant to this Section 7.0 l(a)(i), the Board may apply such Distributions to reduce any Shortfall Amount. If the aggregate Tax Advances made to any Member pursuant to this Section 7.01(a)(i) for any Fiscal Year exceed such Member's Tax Amount (an **"Excess Amount"),** such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 7.01(a)(i), except to the extent taken into account as an advance as set forth in the following sentence. Any Distributions made pursuant to this Section 7.01(a)(i), shall be treated for purposes of this Agreement as advances on Distributions pursuant to Section 7.01(a) and shall reduce, dollar-for-dollar, the amount otherwise Distributable to such Member pursuant to Section 7.01(a).

(ii) Management Fees. The Board shall, within forty-five (45) days of the end of any Fiscal Year, use its best commercial efforts to Distribute to each Member holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units or Class C Units, in proportion to its respective Innventure Business Percentage, the net cash proceeds that the Company received from management fees collected by it during such Fiscal Year related to the Innventus Fund and portfolio company management activities, net of customary investment expenses and costs of the Company, amounts paid or payable in respect of any loan or other indebtedness of the Company, and the amount of reasonable reserves established by the Board in its discretion for the Company to carry out the Innventure Business for the upcoming Fiscal Year.

(iii) Portfolio Liquidity Events. If a company controlled by the Company through the Innventure Business, or directly or indirectly through the Innventus Fund, or any of such company's Affiliates, experiences an event that would be considered a Change of Control Transaction if such transaction had occurred with respect to the Company, as opposed to the controlled company, the Board shall use its best commercial efforts: (i) to cause a Distribution to be made by the controlled company to the Company (in the case of an event that causes the controlled company to receive such proceeds) of the net proceeds received by the controlled company, and will then cause the Company to Distribute such proceeds to the Members holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units no later than forty five (45) days following the receipt of such net proceeds; or (ii) in the case of a transaction where the proceeds are received directly by the Company, to cause a Distribution of the net proceeds from such transaction to be Distributed to the Members no later than forty five (45) days following the receipt of such net proceeds. All such Distributions must be made as soon as practicable after any such transaction.

(iv) Carried Interest Clawback. Each Member shall return Distributions received by such Member from the Company to the extent necessary to cover Innventus Fund GP's obligations to return distributions made in respect of the GP's carried interest in Innventus Fund under paragraph 10.5 or 4.2(d)(ii) of the Innventus LP Agreement (the **"Carried Interest Clawback Amount")** as set forth in this Section 7.01(a)(iv). Each Member shall be obligated to return to the Company in cash an amount equal to: (A) the Carried Interest Clawback Amount, multiplied by (B) a fraction, the numerator of which is the aggregate amount of all Distributions received by such Member from distributions originally made by Innventus Fund to Innventus Fund GP pursuant to paragraphs 7.5(c) and 7.5(d) of the Innventus LP Agreement (or otherwise in respect of the GP's carried interest in Innventus Fund) and the denominator of which is the aggregate amount of all distributions received by all Members from distributions originally made by Innventus Fund to Innventus Fund GP pursuant paragraph 7.5(c) and 7.5(d) of the Innventus LP Agreement (or otherwise in respect of the GP's carried interest in Innventus Fund).

(b) In making any Distribution with respect to the Innventure Business other than Tax Advances, all such Distributions (whether in cash or other property) shall be made only in the following order and priority:

(iv) fourth, to the holders of the Class B-1 Preferred Units until the aggregate Unreturned Class B-1 Preferred Capital with respect to each such holder's Class B-1 Preferred Units has been reduced to zero ($0); and

(v) lastly, to all of the Members holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units in proportion to their respective Innventure Business Percentages.

Section 7.03 Distributions of Cash Flow and Capital Proceeds from Class I. All Distributions to Members holding Class I Units shall be made in accordance with a Member's Class I Percentage. Subject to any limitations provided under the Delaware Act, the Company shall Distribute amounts representing Capital Interest Gain, a return of capital (as determined in good faith by the Directors) or the proceeds of any sale of Innventus Fund Partnership Percentage or any other amounts received by Company or Innventus Fund GP on account of holding the Innventus Fund Partnership Percentage as quickly as reasonably practicable following the sale of any such Innventus Fund Partnership Percentage by the Company or other receipt of such amounts by Company. If the Innventus Fund GP shall be obligated at any time under the Innventus LP Agreement to repay or restore to the Innventus Fund all or any part of any distribution made to it from the Innventus Fund with respect to the Innventus Fund Partnership Percentage (each an **"Innventus Clawback Amount")** any Members holding Class I Units that received any portion of a Distribution relating to such Innventus Clawback Amount shall return such Distributions received by such Member in cash and in an amount equal to: (A) the Innventus Clawback Amount, multiplied by (B) a fraction, the numerator of which is the aggregate amount of all Distributions received by such Member from distributions made by the Company such Member pursuant to this Section 7.03 and the denominator of which is the aggregate amount of all distributions received by all Members from distributions made by the Company pursuant to this Section 7.03.

Section 7.04 Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any Distribution to Members if such Distribution would violate § 18-607 of the Delaware Act or other Applicable Law or to the extent that any Unit held by any Member has not reached its applicable Distribution Threshold, and any Distribution shall be made only to the extent of Available Assets.

Section 7.05 Tax Withholding; Withholding Advances.

(a) Tax Withholding. If requested by the Board, each Member shall, if able to do so, deliver to the Board:

(i) an affidavit in form satisfactory to the Board that the applicable Member (or its members, as the case may be) is not subject to withholding under the provisions of any federal, state, local, foreign or other Applicable Law;

(ii) any certificate that the Board may reasonably request with respect to any such laws; and/or

(iii) any other form or instrument reasonably requested by the Board relating to any Member's status under such law.

If a Member fails or is unable to deliver to the Board the affidavit described in Section 7.05(a)(i), the Board may withhold amounts from such Member in accordance with Section 7.05(b).

(b) Withholding Advances. The Company is hereby authorized at all times to make payments **("Withholding Advances")** with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Matters Member or Partnership Representative based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a **"Taxing Authority")** with respect to any Distribution or allocation by the Company of income or gain to such Member and to withhold the same from Distributions to such Member. Any funds withheld from a Distribution by reason of this Section 7.05(bl shall nonetheless be deemed Distributed to the Member in question for all purposes under this Agreement.

(c) Repayment of Withholding Advances. Any Withholding Advance made by the Company to a Taxing Authority on behalf of a Member and not simultaneously withheld from a Distribution to that Member shall, with interest thereon accruing from the date of payment at a rate equal to the prime rate published in the *Wall Street Journal* on the date of payment plus two percent (2%) per annum (the**"Company Interest Rate"):**

(i) be promptly repaid to the Company by the Member on whose behalf the Withholding Advance was made (which repayment by the Member shall not constitute a Capital Contribution, but shall credit the Member's Capital Account if the Board shall have initially charged the amount of the Withholding Advance to the Capital Account);or

(ii) with the consent of the Board, be repaid by reducing the amount of the next succeeding Distribution or Distributions to be made to such Member (which reduction amount shall be deemed to have been Distributed to the Member, but which shall not further reduce the Member's Capital Account if the Board shall have initially charged the amount of the Withholding Advance to the Capital Account).

Interest shall cease to accrue from the time the Member on whose behalf the Withholding Advance was made repays such Withholding Advance (and all accrued interest) by either method of repayment described above.

(d) Indemnification. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts Distributable or allocable to such Member. The provisions of this Section 7.05(d) and the obligations of a Member pursuant to Section 7.05(c) shall survive the termination, dissolution, liquidation and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Units. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 7.05, including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(e) Overwithholding. Neither the Company nor the Board shall be liable for any excess taxes withheld in respect of any Distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

Section 7.06 Distributions in Kind.

(a) The Board is hereby authorized, as it may reasonably determine, to make Distributions with respect to Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units to the Members in the form of securities or other property held by the Company; *provided,* that Tax Advances shall only be made in cash. The Members holding a majority of the Class PCT A Units are hereby authorized, as they may determine in their sole discretion, to make Distributions with respect to Class PCTA of Purecycle Common Stock held within the Class PCTA Business (i.e. not contributed to the Innventure Business by Innventure1 under Section 5.01(b)) to the Members holding Class PCTA Units in the form of such securities held by the Company. The Members holding a majority of the Class I Units are hereby authorized, as they may determine in their sole discretion, to make Distributions with respect to Class I of Innventus Fund Partnership Percentage to the Members holding Class I Units in the form of such securities held by the Company. In any non-cash Distribution, the securities or property so Distributed will be Distributed among the Members of the applicable class in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be Distributed among the Members pursuant to Section 7.01, Section 7.02, Section 7.03 or Section 7.04, as the case maybe.

(b) Any Distribution of securities shall be subject to such conditions and restrictions as the Board determines are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Board may require that the Members execute and deliver such documents as the Board may deem necessary or appropriate to ensure compliance with all federal and state securities laws that apply to such Distribution and any further Transfer of the Distributed securities, and may appropriately legend the certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

Section 7.07 Distribution Threshold Units. Upon the issuance of any Units that the Company issued as "profits interests" for U.S. federal income tax purposes, the Company shall specify the Distribution Threshold, if any, applicable to such Units and enter it into the Company's records. The "Distribution Threshold" for any such Unit shall be equal to the amount determined by the Company in its discretion to be necessary to cause such Unit to constitute a "profits interest" for U.S. federal income tax purposes. Notwithstanding any provision of this Agreement to the contrary, in no event will the Company make any distributions in respect of a Distribution Threshold Unit unless and until the Company has already made aggregate distributions under Section 7.01 on each other Unit that participates in the Innventure Business and that is not a Distribution Threshold Unit equal to the Distribution Threshold of such Distribution Threshold Unit, taking into account only distributions thereunder since the date of issuance of such Distribution Threshold Unit, and thereafter such Distribution Threshold Unit shall be entitled only to its pro rata share of excess distributions with respect to the Innventure Business over and above its Distribution Threshold.

(a) Each Director shall be reimbursed for his reasonable out-of-pocket expenses incurred in the performance of his duties as a Director, pursuant to such policies as from time to time established by the Board. Nothing contained in this Section 8.06 shall be construed to preclude any Director from serving the Company in any other capacity and receiving reasonable compensation for such services.

(b) This Agreement does not, and is not intended to, confer upon any Director any rights with respect to continued employment by the Company, and nothing herein should be construed to have created any employment agreement with any Director.

Section 9.0 I Exculpation of Covered Persons.

(a) Covered Persons. As used herein, the term **"Covered Person"** shall mean (i) each Member; (ii) each Officer, current and former Director, stockholder, partner, member, Affiliate, employee, agent or representative of each Member, and each of their Affiliates; and (iii) each current and former Officer, employee, agent or representative of the Company.

(b) Standard of Care. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good faith reliance on the provisions of this Agreement, so long as such action or omission does not constitute fraud, gross negligence, willful misconduct or a material breach of this Agreement by such Covered Person or is not made in knowing violation of the provisions of this Agreement.

(c) Good Faith Reliance. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, Net Income or Net Losses of the Company or any facts pertinent to the existence and amount of assets from which Distributions might properly be paid) of the following Persons or groups: (i) another Member; (ii) one or more Officers or employees of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence. (b) Duties. Whenever in this Agreement a Covered Person is permitted or required to make a decision (including a decision that is in such Covered Person's "discretion" or under a grant of similar authority or latitude), the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other Person. (a) Indemnification. To the fullest extent permitted by the Delaware Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement, only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Delaware Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, **"Losses")** to which such Covered Person may become subject by reason of:

(ii) such Covered Person being or acting in connection with the Innventure Business as a member, stockholder, Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective Affiliates, or that such Covered Person is or was serving at the request of the Company as a member, manager, director, officer, employee or agent of any Person including the Company;

provided, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud, gross negligence, willful misconduct or a material breach of this Agreement by such Covered Person or a knowing violation of the provisions of this Agreement, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud, gross negligence, willful misconduct or a knowing violation or material breach of this Agreement.

(b) Control of Defense. Upon a Covered Person's discovery of any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03, the Covered Person shall give prompt written notice to the Company of such claim, lawsuit or proceeding, *provided,* that the failure of the Covered Person to provide such notice shall not relieve the Company of any indemnification obligation under this Section 9.03, unless the Company shall have been materially prejudiced thereby. Subject to the approval of the disinterested Members, the Company shall be entitled to participate in or assume the defense of any such claim, lawsuit or proceeding at its own expense. After notice from the Company to the Covered Person of its election to assume the defense of any such claim, lawsuit or proceeding, the Company shall not be liable to the Covered Person under this Agreement or otherwise for any legal or other expenses subsequently incurred by the Covered Person in connection with investigating, preparing to defend or defending any such claim, lawsuit or other proceeding. If the Company does not elect (or fails to elect) to assume the defense of any such claim, lawsuit or proceeding, the Covered Person shall have the right to assume the defense of such claim, lawsuit or proceeding as it deems appropriate, but it shall not settle any such claim, lawsuit or proceeding without the consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) Reimbursement. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03; *provided,* that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 9.03, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(d) Entitlement to Indemnity. The indemnification provided by this Section 9.03 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 9.03 shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section 9.03 and shall inure to the benefit of the executors, administrators, legatees and distributees of such Covered Person.

(e) Insurance. To the extent available on commercially reasonable terms, the Company shall maintain, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Board may reasonably determine; *provided,* that the failure to maintain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(f) Funding of Indemnification Obligation. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 9.03 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

(g) Savings Clause. If this Section 9.03 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 9.03 to the fullest extent permitted by any applicable portion of this Section 9.03 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(h) Amendment. The provisions of this Section 9.03 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section 9.03 is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this Section 9.03 that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

(i) It is agreed and understood that the Company will, on or prior to the Effective Date, enter into an indemnification agreement with each Director, and to the extent of any inconsistency between the terms set forth above in this Section 9.03 and any such indemnification agreement, the terms of such indemnification agreement shall supersede the terms set forth in this Section 9.03.

Section 9.04 Survival. The provisions of this ARTICLE IX shall survive the dissolution, liquidation, winding up and termination of the Company.

ARTICLE X
TRANSFER

Section 10.01 Restrictions on Transfer.

(a) Except as otherwise provided in this ARTICLE X, no Member shall Transfer all or any portion of its Class A Units or Class C Units in the Company without the written consent of the Members holding greater than 65% of the Class A Units (which consent may be granted or withheld in the sole discretion of the other Members). No Transfer of Membership Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee is admitted as a Member of the Company in accordance with Section 4.01(b) hereof. Any Transfer by a Member of a Class PCT A Unit shall be subject to any restrictions on such transfer as set forth from time to time by the governing documents for Purecycle as if such Transfer was a Transfer by the Company of Purecycle Common Stock. Any Transfer by a Member of a Class I Unit shall be subject to any restrictions on such transfer as set forth from time to time by the Innventus LP Agreement as if such Transfer was a Transfer by Innventus Fund GP of the Innventus Fund Partnership Percentage.

(b) Notwithstanding any other provision of this Agreement (including Section 10.02), each Member agrees that it will not Transfer all or any portion of its Membership Interest in the Company, and the Company agrees that it shall not issue any Membership Interests:

(i) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws, and then, with respect to a Transfer of Membership Interests, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act;

(ii) if such Transfer or issuance would cause the Company to be considered a "publicly traded partnership" under Section 7704(b) of the Code within the meaning of Treasury Regulations Section 1.7704-l(h)(l)(ii), including the look-through rule in Treasury Regulations Section I. 7704-l(h)(3);

(i i i) if such Transfer or issuance would affect the Company's existence or qualification as a limited liability company under the Delaware Act;

(iv) if such Transfer or issuance would cause the Company to lose its status as a partnership for federal income tax purposes;

(v) if such Transfer or issuance would cause a termination of the Company for federal income tax purposes;

(vi) if such Transfer or issuance would cause the Company to be required to register as an investment company under the Investment Company Act of 1940, as amended; or

(c) if such Transfer or issuance would cause the assets of the Company to be deemed "Plan Assets" as defined under the Employee Retirement Income Security Act of 1974 or its accompanying regulations or result in any "prohibited transaction" thereunder involving the Company. Any Transfer or attempted Transfer of any Membership Interest in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue be treated) as the owner of such Membership Interest for all purposes of this Agreement.

(d) For the avoidance of doubt, any Transfer of a Membership Interest permitted by this Agreement shall be deemed a sale, transfer, assignment or other disposal of such Membership Interest in its entirety as intended by the parties to such Transfer, and shall not be deemed a sale, transfer, assignment or other disposal of any less than all of the rights and benefits described in the definition of the term "Membership Interest," unless otherwise explicitly agreed to by the parties to such Transfer.

Section 10.02 Permitted Transfers. The provisions of Section 10.01 shall not apply to any Transfer by a Member of all or any portion of its Membership Interest to any Member's Affiliate.

Section 10.03 Class A Tag Along Rights.

(a) Participation. If, at any time, a Member who (together with its Affiliates) holds no less than fifty percent (50%) of the outstanding Class A Units of the Company (the **"Selling Member")** proposes to sell any Class A Units to any Person who is not an Affiliate of such Selling Member (the **"Proposed Transferee"),** each other Member that holds Class A Units (each, a **"Tag- along Member")** shall be permitted to participate in such sale (a **"Tag-along Sale")** by selling Class A Units on the terms and conditions set forth in this Section 10.03.

(b) Sale Notice. Prior to the consummation of the sale described in Section 10.03(a), the Selling Member shall deliver to the Company and each other Member holding Class A Units a written notice (a **"Sale Notice")** of the proposed sale subject to this Section 10.03 no more than ten (10) days after the execution and delivery by all the parties thereto of the definitive agreement entered into with respect to the Tag-along Sale and, in any event, no later than twenty (20) days prior to the closing date of the Tag-along Sale. The Tag-along Notice shall make reference to the Tag-along Members' rights hereunder and shall describe in reasonable detail: (i) the number of Class A Units to be sold by the Selling Member; (ii) the name of the Proposed Transferee; (iii) the purchase price and the other material terms and conditions of the sale, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; (iii) the proposed date, time and location of the closing of the sale; and (iv) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Exercise of Rights. Each Tag-along Member shall exercise its right to participate in a sale of Class A Units by the Selling Member subject to this Section 10.03 by delivering to the Selling Member a written notice (a **"Tag-along Notice")** stating its election to do so and specifying the Class A Units to be sold by it no later than five (5) days after receipt of the Sale Notice (the **"Tag-along Period").** The offer of each Tag-along Member set forth in a Tag-along Notice shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Member shall be bound and obligated to sell in the proposed sale on the terms and conditions set forth in this Section 10.03. Each Tag-along Member shall have the right to sell in a sale subject to this Section 10.03 the portion of its Class A Units equal to the product obtained by multiplying (x) the number of Class A Units held by the Tag-along Member by (y) a fraction (A) the numerator of which is equal to the number of Class A Units the Selling Member proposes to sell or transfer to the Proposed Transferee and (B) the denominator of which is equal to the number of Class A Units then owned by such Selling Member. The Selling Member shall use its commercially reasonable efforts to include in the proposed sale to the Proposed Transferee all of the Class A Units that the Tag-along Members have requested to have included pursuant to the applicable Tag-along Notices, it being understood that the Proposed Transferee shall not be required to purchase Class A Units in excess of the number set forth in the Sale Notice. In the event the Proposed Transferee elects to purchase less than all of the Class A Units sought to be sold by the Tag-along Members, the percentage of Class A Units to be sold to the Proposed Transferee by the Selling Member and each Tag-along Member shall be reduced so that each such Member is entitled to sell its pro rata portion of the Class A Units the Proposed Transferee elects to purchase (which in no event may be less than the percentage of Class A Units set forth in the Sale Notice). Each Tag-along Member who does not deliver a Tag-along Notice in compliance with Section 10.03(bl above shall be deemed to have waived all of such Tag- along Member's rights to participate in such sale, and the Selling Member shall (subject to the rights of any participating Tag-along Member) thereafter be free to sell to the Proposed Transferee its Class A Units at a price that is no greater than the price set forth in the Sale Notice, and on other same terms and conditions which are not materially more favorable to the Selling Member than those set forth in the Sale Notice, without any further obligation to the non-accepting Tag-along Members.

(d) Consideration. Each Member participating in a sale pursuant to this Section 10.03 shall receive the same consideration per Class A Unit after deduction of such Member's proportionate share of the related expenses in accordance with Section 10.03(e).

(e) Expenses. The fees and expenses of the Selling Member incurred in connection with a sale under this Section 10.03 and for the benefit of all Members (it being understood that costs incurred by or on behalf of the Selling Member for its sole benefit will not be considered to be for the benefit of all Members), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Members on a pro rata basis, based on the consideration received by each Member; *provided,* that no Member shall be obligated to make any out-of-pocket expenditure prior to the consummation of the transaction consummated pursuant to this Section 10.03.

(f) Cooperation. Each Member shall take all actions as may be reasonably necessary to consummate the Tag-along Sale including, without limitation, entering into agreements and delivering certificates and instruments, in each case, consistent with the agreements being entered into and the certificates being delivered by the Selling Member.

(g) Deadline for Completion of Sale. The Selling Member shall have ninety (90) days following the expiration of the Tag-along Period in which to sell the Class A Units described in the Sale Notice, on terms not more favorable to the Selling Member than those set forth in the Sale Notice (which such 90-day period may be extended for a reasonable time not to exceed one hundred and twenty (120) days to the extent reasonably necessary to obtain any regulatory approvals). If at the end of such period the Selling Member has not completed such sale, the Selling Member may not then effect a sale of Class A Units subject to this Section 10.03 without again fully complying with the provisions of this Section 10.03.

(h) Sales in Violation of Tag-along Right. If the Selling Member sells or otherwise transfers to the Proposed Transferee any portion of its Class A Unit in breach of this Section 10.03, then each Tag-along Member shall have the right to sell to the Selling Member, and the Selling Member undertakes to purchase from each Tag-along Member, the percentage of Class A Units that such Tag-along Member would have had the right to sell to the Proposed Transferee pursuant to this Section 10.03, for a per Class A Unit percentage amount and form of consideration and upon the term and conditions on which the Proposed Transferee bought such Class A Unit from the Selling Member, but without indemnity being granted by any Tag-along Member to the Selling Member; *provided,* that nothing contained in this Section 10.03 shall preclude any Member from seeking alternative remedies against such Selling Member as a result of its breach of this Section 10.03. The Selling Member shall also reimburse each Tag-along Member for any and all reasonable and documented out-of-pocket fees and expenses, including reasonable legal fees and expenses, incurred pursuant to the exercise or the attempted exercise of the Tag-along Member's rights under this Section 10.03(h).

(i) Excepted Sales. This Section 10.03 shall not apply to sales in a distribution to thepublic (whether pursuant to a registered public offering, Rule 144 or otherwise).

For the avoidance of doubt, none of the foregoing shall replace, diminish or otherwise adversely affect any Member's right to indemnification pursuant to Section 9.03.

2.24 Disclosure. The Company has made available to the Purchaser all the information reasonably available to the Company that the Purchaser has requested for deciding whether to acquire the Units. No representation or warranty of the Company contained in this Agreement, as qualified by the Disclosure Schedule, and no certificate furnished or to be furnished to Purchaser at the Closing contains any untrue statement of a material fact or, to the Company's knowledge, omits to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances under which they were made. It is understood that this representation is qualified by the fact that the Company has not delivered to the Purchaser, and has not been requested to deliver, a private placement or similar memorandum or any written disclosure of the types of information customarily furnished to purchasers of securities.

2.25 Foreign Corrupt Practices Act. Neither the Company nor any of its Subsidiaries nor any of their respective directors, officers, employees or agents have, directly or indirectly, made, offered, promised or authorized any payment or gift of any money or anything of value to or for the benefit of any "foreign official" (as such term is defined in the U.S. Foreign Corrupt Practices Act of 1977, as amended (the "**FCPA**")), foreign political party or official thereof or candidate for foreign political office for the purpose of (i) influencing any official act or decision of such official, party or candidate, (ii) inducing such official, party or candidate to use his, her or its influence to affect any act or decision of a foreign governmental authority, or (iii) securing any improper advantage, in the case of (i), (ii) and (iii) above in order to assist the Company or any of its affiliates in obtaining or retaining business for or with, or directing business to, any person. Neither the Company nor any of its Subsidiaries nor any of their respective directors, officers, employees or agents have made or authorized any bribe, rebate, payoff, influence payment, kickback or other unlawful payment of funds or received or retained any funds in violation of any law, rule or regulation. The Company further represents that it has maintained, and has caused each of its Subsidiaries and affiliates to maintain, systems of internal controls (including, but not limited to, accounting systems, purchasing systems and billing systems) and written policies to ensure compliance with the FCPA or any other applicable anti-bribery or anti-corruption law, and to ensure that all books and records of the Company and its Subsidiaries accurately and fairly reflect, in reasonable detail, all transactions and dispositions of funds and assets. Neither the Company nor, to the Company's knowledge, any of its officers, directors or employees are the subject of any allegation, voluntary disclosure, investigation, prosecution or other enforcement action related to the FCPA or any other anti-corruption law (collectively, "**Enforcement Action**").

2.26 Data Privacy. In connection with its collection, storage, transfer (including, without limitation, any transfer across national borders) and/or use of any personally identifiable information from any individuals, including, without limitation, any customers, prospective customers, employees and/or other third parties (collectively "**Personal Information**"), the Company is and has been, to the Company's knowledge, in compliance with all applicable laws in all relevant jurisdictions, the Company's privacy policies and the requirements of any contract or codes of conduct to which the Company is a party. The Company has commercially reasonable physical, technical, organizational and administrative security measures and policies in place to protect all Personal Information collected by it or on its behalf from and against unauthorized access, use and/or disclosure. To the extent the Company maintains or transmits protected health information, as defined under 45 C.F.R. § 160.103, the Company is in compliance with the applicable requirements of the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act, including all rules and regulations promulgated thereunder. Without limiting the foregoing: (a) the Company has obtained all export licenses and other approvals, timely filed all required filings and has assigned the appropriate export classifications to all products, in each case as required for its exports of products, software and technologies from the United States and any other applicable jurisdiction; (b) the Company is in compliance with the terms of all applicable export licenses, classifications, filing requirements or other approvals; (c) there are no pending or, to the knowledge of the Company, threatened claims against the Company with respect to such exports, classifications, required filings or other approvals; (d) there are no pending investigations related to the Company's exports; and (e) there are no actions, conditions, or circumstances pertaining to the Company's export transactions that would reasonably be expected to give rise to any material future claims.

3. Representations and Warranties of the Purchaser. As a material inducement to the Company to enter into this Agreement and to perform its obligations hereunder, the Purchaser hereby represents and warrants to the Company that:

3.1 Authorization. The Purchaser has full power and authority to enter into the Transaction Documents. The Transaction Documents to which the Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and any other laws of general application affecting enforcement of creditors' rights generally, and as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3.2 Purchase Entirely for Own Account. This Agreement is made with the Purchaser in reliance upon the Purchaser's representation to the Company, which by the Purchaser's execution of this Agreement, the Purchaser hereby confirms, that the Units to be acquired by the Purchaser will be acquired for investment for the Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, the Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Units. The Purchaser has not been formed for the specific purpose of acquiring the Units.

3.3 No Violation. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not with or without the giving of notice or the lapse of time or both (A) violate any provision of law, statute, rule or regulation to which the Purchaser is subject, (B) violate any order, judgment or decree applicable to it, or (C) conflict with or result in a breach or default under any term or condition of its applicable governing instruments or any agreement or other instrument to which the Purchaser is a party or by which it is bound.

3.4 Disclosure of Information. The Purchaser has had an opportunity to discuss the Company's business, management, financial affairs and the terms and conditions of the offering of the Units with the Company's management and has had an opportunity to review the Company's facilities. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of the Purchaser to rely thereon.

3.5 Restricted Securities. The Purchaser understands that the Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. The Purchaser understands that the Units are "restricted securities" under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Purchaser must hold the Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The Purchaser acknowledges that the Company has no obligation to register or qualify the Units, or any other securities that may be held by Purchaser, for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Units, and on requirements relating to the Company which are outside of the Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.6 **No Public Market**. The Purchaser understands that no public market now exists for the Units, and that the Company has made no assurances that a public market will ever exist for the Units.

3.7 **Legends**. The Purchaser understands that the Units and any securities issued in respect of or exchange for the Units, may be notated with one or all of the following legends:

"THE UNITS REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. THE UNITS MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER SUCH ACT AND LAWS, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER."

(a) Any legend set forth in, or required by, the other Transaction Documents.

(b) Any legend required by the securities laws of any state to the extent such laws are applicable to the Units represented by the certificate, instrument, or book entry so legended.

3.8 **Accredited Investor**. The Purchaser is an "accredited investor" as defined inExhibit D and Rule 501(a) of Regulation D promulgated under the Securities Act (an "Accredited Investor"). The Purchaser has authorized and directed a third-party registered broker-dealer, investment adviser registered with the Securities and Exchange Commission, licensed attorney, or certified public accountant, to furnish the Company with written confirmation from such third-party that it has taken reasonable steps to verify that the Purchaser is an Accredited Investor within the prior three (3) months. Any information that has been furnished or that will be furnished by the Purchaser to evidence its status as an Accredited Investor is accurate and complete, and does not contain any misrepresentation or material omission. The Purchaser agrees to furnish any additional information requested by the Company or any of its affiliates to assure compliance with applicable U.S. federal and state securities laws in connection with the purchase and sale of the Units.

3.9 **Foreign Investors**. If the Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), the Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Units or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Units, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Units. The Purchaser's subscription and payment for and continued beneficial ownership of the Units will not violate any applicable securities or other laws of the Purchaser's jurisdiction.

3.10 Information and Sophistication. Without lessening or obviating the representations and warranties of the Company set forth in Section 2, the Purchaser hereby: (i) acknowledges that it has been given access to and an opportunity to examine such documents, materials, and information concerning the Company as Purchaser deems to be necessary or advisable in order to reach an informed decision as to an investment in the Company, to the extent that the Company possesses such information, that it has carefully reviewed and understands all such documents, materials, and information, and that it has had answered to Purchaser's full satisfaction any and all questions regarding all such documents, materials, and information, (ii) represents that it has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Units and to obtain any additional information necessary to verify the accuracy of the information given the Purchaser and (iii) further represents that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risk of this investment.

3.11 Ability to Bear Economic Risk. The Purchaser acknowledges that investment in the Units involves a high degree of risk, and represents that it is able, without materially impairing its financial condition, to hold the Units for an indefinite period of time and to suffer a complete loss of its investment.

3.12 Residence. The office or offices of the Purchaser in which its principal place of business is identified in the address or addresses of the Purchaser set forth on the Purchaser's signature page to this Agreement.

The Original LLC Agreement was entered into by the Members on January 16, 2017. This Agreement amends, restates and supersedes the 4th A&R LLC Agreement.

(b) This Agreement shall constitute the "limited liability company agreement" (as that term is used in the Delaware Act) of the Company. The rights, powers, duties, obligations and liabilities of the Members shall be determined pursuant to the Delaware Act and this Agreement. To the extent that the rights, powers, duties, obligations and liabilities of any Member are different by reason of any provision of this Agreement than they would be under the Delaware Act in the absence of such provision, this Agreement shall, to the extent permitted by the Delaware Act, control.

Section 2.02 Name. The name of the Company is "Innventure LLC" after being changed from its previous name: "We-Innventure LLC." Hereinafter any new name for the Company may be designated by the Board from time to time; *provided*, that the name shall always contain the words "Limited Liability Company" or the abbreviation "L.L.C." or the designation "LLC." The Board shall give prompt notice to the Members of any change to the name of the Company.

(a) The registered office of the Company shall be the office of the initial registered agent named in the Amended and Restated Certificate of Formation or such other office (which need not be a place of business of the Company) as the Board may designate from time to time in the manner provided by the Delaware Act and Applicable Law.

(b) The registered agent for service of process on the Company in the State of Delaware shall be the initial registered agent named in the Amended and Restated Certificate of Formation or such other Person or Persons as the Board may designate from time to time in the manner provided by the Delaware Act and Applicable Law.

Section 2.05 Purpose; Powers. The purposes of the Company shall be specific to each class of Units of the Company.

Innventure GP, LLC, a wholly owned Delaware limited liability company (the "**Innventus Fund GP**"), is a Special Purpose Entity created by the Company to act as the general partner of Innventus Fund I, L.P. (the "**Innventus Fund**"). As part of the Innventure Business, it is anticipated that the Company will, through one or more additional Special Purpose Entities, (i) create new partially-owned subsidiaries for the purposes of commercializing, by way of a license, various technologies and/or other intellectual property owned by third parties, and (ii) cause the Innventus Fund to consummate cash investments into such subsidiaries. The Members intend that the Company shall be treated as a partnership for federal and, if applicable, state and local income tax purposes, and, to the extent permissible, the Company shall elect to be treated as a partnership for such purposes. The privileges, preference, duties, obligations and rights, including voting rights, rights to Net Income and Net Losses and Distributions of a particular class will be attributed only to the Members holding Units of that class. The Board shall maintain a schedule of all Members, their respective mailing addresses and the amount and class of Units held by them (the "**Member Schedule**") and shall update the Members Schedule upon the issuance or Transfer of any Units to any new or existing Member. A copy of the Members Schedule as of the execution of this Agreement is attached hereto as **Exhibit A**.

Class C Units and any other Units issued for services shall be Profits Interests issued in exchange for services. Each Class C Unit shall be issued pursuant to a grant agreement, which shall set forth such additional terms and conditions concerning the Class C Unit, including the vesting and forfeiture terms for such Class C Unit, as shall be determined by the Board as of the time of the award. All Class C Units, whether vested or unvested, shall share in the allocation of Profits and Losses and items of income, gain, loss and deduction as provided in Article VI and Distributions as provided in Article VII unless and until such Class C Units are forfeited but, irrespective of whether or not such Class C Units are vested, shall be subject to the other limitations set forth herein. The Class C Units constitute a class of Unit created by the Company as incentive equity, which, pursuant to Section 4(a) of that certain Unit Issuance and Restriction Agreement entered into with Roland Austrup as of March 15, 2021 (the "**Austrup Grant Agreement**"), automatically converted the 453,125 Class A Units previously held by Roland Austrup into Class C Units, on a one-to-one basis, as set forth on the Member Schedule. The number of authorized Class A Units has accordingly been reduced to 10,975,000 in order to reflect the conversion of such Class A Units. The Class C Units held by Roland Austrup shall continue to be subject to all terms of the Austrup Grant Agreement.

(b) Class PCTA. Class PCTA shall be entitled to any distributions and proceeds from all shares of Purecycle Common Stock held by the Company that are not contributed by Innventure1 to the Innventure Business in exchange for Class B-1 Preferred Units pursuant to Section 5.01(b)(B). Section 3.03 Certification of Units.

(a) The Board in its sole discretion may, but shall not be required to, issue certificates to the Members representing the Units held by such Member and any such Units shall be denominated as to the specific class thereof.

(b) In the event that the Board shall issue certificates representing Units in accordance with Section 3.03(a), then in addition to any other legend required by Applicable Law, all certificates representing issued and outstanding Units shall bear a legend substantially in the following form:

> THE UNITS REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A FIFTH AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT AMONG THE COMPANY AND ITS MEMBERS, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICE OF THE COMPANY. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE UNITS REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH FIFTH AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT.

THE UNITS REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER ANY OTHER APPLICABLE SECURITIES LAWS AND MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER SUCH ACT AND LAWS, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER.

(a) The Units have not been registered under the Securities Act or the securities laws of any other jurisdiction, are issued in reliance upon federal and state exemptions for transactions not involving a public offering and cannot be disposed of unless (i) they are subsequently registered or exempted from registration under the Securities Act and (ii) the provisions of this Agreement have been complied with;

(b) Such Member is an “accredited investor” within the meaning of Rule 501 promulgated under the Securities Act, and agrees that it will not take any action that could have an adverse effect on the availability of the exemption from registration provided by Rule 501 promulgated under the Securities Act with respect to the offer and sale of the Units;

(g) Such Member is able to bear the economic and financial risk of an investment in the Company for an indefinite period of time;

(h) The execution, delivery and performance of this Agreement or the Joinder Agreement have been duly authorized by such Member and do not require such Member to obtain any consent or approval that has not been obtained and do not contravene or result in a default in any material respect under any provision of any law or regulation applicable to such Member or other governing documents or any agreement or instrument to which such Member is a party or by which such Member is bound;

(i) This Agreement is valid, binding and enforceable against such Member in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws of general applicability relating to or affecting creditors' rights or general equity principles (regardless of whether considered at law or in equity); and

(j) Neither the issuance of any Units to any Member nor any provision contained herein will entitle the Member to remain in the employment of the Company or any Company Subsidiary or affect the right of the Company or any Company Subsidiary to terminate the Member's employment at any time for any reason, other than as otherwise provided in such Member's employment agreement or other similar agreement with the Company or Company Subsidiary, if applicable.

None of the foregoing shall replace, diminish, or otherwise adversely affect any Member's representations and warranties made by it in any unit purchase agreement.

Nothing in this Section 5.01(b) shall prevent Innventure1 from making B-1 Capital Contributions required by this Section 5.01(b) at a prior date than required under this Section 5.01(b).

(A) With respect to up to 500,000 PCTA Units held by Innventure1, as soon as practicable after April 1, 2022, Innventure1 shall so acquire Class B-1 Preferred Units in an amount equal to the lesser of: (A) 500,000 PCTA Units; or (B) the number of PCTA Units calculated by multiplying 1,000,000 by a fraction, the numerator of which is the aggregate purchase price for all Class B Preferred Units then purchased under the Class B Preferred Purchase Agreement and the denominator of which is $25,000,000; and

(B) With respect to the number of Class PCTA Units equal to 1,000,000 PCTA Units minus the aggregate number of PCTA Units previously used by Innventure1 in the acquisition of Class B-1 Preferred Units pursuant to this Section 5.01(b) at such time, as soon as practicable after the date on which the Purecycle Ironton, Ohio plant becomes operational, as certified by Leidos in accordance with that certain Limited Offering Memorandum, dated September 23, 2020 (in connection with the bond offering by Southern Ohio Port Authority to Purecycle: Ohio LLC), Innventure1 shall so acquire Class B-1 Preferred Units.

(ii) Price of Class B-1 Preferred Units; Deemed Value of In-Kind Shares Contributed. Except as set forth in this Section 5.01(b)(ii), the Capital Contribution for Class B-1 Preferred Units acquired by Innventure1 pursuant to this Section 5.08(b) shall be equal to the price paid by the purchasers of Class B Preferred Units under the Class B Preferred Purchase Agreement. In the case of an in-kind Capital Contribution contemplated by Section 5.01(b)(B), above, each share of PureCycle Common Stock so contributed shall have a deemed dollar value equal to the product of the weighted average of the per share closing price as defined by SEC Rule 10b-18 for one (1) share of PureCycle Common Stock for each full trading day during the 30-day period ending on the date of such transfer; multiplied by .8.

Section 5.02 Additional Capital Contributions.

(a) Any future Capital Contributions made by any Member to the Company to be contributed by the Company to Innventus Fund GP in order for Innventus Fund GP to then, in turn, contribute such amounts to the Innventus Fund in fulfillment of Innventus Fund GP's "GP Affiliated Commitment" (as defined in that certain Innventus Fund I, L.P. Limited Partnership Agreement (the "**Innventus LP Agreement**"), as the general partner thereunder, hereinafter in this Agreement, the "**GP Affiliated Commitment**") shall not result in the issuance of any additional Class I Units in the Company.

(b) Each Member hereby covenants and agrees to timely make any and all Capital Contributions to the Company as required of such Member in order to fulfill such Member's obligation to return Distributions to the Company pursuant to Section 7.01(a)(iv) or Section 7.04.

(c) No Member shall be required to make any additional Capital Contributions to the Company beyond those set forth in Section 5.01 and Section 5.02(b).

(d) No Member shall be required to lend any funds to the Company and no Member shall have any personal liability for the payment or repayment of any Capital Contribution by or to any other Member.

Section 5.03 Maintenance of Capital Accounts. The Company shall establish and maintain for each Member a separate capital account (a "**Capital Account**") on its books and records in accordance with this Section 5.03. Each Capital Account shall be established and maintained in accordance with the following provisions:

(a) Each Member's Capital Account shall be increased by the amount of:

(i) such Member's Capital Contributions, including such Member's initial Capital Contribution and any additional Capital Contributions;

(ii) any Net Income or other item of income or gain allocated to such Member pursuant to ARTICLE VI; and

(iii) any liabilities of the Company that are assumed by such Member or secured by any property Distributed to such Member.

(b) Each Member's Capital Account shall be decreased by:

(i) the cash amount or Book Value of any property Distributed to such Member pursuant to ARTICLE VII and Section 12.03;

(ii) the amount of any Net Loss or other item of loss or deduction allocated to such Member pursuant to ARTICLE VI and

(iii) the amount of any liabilities of such Member assumed by the Company or that are secured by any property contributed by such Member to the Company.

Section 5.04 Succession Upon Transfer. In the event that any Units are Transferred in accordance with the terms of this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred Units and, subject to Section 10.4, shall receive allocations and Distributions pursuant to the terms of this Agreement in respect of such Units.

Section 5.05 Negative Capital Accounts. In the event that any Member shall have a deficit balance in his, her or its Capital Account, such Member shall have no obligation, during the term of the Company or upon dissolution or liquidation thereof, to restore such negative balance or make any Capital Contributions to the Company by reason thereof, except as may be required by Applicable Law or in respect of any negative balance resulting from a withdrawal of capital or dissolution in contravention of this Agreement.

Section 5.06 No Withdrawals from Capital Accounts. No Member shall be entitled to withdraw any part of his, her or its Capital Account or to receive any Distribution from the Company, except as otherwise provided in this Agreement. No Member shall receive any interest, salary or drawing with respect to its Capital Contributions or its Capital Account, except as otherwise provided in this Agreement. The Capital Accounts are maintained for the sole purpose of allocating items of income, gain, loss and deduction among the Members and shall have no effect on the amount of any Distributions to any Members, in liquidation or otherwise.

Section 5.07 Treatment of Loans from Members. Loans by any Member to the Company shall not be considered Capital Contributions and shall not affect the maintenance of such Member's Capital Account, other than to the extent provided in Section 5.03(a)(iii), if applicable.

Section 5.08 Modifications. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the Board determines that it is prudent to modify the manner in which the Capital Accounts, or any increases or decreases to the Capital Accounts, are computed in order to comply with such Treasury Regulations, the Board may authorize such modifications.

ARTICLE VI
ALLOCATIONS

Section 6.01 Allocation of Net Income and Net Loss. All items of Net Income and Net Loss shall be determined separately for the Innventure Business, the Class PCTA Business and the Class I Business. Except as provided in Section 6.02, for each Fiscal Year (or portion thereof), Net Income and Net Loss with respect to the Innventure Business (and, to the extent necessary, individual items of income, gain, loss or deduction) shall be allocated among the Members holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units in a manner such that, after giving effect to Section 6.02, the Capital Account balance of each Member, immediately after making such allocations, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 7.01(b) if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their book value, all Company liabilities were satisfied (limited with respect to each Nonrecourse Liability to the book value of the assets securing such liability), and the net assets of the Company were distributed, in accordance with Section 7.01(b), to such Members immediately after making such allocations, minus (ii) such Member's share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets. For each Fiscal Year (or portion thereof), after giving effect to the special allocations set forth in Section 6.02, Net Income and Net Loss of the Company with respect to the Class PCTA Business shall be allocated among the holders of Class PCTA Units pro rata in accordance with their respective Class PCTA Percentage. For each Fiscal Year (or portion thereof), after giving effect to the special allocations set forth in Section 6.02, Net Income and Net Loss of the Company with respect to the Class I Business shall be allocated among the holders of Class I Units pro rata in accordance with their respective Class I Percentage.

Section 6.02 Regulatory and Special Allocations. Notwithstanding the provisions of Section 6.01:

(a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section 1.704-2(d)(1)) during any Fiscal Year, each Member shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.02 is intended to comply with the "minimum gain chargeback" requirement in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Nonrecourse Debt Minimum Gain shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. Items to be allocated pursuant to this paragraph shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 6.02(b) is intended to comply with the "minimum gain chargeback" requirements in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Nonrecourse Deductions shall be allocated to the Members of each class in accordance with their Units of such class.

(d) In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), Net Income shall be specially allocated to such Member in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations or Distributions as quickly as possible. This Section 6.02(d) is intended to comply with the qualified income offset requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(e) The allocations set forth in paragraphs (a), (b), (c) and (d) above (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this ARTICLE VI (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members of any class so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the Regulatory Allocations to each Member with respect to such class shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.

Section 6.03 Tax Allocations.

(a) Subject to Section 6.03(b), Section 6.03(c) and Section 6.03(d), all income, gains, losses and deductions of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses and deductions pursuant to Section 6.01 and Section 6.02, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company's subsequent income, gains, losses and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth in Section 6.01 and Section 6.02.

(b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and the traditional method with curative allocations of Treasury Regulations Section 1.704-3(c), so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

(d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Board taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) Allocations pursuant to this Section 6.03 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, Distributions or other items pursuant to any provisions of this Agreement.

Section 6.04 Allocations in Respect of Transferred Units. In the event of a Transfer of Units during any Fiscal Year made in compliance with the provisions of ARTICLE X, Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Units for such Fiscal Year shall be determined using the interim closing of the books method.

Section 6.05 Curative Allocations. In the event that the Partnership Representative determines, after consultation with counsel experienced in income tax matters, that the allocation of any item of Company income, gain, loss or deduction is not specified in this ARTICLE VI (an "**Unallocated Item**"), or that the allocation of any item of Company income, gain, loss or deduction hereunder is clearly inconsistent with the Members' economic interests in the Company (determined by reference to the general principles of Treasury Regulations Section 1.704-1(b) and the factors set forth in Treasury Regulations Section 1.704-1(b)(3)(ii)) (a "**Misallocated Item**"), then the Board may allocate such Unallocated Items, or reallocate such Misallocated Items, to reflect such economic interests; *provided*, that no such allocation will be made without the prior consent of each Member that would be adversely and disproportionately affected thereby; and *provided*, *further*, that no such allocation shall have any material effect on the amounts Distributable to any Member, including the amounts to be Distributed upon the complete liquidation of the Company.

Section 6.06 Forfeiture Allocations. If any unvested Class C Unit is forfeited, the Company shall make forfeiture allocations with respect to such Unit in accordance with Proposed Regulation §1.704- 1(b)(4)(xii) or such other official guidance as shall be applicable.

ARTICLE VII
DISTRIBUTIONS

Section 7.01 Distributions of Cash Flow and Capital Proceeds from Innventure Business.

(a) The Board shall have sole discretion regarding the amounts and timing of Distributions to Members participating in the Innventure Business, including to decide to forego payment of Distributions in order to provide for the retention and establishment of reserves of, or payment to any Person of, such funds as it deems necessary with respect to the reasonable business needs of the Company (which needs may include the payment or the making of provision for the payment when due of the Company's obligations, including, but not limited to, present and anticipated debts and obligations, capital needs and expenses, the payment of any management or administrative fees and expenses, and reasonable reserves for contingencies). Notwithstanding the foregoing, the Board shall make the following Distributions:

(i) Tax Advances. Subject to Section 7.01(a) and any restrictions in the Company's then-applicable debt-financing arrangements, at least five (5) days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall use its best commercial efforts to Distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such Distribution, a "**Tax Advance**"). If, at any time after the final Quarterly Estimated Tax Amount has been Distributed pursuant to this Section 7.01(a)(i) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a " **Shortfall Amount**"), then the Company shall use commercially reasonable efforts to Distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to Distribute Shortfall Amounts with respect to a Fiscal Year prior to the expiration of seventy-five (75) days into the next succeeding Fiscal Year; *provided*, that if the Company has made Distributions other than pursuant to this Section 7.01(a)(i), the Board may apply such Distributions to reduce any Shortfall Amount. If the aggregate Tax Advances made to any Member pursuant to this Section 7.01(a)(i) for any Fiscal Year exceed such Member's Tax Amount (an " **Excess Amount**"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 7.01(a)(i), except to the extent taken into account as an advance as set forth in the following sentence. Except for Tax Advances with respect to allocations of income from the sale of PureCycle Common Stock contributed to the Innventure Business by Innventure1 under Section 5.01(b)(B)) to the extent that such allocations are attributable to built-in gains from such contributed shares pursuant to Code Section 704(c) (which shall not be offset from later Distributions), any Distributions made pursuant to this Section 7.01(a)(i), shall be treated for purposes of this Agreement as advances on Distributions pursuant to Section 7.01(b) and shall reduce, dollar-for-dollar, the amount otherwise Distributable to such Member pursuant to Section 7.01(b).

(ii) Management Fees. The Board shall, within forty-five (45) days of the end of any Fiscal Year, use its best commercial efforts to Distribute to each Member holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units or Class C Units, in proportion to its respective Innventure Business Percentage, the net cash proceeds that the Company received from management fees collected by it during such Fiscal Year related to the Innventus Fund and portfolio company management activities, net of customary investment expenses and costs of the Company, amounts paid or payable in respect of any loan or other indebtedness of the Company, and the amount of reasonable reserves established by the Board in its discretion for the Company to carry out the Innventure Business for the upcoming Fiscal Year.

(iii) Portfolio Liquidity Events. If a company controlled by the Company through the Innventure Business, or directly or indirectly through the Innventus Fund, or any of such company's Affiliates, experiences an event that would be considered a Change of Control Transaction if such transaction had occurred with respect to the Company, as opposed to the controlled company, the Board shall use its best commercial efforts: (i) to cause a Distribution to be made by the controlled company to the Company (in the case of an event that causes the controlled company to receive such proceeds) of the net proceeds received by the controlled company, and will then cause the Company to Distribute such proceeds to the Members holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units no later than forty five (45) days following the receipt of such net proceeds; or (ii) in the case of a transaction where the proceeds are received directly by the Company, to cause a Distribution of the net proceeds from such transaction to be Distributed to the Members no later than forty five (45) days following the receipt of such net proceeds. All such Distributions must be made as soon as practicable after any such transaction.

(iv) Carried Interest Clawback. Each Member shall return Distributions received by such Member from the Company to the extent necessary to cover Innventus Fund GP's obligations to return distributions made in respect of the GP's carried interest in Innventus Fund under paragraph 10.5 or 4.2(d)(ii) of the Innventus LP Agreement (the "**Carried Interest Clawback Amount**") as set forth in this Section 7.01(a)(iv). Each Member shall be obligated to return to the Company in cash an amount equal to: (A) the Carried Interest Clawback Amount, multiplied by (B) a fraction, the numerator of which is the aggregate amount of all Distributions received by such Member from distributions originally made by Innventus Fund to Innventus Fund GP pursuant to paragraphs 7.5(c) and 7.5(d) of the Innventus LP Agreement (or otherwise in respect of the GP's carried interest in Innventus Fund) and the denominator of which is the aggregate amount of all distributions received by all Members from distributions originally made by Innventus Fund to Innventus Fund GP pursuant paragraph 7.5(c) and 7.5(d) of the Innventus LP Agreement (or otherwise in respect of the GP's carried interest in Innventus Fund).

(b) In making any Distribution with respect to the Innventure Business other than Tax Advances, all such Distributions (whether in cash or other property) shall be made only in the following order and priority:

(i) first, to the holders of the Class B Preferred Units until the aggregate unpaid Class B Preferred Return with respect to each such Member's Class B Preferred Units has been reduced to zero ($0);

(ii) second, to the holders of the Class B Preferred Units until the aggregate Unreturned Class B Preferred Capital with respect to each such holder's Class B Preferred Units has been reduced to zero ($0);

(iii) third, to the holders of the Class B-1 Preferred Units until the aggregate unpaid Class B-1 Preferred Return with respect to each such Member's Class B-1 Preferred Units has been reduced to zero ($0);

(iv) fourth, to the holders of the Class B-1 Preferred Units until the aggregate Unreturned Class B-1 Preferred Capital with respect to each such holder's Class B-1 Preferred Units has been reduced to zero ($0); and

(v) lastly, to all of the Members holding Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units in proportion to their respective Innventure Business Percentages.

Section 7.02 Distributions of Cash Flow and Capital Proceeds from Class PCTA. All Distributions to Members holding Class PCTA Units shall be made in accordance with a Member's Class PCTA Percentage. Subject to any limitations provided under the Delaware Act, the Company shall Distribute the proceeds of any sale of Purecycle Common Stock that are held within the Class PCTA Business (i.e. not contributed to the Innventure Business by Innventure1 under Section 5.01(b)(B)) or any other amounts received by Company on account of holding the Purecycle Common Stock that are held within the Class PCTA Business as quickly as reasonably practicable following the sale of any such Purecycle Common Stock by the Company or other receipt of such amounts by Company.

Section 7.03 Distributions of Cash Flow and Capital Proceeds from Class I. All Distributions to Members holding Class I Units shall be made in accordance with a Member's Class I Percentage. Subject to any limitations provided under the Delaware Act, the Company shall Distribute amounts representing Capital Interest Gain, a return of capital (as determined in good faith by the Directors) or the proceeds of any sale of Innventus Fund Partnership Percentage or any other amounts received by Company or Innventus Fund GP on account of holding the Innventus Fund Partnership Percentage as quickly as reasonably practicable following the sale of any such Innventus Fund Partnership Percentage by the Company or other receipt of such amounts by Company. If the Innventus Fund GP shall be obligated at any time under the Innventus LP Agreement to repay or restore to the Innventus Fund all or any part of any distribution made to it from the Innventus Fund with respect to the Innventus Fund Partnership Percentage (each an "**Innventus Clawback Amount**") any Members holding Class I Units that received any portion of a Distribution relating to such Innventus Clawback Amount shall return such Distributions received by such Member in cash and in an amount equal to: (A) the Innventus Clawback Amount, multiplied by (B) a fraction, the numerator of which is the aggregate amount of all Distributions received by such Member from distributions made by the Company such Member pursuant to this Section 7.03 and the denominator of which is the aggregate amount of all distributions received by all Members from distributions made by the Company pursuant to this Section 7.03.

Section 7.04 Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any Distribution to Members if such Distribution would violate § 18-607 of the Delaware Act or other Applicable Law or to the extent that any Unit held by any Member has not reached its applicable Distribution Threshold, and any Distribution shall be made only to the extent of Available Assets.

Section 7.05 Tax Withholding; Withholding Advances.

(a) Tax Withholding. If requested by the Board, each Member shall, if able to do so, deliver to the Board:

(i) an affidavit in form satisfactory to the Board that the applicable Member (or its members, as the case may be) is not subject to withholding under the provisions of any federal, state, local, foreign or other Applicable Law;

(ii) any certificate that the Board may reasonably request with respect to any such laws; and/or

(iii) any other form or instrument reasonably requested by the Board relating to any Member's status under such law.

If a Member fails or is unable to deliver to the Board the affidavit described in Section 7.05(a)(i), the Board may withhold amounts from such Member in accordance with Section 7.05(b).

(b) Withholding Advances. The Company is hereby authorized at all times to make payments ("**Withholding Advances**") with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Matters Member or Partnership Representative based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a "**Taxing Authority**") with respect to any Distribution or allocation by the Company of income or gain to such Member and to withhold the same from Distributions to such Member. Any funds withheld from a Distribution by reason of this Section 7.05(b) shall nonetheless be deemed Distributed to the Member in question for all purposes under this Agreement.

(c) Repayment of Withholding Advances. Any Withholding Advance made by the Company to a Taxing Authority on behalf of a Member and not simultaneously withheld from a Distribution to that Member shall, with interest thereon accruing from the date of payment at a rate equal to the prime rate published in the *Wall Street Journal* on the date of payment plus two percent (2%) per annum (the "**Company Interest Rate**"):

(i) be promptly repaid to the Company by the Member on whose behalf the Withholding Advance was made (which repayment by the Member shall not constitute a Capital Contribution, but shall credit the Member's Capital Account if the Board shall have initially charged the amount of the Withholding Advance to the Capital Account); or

(ii) with the consent of the Board, be repaid by reducing the amount of the next succeeding Distribution or Distributions to be made to such Member (which reduction amount shall be deemed to have been Distributed to the Member, but which shall not further reduce the Member's Capital Account if the Board shall have initially charged the amount of the Withholding Advance to the Capital Account).

Interest shall cease to accrue from the time the Member on whose behalf the Withholding Advance was made repays such Withholding Advance (and all accrued interest) by either method of repayment described above.

(d) Indemnification. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts Distributable or allocable to such Member. The provisions of this Section 7.05(d) and the obligations of a Member pursuant to Section 7.05(c) shall survive the termination, dissolution, liquidation and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Units. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 7.05, including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(e) Overwithholding. Neither the Company nor the Board shall be liable for any excess taxes withheld in respect of any Distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

Section 7.06 Distributions in Kind.

(a) The Board is hereby authorized, as it may reasonably determine, to make Distributions with respect to Class A Units, Class B Preferred Units, Class B-1 Preferred Units and Class C Units to the Members in the form of securities or other property held by the Company; *provided*, that Tax Advances shall only be made in cash. The Members holding a majority of the Class PCTA Units are hereby authorized, as they may determine in their sole discretion, to make Distributions with respect to Class PCTA of Purecycle Common Stock held within the Class PCTA Business (i.e. not contributed to the Innventure Business by Innventure1 under Section 5.01(b)(B)) to the Members holding Class PCTA Units in the form of such securities held by the Company. The Members holding a majority of the Class I Units are hereby authorized, as they may determine in their sole discretion, to make Distributions with respect to Class I of Innventus Fund Partnership Percentage to the Members holding Class I Units in the form of such securities held by the Company. In any non-cash Distribution, the securities or property so Distributed will be Distributed among the Members of the applicable class in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be Distributed among the Members pursuant to Section 7.01, Section 7.02, Section 7.03 or Section 7.04, as the case may be.

(b) Any Distribution of securities shall be subject to such conditions and restrictions as the Board determines are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Board may require that the Members execute and deliver such documents as the Board may deem necessary or appropriate to ensure compliance with all federal and state securities laws that apply to such Distribution and any further Transfer of the Distributed securities, and may appropriately legend the certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

Section 7.07 Distribution Threshold Units. Upon the issuance of any Units that the Company issued as "profits interests" for U.S. federal income tax purposes, the Company shall specify the Distribution Threshold, if any, applicable to such Units and enter it into the Company's records. The "Distribution Threshold" for any such Unit shall be equal to the amount determined by the Company in its discretion to be necessary to cause such Unit to constitute a "profits interest" for U.S. federal income tax purposes. Notwithstanding any provision of this Agreement to the contrary, in no event will the Company make any distributions in respect of a Distribution Threshold Unit unless and until the Company has already made aggregate distributions under Section 7.01 on each other Unit that participates in the Innventure Business and that is not a Distribution Threshold Unit equal to the Distribution Threshold of such Distribution Threshold Unit, taking into account only distributions thereunder since the date of issuance of such Distribution Threshold Unit, and thereafter such Distribution Threshold Unit shall be entitled only to its pro rata share of excess distributions with respect to the Innventure Business over and above its Distribution Threshold.

ARTICLE VIII
MANAGEMENT

Section 8.01 Establishment of the Innventure Business Board. A board of managers of the Company (the "**Board**") has been established and shall be comprised of natural Persons (each such Person, a "**Director**") who shall be appointed in accordance with the provisions of Section 8.02. Except as otherwise set forth herein, the Innventure Business and affairs of the Company shall be managed, operated and controlled by or under the direction of the Board, and the Board shall have, and is hereby granted, the full and complete power, authority and discretion for, on behalf of and in the name of the Company, to take such actions as it may in its sole discretion deem necessary or advisable to carry out any and all of the objectives and purposes of the Innventure Business, subject only to the terms of this Agreement. The actions of the Board taken in accordance with the provisions of this Agreement shall bind the Company with respect to the Innventure Business. No Member of the Company shall have any authority or right to act on behalf of or bind the Company with respect to the Innventure Business, unless otherwise provided herein or unless specifically authorized by the Board pursuant to a resolution expressly authorizing such action which resolution is duly adopted by the Board. The Board shall elect a Director to act as executive chairman (the "**Chairman**") who shall preside over meeting of the Board. The initial executive Chairman shall be Michael Otworth.

In carrying out the Innventure Business, the Board, acting directly or indirectly on behalf of the Company, and subject to those provisions hereof which require Member approval, shall have all powers necessary, suitable or convenient thereto including, without limitation, the power and authority to do or cause to be done, or not to do, any and all acts deemed by the Board in good faith to be necessary or appropriate in furtherance of the purposes of the Innventus Fund including, without limitation, the power and authority:

(i) to found acquire, invest in, hold, pledge, manage, sell, transfer, operate or otherwise deal in or with the Innventus Fund portfolio companies and any form of investment in other companies, both directly and through the Innventus Fund;

(ii) to open, maintain and close bank, brokerage and money market accounts and draw checks and other orders for the payment of monies;

(iii) to borrow money or otherwise incur indebtedness for any Partnership purpose, enter into credit facilities, issue evidences of indebtedness and guarantees and secure any such evidences of indebtedness and guarantees by pledges or other liens on assets of the Company within the Innventure Business or the Innventus Fund, including entering into other financing arrangements;

(iv) to hire consultants, advisors, custodians, attorneys, accountants, placement agents and such other agents and employees of the Company and for the Innventus Fund, and authorize each such Person to act for and on behalf of the Company and for the Innventus Fund;

(v) to enter into, perform and carry out contracts and agreements of any kind necessary, advisable or incidental to the accomplishment of the purposes of the Innventus Fund, including any licensing agreements; to bring, sue, prosecute, defend, settle or compromise actions and proceedings at law or in equity or before any Governmental Authority;

(vi) to have and maintain one or more offices and in connection therewith to rent or acquire office space and to engage personnel;

(vii) to execute, deliver and perform all agreements in connection with the sale of interests in the Innventus Fund including, but not limited to, any subscription agreements and side letters with one or more investors;

(viii) to form one or more subsidiary corporations or partnerships or other entities, including alternative investment vehicles; and

(ix) to incur all expenditures and pay fees necessary to carry out the Innventure Business and maintain the Innventus Fund.

Section 8.02 Board Composition; Vacancies.

(a) Board Composition. The Company and the Members shall take such actions as may be required to ensure that the number of managers constituting the Board is at all times at least five (5) and, subject to the terms of this Agreement, up to seven (7). The Board shall be comprised as follows, as set forth in Exhibit B attached hereto (the "**Board Schedule**"), as updated by the Board from time to time:

(i) three (3) individuals designated by Innventure1 (each an "**Innventure1 Director**" and collectively, the "**Innventure1 Directors**"), who shall initially be as set forth in the Board Schedule;

(ii) two (2) individuals designated by WE (each a "**WE Director**" and collectively, the "**WE Directors**") who shall initially be as set forth in the Board Schedule; and

(iii) up to one (1) additional individual approved by a majority of the then serving Directors, which, for so long as a WE Director is the serving, must include the affirmative vote of at least one WE Director.

(b) Vacancy. In the event that a vacancy is created on the Board at any time due to the death, Disability, retirement, resignation or removal of a Director, then the Member entitled to designate such Director shall have the right to designate an individual to fill such vacancy and the Company and each Member hereby agree to take such actions as may be required to ensure the election or appointment of such designee to fill such vacancy on the Board. In the event that the Member entitled to designate such Director shall fail to designate in writing a representative to fill a vacant Director position on the Board, and such failure shall continue for more than thirty (30) days after notice from the Company to such Member with respect to such failure, then the vacant position shall be filled by an individual designated by the Directors designated by such Member then in office, if any; *provided*, that such individual shall be removed from such position if the Member entitled to so designate so directs and simultaneously designates a Director.

(c) Board Observation Rights of WE. The Board shall permit WE to appoint one (1) natural Persons as a representative who shall: (a) receive written notice of all meetings (both regular and special) of the Board and each committee of the Board (such notice to be delivered or mailed at the same time as notice is given to the members of the Board and/or committee); (b) be entitled to attend (or, in the case of telephone meetings, monitor) all such meetings; (c) receive all notices, information and reports which are furnished to the members of the Board and/or committee; (d) be entitled to participate in all discussions conducted at such meetings; and (e) receive as soon as available (but in any event prior to the next succeeding board meeting) copies of the minutes of all such meetings. If any action is proposed to be taken by the Board and/or committee by written consent in lieu of a meeting, the Company will use reasonable efforts to give written notice thereof to such representatives. The Company will furnish such representatives with a copy of each such written consent within a reasonable amount of time after it has been signed by its last signatory. Such representatives shall not constitute members of the Board and/or committee and shall not be entitled to vote on any matters presented at meetings of the Board and/or committee or to consent to any matter as to which the consent of the Board and/or committee shall have been requested. Notwithstanding anything to the contrary in this Section 8.02(c), any such representative must first agree in writing to hold in confidence and trust and to act in a fiduciary manner with respect to all of the Company's information to be so provided and the Company reserves the right to withhold any information and to exclude such representative from any meeting or portion thereof if the Board determines, in its sole discretion, that access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel or result in disclosure of trade secrets, a conflict of interest or involves the personal compensation or benefits of any Company employee.

Section 8.03 Removal; Resignation.

(a) An Innventure1 Director may be removed or replaced at any time from the Board, with or without cause, upon, and only upon, the written request of Innventure1. A WE Director may be removed or replaced at any time from the Board, with or without cause, upon, and only upon, the written request of WE. Any Director other than an Innventure1 Director or a WE Director may be removed, with or without cause, by a majority of the then serving Directors.

(b) A Director may resign at any time from the Board by delivering such Director's written resignation to the Board. Any such resignation shall be effective upon receipt thereof unless it is specified to be effective at some other time or upon the occurrence of some other event. The Board's acceptance of a resignation shall not be necessary to make it effective.

(c) No Member, nor any Affiliate of any Member, shall have any liability as a result of designating a person for election as a Director for any act or omission by such designated person in his or her capacity as a Director, nor shall any Member have any liability as a result of voting for any such designee in accordance with the provisions of this Agreement.

Section 8.04 Meetings.

(a) Generally. The Board shall meet at such time and at such place as the Board may designate. Meetings of the Board may be held either in person or by means of telephone or video conference or other communications device that permits all Directors participating in the meeting to hear each other, at the offices of the Company or such other place (either within or outside the State of Delaware) as may be determined from time to time by the Board. Written notice of each meeting of the Board shall be given to each Director at least twenty-four (24) hours prior to each such meeting.

(b) Special Meetings; Quarterly Meetings. Special meetings of the Board shall be held on the call of any three (3) Directors upon at least five (5) days' written notice (if the meeting is to be held in person) or one (1) day's written notice (if the meeting is to be held by telephone communications or video conference) to the Directors, or upon such shorter notice as may be approved by all the Directors. Any Director may waive such notice as to himself. The Company shall use its best efforts to hold a Board meeting no less frequently than each calendar quarter.

(c) Attendance and Waiver of Notice. Attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting.

Section 8.05 Quorum; Manner of Acting.

(a) Quorum. A majority of the Directors serving on the Board which, for so long as a WE Director is then serving must include at least one WE Director, shall constitute a quorum for the transaction of business of the Board. At all times when the Board is conducting business at a meeting of the Board, a quorum of the Board must be present at such meeting. If a quorum shall not be present at any meeting of the Board, then the Directors present at the meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

(b) Participation. Any Director may participate in a meeting of the Board by means of telephone or video conference or other communications device that permits all Directors participating in the meeting to hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting. A Director may vote or be present at a meeting either in person or by proxy, and such proxy may be granted in writing, by means of Electronic Transmission or as otherwise permitted by Applicable Law.

(c) Binding Act. Each Director shall have one vote on all matters submitted to the Board or any committee thereof. With respect to any matter before the Board, the act of a majority of the Directors constituting a quorum shall be the act of the Board, except (i) in the event of any deadlocked vote, the vote of the group of Directors that includes the Chairman shall prevail; and (ii) subject in all cases to the terms of Section 8.05(d).

(d) Special Voting Requirement. Notwithstanding anything to the contrary in this ARTICLE VIII, for so long as a WE Director is then serving, at least one (1) vote of a WE Director shall be required for the Company to take action, in addition to the approval a majority of the Directors, in respect of the following matters relating to the Innventure Business or, to the extent there are no WE Directors but WE continues to hold more than 10% of the outstanding Class A Units (the "**Ownership Threshold**"), such actions shall require the affirmative vote of WE:

(i) entering into, amending in any material respect, waiving or terminating any Related Party Agreement (including, without limitation, any compensation or fees to be paid by Company to any officer, director, manager and/or equity holder);

(ii) making any material change to the nature of the Innventure Business conducted by the Company or enter into any business other than the Innventure Business with respect to the Innventure Business assets;

(iii) issuing additional Membership Interests or admitting additional Members to the Company that would be dilutive to the Class A Units, provided, however, that no such approval shall be required in connection with: (A) the first $7,500,000 in aggregate equity financing in the Company after the date of this Agreement which is invested by investors and on terms that have been approved by at least one WE Director or, to the extent the Ownership Threshold is then being met, WE; (B) the exercise of any warrants issued by the Company in connection with any debt financings; and (C) the issuance of Class C Units;

(iv) altering, changing or modifying the rights, preferences, or privileges of the Class A Units so as to adversely affect the rights of the holders thereof;

(v) redeeming, repurchasing or otherwise acquiring any membership interest, except as expressly permitted by Section 10.03 or otherwise in this Agreement other than repurchases of Units from former employees, officers, directors, consultants or other persons who performed services for the Company or any subsidiary in connection with the cessation of such employment or service at no greater than the original purchase price;

(vi) granting a security interest in any material portion of the Company's assets or intellectual property except in connection with (A) up to $10,000,000 in secured debt and any associated warrant coverage so long as such debt and/or any associated liens are junior to any indebtedness due and owing to WE; and (B) secured interests encumbering solely the assets associated with the Class PCTA Business;

(vii) amending, modifying or waiving the Company's certificate of formation or this Agreement; provided that the Board may amend the Member Schedule following any new issuance, redemption, repurchase or Transfer of Units in accordance with this Agreement; or

(vii) causing the Company, Aeroflexx LLC or any future portfolio company controlled by the Company that is created after the date of this Agreement to merge, consolidate, or otherwise combine with or into any other Person, or convert into another type of entity, or cause any person to merge, consolidate or combine with or into the Company, or dissolve, wind-up or liquidate any such entity or initiate a bankruptcy proceeding involving any such entity.

Section 8.06 Compensation; No Employment.

(a) Each Director shall be reimbursed for his reasonable out-of-pocket expenses incurred in the performance of his duties as a Director, pursuant to such policies as from time to time established by the Board. Nothing contained in this Section 8.06 shall be construed to preclude any Director from serving the Company in any other capacity and receiving reasonable compensation for such services.

(b) This Agreement does not, and is not intended to, confer upon any Director any rights with respect to continued employment by the Company, and nothing herein should be construed to have created any employment agreement with any Director.

Section 8.07 No Personal Liability. Except as otherwise provided in the Delaware Act, by Applicable Law or expressly in this Agreement, no Director will be obligated personally for any debt, obligation or liability of the Company or of any Company Subsidiaries, whether arising in contract, tort or otherwise, solely by reason of being a Director.

Section 8.08 Officers. The Board may appoint individuals as officers of the Company (the "**Officers**") as it deems necessary or desirable to carry on the Innventure Business and the Board may delegate to such Officers such power and authority as the Board deems advisable. No Officer need be a Member of the Company. Any individual may hold two or more offices of the Company. Each Officer shall hold office until his successor is designated by the Board or until his earlier death, resignation or removal. Any Officer may resign at any time upon written notice to the Board. Any Officer may be removed by the Board with or without cause at any time. A vacancy in any office occurring because of death, resignation, removal or otherwise, may, but need not, be filled by the Board.

Section 8.09 Action Without Meeting. Any matter that is to be voted on, consented to or approved by Board may be taken without a meeting, without prior notice and without a vote if consented to, in writing or by Electronic Transmission, by all of the Directors. A record shall be maintained by the Board of each such action taken by written consent of a Member or Members.

Section 8.10 Approved Budget. At least thirty (30) days prior to the beginning of each Fiscal Year, the Chief Executive Officer of the Company shall prepare and submit to the Board for its approval an annual operating budget for the Company (the "**Budget**") prepared on a monthly basis for such period, out- of-pocket expenses payable to third parties with respect to the operations of the Company, and out-of-pocket expenses incurred in connection with the investigation and negotiation of potential investment opportunities.

Section 8.11 Investment Opportunities.

(a) The Members acknowledge that each Member and its Affiliates engage in business and have investment interests and activities other than those of the Company, and need not account to the Company or other Members for profits or remuneration gained thereby. Subject to any restrictions set forth in Innventus Fund limited partnership agreement, the Directors, as well as WE, and their respective Affiliates, may enter into transactions considered to be competitive with, or a business opportunity beneficial to, the Company.

(b) With respect to any investment opportunity presented to the Board that the Company has timely elected to fund (a "**Company Project**"), each Director shall make full and prompt disclosure to the Company of all discoveries, inventions, improvements and enhancements, whether patentable or not, which are created, made, conceived or reduced to practice by such Director, or under such Director's direction or jointly with others, with respect to any Company Project (collectively, "**Developments**"). Each Director agrees to assign to the Company (or any entity designated by the Company) all such Director's right, title and interest in and to such Developments and all related patents and patent applications. Each Director agrees to cooperate fully with the Company with respect to the procurement, maintenance and enforcement of patents and other intellectual property rights (both in the United States and foreign countries) relating to Developments, and shall execute such documents and instruments as the Company may reasonably request in order to protect the Company's rights and interests in any Developments. The foregoing obligations on the part of the Directors shall, upon creation and first funding of the Innventus Fund, be deemed to pertain to the Innventus Fund as applicable.

ARTICLE IX
EXCULPATION AND INDEMNIFICATION

Section 9.01 Exculpation of Covered Persons.

(a) Covered Persons. As used herein, the term "**Covered Person**" shall mean (i) each Member; (ii) each Officer, current and former Director, stockholder, partner, member, Affiliate, employee, agent or representative of each Member, and each of their Affiliates; and (iii) each current and former Officer, employee, agent or representative of the Company.

(b) Standard of Care. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good faith reliance on the provisions of this Agreement, so long as such action or omission does not constitute fraud, gross negligence, willful misconduct or a material breach of this Agreement by such Covered Person or is not made in knowing violation of the provisions of this Agreement.

(c) Good Faith Reliance. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, Net Income or Net Losses of the Company or any facts pertinent to the existence and amount of assets from which Distributions might properly be paid) of the following Persons or groups: (i) another Member; (ii) one or more Officers or employees of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Person's right to rely on information to the extent provided in § 18-406 of the Delaware Act.

Section 9.02 Liabilities and Duties of Covered Persons.

(a) Limitation of Liability. This Agreement is not intended to, and does not, create or impose any fiduciary duty on any Covered Person. Furthermore, each of the Members and the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by Applicable Law, and in doing so, acknowledges and agrees that the duties and obligation of each Covered Person to each other and to the Company are only as expressly set forth in this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

(b) Duties. Whenever in this Agreement a Covered Person is permitted or required to make a decision (including a decision that is in such Covered Person's "discretion" or under a grant of similar authority or latitude), the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other Person. Whenever in this Agreement a Covered Person is permitted or required to make a decision in such Covered Person's "good faith,", the Covered Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or any other Applicable Law.

Section 9.03 Indemnification.

(a) Indemnification. To the fullest extent permitted by the Delaware Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement, only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Delaware Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "**Losses**") to which such Covered Person may become subject by reason of:

(i) any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, any Member or any direct or indirect Subsidiary of the foregoing in connection with the Innventure Business; or

(ii) such Covered Person being or acting in connection with the Innventure Business as a member, stockholder, Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective Affiliates, or that such Covered Person is or was serving at the request of the Company as a member, manager, director, officer, employee or agent of any Person including the Company;

provided, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud, gross negligence, willful misconduct or a material breach of this Agreement by such Covered Person or a knowing violation of the provisions of this Agreement, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud, gross negligence, willful misconduct or a knowing violation or material breach of this Agreement.

(b) Control of Defense. Upon a Covered Person's discovery of any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03, the Covered Person shall give prompt written notice to the Company of such claim, lawsuit or proceeding, *provided*, that the failure of the Covered Person to provide such notice shall not relieve the Company of any indemnification obligation under this Section 9.03, unless the Company shall have been materially prejudiced thereby. Subject to the approval of the disinterested Members, the Company shall be entitled to participate in or assume the defense of any such claim, lawsuit or proceeding at its own expense. After notice from the Company to the Covered Person of its election to assume the defense of any such claim, lawsuit or proceeding, the Company shall not be liable to the Covered Person under this Agreement or otherwise for any legal or other expenses subsequently incurred by the Covered Person in connection with investigating, preparing to defend or defending any such claim, lawsuit or other proceeding. If the Company does not elect (or fails to elect) to assume the defense of any such claim, lawsuit or proceeding, the Covered Person shall have the right to assume the defense of such claim, lawsuit or proceeding as it deems appropriate, but it shall not settle any such claim, lawsuit or proceeding without the consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) Reimbursement. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03; *provided*, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 9.03, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(d) Entitlement to Indemnity. The indemnification provided by this Section 9.03 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 9.03 shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section 9.03 and shall inure to the benefit of the executors, administrators, legatees and distributees of such Covered Person.

(e) Insurance. To the extent available on commercially reasonable terms, the Company shall maintain, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Board may reasonably determine; *provided*, that the failure to maintain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(f) Funding of Indemnification Obligation. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 9.03 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

(g) Savings Clause. If this Section 9.03 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 9.03 to the fullest extent permitted by any applicable portion of this Section 9.03 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(h) Amendment. The provisions of this Section 9.03 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section 9.03 is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this Section 9.03 that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

(i) It is agreed and understood that the Company will, on or prior to the Effective Date, enter into an indemnification agreement with each Director, and to the extent of any inconsistency between the terms set forth above in this Section 9.03 and any such indemnification agreement, the terms of such indemnification agreement shall supersede the terms set forth in this Section 9.03.

Section 9.04 Survival. The provisions of this ARTICLE IX shall survive the dissolution, liquidation, winding up and termination of the Company.

ARTICLE X
TRANSFER

Section 10.01 Restrictions on Transfer.

(a) Except as otherwise provided in this ARTICLE X, no Member shall Transfer all or any portion of its Class A Units or Class C Units in the Company without the written consent of the Members holding greater than 65% of the Class A Units (which consent may be granted or withheld in the sole discretion of the other Members). No Transfer of Membership Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee is admitted as a Member of the Company in accordance with Section 4.01(b) hereof. Any Transfer by a Member of a Class PCTA Unit shall be subject to any restrictions on such transfer as set forth from time to time by the governing documents for Purecycle as if such Transfer was a Transfer by the Company of Purecycle Common Stock. Any Transfer by a Member of a Class I Unit shall be subject to any restrictions on such transfer as set forth from time to time by the Innventus LP Agreement as if such Transfer was a Transfer by Innventus Fund GP of the Innventus Fund Partnership Percentage.

(b) Notwithstanding any other provision of this Agreement (including Section 10.02), each Member agrees that it will not Transfer all or any portion of its Membership Interest in the Company, and the Company agrees that it shall not issue any Membership Interests:

(i) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws, and then, with respect to a Transfer of Membership Interests, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act;

(ii) if such Transfer or issuance would cause the Company to be considered a "publicly traded partnership" under Section 7704(b) of the Code within the meaning of Treasury Regulations Section 1.7704-1(h)(1)(ii), including the look-through rule in Treasury Regulations Section 1.7704-1(h)(3);

(iii) if such Transfer or issuance would affect the Company's existence or qualification as a limited liability company under the Delaware Act;

(iv) if such Transfer or issuance would cause the Company to lose its status as a partnership for federal income tax purposes;

(v) if such Transfer or issuance would cause a termination of the Company for federal income tax purposes;

(vi) if such Transfer or issuance would cause the Company to be required to register as an investment company under the Investment Company Act of 1940, as amended; or

(c) if such Transfer or issuance would cause the assets of the Company to be deemed "Plan Assets" as defined under the Employee Retirement Income Security Act of 1974 or its accompanying regulations or result in any "prohibited transaction" thereunder involving the Company. Any Transfer or attempted Transfer of any Membership Interest in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue be treated) as the owner of such Membership Interest for all purposes of this Agreement.

(d) For the avoidance of doubt, any Transfer of a Membership Interest permitted by this Agreement shall be deemed a sale, transfer, assignment or other disposal of such Membership Interest in its entirety as intended by the parties to such Transfer, and shall not be deemed a sale, transfer, assignment or other disposal of any less than all of the rights and benefits described in the definition of the term "Membership Interest," unless otherwise explicitly agreed to by the parties to such Transfer.

Section 10.02 Permitted Transfers. The provisions of Section 10.01 shall not apply to any Transfer by a Member of all or any portion of its Membership Interest to any Member's Affiliate.

Section 10.03 Class A Tag Along Rights

(a) Participation. If, at any time, a Member who (together with its Affiliates) holds no less than fifty percent (50%) of the outstanding Class A Units of the Company (the "**Selling Member**") proposes to sell any Class A Units to any Person who is not an Affiliate of such Selling Member (the "**Proposed Transferee**"), each other Member that holds Class A Units (each, a "**Tag- along Member**") shall be permitted to participate in such sale (a "**Tag-along Sale**") by selling Class A Units on the terms and conditions set forth in this Section 10.03.

(b) Sale Notice. Prior to the consummation of the sale described in Section 10.03(a), the Selling Member shall deliver to the Company and each other Member holding Class A Units a written notice (a "**Sale Notice**") of the proposed sale subject to this Section 10.03 no more than ten (10) days after the execution and delivery by all the parties thereto of the definitive agreement entered into with respect to the Tag-along Sale and, in any event, no later than twenty (20) days prior to the closing date of the Tag-along Sale. The Tag-along Notice shall make reference to the Tag-along Members' rights hereunder and shall describe in reasonable detail: (i) the number of Class A Units to be sold by the Selling Member; (ii) the name of the Proposed Transferee; (iii) the purchase price and the other material terms and conditions of the sale, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; (iii) the proposed date, time and location of the closing of the sale; and (iv) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Exercise of Rights. Each Tag-along Member shall exercise its right to participate in a sale of Class A Units by the Selling Member subject to this Section 10.03 by delivering to the Selling Member a written notice (a "**Tag-along Notice**") stating its election to do so and specifying the Class A Units to be sold by it no later than five (5) days after receipt of the Sale Notice (the "**Tag-along Period**"). The offer of each Tag-along Member set forth in a Tag-along Notice shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Member shall be bound and obligated to sell in the proposed sale on the terms and conditions set forth in this Section 10.03. Each Tag-along Member shall have the right to sell in a sale subject to this Section 10.03 the portion of its Class A Units equal to the product obtained by multiplying (x) the number of Class A Units held by the Tag-along Member by (y) a fraction (A) the numerator of which is equal to the number of Class A Units the Selling Member proposes to sell or transfer to the Proposed Transferee and (B) the denominator of which is equal to the number of Class A Units then owned by such Selling Member. The Selling Member shall use its commercially reasonable efforts to include in the proposed sale to the Proposed Transferee all of the Class A Units that the Tag-along Members have requested to have included pursuant to the applicable Tag-along Notices, it being understood that the Proposed Transferee shall not be required to purchase Class A Units in excess of the number set forth in the Sale Notice. In the event the Proposed Transferee elects to purchase less than all of the Class A Units sought to be sold by the Tag-along Members, the percentage of Class A Units to be sold to the Proposed Transferee by the Selling Member and each Tag-along Member shall be reduced so that each such Member is entitled to sell its pro rata portion of the Class A Units the Proposed Transferee elects to purchase (which in no event may be less than the percentage of Class A Units set forth in the Sale Notice). Each Tag-along Member who does not deliver a Tag-along Notice in compliance with Section 10.03(b) above shall be deemed to have waived all of such Tag- along Member's rights to participate in such sale, and the Selling Member shall (subject to the rights of any participating Tag-along Member) thereafter be free to sell to the Proposed Transferee its Class A Units at a price that is no greater than the price set forth in the Sale Notice, and on other same terms and conditions which are not materially more favorable to the Selling Member than those set forth in the Sale Notice, without any further obligation to the non-accepting Tag-along Members.

(d) Consideration. Each Member participating in a sale pursuant to this Section 10.03 shall receive the same consideration per Class A Unit after deduction of such Member's proportionate share of the related expenses in accordance with Section 10.03(e).

(e) Expenses. (b) The sale, exchange, involuntary conversion, or other disposition or Transfer of all or substantially all the assets of the Company; or

(c) The entry of a decree of judicial dissolution under § 18-802 of the Delaware Act.

For the avoidance of doubt, none of the foregoing shall replace, diminish or otherwise adversely affect any Member's right to indemnification pursuant to Section 9.03.

Section 12.06 Recourse for Claims. Each Member shall look solely to the assets of the Company of the related class for all Distributions with respect to the Company, such Member's Capital Account, and such Member's share of Net Income, Net Loss and other items of income, gain, loss and deduction, and shall have no recourse therefor (upon dissolution or otherwise) against the Liquidator or any other Member.

No Person who was involved in, or who contributed to, the creation or development of any Company Intellectual Property, has performed services for the government, university, college, or other educational institution or research center in a manner that would affect Company's rights in the Company Intellectual Property.

(g) For purposes of this Section 2.8, the Company shall be deemed to have knowledge of a patent right if the Company has actual knowledge of the patent right or would be found to be on notice of such patent right as determined by reference to United States patent laws.

2.10 Agreements; Actions.

(a) Except for the Transaction Documents and as set forth in Section 2.10(a) to the Disclosure Schedule, there are no agreements, understandings, instruments, contracts or proposed transactions to which the Company is a party or by which it is bound that involve (i) obligations (contingent or otherwise) of, or payments to, the Company in excess of $500,000, (ii) the license of any patent, copyright, trademark, trade secret or other proprietary right to or from the Company, (iii) the grant of rights to manufacture, produce, assemble, license, market, or sell its products to any other Person that limit the Company's exclusive right to develop, manufacture, assemble, distribute, market or sell its products, or (iv) indemnification by the Company with respect to infringements of proprietary rights.

The Financial Statements have been prepared in accordance with generally accepted accounting principles ("**GAAP**") applied on a consistent basis throughout the periods indicated, except that the unaudited Financial Statements may not contain all footnotes required by GAAP. The Financial Statements fairly present in all material respects the financial condition and operating results of the Company as of the dates, and for the periods, indicated therein, subject in the case of the unaudited Financial Statements to normal year-end audit adjustments. Except as set forth in the Financial Statements, the Company has no material liabilities or obligations, contingent or otherwise, other than (i) liabilities incurred in the ordinary course of business subsequent to December 31, 2022 (the "**Statement Date**"); (ii) obligations under contracts and commitments incurred in the ordinary course of business; and (iii) liabilities and obligations of a type or nature not required under GAAP to be reflected in the Financial Statements, which, in all such cases, individually and in the aggregate would not have a Material Adverse Effect. The Company maintains and will continue to maintain a standard system of accounting established and administered in accordance with GAAP.

2.15 Changes. Since the Statement Date there has not been:

(a) any change in the assets, liabilities, financial condition or operating results of the Company from that reflected in the Financial Statements, except changes in the ordinary course of business that have not caused, in the aggregate, a Material Adverse Effect;

(b) any damage, destruction or loss, whether or not covered by insurance, that would have a Material Adverse Effect;

(c) any waiver or compromise by the Company of a valuable right or of a material debt owed to it;

(d) any satisfaction or discharge of any lien, claim, or encumbrance or payment of any obligation by the Company, except in the ordinary course of business and the satisfaction or discharge of which would not have a Material Adverse Effect;

(e) any material change to a material contract or agreement by which the Company or any of its assets is bound or subject;

(f) any material change in any compensation arrangement or agreement with any employee, officer, director or Member;

(g) any resignation or termination of employment of any officer or Key Employee of the Company;

(h) any mortgage, pledge, transfer of a security interest in, or lien, created by the Company, with respect to any of its material properties or assets, except liens for taxes not yet due or payable and liens that arise in the ordinary course of business and do not materially impair the Company's ownership or use of such property or assets;

(i) any loans or guarantees made by the Company to or for the benefit of its employees, officers or directors, or any members of their immediate families, other than travel advances and other advances made in the ordinary course of its business;

(j) any declaration, setting aside or payment or other distribution in respect of any of the Company's equity securities, or any direct or indirect redemption, purchase, or other acquisition of any of such equity securities by the Company;

(k) any sale, assignment or transfer of any Company Intellectual Property that could reasonably be expected to result in a Material Adverse Effect;

(l) receipt of notice that there has been a loss of, or material order cancellation by, any major customer of the Company;

(m) to the Company's knowledge, any other event or condition of any character that would reasonably be expected to result in a Material Adverse Effect; or

(n) any arrangement or commitment by the Company to do any of the things described in this Section 2.15.

2.16 Employee Matters.

(a) T o the Company's knowledge, none of its employees is obligated under any contract (including licenses, covenants or commitments of any nature) or other agreement, or subject to any judgment, decree or order of any court or administrative agency, that would, to the Company's knowledge, materially interfere with such employee's ability to promote the interest of the Company or that would conflict with the Company's business. Other than as described in Section 2.16(a) of the Disclosure (as applicable) Schedule, neither the execution or delivery of the Transaction Documents, nor the carrying on of the Company's business by the employees of the Company, nor the conduct of the Company's business as now conducted and as presently proposed to be conducted, will, to the Company's knowledge, conflict with or result in a breach of the terms, conditions, or provisions of, or constitute a default under, any contract, covenant or instrument under which any such employee is now obligated.

(b) Other than as described in Section 2.16(b) of the Disclosure Schedule (as applicable), the Company is not delinquent in payments to any of its employees, consultants, or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any service performed for it to the Effective Date or amounts required to be reimbursed to such employees, consultants or independent contractors. The Company has complied in all material respects with all applicable state and federal equal employment opportunity laws and with other laws related to employment, including those related to wages, hours, worker classification and collective bargaining. The Company has withheld and paid to the appropriate governmental entity or is holding for payment not yet due to such governmental entity all amounts required to be withheld from employees of the Company and is not liable for any arrears of wages, taxes, penalties or other sums for failure to comply with any of the foregoing.

(c) To the Company's knowledge, no Key Employee intends to terminate employment with the Company or is otherwise likely to become unavailable to continue as a Key Employee. The Company does not have a present intention to terminate the employment of any of the foregoing. The employment of each employee of the Company is terminable at the will of the Company. Except as set forth in Section 2.16(c) of the Disclosure Schedule or as required by law, upon termination of the employment of any such employees, no severance or other payments will become due. Except as set forth in Section 2.16(c) of the Disclosure Schedule, the Company has no policy, practice, plan or program of paying severance pay or any form of severance compensation in connection with the termination of employment services.

(d) The Company has not made any representations regarding equity incentives to any officer, employee, director or consultant that are inconsistent with the unit amounts and terms set forth in the minutes of meetings of the Company's board of directors.

(e) No Key Employee has been terminated or resigned.

(f) Section 2.16(f) of the Disclosure Schedule sets forth each employee benefit plan maintained, established or sponsored by the Company, or which the Company participates in or contributes to, which is subject to the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"). The Company has made all required contributions and has no liability to any such employee benefit plan, other than liability for health plan continuation coverage described in Part 6 of Title I(B) of ERISA and has complied in all material respects with all applicable laws for any such employee benefit plan.

(g) The Company is not bound by or subject to (and none of its assets or properties is bound by or subject to) any written or oral, express or implied, contract, commitment or arrangement with any labor union, and no labor union has requested or, to the knowledge of the Company, has sought to represent any of the employees, representatives or agents of the Company. There is no strike or other labor dispute involving the Company pending, or to the Company's knowledge, threatened, which could have a Material Adverse Effect, nor is the Company aware of any labor organization activity involving its employees.

2.17 Tax Returns and Payments. There are no federal, state, county, local or foreign taxes due and payable by the Company which have not been timely paid, other than those for which an extension has been filed. There are no accrued and unpaid federal, state, country, local or foreign taxes of the Company which are due, whether or not assessed or disputed. There have been no examinations or audits of any tax returns or reports by any applicable federal, state, local or foreign governmental agency. The Company has duly and timely filed all federal, state, county, local and foreign tax returns required to have been filed by it and there are in effect no waivers of applicable statutes of limitations with respect to taxes for any year.

2.18 Insurance. The Company has in full force and effect insurance policies concerning such casualties as would be reasonable and customary for companies like the Company, with extended coverage sufficient in amount (subject to reasonable deductions) to allow it to replace any of its properties that might be damaged or destroyed.

2.19 Employee Agreements. Each current and former employee, consultant and officer of the Company has executed an agreement with the Company regarding confidentiality and proprietary information substantially in the form or forms made available to the Purchaser (the "**Confidential Information Agreements**"). No current or former Key Employee has excluded works or inventions from his or her assignment of inventions pursuant to such Key Employee's Confidential Information Agreement. Each current and former Key Employee has executed a non-competition (if in a state where non-competition agreements are enforceable) and non-solicitation agreement substantially in the form or forms made available to the Purchaser. To the Company's knowledge, none of its Key Employees is in violation of any agreement covered by this Section 2.19.

2.20 Permits. The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business, the lack of which would reasonably be expected to have a Material Adverse Effect. The Company is not in default in any material respect under any of such franchises, permits, licenses or other similar authority.

2.21 **Constitutional Documents**. The constitutional documents of the Company are in the forms made available to the Purchaser. The copy of the minute books of the Company made available to the Purchaser contains minutes of all meetings of Directors and Members and all actions by written consent without a meeting by the Directors and Members since the date of formation and accurately reflects in all material respects all actions by the Directors (and any committee of Directors) and Members with respect to all transactions approved thereby.

2.22 **Real Property Holding Corporation**. The Company is not now and has never been a "United States real property holding corporation" as defined in the Code and any applicable regulations promulgated thereunder. The Company has filed with the Internal Revenue Service all statements, if any, with its United States income tax returns which are required under such regulations.

2.23 **Environmental and Safety Laws**. Except as would not reasonably be expected to have a Material Adverse Effect: (a) the Company is and has been in compliance with all Environmental Laws; (b) there has been no release or threatened release of any pollutant, contaminant or toxic or hazardous material, substance or waste or petroleum or any fraction thereof (each a "**Hazardous Substance**"), on, upon, into or from any site currently or heretofore owned, leased or otherwise used by the Company; (c) there have been no Hazardous Substances generated by the Company that have been disposed of or come to rest at any site that has been included in any published U.S. federal, state or local "superfund" site list or any other similar list of hazardous or toxic waste sites published by any governmental authority in the United States; and (d) there are no underground storage tanks located on, no polychlorinated biphenyls ("**PCBs**") or PCB-containing equipment used or stored on, and no hazardous waste as defined by the Resource Conservation and Recovery Act, as amended, stored on, any site owned or operated by the Company, except for the storage of hazardous waste in compliance with Environmental Laws. The Company has made available to the Purchaser true and complete copies of all material environmental records, reports, notifications, certificates of need, permits, pending permit applications, correspondence, engineering studies and environmental studies or assessments. For purposes of this Section 2.23, "**Environmental Laws**" means any law, regulation, or other applicable requirement relating to (a) releases or threatened release of Hazardous Substance; (b) pollution or protection of employee health or safety, public health or the environment; or (c) the manufacture, handling, transport, use, treatment, storage, or disposal of Hazardous Substances.

2.24 **Disclosure**. The Company has made available to the Purchaser all the information reasonably available to the Company that the Purchaser has requested for deciding whether to acquire the Units. No representation or warranty of the Company contained in this Agreement, as qualified by the Disclosure Schedule, and no certificate furnished or to be furnished to Purchaser at the Closing contains any untrue statement of a material fact or, to the Company's knowledge, omits to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances under which they were made. It is understood that this representation is qualified by the fact that the Company has not delivered to the Purchaser, and has not been requested to deliver, a private placement or similar memorandum or any written disclosure of the types of information customarily furnished to purchasers of securities.

2.25 Foreign Corrupt Practices Act. Neither the Company nor any of its Subsidiaries nor any of their respective directors, officers, employees or agents have, directly or indirectly, made, offered, promised or authorized any payment or gift of any money or anything of value to or for the benefit of any "foreign official" (as such term is defined in the U.S. Foreign Corrupt Practices Act of 1977, as amended (the "**FCPA**")), foreign political party or official thereof or candidate for foreign political office for the purpose of (i) influencing any official act or decision of such official, party or candidate, (ii) inducing such official, party or candidate to use his, her or its influence to affect any act or decision of a foreign governmental authority, or (iii) securing any improper advantage, in the case of (i), (ii) and (iii) above in order to assist the Company or any of its affiliates in obtaining or retaining business for or with, or directing business to, any person. Neither the Company nor any of its Subsidiaries nor any of their respective directors, officers, employees or agents have made or authorized any bribe, rebate, payoff, influence payment, kickback or other unlawful payment of funds or received or retained any funds in violation of any law, rule or regulation. The Company further represents that it has maintained, and has caused each of its Subsidiaries and affiliates to maintain, systems of internal controls (including, but not limited to, accounting systems, purchasing systems and billing systems) and written policies to ensure compliance with the FCPA or any other applicable anti-bribery or anti-corruption law, and to ensure that all books and records of the Company and its Subsidiaries accurately and fairly reflect, in reasonable detail, all transactions and dispositions of funds and assets. Neither the Company nor, to the Company's knowledge, any of its officers, directors or employees are the subject of any allegation, voluntary disclosure, investigation, prosecution or other enforcement action related to the FCPA or any other anti-corruption law (collectively, "**Enforcement Action**").

2.26 Data Privacy. In connection with its collection, storage, transfer (including, without limitation, any transfer across national borders) and/or use of any personally identifiable information from any individuals, including, without limitation, any customers, prospective customers, employees and/or other third parties (collectively "**Personal Information**"), the Company is and has been, to the Company's knowledge, in compliance with all applicable laws in all relevant jurisdictions, the Company's privacy policies and the requirements of any contract or codes of conduct to which the Company is a party. The Company has commercially reasonable physical, technical, organizational and administrative security measures and policies in place to protect all Personal Information collected by it or on its behalf from and against unauthorized access, use and/or disclosure. To the extent the Company maintains or transmits protected health information, as defined under 45 C.F.R. § 160.103, the Company is in compliance with the applicable requirements of the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act, including all rules and regulations promulgated thereunder. 2.27 Export Control Laws. The Company has conducted all export transactions in accordance with applicable provisions of United States export control laws and regulations, including the Export Administration Regulations, the International Traffic in Arms Regulations, the regulations administered by the Office of Foreign Assets Control of the U.S. Treasury Department, and the export control laws and regulations of any other applicable jurisdiction. Without limiting the foregoing: (a) the Company has obtained all export licenses and other approvals, timely filed all required filings and has assigned the appropriate export classifications to all products, in each case as required for its exports of products, software and technologies from the United States and any other applicable jurisdiction; (b) the Company is in compliance with the terms of all applicable export licenses, classifications, filing requirements or other approvals; (c) there are no pending or, to the knowledge of the Company, threatened claims against the Company with respect to such exports, classifications, required filings or other approvals; (d) there are no pending investigations related to the Company's exports; and (e) there are no actions, conditions, or circumstances pertaining to the Company's export transactions that would reasonably be expected to give rise to any material future claims.

3. Representations and Warranties of the Purchaser. As a material inducement to the Company to enter into this Agreement and to perform its obligations hereunder, the Purchaser hereby represents and warrants to the Company that:

3.1 Authorization. The Purchaser has full power and authority to enter into the Transaction Documents. The Transaction Documents to which the Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and any other laws of general application affecting enforcement of creditors' rights generally, and as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3.2 Purchase Entirely for Own Account. This Agreement is made with the Purchaser in reliance upon the Purchaser's representation to the Company, which by the Purchaser's execution of this Agreement, the Purchaser hereby confirms, that the Units to be acquired by the Purchaser will be acquired for investment for the Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, the Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Units. The Purchaser has not been formed for the specific purpose of acquiring the Units.

3.3 No Violation. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not with or without the giving of notice or the lapse of time or both (A) violate any provision of law, statute, rule or regulation to which the Purchaser is subject, (B) violate any order, judgment or decree applicable to it, or (C) conflict with or result in a breach or default under any term or condition of its applicable governing instruments or any agreement or other instrument to which the Purchaser is a party or by which it is bound.

3.4 Admission to the Company. As set forth in the LLC Agreement, the Purchaser acknowledges and understands that the Purchaser will not be admitted to the Company as a Member or be issued the Units purchased hereunder until, among other applicable conditions, the date of the receipt by the Company of a complete set of required agreements and payment for the issuance of the applicable Units, including receipt of contributed PureCycle Common Stock that may be subject to the Lock-Up Agreement (if Purchaser chooses to make payment with those PureCycle Common Stock).

3.5 Disclosure of Information. The Purchaser has had an opportunity to discuss the Company's business, management, financial affairs and the terms and conditions of the offering of the Units with the Company's management and has had an opportunity to review the Company's facilities. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of the Purchaser to rely thereon.

3.6 Restricted Securities. The Purchaser understands that the Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. The Purchaser understands that the Units are "restricted securities" under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Purchaser must hold the Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The Purchaser acknowledges that the Company has no obligation to register or qualify the Units, or any other securities that may be held by Purchaser, for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Units, and on requirements relating to the Company which are outside of the Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.7 **No Public Market**. The Purchaser understands that no public market now exists for the Units, and that the Company has made no assurances that a public market will ever exist for the Units.

3.8 **Legends**. The Purchaser understands that the Units and any securities issued in respect of or exchange for the Units, may be notated with one or all of the following legends:

"THE UNITS REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. THE UNITS MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER SUCH ACT AND LAWS, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER."

(a) Any legend set forth in, or required by, the other Transaction Documents.

(b) Any legend required by the securities laws of any state to the extent such laws are applicable to the Units represented by the certificate, instrument, or book entry so legended.

3.9 **Accredited Investor**. The Purchaser is an "accredited investor" as defined in Exhibit D and Rule 501(a) of Regulation D promulgated under the Securities Act (an "Accredited Investor"). The Purchaser has authorized and directed a third-party registered broker-dealer, investment adviser registered with the Securities and Exchange Commission, licensed attorney, or certified public accountant, to furnish the Company with written confirmation from such third-party that it has taken reasonable steps to verify that the Purchaser is an Accredited Investor within the prior three (3) months. Any information that has been furnished or that will be furnished by the Purchaser to evidence its status as an Accredited Investor is accurate and complete, and does not contain any misrepresentation or material omission. The Purchaser agrees to furnish any additional information requested by the Company or any of its affiliates to assure compliance with applicable U.S. federal and state securities laws in connection with the purchase and sale of the Units.

3.10 **Foreign Investors**. If the Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), the Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Units or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Units, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Units. The Purchaser's subscription and payment for and continued beneficial ownership of the Units will not violate any applicable securities or other laws of the Purchaser's jurisdiction.

3.11 **Information and Sophistication**. Without lessening or obviating the representations and warranties of the Company set forth in Section 2, the Purchaser hereby: (i) acknowledges that it has been given access to and an opportunity to examine such documents, materials, and information concerning the Company as Purchaser deems to be necessary or advisable in order to reach an informed decision as to an investment in the Company, to the extent that the Company possesses such information, that it has carefully reviewed and understands all such documents, materials, and information, and that it has had answered to Purchaser's full satisfaction any and all questions regarding all such documents, materials, and information, (ii) represents that it has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Units and to obtain any additional information necessary to verify the accuracy of the information given the Purchaser and (iii) further represents that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risk of this investment.

3.12 **Ability to Bear Economic Risk**. The Purchaser acknowledges that investment in the Units involves a high degree of risk, and represents that it is able, without materially impairing its financial condition, to hold the Units for an indefinite period of time and to suffer a complete loss of its investment.

3.13 **Residence**. The office or offices of the Purchaser in which its principal place of business is identified in the address or addresses of the Purchaser set forth on the Purchaser's signature page to this Agreement.

3.14 **Counsel.** The Purchaser understands that Vedder Price P.C. ("**Vedder Price**") has been engaged as legal counsel by the Company to represent it and its affiliates in connection with the offering of Units. The Purchaser also understands that no separate counsel has been engaged to independently represent Purchasers in connection with the offering of Interests. The Purchaser understands that other counsel may also be retained where the Company determines that to be appropriate. The Purchaser understands that, in advising the Company with respect to the offering of the Units, Vedder Price has relied upon information that has been furnished to it by the Company and its affiliates, and has not independently investigated or verified the accuracy or completeness of the information relating to the offering of the Units. In addition, the Purchaser understands that Vedder Price does not monitor the compliance of the Company with the terms of the LLC Agreement or applicable laws.

4. **Conditions to the Purchaser's Obligations at Closing**. The obligations of the Purchaser to purchase Units at the Closing are subject to the fulfillment, on or before the Closing, of each of the following conditions and deliverables, unless otherwise waived:

4.6 **Proceedings and Documents**. All proceedings in connection with the transactions contemplated at the Closing and all documents incident thereto shall be reasonably satisfactory in form and substance to the Purchaser, and the Purchaser (or its counsel) shall have received all such counterpart original and certified or other copies of such documents as reasonably requested. Such documents may include good standing certificates.

4.7 **Preemptive Rights**. The Company shall have fully satisfied (including with respect to rights of timely notification) or obtained enforceable waivers in respect of any preemptive or similar rights directly or indirectly affecting any of its securities.

5. **Conditions of the Company's Obligations at Closing**. The obligations of the Company to sell Units to the Purchaser at the Closing are subject to the fulfillment, on or before the Closing, of each of the following conditions and deliverables, unless otherwise waived:

Each Purchaser agrees to indemnify and to hold harmless the Company from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which such Purchaser or any of its officers, employees or representatives is responsible.

ARTICLE III

DISTRIBUTIONS

SECTION 3.1. Tax Distributions. If the Board expects that the LLC will have Adjusted Taxable Operating Income as of the end of any Tax Estimation Period, then the Board will (to the extent that funds are legally available therefor) cause the LLC to make distributions to each Member on or before the 15th day after the end of the each Tax Estimation Period of an amount of cash (to the extent there is cash legally available for distribution therefor) as is equal to the Board's estimate of the increase in Adjusted Taxable Operating Income allocable to each such Member during such Tax Estimation Period pursuant to Section 4.1 (and Exhibit C, if applicable) below, multiplied by the Combined Effective Marginal Tax Rate. Additionally, in the event that the Board determines the aggregate amount of distributions made to the Members under this Section 3.1 in respect of a calendar year is less than the product of (i) the aggregate Adjusted Taxable Income allocated to the Members in respect of all Tax Estimation Periods during that calendar year multiplied by (ii) the Combined Effective Marginal Tax Rate for the last Tax Estimation Period during that calendar year, then the Board may cause the LLC (to the extent there is cash available for distribution therefor) to distribute to the Members cash in an amount equal to such shortfall within sixty (60) days after the end of that calendar year; provided, if the amount that was so distributed for that calendar year is greater than that product, the excess shall be carried forward and treated as an advance against (and reduce correspondingly) the next amounts otherwise distributable under this Section 3.1 for future Tax Estimation Periods. Tax distributions made pursuant to this Section 3.1 shall not affect the amounts of Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital or Class B Preferred Capital outstanding.

SECTION 3.2. Other Distributions. Except as otherwise set forth in Section 3.1, the Board may (but shall not be obligated to, unless otherwise required elsewhere in this Agreement) cause the LLC to make distributions at such time, in such amounts and in such form (including in-kind property) as determined by the Board; provided that all such distributions (whether in cash or other property) shall be made only in the following order and priority:

(a) first, to the holders of the Class D Preferred Units (ratably among such holders based upon the relative aggregate Unpaid Class D Preferred Return with respect to all outstanding Class D Preferred Units held by each such holder immediately prior to such distribution) until the aggregate Unpaid Class D Preferred Return with respect to each such holder's Class D Preferred Units has been reduced to zero ($0);

(b) second, to the holders of the Class D Preferred Units (ratably among such holders based upon the relative aggregate Unreturned Class D Preferred Capital with respect to all Class D Preferred Units held by each such holder immediately prior to such distribution) until the aggregate Unreturned Class D Preferred Capital with respect to each such holder's Class D Preferred Units has been reduced to zero ($0);

(c) third, to the holders of the Class B-2 Preferred Units, Class B-1 Preferred Units and Class B Preferred Units (ratably among such holders based upon the relative (x) aggregate Unpaid Class B-2 Preferred Return with respect to all outstanding Class B-2 Preferred Units held by each such holder immediately prior to such distribution (y) aggregate Unpaid Class B-1 Preferred Return with respect to all outstanding Class B-1 Preferred Units held by each such holder immediately prior to such distribution, (z) the aggregate Unpaid Class B Preferred Return with respect to all outstanding Class B Preferred Units held by each such holder immediately prior to such distribution) until the aggregate Unpaid Class B-2 Preferred Return, Unpaid Class B-1 Preferred Return and Unpaid Class B Preferred Return with respect to each such holder's Class B-2 Preferred Units, Class B-1 Preferred Units and/or Class B Preferred Units has been reduced to zero ($0);

(d) fourth, to the holders of the Class B-2 Preferred Units, Class B-1 Preferred Units and Class B Preferred Units (ratably among such holders based upon the relative (x) aggregate Unreturned Class B-2 Preferred Capital with respect to all Class B-2 Preferred Units held by each such holder immediately prior to such distribution, (y) aggregate Unreturned Class B-1 Preferred Capital with respect to all Class B-1 Preferred Units held by each such holder immediately prior to such distribution and (z) the aggregate Unreturned Class B Preferred Capital with respect to all Class B Preferred Units held by each such holder immediately prior to such distribution) until the aggregate Unreturned Class B-2 Preferred Capital, aggregate Unreturned Class B-1 Preferred Capital and aggregate Unreturned Class B Preferred Capital with respect to each such holder's Class B-2 Preferred Units, Class B-1 Preferred Units and Class B Preferred Units has been reduced to zero ($0); and

(e) fifth, to all of the Members in proportion to their Sharing Percentages, subject to Section 3.3.

Except as set forth in Section 3.1, without the consent of the holders of: (w) a majority of the Class D Preferred Units, (x) a majority of the Class B-2 Preferred Units, (y) a majority of the Class B-1 Preferred Units and (z) a majority of the Class B Preferred Units, then outstanding, in no event, so long as any Class D Preferred Units, Class B-2 Preferred Units, Class B-1 Preferred Units and Class B Preferred Units remain outstanding, shall any distributions be made upon any Class A Units or Class C Units, shall any Units be purchased or redeemed by the LLC, nor shall any monies be paid to or made available for a sinking fund for the purchase or redemption of any Units, unless all Unpaid Class D Preferred Return and Unreturned Class D Preferred Capital on the Class D Preferred Units, all Unpaid Class B-2 Preferred Return and Unreturned Class B-2 Preferred Capital on the Class B- 2 Preferred Units, all Unpaid Class B-1 Preferred Return and Unreturned Class B-1 Preferred Capital on the Class B-1 Preferred Units, and all Unpaid Class B Preferred Return and Unreturned Class B Preferred Capital on the Class B Preferred Units shall have been paid; provided that, (A) the Board may repurchase Units from former employees, officers, directors, consultants or other Persons who performed services for the LLC or any Subsidiary in connection with the cessation of such employment or service at the lower of the original purchase price or the then-current fair market value thereof; and (B) the LLC, with the consent of an aggregate of 70% of the holders of the Voting Units (which vote will exclude any Member to the extent the applicable vote is in regards to the repurchase of such Member's Units), may repurchase or redeem Units (i) owned by other employees, consultants, agents, brokers, officers or directors of the LLC and (ii) as may be required pursuant to any agreement between the LLC and its Members.

SECTION 3.3. Distribution Threshold. Upon the issuance of any Class C Units or any other Units that the LLC issued as "profits interests" for U.S. federal income tax purposes (a "***Distribution Threshold Unit***"), the Board shall specify the Distribution Threshold, if any, applicable to such Units and enter it into the LLC's records. The "***Distribution Threshold***" for any such Unit shall be equal to the amount determined by the Board in its discretion to be necessary to cause such Unit to constitute a "profits interest" for U.S. federal income tax purposes. Notwithstanding any provision of this Agreement to the contrary, in no event will the LLC make any distributions under Section 3.2 in respect of a Distribution Threshold Unit unless and until the LLC has already made aggregate distributions underSection 3.2 on each other Unit that is not a Distribution Threshold Unit equal to the Distribution Threshold of such Distribution Threshold Unit, taking into account only distributions thereunder since the date of issuance of such Distribution Threshold Unit, and thereafter such Distribution Threshold Unit shall be entitled only to its Sharing Percentage of excess distributions over and above its Distribution Threshold.

SECTION 3.4. Withholding. In the event any federal, foreign, state or local jurisdiction requires the LLC to withhold taxes or other amounts (or to file a return and pay taxes) with respect to any Member's allocable share of Profits, taxable income or any portion thereof, or with respect to distributions, the LLC shall withhold from distributions or other amounts then due to such Member an amount necessary to satisfy such responsibility and shall pay any amounts withheld to the appropriate taxing authorities. In such a case, for purposes of this Agreement the Member for whom the LLC has paid the withholding or other tax shall be deemed to have received the withheld distribution or other amount due and to have paid the withholding or other tax directly and such Member's share of cash distributions or other amounts due shall be reduced by a corresponding amount. If it is anticipated that at the due date of the LLC's withholding obligation the Member's share of cash distributions or other amounts due is less than the amount of the withholding or other tax obligation for the Member, the Member with respect to which the withholding or other tax obligation applies shall pay to the LLC the amount of such shortfall within thirty (30) days after notice by the LLC. In the event a Member fails to make the required payment when due hereunder, and the LLC nevertheless pays the withholding or other tax obligation, in addition to the LLC's remedies for breach of this Agreement, the amount paid shall be deemed a recourse loan from the LLC to such Member bearing interest at the Default Rate, and the LLC shall apply all distributions or payments that would otherwise be made to such Member toward payment of the loan and interest, which payments or distributions shall be applied first to interest and then to principal until the loan is repaid in full.

ARTICLE IV

ALLOCATIONS

SECTION 4.1. Allocation of Profits and Losses. Except as provided in the Regulatory Allocations Exhibit, for each Fiscal Year (or portion thereof), except as otherwise provided in this Agreement, Profits and Losses (and, to the extent necessary, individual items of income, gain, loss or deduction) of the LLC shall be allocated among the Members in a manner such that, after giving effect to the Regulatory Allocations Exhibit, the Capital Account balance of each Member, immediately after making such allocations, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 9.3 if the LLC were dissolved, its affairs wound up and its assets sold for cash equal to their book value, all LLC liabilities were satisfied (limited with respect to each Nonrecourse Liability to the book value of the assets securing such liability), and the net assets of the LLC were distributed, in accordance with Section 9.3, to the Members immediately after making such allocations, minus (ii) such Member's share of LLC Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets.

SECTION 4.2. Code Section 704(c) Tax Allocations. Income, gain, loss, and deduction with respect to any Section 704(c) Property shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the LLC for federal income tax purposes and its initial Agreed Value pursuant to any allowable method under Code § 704(c) and the Treasury Regulations promulgated thereunder. Any elections or decisions relating to allocations under this Section 4.2 shall be determined by the Board. Allocations pursuant to this Section 4.3 are solely for purposes of federal, state, and local taxes and shall not be taken into account in computing any Member's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement; provided, further, any allocation under Treasury Regulation Section 1.704-3 with respect to Section 704(c) Property shall be disregarded in determining the Adjusted Taxable Income allocated to the Members for purposes of computing distributions pursuant to Section 3.1.

SECTION 4.3. Other Allocation Matters.

(a) ***Allocations Attributable to Particular Periods.*** For purposes of determining Profits, Losses or any other items allocable to any period, such items shall be determined on a daily, monthly, or other basis, as determined by the Board using any permissible method under Code § 706 and the Treasury Regulations thereunder.

(b) ***Other Items.*** Except as otherwise provided in this Agreement, all items of LLC income, gain, loss, deduction, credit and any other allocations not otherwise provided for shall be divided among the Members in the same proportion as they share Profits or Losses, as the case may be, for the year.

(c) ***Tax Consequences; Consistent Reporting.*** The Members are aware of the income tax consequences of the allocations made by this Article and by the Regulatory Allocations and hereby agree to be bound by those allocations as reflected on the information returns of the LLC in reporting their shares of LLC income and loss for income tax purposes. Each Member agrees to report his distributive share of LLC items of income, gain, loss, deduction and credit on his separate return in a manner consistent with the reporting of such items to it by the LLC. Any Member failing to report consistently shall notify the Internal Revenue Service of the inconsistency as required by law and shall reimburse the LLC for any legal and accounting fees incurred by the LLC in connection with any examination of the LLC by federal or state taxing authorities with respect to the year for which the Member failed to report consistently.

(d) ***Forfeiture Allocations.*** If any unvested Class C Unit is forfeited, the LLC shall make forfeiture allocations with respect to such Unit in accordance with Proposed Regulation §1.704-1(b)(4)(xii) or such other official guidance as shall be applicable.

ARTICLE V

MANAGEMENT

SECTION 5.1. Management by the Board.

(a) ***General Authority of the Board; Size and Composition.***

(i) The Board shall have complete authority and exclusive control over the management of the business and affairs of the LLC, which authority may be delegated in part as provided in Section 5.1(b). Unless this Agreement or the Act expressly requires the approval of one or more Members, the Board may take any action without the approval of any Member. The Board shall have all the rights and powers which may be possessed by a group of Managers under the Act and this Agreement and all additional rights and powers as are otherwise conferred by law or which are necessary, proper, advisable or convenient to the discharge of its duties and obligations under this Agreement. The total number of Directors shall be seven (7) or such larger number as may be approved by the Board. As of the date of this Agreement, Michael Otworth, Richard Brenner, James O. Donnally, Greg Wasson, Michael Balkin, Gregory W. Haskell and Andrew Meyer are the Directors of the LLC.

(ii) Each Director shall serve until his or her successor is duly appointed by the holders of a majority the Voting Units (voting as a single class), or until such Director's earlier death, resignation or removal. Any vacancy on the Board shall be filled by the holders of a majority the Voting Units (voting as a single class).

(iii) The provisions of subsections (ii) and (ii) above shall automatically terminate upon the consummation of a Qualified IPO or a Change of Control Transaction.

(iv) The LLC shall reimburse Directors for reasonable travel expenses incurred in attending Board meetings.

(b) ***Delegation of Authority to Officers.*** To the extent that the Board determines that it is reasonably necessary for the orderly and timely administration of the business and affairs of the LLC, it may from time to time delegate a portion of its power and authority to one or more Persons who may, but need not, be Members by written resolution of the Board, which resolution shall specify the nature, extent and duration of the Board's delegation and identify the Person or Persons, by name or by title or by position to whom such power and authority is delegated. The Board shall also have the authority to determine the titles of Persons who perform services for the LLC and to require the use of such titles when such Persons identify themselves to others as associated with the LLC, which titles may include president, chairman, chief executive officer, director, manager, vice president, treasurer or such other titles as the Board may determine, and to remove any such Person at any time for any reason. Andrew Meyer is the LLC's current Chief Executive Officer.

(c) ***Special Meetings.*** Special meetings of the Board may be held at any time or place whenever called by the Chief Executive Officer of the LLC, or by written request of any Director, notice thereof being given to each Director by the Secretary of the LLC or other Person calling the meeting. Notwithstanding the foregoing, meetings may be held at any time without formal notice provided all of the Directors are present or those not present shall at any time waive or have waived notice thereof. The LLC shall use its best efforts to hold a Board meeting no less frequently than each calendar quarter.

(d) ***Notice***. Except as otherwise specifically provided herein, notice of any special meetings shall be given at least three (3) days previous thereto by written notice delivered personally, by facsimile transmission, by electronic mail or by mail. If given by mail, such notice shall be deemed to be delivered three (3) days after being delivered to the postal service.

(e) ***Meetings by any Form of Communication.*** The Board shall have the power to permit any and all Directors to participate in a regular or special meeting by or conduct the meeting through the use of any means of communication by which all Directors participating may simultaneously hear each other during the meeting. A Director participating in a meeting by this means is deemed to be present in person at the meeting.

(f) ***Quorum***. A majority of the Directors then serving shall constitute a quorum for the transaction of business by the Board, but a lesser number may adjourn any meeting and the meeting may be held as adjourned without further notice. When a quorum is present at any meeting of Directors, a majority of the Directors present thereat shall decide any question brought before such meeting, except as otherwise provided by law or by this Agreement. The fact that a Director has an interest in a matter to be voted on by the meeting shall not prevent the votes of such Director from being counted for purposes of a quorum.

(g) ***Action by Written Consent of Directors.*** Any action required to be taken at a meeting of the Board, or any other action which may be taken at a meeting of the Board, may be taken without a meeting if a majority of the Directors consent to taking such action without a meeting. The action must be evidenced by one or more written consents describing the action taken, signed by each approving Director, and shall be filed with the LLC records reflecting the action taken.

(h) ***Board Observation Rights***. (i) The Board may, by written agreement and on the terms and conditions set forth therein, permit one or more Persons to have the right to appoint a representative who shall: (a) receive written notice of all meetings (both regular and special) of the Board and each committee of the Board (such notice to be delivered or mailed at the same time as notice is given to the members of the Board and/or committee); (b) be entitled to attend (or, in the case of telephone meetings, monitor) all such meetings; (c) receive all notices, information and reports which are furnished to the members of the Board and/or committee; (d) be entitled to participate in all discussions conducted at such meetings and (e) receive as soon as available (but in any event prior to the next succeeding board meeting) copies of the minutes of all such meetings. If any action is proposed to be taken by the Board and/or committee by written consent in lieu of a meeting, the LLC will use reasonable efforts to give written notice thereof to such representatives. The LLC will furnish such representatives with a copy of each such written consent within a reasonable amount of time after it has been signed by its last signatory. Such representatives shall not constitute members of the Board and/or committee and shall not be entitled to vote on any matters presented at meetings of the Board and/or committee or to consent to any matter as to which the consent of the Board and/or committee shall have been requested. Notwithstanding anything to the contrary in this Section 5.1(h)(i), any such representative must first agree in writing to hold in confidence all LLC information to be so provided unless such confidential information (a) is known or becomes known to the public in general (other than as a result of a breach of this Section 5.1(h)(i) by such Member), (b) is or has been independently developed or conceived by such Member without use of the LLC's confidential information, or (c) is or has been made known or disclosed to such Member by a third party without any obligation of confidentiality; provided, however, that a Member may disclose confidential information (w) to its attorneys, accountants, consultants, and other professionals to the extent reasonably necessary to obtain their services in connection with monitoring its investment in the Company; (x) to any prospective purchaser of any Units or Interest from such Member, if such prospective purchaser agrees to be bound by the provisions of this Section 5.1(h)(i); (y) to any existing or prospective Affiliate, partner, member, stockholder, or wholly owned subsidiary of such Member in the ordinary course of business, provided that such Member informs such Person that such information is confidential and directs such Person to maintain the confidentiality of such information; or (z) as may otherwise be required by law, regulation, rule, court order or subpoena, provided that such Member promptly notifies the Company of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure. Further notwithstanding anything to the contrary in this Section 5.1(h)(i), the LLC reserves the right to withhold any information and to exclude such representative from any meeting or portion thereof if the Board determines, in its sole discretion, that access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the LLC and its counsel or result in disclosure of trade secrets or a conflict of interest.

(i) Notwithstanding anything in this Agreement to the contrary, and in lieu of Section 5.1(h)(i), Innventus Fund, shall be entitled to a non-voting Board observer as provided in this Section 5.1(h)(ii). As long as Innventus Fund owns an aggregate of at least 500,000 combined Class B-1 Units and Class B-2 Units (as may be adjusted for splits or recapitalizations from time to time), the Company shall invite a representative of Innventus Fund to attend all meetings of the Board in a nonvoting observer capacity and, in this respect, shall give such representative copies of all notices, minutes, consents, and other materials that it provides to its directors at substantially the same time as provided to such directors; provided, however, that such representative shall agree to hold in confidence all information so provided in accordance with Section 5.1 of this Agreement; and provided further, that the Company reserves the right to withhold any information and to exclude such representative from any meeting or portion thereof if access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel or result in disclosure of trade secrets or a conflict of interest.

(i) ***Annual Operating Budget.*** At least thirty (30) days prior to the beginning of each annual period of each Fiscal Year, the Chief Executive Officer shall prepare and submit to the Board for its approval an annual operating budget for the LLC prepared on a monthly basis for such annual period, including without limitation the reimbursements for such period (as described in below), out-of-pocket expenses payable to third parties with respect to the operations of the LLC, and out-of-pocket expenses incurred in connection with the investigation and negotiation of potential investment opportunities. Specifically, the LLC shall reimburse Innventure for certain managerial support, administrative and bookkeeping services to the LLC, based on the actual cost and expense allocated for such items by Innventure personnel.

SECTION 5.2. Restrictions on Authority of Board.

(a) ***Approval of Supermajority of Voting Members Required.*** The approval (at a meeting or given by written consent) of the Voting Members holding at least seventy percent (70%) of the Voting Units outstanding shall be required to:

(i) issue any New Securities (other than Excluded New Securities);

(ii) alter, change or modify the rights, preferences, or privileges of the Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital, the Class B Preferred Capital, or any Units so as to adversely affect the rights of the holders thereof;

(iii) engage in any transaction with any Member (or Affiliate of a Member) unless such transaction is approved by the majority of the disinterested Directors or expressly contemplated by this Agreement;

(iv) redeem, repurchase or otherwise acquire any interest, except as expressly permitted by this Agreement or the terms of an equity incentive plan or grant, any employment agreements or consulting agreements;

(v) amend this Agreement or the Certificate of Formation;

(vi) grant a security interest in any material portion of the LLC's assets or intellectual property;

(vii) cause the LLC to undertake a Corporate Conversion pursuant to Section 7.7 hereof;

(viii) cause the LLC to merge, consolidate, or otherwise combine with or into any other Person, or convert into another type of entity, or cause any Person to merge, consolidate or combine with or into the LLC, except for a Corporate Conversion or the merger, consolidation or combination of any Person, all of the equity interests of which are owned by the LLC;

(ix) extend the term of the LLC pursuant to Section 1.5 hereof;

(x) cause the LLC to be dissolved or liquidated;

(xi) cause the LLC to engage in a Change of Control Transaction;

(xii) engage in any material change from the Business contemplated to be conducted by the LLC;

(xiii) consent to an Event of Bankruptcy with respect to the LLC;

(xiv) incur any indebtedness in excess of $250,000, except as set forth in a business plan approved by the Board or the refinancing of previously approved indebtedness;

(xv) possess any property or assign, transfer, or pledge the rights of the LLC in assets of the LLC, for other than an LLC purpose;

(xvi) employ, or permit to be employed, the funds, assets, employees or other resources of the LLC in any manner except for the benefit of the LLC; or

(xvii) commingle the LLC's funds with the funds of any other Person or entity; provided, however, that the Members agree that the LLC may continue to perform its obligations pursuant to any properly approved arm's length intercompany agreement in effect as of the Effective Date as between the LLC and any of the following entities: Innventure1, LLC and Innventure.

(b) ***Approval of Members Holding Class D Preferred Units, Class B-2 Preferred Units and Class B- 1 Preferred Units***. For so long as any Class D Preferred Units remain outstanding, consent of the Members holding a majority of the then-outstanding Class D Preferred Units shall be required for any action, whether directly or through any merger, recapitalization or similar event, that (i) alters or changes the rights, preferences or privileges of the Class D Preferred Units, (ii) increases or decreases the authorized number of Class D Preferred Units, or (iii) results in the redemption or repurchase of any Unit (other than pursuant to equity incentive agreements with Service Members giving the LLC the right to repurchase Class C Units upon the termination of services). For so long as any Class B-2 Preferred Units remain outstanding, consent of the Members holding a majority of the then-outstanding Class B-2 Preferred Units shall be required for any action, whether directly or through any merger, recapitalization or similar event, that (i) alters or changes the rights, preferences or privileges of the Class B-2 Preferred Units, (ii) increases or decreases the authorized number of Class B-2 Preferred Units, or (iii) results in the redemption or repurchase of any Unit (other than pursuant to equity incentive agreements with Service Members giving the LLC the right to repurchase Class C Units upon the termination of services). For so long as any Class B- 1 Preferred Units remain outstanding, consent of the Members holding a majority of the then-outstanding Class B- 1 Preferred Units shall be required for any action, whether directly or through any merger, recapitalization or similar event, that (i) alters or changes the rights, preferences or privileges of the Class B-1 Preferred Units, (ii) increases or decreases the authorized number of Class B-1 Preferred Units, or (iii) results in the redemption or repurchase of any Unit (other than pursuant to equity incentive agreements with Service Members giving the LLC the right to repurchase Class C Units upon the termination of services). In addition, the Company shall make the election provided for under Section 754 of the Code if requested by Innventus Fund.

SECTION 5.3 Limitation of Liability.

(a) Notwithstanding any provision of this Agreement, common law or the Act, no Director, Officer or Member (including the Tax Matters Member) (the "***Covered Persons***") shall be liable to the Members or to the LLC for any loss suffered which arises out of an act or omission of such Covered Person, if, in good faith, it was determined by such Persons that such act or omission was in the best interests of the LLC and such act or omission did not constitute willful misconduct, gross negligence or fraud. The Covered Persons shall be indemnified by the LLC against any and all claims, demands and losses whatsoever if: (i) the indemnitee conducted himself in good faith; and (ii) reasonably believed (x) in the case of conduct in its official capacity with the LLC, that its conduct was in the LLC's best interests and (y) in all other cases, that its conduct was at least not opposed to the LLC's best interests; and (iii) in the case of any criminal proceeding, such Person had no reasonable cause to believe its conduct was unlawful. The payment of any amounts for indemnification shall be made before any distributions are made by the LLC. No Member shall have any obligation to provide funds for any indemnification obligation hereunder. To the fullest extent permitted by law, the indemnification and advances provided for herein shall include expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement. The indemnification provided herein shall not be deemed to limit the right of the LLC to indemnify any other Person for any such expenses (including attorneys' fees), judgments, fines and amounts paid in settlement to the fullest extent permitted by law, both as to action in its official capacity and as to action in another capacity while holding such office. In the event the LLC has applicable insurance coverage, the scope of the indemnity shall not be less than the scope of such coverage subject to the limitations, exclusions, deductibility and similar restrictions set forth in the policy to the extent of the policy limits. The LLC will use commercially reasonable efforts to obtain and maintain directors and officers liability insurance.

(b) Notwithstanding the foregoing, the LLC shall not indemnify any such indemnitee who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the name of the LLC to secure a judgment in its favor against such indemnitee with respect to any claim, issue or matter as to which the indemnitee shall have been adjudged to be liable to the LLC, unless and only to the extent that, a court of competent jurisdiction shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such indemnitee is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(c) The rights to indemnification and advancement of expenses set forth in this Section 5.3 are intended to be greater than those which are otherwise provided for in the Act, are contractual between the LLC and the Person being indemnified, its heirs, executors and administrators, and, with respect to this Section 5.3 are mandatory, notwithstanding a Person's failure to meet the standard of conduct required for permissive indemnification under the Act, as amended from time to time. The rights to indemnification and advancement of expenses set forth in this Section 5.3 are nonexclusive of other similar rights which may be granted by law, the LLC's Certificate of Formation, a resolution of the Board or the Members or an agreement with the LLC, which means of indemnification and advancement of expenses are hereby specifically authorized.

(d) Any amendment or modification of the provisions of this Section 5.3, either directly or by the adoption of an inconsistent provision, shall be prospective only and shall not adversely affect any right or protection set forth herein existing in favor of a particular individual at the time of such repeal or modification. In addition, if an amendment to the Act limits or restricts in any way the indemnification rights permitted by law as of the date hereof, such amendment shall apply only to the extent mandated by law and only to activities of Persons subject to indemnification under this Section 5.3 which occur subsequent to the effective date of such amendment.

ARTICLE VI

MEMBER ACTION AND MEETINGS

SECTION 6.1. Actual Meetings.

(a) Meetings of the Voting Members may be called by any Voting Member or group of Voting Members who hold at least 20% of the Voting Units, by notice to the other Voting Members setting forth the date and time of the meeting and the matters proposed to be acted upon at the meeting. Such meetings shall be held at such place in Chicago, Illinois, as may be designated by the Voting Members giving notice. Notice of any meeting shall be given pursuant to Section 11.1 below to all Voting Members not fewer than two (2) business days nor more than thirty (30) calendar days prior to the meeting. Notice of any meeting of the Voting Members shall be deemed to have been waived by attendance at the meeting, unless the Voting Member attends the meeting solely for the purpose of objecting to notice and so objects at the beginning of the meeting. Voting Members may attend and vote in person or by proxy at such meeting, and the LLC shall make reasonable arrangements to permit Voting Members to attend and vote at meetings by telephone. Any vote or consent of the Voting Members may be given at a meeting of the Voting Members or may be given in accordance with the procedure prescribed in Section 6.2 for written consent to action in lieu of actual meetings. The presence in person of Voting Members sufficient to take the proposed action as set forth in this Agreement shall constitute a quorum at all meetings of the Voting Members.

(b) Meetings of the Voting Members may be held via conference call with no physical location designated as the place of the meeting, provided that all Persons on the conference call can hear and speak to one another and notice of the conference call is given or waived as required by this Section 6.1. The Board shall be responsible for arranging the conference call and shall specify in the notice of the conference call meeting the method by which the Voting Members can participate in the conference call.

SECTION 6.2. Written Consent to Action in Lieu of Actual Meetings. Any action that is permitted or required to be taken by Voting Members may be taken or ratified by written consent setting forth the specific action to be taken and signed by that number of Voting Members required in order to take the specified action.

SECTION 6.3. Voting. On any matter on which a vote of the Voting Members is called for (whether pursuant to this Agreement, the Act or otherwise), the holder of each Class A Unit, each Class B Preferred Unit, each Class B-1 Preferred Unit, each Class B-2 Preferred Unit and each Class D Preferred Unit shall be entitled to one (1) vote, and all Voting Units shall vote together as a single class (unless otherwise provided by this Agreement).

ARTICLE VII

TRANSFER OF INTERESTS

SECTION 7.1. In General. Except as otherwise set forth Section 2.6(b) and in this Article, a Member may not Transfer, directly or indirectly, all or any portion of its Interest. Any Transfer which does not comply with the provisions of this Article shall be void.

SECTION 7.2. Limited Exception For Transfers. For a period of three (3) years from the Effective Date, no Member may Transfer its Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital, Class B Preferred Capital, Class A Units, Class B Preferred Units, Class C Units, Class B-1 Preferred Units, Class B-2 Preferred Units or Class D Preferred Units, except to a Permitted Transferee, unless the proposed Transfer is approved by the Board. Thereafter, no Member may Transfer its Class A Units or its Class C Units, except to a Permitted Transferee, unless the proposed Transfer is approved by the Board. A Member may Transfer its Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital, Class B Preferred Capital, Class A Units, Class C Units, Class B Preferred Units, Class B-1 Preferred Units, Class B-2 Preferred Units or Class D Preferred Units if (x) such Transfer is permitted or approved in accordance with the first or second sentence of this Section 7.2, and (y) each of the following conditions is satisfied:

(i) ***Prior Notice.*** At least ten (10) days prior to any proposed Transfer of Interest otherwise permitted pursuant to this Section 7.2, the Member proposing to Transfer all or a portion of his Interest delivers a Transfer Notice.

(ii) ***Assignment Documents.*** Such Member and its transferee execute, acknowledge, and deliver to the LLC such instruments of transfer and assignment with respect to such transaction as are in form and substance reasonably satisfactory to the LLC, including, without limitation, the written agreement of the transferee to assume and be bound by all of the obligations of the transferor under this Agreement, including the limited power of attorney provisions in Section 7.8 below.

(iii) ***Securities Law Compliance.*** Either (x) the Interest is registered under the Securities Act and the rules and regulations thereunder, and any applicable state securities laws; or (y) the LLC and its counsel determine that the sale, assignment or transfer qualifies for an exemption from the registration requirements of the Securities Act and any applicable state securities laws. The LLC has no obligation or intention to register Interests for resale under any federal or state securities laws or to take any action which would make available any exemption from the registration requirements of such laws.

(iv) ***Transfer Notification.*** Such Member provides the LLC with the notification required by Code § 6050K(c)(1).

(v) ***Transfer Fee.*** Such Member pays the LLC a transfer fee that is sufficient to pay all reasonable expenses of the LLC in connection with such transaction.

(vi) ***Rights of First Refusal.*** If the proposed Transfer is an Optional Purchase Event, the Member shall have complied with the provisions contained in this Article and no Person shall have acquired the Interest pursuant to the rights granted herein to purchase such Interest; provided, the holders of a majority of the outstanding Class D Preferred Units, the holders of a majority of the outstanding Class B-2 Preferred Units, the holders of a majority of the outstanding Class B-1 Preferred Units, the holders of a majority of the outstanding Class B Preferred Units, and the holders of a majority of the Class A Units outstanding, each voting as a separate class, may waive the satisfaction of the condition set forth in this subsection (vi) and/or declare that a particular Transfer shall not be deemed to be an Optional Purchase Event.

(vii) ***Opinion of Counsel.*** The LLC shall have received an opinion of counsel satisfactory to it (or waived such requirement) that the effect of such Transfer would not:

(A) result in the termination of the LLC's tax year under Section 708(b)(1)(B) of the Code;

(B) result in violation of the Securities Act or any comparable state law;

(C) result in a termination of the LLC's status as a partnership for tax purposes;

(D) result in a violation of any law, rule, or regulation by the LLC or any Member; or

(E) cause the LLC to be deemed to be a "publicly traded partnership" as such term is defined in Section 7704(b) of the Code.

Any attempted sale, assignment or Transfer with respect to which any of the above conditions have not been satisfied shall be null and void, and the LLC shall not recognize the attempted purchaser, assignee, or transferee for any purpose whatsoever, and the Member attempting such sale, transfer or assignment shall have breached this Agreement for which the LLC and the other Members shall have all remedies available for breach of contract.

SECTION 7.3. Admission of Assignees as Members. A transferee of a Member's Interest pursuant to this Article VII shall become a substituted Member only with the consent of the Board. No Person taking or acquiring, by whatever means, the Interest of any Member in the LLC shall be admitted as a Member unless such Person:

(a) Elects to become a Member by executing and delivering such Person's written acceptance and adoption of the provisions of this Agreement;

(b) Executes, acknowledges, and delivers to the LLC such other instruments as the LLC may deem necessary or advisable to effect the admission of such Person as a Member, and

(c) Pays a transfer fee to the LLC in an amount sufficient to cover all reasonable expenses of the LLC connected with the admission of such Person as a Member.

The Board shall amend the Information Exhibit from time to time to reflect the admission of Members pursuant to this Section 7.3. A transferee of an Interest that fails to be admitted as a Member as a result of noncompliance with the requirements of this Section 7.3 shall be an assignee with those rights and obligations as set forth in Section 8.3. No assignment by a Member of its interest in the LLC shall release the assignor from its liability to the LLC pursuant to Section 2.1; provided that if the assignee becomes a Member as provided in this Section 7.3, the assignor shall thereupon so be released (in the case of a partial assignment, to the extent of such assignment).

SECTION 7.4. Distributions and Allocations With Respect to Transferred Interests. If any Interest is sold, assigned, or Transferred during any Fiscal Year in compliance with the provisions of this Article, then (i) Profits, Losses, and all other items attributable to the Interest for such period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such Fiscal Year in accordance with Code § 706(d), using any convention(s) permitted by the Code and selected by the Board; (ii) all distributions on or before the date of such Transfer shall be made to the transferor, and all distributions thereafter shall be made to the transferee; and (iii) the transferee shall succeed to and assume the Capital Account, Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital, Class B Preferred Capital, Units and other similar items of the transferor to the extent related to the transferred Interest. Solely for purposes of making the allocations and distributions, the LLC shall recognize such Transfer not later than the end of the calendar month during which the LLC receives notice of such Transfer. If the LLC does not receive a notice stating the date the Interest was transferred and such other information as the LLC may reasonably require within thirty days after the end of the Fiscal Year during which the transfer occurs, then all of such items shall be allocated, and all distributions shall be made to the Person, who, according to the books and records of the LLC on the last day of the Fiscal Year during which the Transfer occurs, was the owner of the Interest. Neither the LLC nor any Director shall incur any liability for making allocations and distributions in accordance with the provisions of this Section, whether or not such Person had knowledge of any Transfer of ownership of any Interest.

SECTION 7.5. Optional Purchase of Units; Co-Sale Right

(a) ***Grant of Option.*** Upon the occurrence of an Optional Purchase Event (defined below), all of the Qualified Holders, first, followed by the LLC, second, shall have successive options to purchase all, but not less than all, of the Person's Interest pursuant to the terms and conditions set forth in this Agreement; provided, however, that if the Optional Purchase Event is a proposed Transfer of only a portion of the Person's Interest, the LLC's and the Qualified Holders' options shall apply only to the portion of the Interest that is proposed to be Transferred. Upon the occurrence of an Optional Purchase Event, the Person with respect to whom the Optional Purchase Event has occurred shall immediately deliver the Transfer Notice to the LLC and to all Qualified Holders, which notice shall describe the Optional Purchase Event. If the Person with respect to whom the Optional Purchase Event has occurred does not provide the Transfer Notice, and if the LLC determines that Optional Purchase Event has occurred, then the LLC shall provide to all Qualified Holders the notice that should have been sent by the Person with respect to whom the Optional Purchase event has occurred. For purposes of this Agreement, the term "***Optional Purchase Event***" shall mean a proposed Transfer of an Interest (unless such Transfer is to a Permitted Transferee of the transferor Member).

(i) ***Proposed Transfer for Consideration.*** If the Optional Purchase Event is a proposed Transfer of an Interest for cash, indebtedness, property or other consideration, then the LLC's and the Qualified Holders' successive options shall be to purchase the Interest for cash plus the fair market value of the other consideration (if any) proposed to be received in exchange for the Transfer of the Interest, payable at the closing described below, and pursuant to all of the other terms and conditions of the proposed Transfer. If the consideration includes any indebtedness, property or other noncash consideration, fair market value of such consideration shall be determined pursuant to the Appraisal Exhibit.

(ii) ***Other Optional Purchase Events.*** If the Optional Purchase Event is a proposed Transfer other than for cash, indebtedness, property or other consideration, then the successive options shall be for a purchase price equal to, unless otherwise agreed to by the transferring Person and the purchaser (i) the fair market value of such Interest as of the last day of the calendar month immediately prior to the occurrence of the Optional Purchase Event (the "***Valuation Date***") determined pursuant to the Appraisal Exhibit, plus (ii) interest at the Prime Rate on the amount determined under clause (i) from the Valuation Date to the closing date, compounded monthly, reduced by (iii) any distributions with respect to such Interest from the Valuation Date through the closing.

(iii) ***Exercise of Option.*** In order to exercise the option pursuant to this Section 7.5(a), a Qualified Holder shall provide written notice of exercise of the option to the transferring Person and to the LLC not later than fifteen (15) days following the date of the giving of the Transfer Notice, and such exercise notice shall specify whether such Qualified Holder will purchase all or less than all of its pro rata share of the Interest offered (such share being calculated as if no Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital and Class B Preferred Capital were outstanding and disregarding the Sharing Percentages of the transferor and all Persons who are not Qualified Holders). If any Qualified Holder elects not to exercise his option in full, then those Qualified Holders that do exercise their options shall have the option, for an additional five (5) days following the end of the option period for all Qualified Holders, to agree to acquire the Interest that could have been acquired by the less-than-fully exercising Qualified Holders, again pro rata or in such other amounts as they may agree. Any party with an option to purchase an Interest pursuant to this Article may waive its option at any time by notice of such waiver to the owner of the Interest and to the LLC. A failure by any Qualified Holder to give notice within the period therefor shall be deemed to be a notice of non-exercise as to such proposed Transfer. Any portion of the Interest remaining after the Qualified Holders' exercise or non-exercise of their foregoing rights may be acquired by the LLC by giving written notice to the transferring Person within ten (10) days following the expiration of the foregoing period(s) for exercise by the Qualified Holders. Within two (2) business days following the expiration of the foregoing periods, the LLC shall give notice (the "***Remaining Interest Notice***") to the Transferring Person and all Qualified Holders whether there remain any Units (but not Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital or Class B Preferred Capital) not to be acquired by Qualified Holders or the LLC pursuant to the exercise of the options described in this Section 7.5(a) (a "***Remaining Interest***"), in which case the provisions of Section 7.5(b) shall apply.

(b) ***Right of Co-Sale.*** If there is any Remaining Interest, the transferring Person shall, within five (5) days following its receipt of the Remaining Interest Notice, confirm in writing to the LLC and to each of the Qualified Holders the transferring Person's bona fide intention to sell or transfer the Remaining Interest to the third-party described in the Transfer Notice (the "***Reconfirmation Notice***"). Each Qualified Holder may give notice in writing to the transferring Person within ten (10) days following the giving of the Reconfirmation Notice that it will sell a pro rata portion of Units to such third party (such Qualified Holder being a "***Co-Seller***"). In the event a Co- Seller exercises its right of co-sale hereunder, the transferring Person shall assign so much of its interest in the proposed agreement of sale as the Co-Seller shall be entitled to and shall request hereunder, and the Co-Seller shall assume such part of the obligations of the Selling Unitholder under such agreement as shall relate to the sale of Units by the Co-Seller. The transferring Person and each Co-Seller shall be entitled to sell to the third-person a number of Units as is equal to the product of (X) the number of Units in the Remaining Interest and (Y) a fraction, the numerator of which shall be the number of Units owned by the transferring Person or such Co-Seller (as the case may be) and the denominator of which shall be the aggregate number of Units then held by the transferring Person and all Co-Sellers. A failure by a Qualified Holder to give any notice within the applicable period shall be deemed to be a notice of non-exercise.

(c) ***Failure to Exercise Options.*** If Persons with options under this Section shall fail to exercise their options to purchase such Interest or to co-sell with such Interest within the applicable periods, or in the event the purchaser(s) shall fail to tender the required consideration at the closing referred to below, then the Person with respect to whom the Optional Purchase Event has occurred may transfer the Interest to the Person upon the terms and price specified in the Transfer Notice, but only if such Transfer is consummated within ninety (90) days after the expiration or withdrawal of the last option, or the failure to tender the consideration if applicable; *provided, however*, that such Transfer shall comply with the other provisions of this Agreement and provided the holder of such transferred Interest shall be a mere assignee and shall not become a Member unless admitted as such pursuant to the terms of the Agreement. If the subject Interest is not so transferred within the applicable period, the Interest shall again become subject to all of the terms and conditions of the Agreement and may not thereafter be transferred except in the manner and on the terms herein provided. In the event the LLC or any Qualified Holder exercises an option hereunder but fails to tender the required consideration at the closing, in addition to being entitled to complete the proposed transaction, the Person with respect to whom the Optional Purchase Event has occurred shall have all rights and remedies against the LLC or the exercising Qualified Holder available for breach of contract.

SECTION 7.6. Closing of Purchase of Interests; Payment of Purchase Price. The closing of the purchase of any Interests pursuant to Section 7.5 shall occur at the offices of the LLC within thirty (30) days (on such business date as determined by the Board) after (a) the expiration of the last option as set forth in the preceding Section, or (b) if the procedures in the Appraisal Exhibit are applicable, the determination of fair market value pursuant to the Appraisal Exhibit. The selling Person and the purchaser(s) each shall execute and deliver such other documents as may reasonably be requested by the other. The purchase price shall be delivered at closing as follows:

(a) If the purchase of the Interest is as a result of a Transfer to a third party for consideration, the purchase price determined under this Agreement shall be payable on the same basis as the purchase price was to have been paid by the third party.

(b) If the purchase of the Interest is as a result of any other Optional Purchase Event, the purchase price shall be payable in cash or same day funds at closing.

SECTION 7.7. Corporate Conversion.

(a) ***In General.*** It is the express intention and understanding of the Members at the time of their execution of this Agreement that upon the determination at any time by the Board that it is in the best interests of the LLC that it be converted into a corporation the LLC shall be converted into a corporation in the manner set forth herein by the action of the Board and Members holding at least seventy percent (70%) of the Units outstanding.

(b) ***Procedures.*** Subject to Section 5.2 hereof, upon the determination at any time by the Board that it is in the best interests of the LLC that it be converted into a corporation, the Board shall (i) cause the LLC to be converted into a corporation pursuant to any appropriate procedure permitted under the Act, and (ii) cause to be executed, delivered and filed the certificate of incorporation of the resulting corporation (including the certificate of designations) and such other instruments and documents as it shall determine to be necessary or appropriate in order to effectuate such conversion and merger (such transaction referred to as a "***Corporate Conversion***"). In connection with the Corporate Conversion, (x) each holder of Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital and Class B Preferred Capital shall receive one share of redeemable, non-convertible, nonvoting preferred stock in the resulting corporation for each dollar of Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital or Class B Preferred Capital of such holder on the date of the Corporate Conversion, which stock shall have generally the same rights, privileges and preferences as the Class D Preferred Capital, Class B-2 Preferred Capital, Class B-1 Preferred Capital or Class B Preferred Capital hereunder, as the case may be, and (y) each holder of outstanding Units (including Class B Preferred Units, Class B-1 Preferred Units, Class B-2 Preferred Units and Class D Preferred Units) shall receive one share of voting common stock in the resulting corporation for each Unit of such holder on the date of the Corporate Conversion.

(c) ***Board of Directors.*** In connection with the consummation of a Corporate Conversion the board of directors of the surviving corporation shall be the same size and shall have the same composition and shall be subject to the same voting and other rules as the Board.

(d) ***Other Rights of Members.*** In connection with a Corporate Conversion, the Board shall cause the resulting corporation to enter into such agreements as are necessary to provide the Members with rights with respect to such corporation which are substantially similar to the rights of such Members pursuant to this Agreement.

(e) ***Other Permitted Ancillary Transactions.*** In connection with the consummation of a Corporate Conversion, the Board shall have the authority to merge, consolidate or reorganize one or more subsidiaries with one or more other subsidiaries or other entities wholly-owned directly or indirectly by the LLC or the surviving corporation in the Corporate Conversion.

(f) ***Further Assurances.*** The Board is specifically authorized to take any and all further action, and to execute, deliver and file any and all additional agreements, documents or instruments, as it may determine to be necessary or appropriate in order to effectuate the provisions of this Section 7.7, and each Member hereby agrees to execute, deliver and file any such agreements, documents or instruments or to take such action as may be reasonably requested by the Board for the purpose of effectuating the provisions of this Section 7.7.

(g) ***Initial Public Offering and Registration Rights***. Notwithstanding anything in this Agreement to the contrary, at the request of the holders of at least seventy percent (70%) of the then-outstanding Class B Preferred Units, Class B-1 Preferred Units, Class B-2 Preferred Units and Class D Preferred Units, voting together as a class, at any time after August 31, 2023, or such earlier time as the LLC otherwise proposes to effect an IPO, the Company (or its successor) and the Preferred Members shall enter into the Registration Rights Agreement attached hereto as Exhibit E, and in connection therewith, the Board and each Member will take all appropriate steps to implement a Corporate Conversion.

(h) ***Market Stand-off Agreement.*** Each Member hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to a firmly-underwritten initial public offering of the LLC's (or any successor's) securities pursuant to an effective registration statement on Form S-1 (or successor thereto) (the "***IPO***") and ending on the date specified by the Company (or any successor thereto) and the managing underwriter (such period not to exceed one hundred eighty (180) days), (i) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any equity securities of the Company (or its successor in the IPO) held immediately before the effective date of the registration statement for the IPO or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the equity securities of the LLC (or its successor in the IPO), whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of equity securities of the LLC (or its successor in the IPO) or other securities, in cash or otherwise. The foregoing provisions of this Section 7.7(h) shall not apply to the sale of any equity securities to an underwriter pursuant to an underwriting agreement. The underwriters in connection with the IPO are intended third party beneficiaries of this Section 7.7(h) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Member further agrees to execute such agreements as may be reasonably requested by the underwriters in the IPO that are consistent with this Section 7.7(h) or that are necessary to give further effect thereto. In order to enforce the covenant in this Section 7.7(h) above, the LLC may impose stop-transfer instructions with respect to the equity securities of each Member (and transferees and assignees thereof) until the end of such restricted period.

SECTION 7.8. Limited Power of Attorney. Each Member hereby makes, constitutes and appoints the Chief Executive Officer of the LLC, with full power of substitution and resubstitution, its true and lawful attorney-in-fact for it and in its name, place, and stead for its use and benefit, to sign, execute, certify, acknowledge, swear to, file, and record any and all agreements, certificates, instruments, and other documents which such Person may deem reasonably necessary, desirable, or appropriate to allow the Chief Executive Officer to carry out the express provisions of this Agreement including the provisions of Sections 7.7 and 7.9. Each Member authorizes each such attorney-in-fact to take any action necessary or advisable in connection with the foregoing, hereby giving each attorney-in-fact full power and authority to do and perform each and every act or thing whatsoever requisite or advisable to be done in connection with the foregoing as fully as such Member might or could do so personally, and hereby ratifies and confirms all that such attorney-in-fact shall lawfully do or cause to be done by virtue thereof or hereof. This power of attorney is a special power of attorney coupled with an interest and is irrevocable, and (i) may be exercised by any such attorney-in-fact by listing the Member executing any agreement, certificate, instrument, or other document with the single signature of any such attorney-in-fact acting as attorney-in-fact for such Member, (ii) shall survive the death, disability, legal incapacity, bankruptcy, insolvency, dissolution, or cessation of existence of a Member and (iii) shall survive the assignment by a Member of the whole or any portion of his Interest.

SECTION 7.9. Drag Along Rights. Subject to Section 5.2, if the holders of at least a majority of the outstanding Class D Preferred Units, the holders of at least a majority of the Class B-2 Preferred Units, the holders of at least a majority of the outstanding Class B-1 Preferred Units, the holders of at least a majority of the outstanding Class B Preferred Units, and holders of a majority of the outstanding Class A Units (each voting as a separate class) approve a transaction that would result in the acquisition of the LLC by another Person by means of any transaction or series of related transactions (including, without limitation, any merger, consolidation, sale, assignment, transfer distribution or issuance of stock with respect to the LLC) and pursuant to such transaction the Members of the LLC immediately prior to such transaction will not hold, directly or indirectly, at least fifty percent (50%) of the voting power of the surviving or continuing entity (a "***Drag-Along Transaction***"), then, upon thirty (30) days written notice to the other Members of the LLC (the "***Drag-Along Notice***"), which notice shall include substantially all of the details of the proposed transaction, including the proposed time and place of closing and the consideration to be received by the Members in such transaction, each Member shall raise no objection to such Drag-Along Transaction and be obligated to, and shall sell, transfer and deliver, or cause to be sold, transferred and delivered, to such third party, all of its Interest in the same transaction at the closing thereof (and will deliver such Interest free and clear of all liens, claims, or encumbrances). The proceeds from such Drag-Along Transaction shall be distributed to the Members in proportion to their relative entitlement to distribution pursuant to Section 9.3. Notwithstanding the foregoing, a Member will not be required to comply with this Section 7.9 in connection with any proposed Drag- Along Transaction unless:

(a) any representations and warranties to be made by such Member (in its capacity as a Member) in connection with the Drag-Along Transaction are limited to representations and warranties related to authority, ownership and the ability to convey title to such Units, including but not limited to representations and warranties that (i) the Member holds all right, title and interest in and to the Units such Member purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Member in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Member have been duly executed by the Member and delivered to the acquirer and are enforceable against the Member in accordance with their respective terms and (iv) neither the execution and delivery of documents to be entered into in connection with the transaction, nor the performance of the Member's obligations thereunder, will cause a breach or violation of the terms of any agreement, law or judgment, order or decree of any court or governmental agency;

(b) the Member shall not be liable for the inaccuracy of any representation or warranty made by any other Person in connection with the Drag-Along Transaction, other than the LLC (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the LLC as well as breach by any Member of any of identical representations, warranties and covenants provided by all Members);

(c) the liability for indemnification, if any, of such Member in the Drag-Along Transaction and for the inaccuracy of any representations and warranties made by the LLC or its Members in connection with such Drag- Along Transaction, is several and not joint with any other Person (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the LLC as well as breach by any Member of any of identical representations, warranties and covenants provided by all Members), and is pro rata in proportion to, and does not exceed, the amount of consideration paid to such Member in connection with such Drag-Along Transaction;

(d) liability (if any) shall be limited to such Member's applicable share (determined based on the respective proceeds payable to each Member in connection with such Drag-Along Transaction in accordance with this Agreement) of a negotiated aggregate indemnification amount that applies equally to all Members but that in no event exceeds the amount of consideration otherwise payable to such Member in connection with such Drag-Along Transaction, except with respect to claims related to fraud by such Member, the liability for which need not be limited as to such Member;

(e) upon the consummation of the Drag-Along Transaction, each holder of each class or series of the LLC's Units will receive the same form of consideration for their Units of such class as is received by other holders in respect of their Units of such same class or series of Units;

(f) such Member is not required to agree (unless such Member is an officer or employee of the LLC) to any restrictive covenant in connection with the Drag-Along Transaction (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Drag-Along Transaction); and

(g) subject to clause (e) above, requiring the same form of consideration to be available to the holders of any single class or series of Units, if any holders of any Units are given an option as to the form and amount of consideration to be received as a result of the Drag-Along Transaction, all holders of such Units will be given the same option; *provided, however*, that nothing in this Section 7.3(g) shall entitle any holder to receive any form of consideration that such holder would be ineligible to receive as a result of such holder's failure to satisfy any condition, requirement or limitation that is generally applicable to the LLC's Members.

(b) If the LLC or any of its successors or assignees consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger, then to the extent necessary, proper provision shall be made so that the successors and assignees of the LLC assume the obligations of the LLC with respect to indemnification of members of the Board as in effect immediately before such transaction, regardless of where such obligations are contained.

(c) The LLC shall, in the event any claim is filed against LLC with a risk deemed by the Board to be in excess of $50,000.00, notify each Qualified Holder of such claim.

(d) The LLC shall continue to timely pay (and withhold and pay over, as applicable) all Federal, state and other taxes as such taxes become due and owing (except to the extent LLC is disputing any such taxes and taking into account any applicable extension periods).

(e) In the event the LLC grants any registration rights in connection with the issuance of any Units at any point following the Effective Date, the LLC shall grant to each Qualified Holder registration rights with respect to the Units held by each such Qualified Holder that are substantially on the same terms as those granted to the such purchasers.

SECTION 9.3. Liquidating Distributions. Following dissolution, the LLC's noncash assets not otherwise to be distributed to the Members in liquidation as provided in Section 9.2 above, the LLC's cash, the proceeds, if any, from the disposition of the LLC's noncash assets and those noncash assets to be distributed to the Members, shall be distributed in the following order:

(a) To the LLC's creditors, including Members who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the LLC;

(b) To each Member holding Class D Preferred Units (ratably among such holders based upon the relative aggregate Unpaid Class D Preferred Return with respect to all outstanding Class D Preferred Units held by each such holder immediately prior to such distribution) until the aggregate Unpaid Class D Preferred Return with respect to each such holder's Class D Preferred Units has been reduced to zero ($0);

In the event of liquidating distributions of property other than cash, the amount of the distribution shall be the Agreed Value of the property distributed as of the date of distribution. In the event of a Change of Control Transaction, the Agreed Value of any property to be distributed shall be determined in the manner proscribed therefor in the definitive documents governing such transaction and approved by the Board and Members as required by this Agreement.

THIRD AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT
OF

A Delaware Limited Liability Company

Regulatory Allocations

This Exhibit contains special rules for the allocation of items of LLC income, gain, loss and deduction that override the basic allocations of Profits and Losses in Section 4.1 of the Agreement to the extent necessary to cause the overall allocations of items of LLC income, gain, loss and deduction to have substantial economic effect pursuant to Treasury Regulations §1.704-1(b) and shall be interpreted in light of that purpose. Subsection (a) below contains special technical definitions. Subsections (b) through (h) contain the Regulatory Allocations themselves. Subsections (i), (j) and (k) are special rules applicable in applying the Regulatory Allocations.

(a) ***Definitions Applicable to Regulatory Allocations.*** For purposes of the Agreement, the following terms shall have the meanings indicated:

(i) "*Adjusted Capital Account*" means, with respect to any Member or assignee, such Person's Capital Account (as defined below) as of the end of the relevant Fiscal Year increased by any amounts which such Person is obligated to restore or is deemed to be obligated to restore pursuant to the next to last sentences of Treasury Regulations § 1.704-2(g)(1) (share of minimum gain) and 1.704-2(i)(5) (share of Member Nonrecourse Debt Minimum Gain).

(ii) "*LLC Minimum Gain*" has the meaning of "partnership minimum gain" set forth in Treasury Regulations § 1.704-2(d) and is generally the aggregate gain the LLC would realize if it disposed of its property subject to Nonrecourse Liabilities in full satisfaction of each such liability, with such other modifications as provided in Treasury Regulations § 1.704-2(d). In the case of Nonrecourse Liabilities for which the creditor's recourse is not limited to particular assets of the LLC, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the LLC shall be treated as a single liability and allocated to the LLC's assets using any reasonable basis selected by the Board.

(iii) "*Member Nonrecourse Debt*" means any LLC liability with respect to which one or more but not all of the Members or related Persons to one or more but not all of the Members bears the economic risk of loss within the meaning of Treasury Regulations § 1.752-2 as a guarantor, lender or otherwise.

(iv) "*Member Nonrecourse Deductions*" shall mean losses, deductions or Code § 705(a)(2)(B) expenditures attributable to Member Nonrecourse Debt under the general principles applicable to "partner nonrecourse deductions" set forth in Treasury Regulations § 1.704-2(i)(2).

(v) "*Member Nonrecourse Debt Minimum Gain*" shall mean the minimum gain attributable to Member Nonrecourse Debt as determined pursuant to Treasury Regulations § 1.704-2(i)(3). In the case of Member Nonrecourse Debt for which the creditor's recourse against the LLC is not limited to particular assets of the LLC, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the LLC shall be treated as a single liability and allocated to the LLC's assets using any reasonable basis selected by the Board.

(vi) "*Nonrecourse Deductions*" shall mean losses, deductions, or Code § 705(a)(2)(B) expenditures attributable to Nonrecourse Liabilities (see Treasury Regulations § 1.704-2(b)(1)). The amount of Nonrecourse Deductions for a Fiscal Year shall be determined pursuant to Treasury Regulations § 1.704-2(c), and shall generally equal the net increase, if any, in the amount of LLC Minimum Gain for that taxable year, determined generally according to the provisions of Treasury Regulations § 1.704-2(d), reduced (but not below zero) by the aggregate distributions during the year of proceeds of Nonrecourse Liabilities that are allocable to an increase in LLC Minimum Gain, with such other modifications as provided in Treasury Regulations § 1.704-2(c).

(vii) "*Nonrecourse Liability*" means any LLC liability (or portion thereof) for which no Member bears the economic risk of loss under Treasury Regulations § 1.752-2.

(viii) "*Regulatory Allocations*" shall mean allocations of Nonrecourse Deductions provided in Paragraph (b) below, allocations of Member Nonrecourse Deductions provided in Paragraph (c) below, the minimum gain chargeback provided in Paragraph (d) below, the Member Nonrecourse Debt Minimum Gain chargeback provided in Paragraph (e) below, the qualified income offset provided in Paragraph (f) below, the gross income allocation provided in Paragraph (g) below, and the curative allocations provided in Paragraph (h) below.

(b) ***Nonrecourse Deductions***. All Nonrecourse Deductions for any Fiscal Year shall be allocated to the Members in accordance with their respective Sharing Percentages during such Fiscal Year.

(c) ***Member Nonrecourse Deductions***. All Member Nonrecourse Deductions for any Fiscal Year shall be allocated to the Member who bears the economic risk of loss under Treasury Regulations § 1.752-2 with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable.

(d) ***Minimum Gain Chargeback***. If there is a net decrease in LLC Minimum Gain for a Fiscal Year, each Member shall be allocated items of LLC income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of such net decrease in LLC Minimum Gain, determined in accordance with Treasury Regulations § 1.704-2(g)(2) and the definition of LLC Minimum Gain set forth above. This provision is intended to comply with the minimum gain chargeback requirement in Treasury Regulations § 1.704-2(f) and shall be interpreted consistently therewith.

(e) ***Member Nonrecourse Debt Minimum Gain Chargeback***. If there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt for any Fiscal Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt as of the beginning of the Fiscal Year, determined in accordance with Treasury Regulations § 1.704-2(i)(5), shall be allocated items of LLC income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations §§ 1.704-2(i)(4) and (5) and the definition of Member Nonrecourse Debt Minimum Gain set forth above. This Paragraph is intended to comply with the Member Nonrecourse Debt Minimum Gain Chargeback requirement in Treasury Regulations § 1.704-2(i)(4) and shall be interpreted consistently therewith.

(f) ***Qualified Income Offset***. In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations §§ 1.704-1(b)(2)(ii)(d)(4), (5), or (6), items of LLC income and gain (consisting of a pro rata portion of each item of LLC income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, any deficit in such Member's Capital Account created or increased by such adjustments, allocations or distributions as quickly as possible.

(g) ***Gross Income Allocation***. In the event any Member has a deficit in its Capital Account at the end of any Fiscal Year, each such Member shall be allocated a pro rata portion of each item of LLC gross income and gain, in the amount of such Capital Account deficit, as quickly as possible.

(h) ***Curative Allocations***. When allocating Profits and Losses under Section 4.1 and 4.2, such allocations shall be made so as to offset any prior allocations of gross income under Paragraph (g) above to the greatest extent possible so that overall allocations of Profits and Losses shall be made as if no such allocations of gross income occurred.

(i) ***Ordering***. The allocations in this Exhibit to the extent they apply shall be made before the allocations of Profits and Losses under Section 4.1 and 4.2 and in the order in which they appear above in subparagraphs (b) through (h).

(j) ***Code Section 754 Adjustments***. 1. **General Procedures.**

(a) In the event an Optional Purchase Event has occurred with respect to a Member and it is necessary to determine the fair market value of any consideration proposed to be received in connection with such Optional Purchase Event, such fair market value will be determined pursuant to this **Exhibit D**.

(b) The fair market value shall be determined by mutual agreement of the Board and either the Member with respect to whom an Optional Purchase Event has occurred (such Person(s) referred to as the "***Transferring Party***") (which determination shall be final and binding on the parties hereto); however, if they do not agree on the fair market value within 10 days after notice is given by one of them to the other of a request for determination of fair market value, the fair market value shall be determined in accordance with the following provisions of this Exhibit.

(c) The Transferring Party and the LLC shall jointly select a Qualified Appraiser (as defined below). If the parties so jointly select a Qualified Appraiser, the appraiser so selected shall promptly determine the fair market value of the Interest or the assets in question, which determination shall be final and binding on the parties hereto. If they fail to jointly select a Qualified Appraiser within ten days after a request by either party to make the joint selection, the Transferring Party and the LLC shall each select one Qualified Appraiser. If either party fails to name a Qualified Appraiser within ten days after the notice by the other party that the other party has selected a Qualified Appraiser (such notice to contain the name of such appraiser), the Qualified Appraiser which has been timely selected shall be instructed to promptly determine the fair market value of the Interest or the assets in question, which determination shall be final and binding on the parties hereto. (d) If two Qualified Appraisers are selected and either appraiser fails, within 30 days after the first appraiser delivers its report to the Transferring Party and the LLC to deliver a report to the Transferring Party and the LLC containing the fair market value of the Interest or the assets in question as determined by such appraiser, the determination of the fair market value of the Interest or the assets in question of the appraiser who has delivered his report to the Transferring Party and the LLC shall be determinative of the fair market value of the Interest or the assets in question and shall be final and binding on the parties hereto.

(e) If two Qualified Appraisers are selected, both appraisals are delivered within the 30-day period described above, and the difference between the two amounts of their determinations of the fair market value of the Interest or the assets in question does not exceed 10% of the greater of such amounts, then the fair market value of the Interest or the assets in question shall be the average of the fair market value of the Interest or the assets in question as determined by each of the two appraisers.

(f) If two Qualified Appraisers are selected, both appraisals are delivered within the 30-day period described above, and the difference between the two amounts so determined exceeds 10% of the greater of such amounts, then such two appraisers shall select a third Qualified Appraiser who shall determine the fair market value of the Interest or the assets in question. Of the three appraisals, the appraisal which differs most in terms of dollar amount from the average of the three appraisals shall be excluded and the average of the remaining two appraisals shall be final and binding upon the parties hereto.

(g) In the event that a third Qualified Appraiser is to be selected and the original two appraisers fail to agree on the selection of the third Qualified Appraiser within ten days after notice to both appraisers of the need for a third appraiser, the third Qualified Appraiser shall be designated by the Chief Judge of the District Court of the United States sitting in Nashville, Tennessee, acting as an individual, whose determination shall be binding upon the parties. (b) Any determination of fair market value shall be based upon the terms and conditions of this Agreement, and under no circumstances shall the Qualified Appraisers) appointed pursuant to this Exhibit add to, modify, disregard or change any of the provisions of this Agreement, and the jurisdiction and scope of such Qualified Appraisers shall be limited accordingly. Each party shall give prompt written notice to the other of the appointment of a Qualified Appraiser under this Exhibit, such notice to identify the Qualified Appraiser.

3. **Assumptions; Appraisal Costs.**

(a) In connection with any determination of the fair market value of an Interest (or any portion thereof), the fair market value of the Interest shall equal the amount that would be received by the owner of such Interest with respect thereto if all of the assets of the LLC were sold for cash equal to their fair market value (as determined pursuant to this Exhibit), the LLC paid all of its liabilities and liquidated in accordance with this Agreement, in each case, as of the last day of the month immediately prior to the event giving rise to need to determine fair market value.

(b) In connection with any determination of the fair market value of the LLC assets, such assets the LLC shall be valued on a "going concern" basis and without any discounts for such items as illiquidity, lack of voting control, or minority interests.

2. Registration Rights. The Company covenants and agrees as follows:

2.1 Demand Registration.

(a) Form S-1 Demand. If at any time after the date that is one hundred eighty (180) days after the effective date of the registration statement for the IPO, the Company receives a request from Holders of a majority of the Registrable Securities then outstanding that the Company file a Form S-1 registration statement with respect to Registrable Securities then outstanding having anticipated aggregate offering price, net of Selling Expenses, in excess of $10,000,000, then the Company shall (x) within ten (10) days after the date such request is given, give notice thereof (the "**Demand Notice**") to all Holders other than the Initiating Holders; and (y) as soon as practicable, and in any event within sixty (60) days after the date such request is given by the Initiating Holders, file a Form S-1 registration statement under the Securities Act covering all Registrable Securities that the Initiating Holders requested to be registered and any additional Registrable Securities requested to be included in such registration by any other Holders, as specified by notice given by each such Holder to the Company within twenty (20) days of the date the Demand Notice is given, and in each case, subject to the limitations of Sections 2.1(c) and 2.3.

(b) Form S-3 Demand. If at any time when it is eligible to use a Form S-3 registration statement, the Company receives a request from Holders of Registrable Securities then outstanding that the Company file a Form S-3 registration statement with respect to outstanding Registrable Securities of such Holders having an anticipated aggregate offering price, net of Selling Expenses, of at least $5,000,000, then the Company shall (i) within ten (10) days after the date such request is given, give a Demand Notice to all Holders other than the Initiating Holders; and (ii) as soon as practicable, and in any event within forty-five (45) days after the date such request is given by the Initiating Holders, file a Form S-3 registration statement under the Securities Act covering all Registrable Securities requested to be included in such registration by any other Holders, as specified by notice given by each such Holder to the Company within twenty (20) days of the date the Demand Notice is given, and in each case, subject to the limitations of Sections 2.1(c) and 2.3.

(c) Notwithstanding the foregoing obligations, if the Company furnishes to Holders requesting a registration pursuant to this Section 2.1 a certificate signed by the Company's chief executive officer stating that in the good faith judgment of the Board of Directors it would be materially detrimental to the Company and its stockholders for such registration statement to either become effective or remain effective for as long as such registration statement otherwise would be required to remain effective, because such action would (i) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Company; (ii) require premature disclosure of material information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to comply with requirements under the Securities Act or Exchange Act, then the Company shall have the right to defer taking action with respect to such filing, and any time periods with respect to filing or effectiveness thereof shall be tolled correspondingly, for a period of not more than sixty (60) days after the request of the Initiating Holders is given; provided, however, that the Company may not invoke this right more than twice in any twelve (12) month period; and provided further that the Company shall not register any securities for its own account or that of any other stockholder during such period other than an Excluded Registration.

(d) The Company shall not be obligated to effect, or to take any action to effect, any registration pursuant to Section 2.1(a)(i) during the period that is sixty (60) days before the Company's good faith estimate of the date of filing of, and ending on a date that is one hundred eighty (180) days after the effective date of, a Company-initiated registration, provided that the Company is actively employing in good faith commercially reasonable efforts to cause such registration statement to become effective; (ii) after the Company has effected two (2) registrations pursuant to Section 2.1(a); or

(iii) if the Initiating Holders propose to dispose of shares of Registrable Securities that may be immediately registered on Form S-3 pursuant to a request made pursuant to Section 2.1(b). The Company shall not be obligated to effect, or to take any action to effect, any registration pursuant toSection 2.1(b) (i) during the period that is thirty (30) days before the Company's good faith estimate of the date of filing of, and ending on a date that is ninety (90) days after the effective date of, a Company-initiated registration, provided that the Company is actively employing in good faith commercially reasonable efforts to cause such registration statement to become effective; or (ii) if the Company has effected two (2) registrations pursuant to Section 2.1(b) within the twelve (12) month period immediately preceding the date of such request. A registration shall not be counted as "effected" for purposes of this Section 2.1(d) until such time as the applicable registration statement has been declared effective by the SEC, unless the Initiating Holders withdraw their request for such registration, elect not to pay the registration expenses therefor, and forfeit their right to one demand registration statement pursuant to Section 2.6, in which case such withdrawn registration statement shall be counted as "effected" for purposes of this Section 2.1(d); provided, that if such withdrawal is during a period the Company has deferred taking action pursuant toSection 2.1(c), then the Initiating Holders may withdraw their request for registration and such registration will not be counted as "effected" for purposes of this Section 2.1(d).

2.2 Company Registration. If the Company proposes to register (including, for this purpose, a registration effected by the Company for stockholders other than the Holders) any of its securities under the Securities Act in connection with the public offering of such securities solely for cash (other than in an Excluded Registration), the Company shall, at such time, promptly give each Holder notice of such registration. Upon the request of each Holder given within twenty (20) days after such notice is given by the Company, the Company shall, subject to the provisions of Section 2.3, cause to be registered all of the Registrable Securities that each such Holder has requested to be included in such registration. The Company shall have the right to terminate or withdraw any registration initiated by it under this Section 2.2 before the effective date of such registration, whether or not any Holder has elected to include Registrable Securities in such registration. The expenses (other than Selling Expenses) of such withdrawn registration shall be borne by the Company in accordance with Section 2.6.

2.3 Underwriting Requirements.

(a) If, pursuant to Section 2.1, the Initiating Holders intend to distribute the Registrable Securities covered by their request by means of an underwriting, they shall so advise the Company as a part of their request made pursuant to Section 2.1, and the Company shall include such information in the Demand Notice. The underwriter(s) will be selected by the Board of Directors and shall be reasonably acceptable to a majority in interest of the Initiating Holders. In such event, the right of any Holder to include such Holder's Registrable Securities in such registration shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting to the extent provided herein. All Holders proposing to distribute their securities through such underwriting shall (together with the Company as provided in Section 2.4(e)) enter into an underwriting agreement in customary form with the underwriter(s) selected for such underwriting. Notwithstanding any other provision of this Section 2.3, if the managing underwriter(s) advise(s) the Initiating Holders in writing that marketing factors require a limitation on the number of shares to be underwritten, then the Initiating Holders shall so advise all Holders of Registrable Securities that otherwise would be underwritten pursuant hereto, and the number of Registrable Securities that may be included in the underwriting shall be allocated among such Holders of Registrable Securities, including the Initiating Holders, in proportion (as nearly as practicable) to the number of Registrable Securities owned by each Holder or in such other proportion as shall mutually be agreed to by all such selling Holders; provided, however, that the number of Registrable Securities held by the Holders to be included in such underwriting shall not be reduced unless all other securities are first entirely excluded from the underwriting. To facilitate the allocation of shares in accordance with the above provisions, the Company or the underwriters may round the number of shares allocated to any Holder to the nearest one hundred (100) shares.

(b) In connection with any offering involving an underwriting of shares of the Company's capital stock pursuant to Section 2.2, the Company shall not be required to include any of the Holders' Registrable Securities in such underwriting unless the Holders accept the terms of the underwriting as agreed upon between the Company and its underwriters, and then only in such quantity as the underwriters in their sole discretion determine will not jeopardize the success of the offering by the Company. If the total number of securities, including Registrable Securities, requested by stockholders to be included in such offering exceeds the number of securities to be sold (other than by the Company) that the underwriters in their reasonable discretion determine is compatible with the success of the offering, then the Company shall be required to include in the offering only that number of such securities, including Registrable Securities, which the underwriters and the Company in their sole discretion determine will not jeopardize the success of the offering. If the underwriters determine that less than all of the Registrable Securities requested to be registered can be included in such offering, then the Registrable Securities that are included in such offering shall be allocated among the selling Holders in proportion (as nearly as practicable to) the number of Registrable Securities owned by each selling Holder or in such other proportions as shall mutually be agreed to by all such selling Holders. To facilitate the allocation of shares in accordance with the above provisions, the Company or the underwriters may round the number of shares allocated to any Holder to the nearest one hundred (100) shares. Notwithstanding the foregoing, in no event shall (i) the number of Registrable Securities included in the offering be reduced unless all other securities (other than securities to be sold by the Company) are first entirely excluded from the offering, or (ii) the number of Registrable Securities included in the offering be reduced below thirty percent (30%) of the total number of securities included in such offering, unless such offering is the IPO, in which case the selling Holders may be excluded further if the underwriters make the determination described above and no other stockholder's securities are included in such offering. For purposes of the provision in this Section 2.3(b) concerning apportionment, for any selling Holder that is a partnership, limited liability company, or corporation, the partners, members, retired partners, retired members, stockholders, and Affiliates of such Holder, or the estates and Immediate Family Members of any such partners, retired partners, members, and retired members and any trusts for the benefit of any of the foregoing Persons, shall be deemed to be a single "selling Holder," and any pro rata reduction with respect to such "selling Holder" shall be based upon the aggregate number of Registrable Securities owned by all Persons included in such "selling Holder," as defined in this sentence.

(c) For purposes of Section 2.1, a registration shall not be counted as "effected" if, as a result of an exercise of the underwriter's cutback provisions in Section 2.3(a), fewer than fifty percent (50%) of the total number of Registrable Securities that Holders have requested to be included in such registration statement are actually included.

2.4 Obligations of the Company. Whenever required under this Section 2 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably possible:

(a) prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its commercially reasonable efforts to cause such registration statement to become effective and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for a period of up to one hundred twenty (120) days or, if earlier, until the distribution contemplated in the registration statement has been completed; provided, however, that (i) such one hundred twenty (120) day period shall be extended for a period of time equal to the period the Holder refrains, at the request of an underwriter of Common Stock (or other securities) of the Company, from selling any securities included in such registration, and (ii) in the case of any registration of Registrable Securities on Form S-3 that are intended to be offered on a continuous or delayed basis, subject to compliance with applicable SEC rules, such one hundred twenty (120)-day period shall be extended for up to an additional 120 days, if necessary, to keep the registration statement effective until all such Registrable Securities are sold;

(b) prepare and file with the SEC such amendments and supplements to such registration statement, and the prospectus used in connection with such registration statement, as may be necessary to comply with the Securities Act in order to enable the disposition of all securities covered by such registration statement;

(c) furnish to the selling Holders such numbers of copies of a prospectus, including a preliminary prospectus, as required by the Securities Act, and such other documents as the Holders may reasonably request in order to facilitate their disposition of their Registrable Securities;

(d) use its commercially reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue-sky laws of such jurisdictions as shall be reasonably requested by the selling Holders; provided that the Company shall not be required to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act;

(e) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the underwriter(s) of such offering;

(f) use its commercially reasonable efforts to cause all such Registrable Securities covered by such registration statement to be listed on a national securities exchange or trading system and each securities exchange and trading system (if any) on which similar securities issued by the Company are then listed;

(g) provide a transfer agent and registrar for all Registrable Securities registered pursuant to this Agreement and provide a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration;

(h) upon reasonable notice and during normal business hours, promptly make available for inspection by the selling Holders, any managing underwriter(s) participating in any disposition pursuant to such registration statement, and any attorney or accountant or other agent retained by any such underwriter or selected by the selling Holders, those financial and other records, pertinent corporate documents, and properties of the Company, and cause the Company's officers, directors, employees, and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant, or agent, in each case, as necessary or advisable to verify the accuracy of the information in such registration statement and to conduct appropriate due diligence in connection therewith; provided that the recipient agrees to keep such information confidential (to the extent the Company indicates such information is confidential);

(i) notify each selling Holder, promptly after the Company receives notice thereof, of the time when such registration statement has been declared effective or a supplement to any prospectus forming a part of such registration statement has been filed; and

(j) after such registration statement becomes effective, notify each selling Holder of any request by the SEC that the Company amend or supplement such registration statement or prospectus.

In addition, the Company shall ensure that, at all times after any registration statement covering a public offering of securities of the Company under the Securities Act shall have become effective, its insider trading policy shall provide that the Company's directors may implement a trading program under Rule 10b5-1 of the Exchange Act.

2 . 5 Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 2 with respect to the Registrable Securities of any selling Holder that such Holder shall furnish to the Company such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as is reasonably required to effect the registration of such Holder's Registrable Securities.

2 . 6 Expenses of Registration. All expenses (other than Selling Expenses) incurred in connection with registrations, filings, or qualifications pursuant to Section 2, including all registration, filing, and qualification fees; printers' and accounting fees; fees and disbursements of counsel for the Company; and the reasonable fees and disbursements, not to exceed $50,000 per registration, of one counsel for the selling Holders ("Selling Holder Counsel"), shall be borne and paid by the Company; provided, however, that the Company shall not be required to pay for any expenses of any registration proceeding begun pursuant toSection 2.1 if the registration request is subsequently withdrawn at the request of the Holders of a majority of the Registrable Securities to be registered (in which case all selling Holders shall bear such expenses pro rata based upon the number of Registrable Securities that were to be included in the withdrawn registration), unless the Holders of a majority of the Registrable Securities agree to forfeit their right to one registration pursuant to Sections 2.1(a) or 2.1(b), as the case may be; provided, further, that if at the time of such withdrawal, the Holders shall have learned of a material adverse change in the condition, business or prospects of the Company from that known to the Holders at the time of their request and have withdrawn the request within reasonable promptness after learning such information, then the Holders shall not be required to pay any such expenses and shall not forfeit their right to one registration pursuant to Sections 2.1(a) or 2.1(b). All Selling Expenses relating to Registrable Securities registered pursuant to this Section 2 shall be borne and paid by the Holders pro rata on the basis of the number of Registrable Securities registered on their behalf.

2.7 Delay of Registration. No Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any registration pursuant to this Agreement as the result of any controversy that might arise with respect to the interpretation or implementation of this Section 2.

2.8 Indemnification. If any Registrable Securities are included in a registration statement under this Section 2:

(a) To the extent permitted by law, the Company will indemnify and hold harmless each selling Holder, and the partners, members, officers, directors, and stockholders of each such Holder; legal counsel and accountants for each such Holder; any underwriter (as defined in the Securities Act) for each such Holder; and each Person, if any, who controls such Holder or underwriter within the meaning of the Securities Act or the Exchange Act, against any Damages, and the Company will pay to each such Holder, underwriter, controlling Person, or other aforementioned Person any legal or other expenses reasonably incurred thereby in connection with investigating or defending any claim or proceeding from which Damages may result, as such expenses are incurred; provided, however, that the indemnity agreement contained in this Section 2.8(a) shall not apply to amounts paid in settlement of any such claim or proceeding if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, nor shall the Company be liable for any Damages to the extent that they arise out of or are based upon actions or omissions made in reliance upon and in conformity with written information furnished by or on behalf of any such Holder, underwriter, controlling Person, or other aforementioned Person expressly for use in connection with such registration.

(b) To the extent permitted by law, each selling Holder, severally and not jointly, will indemnify and hold harmless the Company, and each of its directors, each of its officers who has signed the registration statement, each Person (if any), who controls the Company within the meaning of the Securities Act, legal counsel and accountants for the Company, any underwriter (as defined in the Securities Act), any other Holder selling securities in such registration statement, and any controlling Person of any such underwriter or other Holder, against any Damages, in each case only to the extent that such Damages arise out of or are based upon actions or omissions made in reliance upon and in conformity with written information furnished by or on behalf of such selling Holder expressly for use in connection with such registration; and each such selling Holder will pay to the Company and each other aforementioned Person any legal or other expenses reasonably incurred thereby in connection with investigating or defending any claim or proceeding from which Damages may result, as such expenses are incurred; provided, however, that the indemnity agreement contained in this Section 2.8(b) shall not apply to amounts paid in settlement of any such claim or proceeding if such settlement is effected without the consent of the Holder, which consent shall not be unreasonably withheld; and provided further that in no event shall the aggregate amounts payable by any Holder by way of indemnity or contribution under Sections 2.8(b) and 2.8(d) exceed the proceeds from the offering received by such Holder (net of any Selling Expenses paid by such Holder), except in the case of fraud or willful misconduct by such Holder.

(c) Promptly after receipt by an indemnified party under this Section 2.8 of notice of the commencement of any action (including any governmental action) for which a party may be entitled to indemnification hereunder, such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.8, give the indemnifying party notice of the commencement thereof. The indemnifying party shall have the right to participate in such action and, to the extent the indemnifying party so desires, participate jointly with any other indemnifying party to which notice has been given, and to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party (together with all other indemnified parties that may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such action. The failure to give notice to the indemnifying party within a reasonable time of the commencement of any such action shall relieve such indemnifying party of any liability to the indemnified party under this Section 2.8, to the extent that such failure materially prejudices the indemnifying party's ability to defend such action. The failure to give notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 2.8.

(d) To provide for just and equitable contribution to joint liability under the Securities Act in any case in which either: (i) any party otherwise entitled to indemnification hereunder makes a claim for indemnification pursuant to this Section 2.8 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case, notwithstanding the fact that this Section 2.8 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of any party hereto for which indemnification is provided under this Section 2.8, then, and in each such case, such parties will contribute to the aggregate losses, claims, damages, liabilities, or expenses to which they may be subject (after contribution from others) in such proportion as is appropriate to reflect the relative fault of each of the indemnifying party and the indemnified party in connection with the statements, omissions, or other actions that resulted in such loss, claim, damage, liability, or expense, as well as to reflect any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact, or the omission or alleged omission of a material fact, relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission; provided, however, that, in any such case (x) no Holder will be required to contribute any amount in excess of the public offering price of all such Registrable Securities offered and sold by such Holder pursuant to such registration statement, and (y) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation; and provided further that in no event shall a Holder's liability pursuant to this Section 2.8(d), when combined with the amounts paid or payable by such Holder pursuant to Section 2.8(b), exceed the proceeds from the offering received by such Holder (net of any Selling Expenses paid by such Holder), except in the case of willful misconduct or fraud by such Holder.

(e) Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control; provided, however, that the foregoing provisions shall control as to any matter provided for or addressed therein that are not provided for or addressed in the underwriting agreement.

(f) Unless otherwise superseded by an underwriting agreement entered into in connection with the underwritten public offering, the obligations of the Company and Holders under this Section 2.8 shall survive the completion of any offering of Registrable Securities in a registration under this Section 2, and otherwise shall survive the termination of this Agreement or any provisions hereof.

2.9 Reports Under Exchange Act. With a view to making available to the Holders the benefits of SEC Rule 144 and any other rule or regulation of the SEC that may at any time permit a Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company shall:

(a) make and keep available adequate current public information, as those terms are understood and defined in SEC Rule 144, at all times after the effective date of the registration statement filed by the Company for the IPO;

(b) use commercially reasonable efforts to file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act (at any time after the Company has become subject to such reporting requirements); and

(c) furnish to any Holder, so long as the Holder owns any Registrable Securities, forthwith upon request (i) to the extent accurate, a written statement by the Company that it has complied with the reporting requirements of SEC Rule 144 (at any time after ninety (90) days after the effective date of the registration statement filed by the Company for the IPO), the Securities Act, and the Exchange Act (at any time after the Company has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after the Company so qualifies); and (ii) such other information as may be reasonably requested in availing any Holder of any rule or regulation of the SEC that permits the selling of any such securities without registration (at any time after the Company has become subject to the reporting requirements under the Exchange Act) or pursuant to Form S-3 (at any time after the Company so qualifies to use such form).

2.10 Limitations on Subsequent Registration Rights. From and after the date of this Agreement, the Company shall not, without the prior written consent of the Holders of a majority of the Registrable Securities then outstanding, enter into any agreement with any holder or prospective holder of any securities of the Company that would (i) allow such holder or prospective holder to include such securities in any registration unless, under the terms of such agreement, such holder or prospective holder may include such securities in any such registration only to the extent that the inclusion of such securities will not reduce the number of the Registrable Securities of the Holders that are included; or (ii) allow such holder or prospective holder to initiate a demand for registration of any securities held by such holder or prospective holder.

2.11 "Market Stand-off" Agreement. Each Holder hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to the registration by the Company for its own behalf of shares of its Common Stock or any other equity securities under the Securities Act on a registration statement on Form S-1 or Form S-3, and ending on the date specified by the Company and the managing underwriter (such period not to exceed one hundred eighty (180) days): (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Stock held immediately before the effective date of the registration statement for such offering or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or other securities, in cash, or otherwise. The foregoing provisions of this Section 2.11 shall apply only to the IPO, shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement, or the transfer of any shares to any trust for the direct or indirect benefit of the Holder or the immediate family of the Holder, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Holders only if all officers and directors are subject to the same restrictions and the Company uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning more than one percent (1%) of the Company's outstanding Common Stock (after giving effect to conversion into Common Stock of all outstanding Preferred Stock). The underwriters in connection with such registration are intended third-party beneficiaries of this Section 2.11 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Holder further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 2.11 or that are necessary to give further effect thereto.

2.12 Restrictions on Transfer.

(a) The Preferred Stock and the Registrable Securities shall not be sold, pledged, or otherwise transferred, and the Company shall not recognize and shall issue stop-transfer instructions to its transfer agent with respect to any such sale, pledge, or transfer, except upon the conditions specified in this Agreement, which conditions are intended to ensure compliance with the provisions of the Securities Act. A transferring Holder will cause any proposed purchaser, pledgee, or transferee of the Preferred Stock and the Registrable Securities held by such Holder to agree to take and hold such securities subject to the provisions and upon the conditions specified in this Agreement.

(b) Each certificate, instrument, or book entry representing (i) the Preferred Stock, (ii) the Registrable Securities, and (iii) any other securities issued in respect of the securities referenced in clauses (i) and (ii), upon any stock split, stock dividend, recapitalization, merger, consolidation, or similar event, shall (unless otherwise permitted by the provisions of Section 2.12(c) be notated with a legend substantially in the following form:

> THE SECURITIES REPRESENTED HEREBY HAVE BEEN ACQUIRED FOR INVESTMENT AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933. SUCH SHARES MAY NOT BE SOLD, PLEDGED, OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR A VALID EXEMPTION FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SAID ACT.
>
> THE SECURITIES REPRESENTED HEREBY MAY BE TRANSFERRED ONLY IN ACCORDANCE WITH THE TERMS OF AN AGREEMENT BETWEEN THE COMPANY AND THE STOCKHOLDER, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.

The Holders consent to the Company making a notation in its records and giving instructions to any transfer agent of the Restricted Securities in order to implement the restrictions on transfer set forth in this Section 2.12.

(c) The holder of such Restricted Securities, by acceptance of ownership thereof, agrees to comply in all respects with the provisions of this Section 2. Before any proposed sale, pledge, or transfer of any Restricted Securities, unless there is in effect a registration statement under the Securities Act covering the proposed transaction, the Holder thereof shall give notice to the Company of such Holder's intention to effect such sale, pledge, or transfer. Each such notice shall describe the manner and circumstances of the proposed sale, pledge, or transfer in sufficient detail and, if reasonably requested by the Company, shall be accompanied at such Holder's expense by either (i) a written opinion of legal counsel who shall, and whose legal opinion shall, be reasonably satisfactory to the Company, addressed to the Company, to the effect that the proposed transaction may be effected without registration under the Securities Act; (ii) a "no action" letter from the SEC to the effect that the proposed sale, pledge, or transfer of such Restricted Securities without registration will not result in a recommendation by the staff of the SEC that action be taken with respect thereto; or (iii) any other evidence reasonably satisfactory to counsel to the Company to the effect that the proposed sale, pledge, or transfer of the Restricted Securities may be effected without registration under the Securities Act, whereupon the Holder of such Restricted Securities shall be entitled to sell, pledge, or transfer such Restricted Securities in accordance with the terms of the notice given by the Holder to the Company. The Company will not require such a legal opinion or "no action" letter (x) in any transaction in compliance with SEC Rule 144; or (y) in any transaction in which such Holder distributes Restricted Securities to an Affiliate of such Holder for no consideration; provided that each transferee agrees in writing to be subject to the terms of thisSection 2.12. Each certificate, instrument, or book entry representing the Restricted Securities transferred as above provided shall be notated with, except if such transfer is made pursuant to SEC Rule 144, the appropriate restrictive legend set forth in Section 2.12(b), except that such certificate instrument, or book entry shall not be notated with such restrictive legend if, in the opinion of counsel for such Holder and the Company, such legend is not required in order to establish compliance with any provisions of the Securities Act.

2.13 Termination of Registration Rights. The right of any Holder to request registration or inclusion of Registrable Securities in any registration pursuant to Sections 2.1 or 2.2 shall terminate upon the earliest to occur of:

(a) such time after consummation of the IPO as Rule 144 or another similar exemption under the Securities Act is available for the sale of all of such Holder's shares without limitation during a three-month period without registration; or

(b) the 5th anniversary of the IPO.

2.14 Successor Indemnification. If the Company or any of its successors or assignees consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger, then to the extent necessary, proper provision shall be made so that the successors and assignees of the Company assume the obligations of the Company with respect to indemnification of members of the Board of Directors as in effect immediately before such transaction, whether such obligations are contained in the Company's Bylaws, the Certificate of Incorporation, or elsewhere, as the case may be.

2.15 **Right to Conduct Activities**. The Company hereby agrees and acknowledges that Innventus Fund I, L.P. (together with its Affiliates, "**Innventus**") is a professional investment organization, and as such reviews the business plans and related proprietary information of many enterprises, some of which may compete directly or indirectly with the Company's business (as currently conducted or as currently propose to be conducted). The Company hereby agrees that, to the extent permitted under applicable law, Innventus shall not be liable to the Company for any claim arising out of, or based upon, (i) the investment by Innventus in any entity competitive with the Company, or (ii) actions taken by any partner, officer, employee or other representative of Innventus to assist any such competitive company, whether or not such action was taken as a member of the board of directors of such competitive company or otherwise, and whether or not such action has a detrimental effect on the Company; provided, however, that the foregoing shall not relieve (x) any of the Investors from liability associated with the unauthorized disclosure of the Company's confidential information obtained pursuant to this Agreement, or (y) any director or officer of the Company from any liability associated with his or her fiduciary duties to the Company.

3. Miscellaneous.

3.1 Successors and Assigns. The rights under this Agreement may be assigned (but only with all related obligations) by a Holder to a transferee of Registrable Securities that (i) is an Affiliate of a Holder; (ii) is a Holder's Immediate Family Member or trust for the benefit of an individual Holder or one or more of such Holder's Immediate Family Members; or (iii) after such transfer, holds at least [ ] shares of Registrable Securities (subject to appropriate adjustment for stock splits, stock dividends, combinations, and other recapitalizations); provided, however, that (x) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee and the Registrable Securities with respect to which such rights are being transferred; and (y) such transferee agrees in a written instrument delivered to the Company to be bound by and subject to the terms and conditions of this Agreement, including the provisions of Section 2.11. For the purposes of determining the number of shares of Registrable Securities held by a transferee, the holdings of a transferee (1) that is an Affiliate or stockholder of a Holder; (2) who is a Holder's Immediate Family Member; or (3) that is a trust for the benefit of an individual Holder or such Holder's Immediate Family Member shall be aggregated together and with those of the transferring Holder; provided further that all transferees who would not qualify individually for assignment of rights shall, as a condition to the applicable transfer, establish a single attorney-in-fact for the purpose of exercising any rights, receiving notices, or taking any action under this Agreement. The terms and conditions of this Agreement inure to the benefit of and are binding upon the respective successors and permitted assignees of the parties. To the extent that any notice given by means of electronic transmission is returned or undeliverable for any reason, the foregoing consent shall be deemed to have been revoked until a new or corrected electronic mail address has been provided, and such attempted Electronic Notice shall be ineffective and deemed to not have been given. Each Investor and Key Holder agrees to promptly notify the Company of any change in such stockholder's electronic mail address, and that failure to do so shall not affect the foregoing.

3 . 6 Amendments and Waivers. Any term of this Agreement may be amended, modified or terminated and the observance of any term of this Agreement may be waived (either generally or in a particular instance, and either retroactively or prospectively) only with the written consent of the Company and the holders of a majority of the Registrable Securities then outstanding; provided that the Company may in its sole discretion waive compliance withSection 2.12(c) (and the Company's failure to object promptly in writing after notification of a proposed assignment allegedly in violation of Section 2.12(c) shall be deemed to be a waiver); and provided further that any provision hereof may be waived by any waiving party on such party's own behalf, without the consent of any other party; provided, however, that Sections 2.14 and 2.152.15, and this Section 3.16 may not be amended, modified, terminated or waived without the written consent of Innventus. No waivers of or exceptions to any term, condition, or provision of this Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such term, condition, or provision.

3 . 7 Severability. In case any one or more of the provisions contained in this Agreement is for any reason held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement, and such invalid, illegal, or unenforceable provision shall be reformed and construed so that it will be valid, legal, and enforceable to the maximum extent permitted by law.

3.8 Aggregation of Stock; Apportionment. All shares of Registrable Securities held or acquired by Affiliates shall be aggregated together for the purpose of determining the availability of any rights under this Agreement and such Affiliated persons may apportion such rights as among themselves in any manner they deem appropriate.

3.11 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, shall impair any such right, power, or remedy of such nonbreaching or nondefaulting party, nor shall it be construed to be a waiver of or acquiescence to any such breach or default, or to any similar breach or default thereafter occurring, nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Purchase Agreement (as hereinafter defined)

Ladies and Gentlemen:

We have acted as counsel to *Aeroflexx, LLC,* a Delaware limited liability company (the "Company"), in connection with the issuance and sale of its Class D Preferred Units (the "Class D Preferred Units") to Innventus ESG Fund I, L.P. (the "Purchaser") pursuant to that certain Class D Preferred Unit Purchase Agreement (the "Purchase Agreement') and the related transaction documents referred to therein (collectively, the "Transaction Documents") dated November 10, 2021, executed and/or delivered by the Company to the Purchasers. This opinion is being furnished to you pursuant to Section 4.4 of the Purchase Agreement. All capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Purchase Agreement.

In connection with issuing this opinion, we have reviewed originals or copies of Transaction Documents and the certificate to counsel from the Company dated as of even date herewith (the "Certificate to Counsel"), a copy of which is attached hereto as Exhibit A. Further, we have reviewed: (i) the Certificate of Good Standing dated November 10, 2021 as issued by the Delaware Department of State, attached as Appendix 1 to the Certificate to Counsel; (ii) the Certificate of Formation of the Company, as filed with the Delaware Secretary of State (the "Certificate"), attached as Appendix 2 to the Certificate to Counsel; (iii) the Third Amended and Restated Limited Liability Company Agreement of the Company dated November 10, 2021 (the "LLC Agreement"), attached as Appendix 3 to the Certificate to Counsel; (iv) the Unanimous Consent of the Board of Directors of the Company effective as of the date last written therein (the "Board Consent"), attached as Appendix 4 to the Certificate to Counsel; and (iii) the Written Consent of the Members of the Company effective as of the date last written therein (the "Member Consent"), attached as Appendix 5 to the Certificate to Counsel. We also have examined such records and proceedings of the Company, including the records of the Company's Board of Directors (the "Board") and the Company's Members (the "Members"), have made such searches and examined such other documents, statutes, public records, certificates of officers of the Company and public officials, and have considered such questions of law as we have considered relevant, necessary or advisable in order to enable us to give the opinions herein expressed. For purposes of rendering this opinion, we have not reviewed any documents other than the documents listed above. We have also not reviewed any documents that may be referred to in or incorporated by reference into any of the documents listed above.

The opinions herein expressed relate only to the laws of the State of Florida, the Delaware Limited Liability Company Act (the "DLLCA"), and the federal laws of the United States, and not to the laws of any other jurisdiction. We express no opinion as to the enforceability of any indemnification and contribution provisions contained in any of the Transaction Documents.

Any opinion expressed herein concerning the validity, binding effect and/or enforceability of any agreements or other documents with respect to the Company means only that (a) such agreements or documents constitute effective contracts under applicable law, (b) such agreements or documents are not invalid in their entirety because of a specific statutory prohibition and are not subject in their entirety to a contractual defense, and (c) subject to the other provisions of this paragraph, some remedy is available if the Company is in material default under any of such agreements or documents.

This opinion does not mean that (i) any particular remedy is available in connection with or as a result of a material default, or (ii) every provision of the Transaction Documents will be upheld or enforced in any or each circumstance by a court; provided that such limitations do not, in our opinion, make the remedies and procedures that will be afforded to the Purchasers inadequate for the realization of the substantive benefits purported to be provided to the Purchasers under the Transaction Documents. Furthermore, the validity, binding effect and enforceability of the agreements or documents may be limited or otherwise affected by (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statutes, rules, regulations or other laws affecting the enforcement of creditors' rights and remedies generally, (B) the unavailability of, or limitation on the availability of, a particular right or remedy (whether in a proceeding in equity or at law) because of an equitable principle or a requirement as to commercial reasonableness, conscionability or good faith, and (C) the discretion of courts of competent jurisdiction in granting equitable remedies, including the remedies of specific performance and injunction.

In giving the opinions herein expressed, we have assumed the legal capacity of all natural persons, the genuineness of all signatures appearing on the documents examined by us, the authenticity and completeness of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as certified, notarized, conformed or photostatic copies or facsimiles and the accuracy of the factual matters in such documents.

Where we render an opinion "to our knowledge" or our opinion otherwise refers to our knowledge, our opinion, with respect to matters of fact, is based solely upon (i) the actual knowledge of attorneys within this firm who regularly perform legal services for the Company, (ii) the representations and warranties in the Transaction Documents, (iii) an examination of documents in our files and documents provided to us by the Company, (iv) certificates of even date herewith of the Company, and (v) such other investigation, if any, as we specifically set forth herein.

As to factual matters, we have relied, without investigation, solely upon the representations and warranties of the Company contained in the Transaction Documents to which it is a party and an examination of documents in our files and documents provided to us by the Company, or such other investigation, if any, as we specifically set forth herein. In connection therewith, we have reviewed the Certificate to Counsel. No opinion is rendered hereunder as to the accuracy of the representations and warranties contained in the Transaction Documents or in the Certificate to Counsel. Further, the factual matters set forth in the Certificate to Counsel have been provided to us solely for our benefit in issuing this opinion, and no party, other than this law firm, is entitled to rely upon them.

The assumptions contained in the Report on Third-Party Legal Opinion Customary Practice in Florida issued by the Business Law Section of The Florida Bar are incorporated by reference into this opinion.

For purposes of our opinion in paragraph 1 below as to the valid existence and good standing of the Company, we have relied solely upon the Certificate attached as Appendix 1 to the Certificate to Counsel.

We have also assumed the due authorization, execution and delivery by the Purchasers of each of the Transaction Documents to which it is a party, including proper execution of fiduciary duties and necessary approvals under applicable law to substantiate the overall fairness of the Transaction Documents and transactions contemplated thereby to all of the Members. Specifically, we have assumed the disclosure by the Board of information concerning the Transaction Documents and transactions contemplated thereby, the valid informed consent and approval of all of the Members thereto, and that such transactions are fair to the Company under applicable law and have been properly disclosed under and approved by the Board Consent and the Member Consent provided to us.

Based and relying upon and subject to the foregoing, we are of the opinion that at the date hereof:

4. The Transaction Documents, when executed and delivered, will constitute the legal, valid and binding obligations of the Company, enforceable against it in accordance with their respective terms.

5. No consent, approval or authorization of, or declaration, registration or filing with, any Person, including any governmental authority, on the part of the Company is required for the valid execution, delivery and performance of the Transaction Documents, or the valid consummation of the transactions contemplated thereby, or the offer, sale or issuance of the Class D Preferred Units except the notice filing required by the filing of a Form D pursuant to Regulation D of the Securities Act of 1933, as amended (the "Securities Act").

7. The Class D Preferred Units have been duly authorized, and when issued, delivered and paid for in accordance with the Purchase Agreement, will be validly issued, fully paid and nonassessable. NO SUCH SALE OR DISPOSITION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933, AS AMENDED.

CONVERTIBLE PROMISSORY NOTE

$4,000,000 **August 18, 2022**

FOR VALUE RECEIVED, **Accelsius Holdings LLC**, a Delaware limited liability company (the "**Company**"), hereby promises to pay to **Innventus ESG Fund I, L.P.**, a Delaware limited partnership ("**Holder**"), the principal sum of $4,000,000. Interest shall accrue from the date of this Convertible Promissory Note (this "**Note**") on the unpaid principal amount at a rate equal to eight percent per annum (the "**Interest Rate**"). The Interest Rate shall be calculated on the basis of the actual number of days elapsed over a year of 365 days. This Note is one of a series of Convertible Promissory Notes being issued pursuant to the Series I Convertible Note Purchase Agreement, dated as of August 18, 2022 (the "**Purchase Agreement**"), by and among the Company, Holder and the other parties thereto.

This Note is subject to the following terms and conditions:

1. Definitions. For purposes of this Note, the following terms shall have the meanings set forth in this Section 1. Any other capitalized term used herein but not defined herein shall have the meanings ascribed to such term in the Purchase Agreement.

"**Change in Control Transaction**" shall mean (a) a merger of the Company with or into another entity, if, after such merger, the holders of a majority of the Company's voting securities immediately prior to such merger do not hold a majority of the voting securities of the successor entity; (b) the sale by the Company of all or substantially all of its assets; or (c) any transaction in which more than 50% of the voting securities of the Company are transferred to any person who is not a equity holder on the date of the Initial Closing, in all cases, other than a transaction (or series of related transactions) which is primarily for the purpose of financing or reorganizing the Company.

"**Class A Units**" means the Class A Units of the Company.

"**Next Equity Securities**" means the type of equity securities of the Company issued in a Qualified Financing.

"**Non-Qualified Financing Equity Securities**" means the type of equity securities of the Company issued in a Non-Qualified Financing (as defined below).

"**Proceeds**" means cash and other assets (including without limitation equity consideration) that are proceeds from a Change in Control Transaction and legally available for distribution.

"**Qualified Financing**" means the sale by the Company of equity securities in a bona fide financing or bona fide financings following the date of this Agreement resulting in gross proceeds to the Company, in the aggregate, of at least $2,000,000 (not including, for purposes of such calculation, the conversion of any Convertible Notes into Next Equity Securities or the conversion of any other convertible securities), which is primarily for investment purposes and not made primarily in connection with a strategic arrangement.

"**Units**" means the Class A Units and the Class C Units of the Company.

2. Maturity.

(a) Unless converted, exchanged or otherwise paid pursuant to Section 3, the principal amount then outstanding and any accrued but unpaid interest under this Note shall be due and payable on the earlier of (i) August 18, 2025 or (ii) the consummation of a Change in Control Transaction (such earlier date, the "**Maturity Date**"); provided, however, that, notwithstanding the foregoing, the Maturity Date may be extended with the written consent of the Company and the Requisite Majority.

3. Conversion/Exchange.

(a) Automatic Conversion. Upon the consummation of a Qualified Financing prior to the Maturity Date, the principal amount then outstanding and any accrued but unpaid interest under this Note will automatically convert into Next Equity Securities at a conversion price equal to the lesser of (a) 80% of the per unit price paid by the investors purchasing Next Equity Securities in the Qualified Financing or (b) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Next Equity Securities (assuming full conversion or exercise of all convertible and exercisable securities, including any new options issued with the Qualified Financing, then outstanding other than the Notes), and otherwise on the same terms and conditions as given to the investors purchasing Next Equity Securities in the Qualified Financing.

(b) Optional Conversion upon Closing of a Non-Qualified Financing. Upon the consummation of the sale by the Company of equity securities in a bona fide financing or bona fide financings following the date of this Agreement, but prior to the Maturity Date, which is not a Qualified Financing (a "**Non-Qualified Financing**"), then, if the Holder so elects in its sole discretion, the principal amount then outstanding and any accrued but unpaid interest under this Note will convert into Non-Qualified Financing Equity Securities at a conversion price equal to the lesser of (a) 80% of the per unit price paid by the investors purchasing Non-Qualified Financing Equity Securities in a Non-Qualified Financing, or (b) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Non-Qualified Financing (assuming full conversion or exercise of all convertible and exercisable securities, including any new options issued with the Non-Qualified Financing, then outstanding other than the Notes), and otherwise on the same terms and conditions as given to the investors purchasing Non-Qualified Financing Equity Securities in the Non-Qualified Financing.

(c) Change in Control Transaction. Upon the consummation of a Change in Control Transaction prior to August 18, 2025, Holder shall be entitled to receive a portion of the Proceeds, due and payable to Holder immediately prior to, or concurrent with, the consummation of such Change in Control Transaction, equal to the greater of (i) 1.5 times the principal amount then outstanding and any accrued but unpaid interest under this Note on the Maturity Date or (ii) the amount payable on the number of Class A Units equal to the principal amount then outstanding and any accrued but unpaid interest under this Note on the Maturity Date divided by a price per unit equal to the lesser of (A) 80% of the per unit price paid by the acquiring party or parties to a Change In Control Transaction (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes) or (B) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Change in Control Transaction (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes).

(d) Optional Conversion upon Maturity. Subject to Sections 3(a), (b) and (c), if this Note remains outstanding on or after the Maturity Date, then, if the Holder so elects in its sole discretion, the principal amount then outstanding and any accrued but unpaid interest under this Note will convert into Class A Units at a conversion price equal to the lesser of (a) 80% of the fair market value per unit of the Class A Units, as determined by the Board (as defined in the LLC Agreement), in its sole discretion acting in good faith, or (b) the quotient of $200,000,000 divided by the aggregate number of then-outstanding Units (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes), and otherwise on the same terms and conditions as the holders of Class A Units are entitled.

(e) Mechanics of Conversion or Exchange. No fractional units of the Company will be issued upon the conversion of this Note. In lieu of any fractional unit to which Holder would otherwise be entitled, the Company will pay to Holder, in cash, the amount of the unconverted principal amount and any accrued but unpaid interest then outstanding under this Note that would otherwise be converted into such fractional unit. Upon conversion of this Note pursuant to this Section 3, Holder shall surrender this Note, duly endorsed, at the principal offices of the Company or any transfer agent of the Company. At its expense, the Company will, as soon as practicable thereafter, issue and deliver to Holder a certificate or certificates for the number of units to which Holder is entitled upon such conversion, together with any other securities and property to which Holder is entitled upon such conversion under the terms of this Note, including a check payable to Holder for any cash amounts payable as described herein. Upon conversion or repayment of this Note, the Company will be forever released from all of its obligations and liabilities under this Note with regard to that portion of the principal amount and accrued interest being converted including without limitation the obligation to pay such portion of the principal amount.

4. Payment; Prepayment.

(a) All payments under this Note shall be made in lawful money of the United States of America to such account of Holder as Holder may from time to time designate in writing to the Company. Payment shall be credited first to the accrued interest then due and payable and the remainder applied to the principal amount.

(b) The Company may prepay this Note without penalty or premium with the prior written consent of the Requisite Majority; provided that all Convertible Notes then outstanding shall be paid on *pro rata* basis.

5. Event of Default. If there shall be any Event of Default (as defined below), at the option and upon the declaration of Holder and upon written notice to the Company, this Note shall accelerate and all principal and accrued interest shall become due and payable. The occurrence of any one or more of the following shall constitute an "**Event of Default**":

(a) the Company fails to pay timely any of the principal amount or other amounts due under this Note on the date the same becomes due and payable;

(b) the Company fails to comply with any material provision of this Note or the Purchase Agreement, which failure is not cured within 30 days of Holder's written notice of such failure;

(c) the Company files any petition or action for relief under any bankruptcy, reorganization, insolvency or moratorium law or any other law for the relief of, or relating to, debtors, now or hereafter in effect, or makes any assignment for the benefit of creditors or takes any company action in furtherance of any of the foregoing; or

(d) an involuntary petition is filed against the Company (unless such petition is dismissed or discharged within 90 days) under any bankruptcy statute now or hereafter in effect, or a custodian, receiver, trustee, or assignee for the benefit of creditors (or other similar official) is appointed to take possession, custody or control of any property of the Company.

6. No Security. This Note is a general unsecured obligation of the Company.

7 . Governing Law. This Note shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

8. Amendment. Neither this Note nor any term hereof may be amended, waived, discharged or terminated other than by a written instrument referencing this Agreement and signed by the Company and the Requisite Majority; provided, however, that, notwithstanding the foregoing, this Note may not be amended, and the observance of any term of this Note may not be waived, without the written consent of Holder, unless such amendment or waiver applies to the Convertible Notes held by all holders and does not have a disproportionate adverse effect on Holder.

9. Transferability. This Note, and any interest in the rights and obligations of Holder hereunder, may not be assigned by Holder, without the prior written consent of the Company. The Company may not assign this Note or its rights or obligations under this Note without the Requisite Majority's consent.

10. Severability. If any provision of this Note becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, portions of such provision, or such provision in its entirety, to the extent necessary, shall be severed from this Note, and such court will replace such illegal, void or unenforceable provision of this Note with a valid and enforceable provision that will achieve, to the extent possible, the same economic, business and other purposes of the illegal, void or unenforceable provision. The balance of this Note shall be enforceable in accordance with its terms.

11. Counterparts. This Note may be executed in any number of counterparts, each of which shall be enforceable against the parties actually executing such counterparts, and all of which together shall constitute one instrument. Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, *e.g.*, www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

12. Purchase Agreement. This Note is one of a series of Convertible Notes being issued pursuant to the Purchase Agreement and is entitled to all of the benefits, and subject to all of the limitations, provided in the Purchase Agreement, which are hereby incorporated herein by reference as though set forth herein in their entirety.

IN WITNESS WHEREOF, the undersigned has caused this Convertible Promissory Note to be executed as of the date first above written.

Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

ACCELSIUS HOLDINGS LLC DISCLOSURE STATEMENT

Accelsius Holdings LLC (the "**Company**") is providing this disclosure statement to subscribers ("**Subscribers**" and each individually a "**Subscriber**") in connection with commitments for units in the Company (the "**Units**"). The Company has retained Sanders Morris Harris LLC ("**SMH**") as its placement agent with respect to the sale of the Units. For its services in connection with the offering of the Units, the Company and has agreed to pay SMH a placement fee in an amount equal to a percentage of the commitments from Subscribers placed by SMH (the "**Placement Fee**"). Certain of the personnel of the Company are also registered representatives of SMH (the "**Representatives**") and, in such capacity, facilitate the offering and sale of the Units. In connection with such services, the Representatives are entitled to receive a portion of the Placement Fee. The recommendation that a Subscriber purchase Units presents a conflict of interest, as the receipt of the Placement Fee provides an incentive for the Representatives to recommend the Units based on the Placement Fee received, rather than on a particular Subscriber's need. Additionally, the Representatives have a financial incentive to recommend the Units because commitments raised by the Company will be used, at least in part, to pay certain expenses of the Company, including the compensation of the Representatives. Subscriber is under no obligation to purchase Units.

In addition, Subscriber acknowledges and agrees that (a) a purchase of the Units represents a speculative investment involving a high degree of risk (b) the investment in the Units is suitable for Subscriber based upon Subscriber's investment objectives and financial needs, (c) the Units are illiquid and Subscriber has adequate net worth and means for providing for Subscriber's current financial needs and contingencies and has no need for liquidity of investment with respect to the Units; (d) Subscriber's overall commitment to investments that are illiquid or not readily marketable is not disproportionate to Subscriber's net worth; and (d) an investment in the Units will not cause such overall commitment to become excessive. ***Past performance is not indicative of future results. All investments are speculative and subject to the risk of loss.***

By signing this letter, Subscriber hereby understands and acknowledges that certain conflicts of interest arise due to the relationships between the Company and SMH, and acknowledges that the Subscriber has taken into consideration these conflicts of interest in making an investment decision. In addition, Subscriber hereby consents to such relationships and acknowledges that Subscriber has had the opportunity to address any concerns about such conflicts with the appropriate personnel of the Company. CONVERTIBLE PROMISSORY NOTE

$4,000,000 **August 18, 2022**

FOR VALUE RECEIVED, **Accelsius Holdings LLC**, a Delaware limited liability company (the "**Company**"), hereby promises to pay to **Innventus ESG Fund I, L.P.**, a Delaware limited partnership ("**Holder**"), the principal sum of $4,000,000. Interest shall accrue from the date of this Convertible Promissory Note (this "**Note**") on the unpaid principal amount at a rate equal to eight percent per annum (the "**Interest Rate**"). The Interest Rate shall be calculated on the basis of the actual number of days elapsed over a year of 365 days. This Note is one of a series of Convertible Promissory Notes being issued pursuant to the Series I Convertible Note Purchase Agreement, dated as of August 18, 2022 (the "**Purchase Agreement**"), by and among the Company, Holder and the other parties thereto.

This Note is subject to the following terms and conditions:

1. Definitions. For purposes of this Note, the following terms shall have the meanings set forth in this Section 1. Any other capitalized term used herein but not defined herein shall have the meanings ascribed to such term in the Purchase Agreement.

"**Change in Control Transaction**" shall mean (a) a merger of the Company with or into another entity, if, after such merger, the holders of a majority of the Company's voting securities immediately prior to such merger do not hold a majority of the voting securities of the successor entity; (b) the sale by the Company of all or substantially all of its assets; or (c) any transaction in which more than 50% of the voting securities of the Company are transferred to any person who is not a equity holder on the date of the Initial Closing, in all cases, other than a transaction (or series of related transactions) which is primarily for the purpose of financing or reorganizing the Company.

"**Class A Units**" means the Class A Units of the Company.

"**Next Equity Securities**" means the type of equity securities of the Company issued in a Qualified Financing.

"**Non-Qualified Financing Equity Securities**" means the type of equity securities of the Company issued in a Non-Qualified Financing (as defined below).

"**Proceeds**" means cash and other assets (including without limitation equity consideration) that are proceeds from a Change in Control Transaction and legally available for distribution.

"**Qualified Financing**" means the sale by the Company of equity securities in a bona fide financing or bona fide financings following the date of this Agreement resulting in gross proceeds to the Company, in the aggregate, of at least $2,000,000 (not including, for purposes of such calculation, the conversion of any Convertible Notes into Next Equity Securities or the conversion of any other convertible securities), which is primarily for investment purposes and not made primarily in connection with a strategic arrangement.

"**Units**" means the Class A Units and the Class C Units of the Company.

2. Maturity.

(a) Unless converted, exchanged or otherwise paid pursuant to Section 3, the principal amount then outstanding and any accrued but unpaid interest under this Note shall be due and payable on the earlier of (i) August 18, 2025 or (ii) the consummation of a Change in Control Transaction (such earlier date, the "**Maturity Date**"); provided, however, that, notwithstanding the foregoing, the Maturity Date may be extended with the written consent of the Company and the Requisite Majority.

3. Conversion/Exchange.

(a) Automatic Conversion. Upon the consummation of a Qualified Financing prior to the Maturity Date, the principal amount then outstanding and any accrued but unpaid interest under this Note will automatically convert into Next Equity Securities at a conversion price equal to the lesser of (a) 80% of the per unit price paid by the investors purchasing Next Equity Securities in the Qualified Financing or (b) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Next Equity Securities (assuming full conversion or exercise of all convertible and exercisable securities, including any new options issued with the Qualified Financing, then outstanding other than the Notes), and otherwise on the same terms and conditions as given to the investors purchasing Next Equity Securities in the Qualified Financing.

(b) Optional Conversion upon Closing of a Non-Qualified Financing. Upon the consummation of the sale by the Company of equity securities in a bona fide financing or bona fide financings following the date of this Agreement, but prior to the Maturity Date, which is not a Qualified Financing (a "**Non-Qualified Financing**"), then, if the Holder so elects in its sole discretion, the principal amount then outstanding and any accrued but unpaid interest under this Note will convert into Non-Qualified Financing Equity Securities at a conversion price equal to the lesser of (a) 80% of the per unit price paid by the investors purchasing Non-Qualified Financing Equity Securities in a Non-Qualified Financing, or (b) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Non- Qualified Financing (assuming full conversion or exercise of all convertible and exercisable securities, including any new options issued with the Non-Qualified Financing, then outstanding other than the Notes), and otherwise on the same terms and conditions as given to the investors purchasing Non-Qualified Financing Equity Securities in the Non-Qualified Financing.

(c) Change in Control Transaction. Upon the consummation of a Change in Control Transaction prior to August 18, 2025, Holder shall be entitled to receive a portion of the Proceeds, due and payable to Holder immediately prior to, or concurrent with, the consummation of such Change in Control Transaction, equal to the greater of (i) 1.5 times the principal amount then outstanding and any accrued but unpaid interest under this Note on the Maturity Date or (ii) the amount payable on the number of Class A Units equal to the principal amount then outstanding and any accrued but unpaid interest under this Note on the Maturity Date divided by a price per unit equal to the lesser of (A) 80% of the per unit price paid by the acquiring party or parties to a Change In Control Transaction (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes) or (B) the quotient of $200,000,000 divided by the aggregate number of outstanding Units as of immediately prior to the initial closing of the Change in Control Transaction (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes).

(d) Optional Conversion upon Maturity. Subject to Sections 3(a), (b) and (c), if this Note remains outstanding on or after the Maturity Date, then, if the Holder so elects in its sole discretion, the principal amount then outstanding and any accrued but unpaid interest under this Note will convert into Class A Units at a conversion price equal to the lesser of (a) 80% of the fair market value per unit of the Class A Units, as determined by the Board (as defined in the LLC Agreement), in its sole discretion acting in good faith, or (b) the quotient of $200,000,000 divided by the aggregate number of then-outstanding Units (assuming full conversion or exercise of all convertible and exercisable securities then outstanding other than the Notes), and otherwise on the same terms and conditions as the holders of Class A Units are entitled.

(e) Mechanics of Conversion or Exchange. No fractional units of the Company will be issued upon the conversion of this Note. In lieu of any fractional unit to which Holder would otherwise be entitled, the Company will pay to Holder, in cash, the amount of the unconverted principal amount and any accrued but unpaid interest then outstanding under this Note that would otherwise be converted into such fractional unit. Upon conversion of this Note pursuant to this Section 3, Holder shall surrender this Note, duly endorsed, at the principal offices of the Company or any transfer agent of the Company. At its expense, the Company will, as soon as practicable thereafter, issue and deliver to Holder a certificate or certificates for the number of units to which Holder is entitled upon such conversion, together with any other securities and property to which Holder is entitled upon such conversion under the terms of this Note, including a check payable to Holder for any cash amounts payable as described herein. Upon conversion or repayment of this Note, the Company will be forever released from all of its obligations and liabilities under this Note with regard to that portion of the principal amount and accrued interest being converted including without limitation the obligation to pay such portion of the principal amount.

4. Payment; Prepayment.

(a) All payments under this Note shall be made in lawful money of the United States of America to such account of Holder as Holder may from time to time designate in writing to the Company. Payment shall be credited first to the accrued interest then due and payable and the remainder applied to the principal amount.

(b) The Company may prepay this Note without penalty or premium with the prior written consent of the Requisite Majority provided that all Convertible Notes then outstanding shall be paid on a *pro rata* basis.

5. Event of Default. If there shall be any Event of Default (as defined below), at the option and upon the declaration of Holder and upon written notice to the Company, this Note shall accelerate and all principal and accrued interest shall become due and payable. The occurrence of any one or more of the following shall constitute an "**Event of Default**":

(a) the Company fails to pay timely any of the principal amount or other amounts due under this Note on the date the same becomes due and payable;

(b) the Company fails to comply with any material provision of this Note or the Purchase Agreement, which failure is not cured within 30 days of Holder's written notice of such failure;

(c) the Company files any petition or action for relief under any bankruptcy, reorganization, insolvency or moratorium law or any other law for the relief of, or relating to, debtors, now or hereafter in effect, or makes any assignment for the benefit of creditors or takes any company action in furtherance of any of the foregoing; or

(d) an involuntary petition is filed against the Company (unless such petition is dismissed or discharged within 90 days) under any bankruptcy statute now or hereafter in effect, or a custodian, receiver, trustee, or assignee for the benefit of creditors (or other similar official) is appointed to take possession, custody or control of any property of the Company.

6. No Security. This Note is a general unsecured obligation of the Company.

7. Governing Law. This Note shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

8. Amendment. Neither this Note nor any term hereof may be amended, waived, discharged or terminated other than by a written instrument referencing this Agreement and signed by the Company and the Requisite Majority; provided, however, that, notwithstanding the foregoing, this Note may not be amended, and the observance of any term of this Note may not be waived, without the written consent of Holder, unless such amendment or waiver applies to the Convertible Notes held by all holders and does not have a disproportionate adverse effect on Holder.

9. Transferability. This Note, and any interest in the rights and obligations of Holder hereunder, may not be assigned by Holder, without the prior written consent of the Company. The Company may not assign this Note or its rights or obligations under this Note without the Requisite Majority's consent.

10. Severability. If any provision of this Note becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, portions of such provision, or such provision in its entirety, to the extent necessary, shall be severed from this Note, and such court will replace such illegal, void or unenforceable provision of this Note with a valid and enforceable provision that will achieve, to the extent possible, the same economic, business and other purposes of the illegal, void or unenforceable provision. The balance of this Note shall be enforceable in accordance with its terms.

11. Counterparts. This Note may be executed in any number of counterparts, each of which shall be enforceable against the parties actually executing such counterparts, and all of which together shall constitute one instrument. Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, *e.g.*, www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

12. Purchase Agreement. This Note is one of a series of Convertible Notes being issued pursuant to the Purchase Agreement and is entitled to all of the benefits, and subject to all of the limitations, provided in the Purchase Agreement, which are hereby incorporated herein by reference as though set forth herein in their entirety.

IN WITNESS WHEREOF, the undersigned has caused this Convertible Promissory Note to be executed as of the date first above written.

3. Representations and Warranties of the Purchasers. Each Purchaser hereby represents and warrants to the Company, severally and not jointly, that:

3.1 **Authorization**. Such Purchaser has full power and authority to enter into the Transaction Agreements. The Transaction Agreements to which such Purchaser is a party, when executed and delivered by such Purchaser, will constitute valid and legally binding obligations of such Purchaser, enforceable against such Purchaser in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and any other laws of general application affecting enforcement of creditors' rights generally, and as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3.2 **Purchase Entirely for Own Account**. This Agreement is made with such Purchaser in reliance upon such Purchaser's representation to the Company, which by such Purchaser's execution of this Agreement, such Purchaser hereby confirms, that the Offered Units to be acquired by such Purchaser will be acquired for investment for such Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that such Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, such Purchaser further represents that such Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Offered Units. Such Purchaser has not been formed for the specific purpose of acquiring the Offered Units.

3.3 **Disclosure of Information**. Such Purchaser has had an opportunity to discuss the Company's and Accelsius' business, management, financial affairs and the terms and conditions of the offering of the Offered Units with the Company's and Accelsius' management and has had an opportunity to review the Company's and Accelsius' facilities. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of such Purchaser to rely thereon.

3.4 **Restricted Securities**. Such Purchaser understands that the Offered Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of such Purchaser's representations as expressed herein. Such Purchaser understands that the Offered Units are "restricted securities" under applicable U.S. federal and state securities laws and that, pursuant to these laws, such Purchaser must hold the Offered Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. Such Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Offered Units, and on requirements relating to the Company which are outside of such Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.5 **No Public Market**. Such Purchaser understands that no public market now exists for the Offered Units, and that the Company has made no assurances that a public market will ever exist for the Offered Units.

3.6 **Legends**. Such Purchaser understands that the Offered Units and any securities issued in respect of or exchange for the Offered Units, may be notated with one or all of the following legends:

"THE UNITS REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933."

(a) Any legend set forth in, or required by, the other Transaction Agreements.

(b) Any legend required by the securities laws of any state to the extent such laws are applicable to the Offered Units represented by the certificate, instrument, or book entry so legended.

3.7 **Accredited Investor**. Such Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

3.8 **Foreign Investors**. If such Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), such Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Offered Units or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Offered Units, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Offered Units. Such Purchaser's subscription and payment for and continued beneficial ownership of the Offered Units will not violate any applicable securities or other laws of such Purchaser's jurisdiction.

3.9 **No General Solicitation**. Neither such Purchaser, nor, to the extent such Purchaser is not a natural person, any of its officers, directors, employees, agents, stockholders or partners has either directly or indirectly, including, through a broker or finder (a) engaged in any general solicitation, or (b) published any advertisement in connection with the offer and sale of the Offered Units.

CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNTS; UNITS

SECTION 2.1. **Capital Contributions; Capital Accounts.** Each Member's Capital Account are set forth opposite such Member's name on the Information Exhibit.

SECTION 2.2. **Other Capital Contributions; Participation Rights.** With the approval of the Voting Members holding at least seventy percent (70%) of the Class A Units outstanding, the Board may from time to time authorize and cause the Company to issue additional Interests, secured or unsecured debt obligations of the Company, debt obligations of the Company convertible into Interests, options or warrants to purchase Interests, or any combination of the foregoing (collectively, "***New Securities***") with such terms and conditions and in exchange for such cash or other property as it may determine; provided, however, no Member shall have any obligation to contribute additional capital to the Company. With respect to each issuance of New Securities by the Company, the Company shall designate a series. Each series of New Securities shall be allocated all of the Profits and Losses of the Company relating to the Accelsius Interest acquired by the Company with respect to that specific series (subject to the provisions of Section 4.1 providing for an allocation within each series to the Class C Units). New Securities shall include any subsequently issued equity in the Company or any securities issued in respect of converted debt.

SECTION 2.3. Liability of Members. No Member shall be liable for any debts or losses of capital or profits of the Company or be required to guarantee the liabilities of the Company. Except as may be agreed in writing with any such Member, no Member shall be required to contribute or lend funds to the Company.

SECTION 2.4. Maintenance of Capital Accounts; Withdrawals; Interest. With respect to each series (including the Accelsius-1 Series and each series of New Securities issued), separate capital accounts shall be maintained. Members holding Class C Units shall have one Capital Account with respect to each series (including the Accelsius-1 Series and each series of New Securities issued). Capital Accounts shall be maintained in accordance with the requirements of Section 704(b) of the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations thereunder. No Member shall be entitled to withdraw or receive any part of its Capital Account or any distribution with respect to its Interest except as provided in this Agreement. No Member shall be entitled to receive any interest on his Capital Contributions or Capital Account except as provided in this Agreement. Each Member shall look solely to the assets of the Company for the return of its Capital Contributions and distributions with respect to its Interest and, except as otherwise provided in this Agreement, shall have no right or power to demand or receive any property or cash from the Company. No Member shall have priority over any other Member as to the return of its Capital Contributions, distributions or allocations, except as provided in this Agreement.

SECTION 2.5. Membership Interests; Classes and Series of Units. Each Member shall hold an Interest. Each Member's Interest shall be denominated in Units, and the relative rights, privileges, preferences and obligations with respect to the Member's Interest shall be determined under this Agreement and the Act based upon the number and the class of Units held by the Member with respect to the Member's Interest. From time to time the Board may cause to be issued new classes of Units, new series of Units, or both, pursuant to Section 5.1(a)(iv) hereof. As of the Effective Date there are two classes of Units: "Class A Units" and "Class C Units". Units shall have all the rights, privileges, preferences, and obligations as are specifically provided for in this Agreement for Units, and as may otherwise be generally applicable to all classes of Units, unless such application is specifically limited to one or more other classes of Units. Units may be designated by one or more series within a class for the purposes of maintaining traceability of Unit purchase date. All Units shall be uncertificated unless determined by the Board. As of the date of this Agreement, 7,000,000 Class A Units are outstanding and 2,390,000 Class C Units are outstanding.

(a) ***Class A Units***. The Company is hereby authorized to issue Class A Units constituting up to 7,000,000 Class A Units. As of the Effective Date, all 7,000,000 Class A Units are issued and outstanding and held by Innventure as set forth on the Information Exhibit. Each Class A Unit Member shall be entitled to all voting rights of the Voting Members and shall have one vote per each Class A Unit upon each matter submitted to a vote of the Members. The Class A Units will be allocated all of the Profits and Losses of the Company relating to the Accelsius Interest (subject to the provisions of Section 4.1 providing for an allocation to the Class C Units).

(b) ***Class C Units***. The Company is hereby authorized to issue Class C Units constituting up to 3,000,000 total Class C Units, of which 610,000 Class C Units remain reserved in connection with the Company's equity incentive plan for issuance to affiliates of Innventure and current and future employees, consultants and managers of the Company in connection with services provided to or for the benefit of the Company. Class C Units and any other Units issued for services shall be Profits Interests issued in exchange for services. Each Class C Unit shall be issued pursuant to a Profits Interest Award Agreement, which shall set forth such additional terms and conditions concerning the Class C Unit, including the vesting and forfeiture terms for such Class C Unit, as shall be determined by the Voting Members as of the time of the award. All Class C Units, whether vested or unvested, shall share in the allocation of Profits and Losses and items of income, gain, loss and deduction with respect to each series as provided in Article 4 and distributions as provided in Article 3 unless and until such Class C Units are forfeited but, irrespective of whether or not such Class C Units are vested, shall be subject to the other limitations set forth herein including, without limitation, Section 2.6 below.

SECTION 2.6. **Voting Rights of Units**. Each holder of Class A Units (each a "***Voting Member***") shall be entitled to cast one vote per Class A Unit held by such Member. Except as otherwise required by law, the holders of Class C Units shall not have any voting rights in respect of such Class C Units.

ARTICLE III

DISTRIBUTIONS

SECTION 3.1. **Tax Distributions.** If the Board expects that the Company will have Adjusted Taxable Operating Income as of the end of any Tax Estimation Period, then the Board will (to the extent that funds are legally available therefor) cause the Company to make distributions to each Member on or before the 15th day after the end of the each Tax Estimation Period of an amount of cash (to the extent there is cash available for distribution therefor) as is equal to the Board's estimate of the increase in Adjusted Taxable Operating Income allocable to each such Member during such Tax Estimation Period pursuant to Section 4.1 below, multiplied by the Combined Effective Marginal Tax Rate. Additionally, in the event that the Board determines the aggregate amount of distributions made to the Members under this Section 3.1 in respect of a calendar year is less than the product of (i) the aggregate Adjusted Taxable Income allocated to the Members in respect of all Tax Estimation Periods during that calendar year multiplied by (ii) the Combined Effective Marginal Tax Rate for the last Tax Estimation Period during that calendar year, then the Board may cause the Company (to the extent there is cash available for distribution therefor) to distribute to the Members cash in an amount equal to such shortfall within sixty (60) days after the end of that calendar year; provided, if the amount that was so distributed for that calendar year is greater than that product, the excess shall be carried forward and treated as an advance against (and reduce correspondingly) the next amounts otherwise distributable under this Section 3.1 for future Tax Estimation Periods.

SECTION 3.2. Other Distributions. Except as otherwise set forth in Section 3.1, the Board may (but shall not be obligated to, unless otherwise required elsewhere in this Agreement) cause the Company to make distributions at such time, in such amounts and in such form (including in-kind property) as determined by the Board; provided that the Board shall determine the amount of the distribution that is attributable to each series (including the Accelsius-1 Series) and cause the Company to distribute the appropriate amount that is attributable to each series in the manner described below.

(a) first, among the Members, by class order, beginning with Class A, then Class B (if any), then Class C, and so on; and within each class, by series order beginning with series 1, then series 2, and so on, until each Member's Unreturned Capital has been reduced to zero. For avoidance of doubt, for purposes of distribution preference under this Section 3.2(a), Accelsius-1 Series Units shall be treated as Class A, Series 1 Units such that distributions hereunder shall be made first to the Member(s) holding of Accelsius-1 Series stock before any distributions are made to the Member(s) holding other series of Class A Units, or other classes of Units; and

(b) second, to the Members in accordance with their Sharing Percentage with respect to that series.

SECTION 3.3. Distribution Threshold. Upon the issuance of any Class C Units or any other Units that the Company issued as "profits interests" for U.S. federal income tax purposes (a "***Distribution Threshold Unit***"), the Board shall specify the Distribution Threshold, if any, applicable to such Units and enter it into the Company's records. The "***Distribution Threshold***" for any such Unit shall be equal to the amount determined by the Board in its discretion to be necessary to cause such Unit to constitute a "profits interest" for U.S. federal income tax purposes. Notwithstanding any provision of this Agreement to the contrary, in no event will the Company make any distributions under Section 3.2 in respect of a Distribution Threshold Unit unless and until the Company has already made aggregate distributions under Section 3.2 on each other Unit that is not a Distribution Threshold Unit equal to the Distribution Threshold of such Distribution Threshold Unit, taking into account only distributions thereunder since the date of issuance of such Distribution Threshold Unit, and thereafter such Distribution Threshold Unit shall be entitled only to its Sharing Percentage of excess distributions over and above its Distribution Threshold.

SECTION 3.4. Withholding. In the event any federal, foreign, state or local jurisdiction requires the Company to withhold taxes or other amounts (or to file a return and pay taxes) with respect to any Member's allocable share of Profits, taxable income or any portion thereof, or with respect to distributions, the Company shall withhold from distributions or other amounts then due to such Member an amount necessary to satisfy such responsibility and shall pay any amounts withheld to the appropriate taxing authorities. In such a case, for purposes of this Agreement the Member for whom the Company has paid the withholding or other tax shall be deemed to have received the withheld distribution or other amount due and to have paid the withholding or other tax directly and such Member's share of cash distributions or other amounts due shall be reduced by a corresponding amount. If it is anticipated that at the due date of the Company's withholding obligation the Member's share of cash distributions or other amounts due is less than the amount of the withholding or other tax obligation for the Member, the Member with respect to which the withholding or other tax obligation applies shall pay to the Company the amount of such shortfall within thirty (30) days after notice by the Company. In the event a Member fails to make the required payment when due hereunder, and the Company nevertheless pays the withholding or other tax obligation, in addition to the Company's remedies for breach of this Agreement, the amount paid shall be deemed a recourse loan from the Company to such Member bearing interest at the Default Rate, and the Company shall apply all distributions or payments that would otherwise be made to such Member toward payment of the loan and interest, which payments or distributions shall be applied first to interest and then to principal until the loan is repaid in full.

ARTICLE IV

ALLOCATIONS

SECTION 4.1. Allocation of Profits and Losses. Except as provided in the Regulatory Allocations Exhibit, for each Fiscal Year (or portion thereof), except as otherwise provided in this Agreement, Profits and Losses (and, to the extent necessary, individual items of income, gain, loss or deduction) of the Company shall be allocated among the Members in a manner such that, after giving effect to the Regulatory Allocations Exhibit, the Profits and Loses of the Company for each year shall be allocated among the Member's Capital Accounts, *pro rata*, as follows:

(a) The Accelsius-1 Series Allocated Profits shall be allocated to the Members holding Class A Units and Class C Units as follows:

i. First, 100 percent to the Members holding Class A Units pro rata in proportion to their respective portions of their Class A Units, in an amount equal to:

1. The cumulative Acclesius-1 Series Allocated Losses with respect to the Accelsius-1 Series allocated pursuant to Section 4.1(b) for all prior Fiscal Years; minus

2. The cumulative Accelsius-1 Series Allocated Profits of such series allocated to the Members holding Class A Units pursuant to this Section 4.1(a)(i) for all prior Fiscal Years; and

ii. Second, the remainder, if any, will be allocated to the Members holding Class A Units and Class C Units as follows:

1. the Accelsius-1 Series Allocated Profits multiplied by the Class C Participation shall be allocated to the Members holding Class C Units pro rata in proportion to the aggregate Class C Units; and then

2. the remainder shall be allocated to the Class A Units pro rata in proportion to their respective portions of their aggregate Class A Units.

(b) The Accelsius-1 Series Allocated Net Losses shall be allocated to the Members holding Class A Units and Class C Units as follows:

i. First, the Accelsius-1 Allocated Losses multiplied by the Class C Participation shall be allocated to the Members holding Class C Units pro rata in proportion to the aggregate Class C Units to the extent of any prior Accelsius-1 Series Allocated Net Profits allocated pursuant to Section 4.1(a)(ii)(2); and then

ii. Second, the remainder shall be allocated to the Class A Units pro rata in proportion to their respective portions of their Class A Units.

(c) With respect to each series of New Securities, the New Securities Allocated Profits shall be allocated to the Members holding New Securities of such series and Class C Units as follows:

i. First, 100 percent to the Members holding New Securities pro rata in proportion to their respective portions of their New Securities of such series, in an amount equal to:

1. the cumulative New Securities Allocated Losses with respect to such series allocated pursuant to Section 4.1(d) for all prior Fiscal Years; minus

2. the cumulative New Securities Allocated Profits of such series allocated to the Members holding New Securities pursuant to this Section 4.1(c)(i) for all prior Fiscal Years; and

ii. Second, the remainder, if any, will be allocated to the Members holding New Securities and Class C Units as follows:

1. the New Securities Allocated Profits of such series multiplied by the Class C Participation shall be allocated to the Members holding Class C Units pro rata in proportion to their aggregate Class C Units; and then

2. The remainder shall be allocated to the New Securities of such series pro rata in proportion to their respective portions of their New Securities in such series.

(d) The New Securities Series Allocated New Losses shall be allocated to the Members holding New Securities of such series and Class C Units as follows:

i. First, the New Securities Allocated Losses of such series multiplied by the Class C Participation shall be allocated to the Members holding Class C Units pro rata in proportion to the aggregate Class C Units, to the extent of any prior New Securities Allocated Net Profits pursuant to Section 4.1(c)(ii)(2); and then

ii. Second, the remainder shall be allocated to the New Securities of such series pro rata in proportion to their respective portions of their Interests in the New Securities of such series.

For the avoidance of doubt, the Capital Account balance of each Member, immediately after making such allocations, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 9.3 if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their book value, all Company liabilities were satisfied (limited with respect to each Nonrecourse Liability to the book value of the assets securing such liability), and the net assets of the Company were distributed, in accordance with Section 9.3, to the Members immediately after making such allocations, minus (ii) such Member's share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets.

SECTION 4.2. Code Section 704(c) Tax Allocations. Income, gain, loss, and deduction with respect to any Section 704(c) Property shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its initial Agreed Value pursuant to any allowable method under Code § 704(c) and the Treasury Regulations promulgated thereunder. Any elections or decisions relating to allocations under this Section 4.3 shall be determined by the Board. Allocations pursuant to this Section 4.3 are solely for purposes of federal, state, and local taxes and shall not be taken into account in computing any Member's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement; provided, further, any allocation under Treasury Regulation Section 1.704-3 with respect to Section 704(c) Property shall be disregarded in determining the Adjusted Taxable Income allocated to the Members for purposes of computing distributions pursuant to Section 3.1.

SECTION 4.3. Partnership for Tax Purposes. The Members intend that the Company shall be treated as a partnership for federal and, to the extent permissible, state and local income tax purposes, and that each Member and the Company shall file all tax returns and shall otherwise take all tax and financial reporting positions in a manner consistent with such treatment. In the event that the Board determines, with the consent of the holders of a majority of Class A Units, that the Company should elect to be treated as a corporation for federal income tax purposes (including, if applicable, on a retroactive basis) pursuant to Treasury Regulation Section 301.7701-3 (or any successor regulation or provision) or, to the extent permissible, state or local income tax purposes, each Member and former Member shall cooperate with the Company to make such election (including, if applicable, on a retroactive basis), including by executing and delivering any forms or documents required in connection therewith. In the event that the Company is treated as a corporation for federal income tax purposes or, to the extent permissible, state or local income tax purposes, any provisions of this Agreement inconsistent with such treatment shall be disregarded.

SECTION 4.4. Miscellaneous.

(a) ***Allocations Attributable to Particular Periods.*** For purposes of determining Profits, Losses or any other items allocable to any period, such items shall be determined on a daily, monthly, or other basis, as determined by the Board using any permissible method under Code § 706 and the Treasury Regulations thereunder.

(b) ***Other Items.*** Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction, credit and any other allocations not otherwise provided for shall be divided among the Members in the same proportion as they share Profits or Losses, as the case may be, for the year.

(c) ***Tax Consequences; Consistent Reporting.*** The Members are aware of the income tax consequences of the allocations made by this Article and by the Regulatory Allocations and hereby agree to be bound by those allocations as reflected on the information returns of the Company in reporting their shares of Company income and loss for income tax purposes. Each Member agrees to report his distributive share of Company items of income, gain, loss, deduction and credit on his separate return in a manner consistent with the reporting of such items to it by the Company. Any Member failing to report consistently shall notify the Internal Revenue Service of the inconsistency as required by law and shall reimburse the Company for any legal and accounting fees incurred by the Company in connection with any examination of the Company by federal or state taxing authorities with respect to the year for which the Member failed to report consistently.

(d) ***Forfeiture Allocations.*** If any unvested Class C Unit is forfeited, the Company shall make forfeiture allocations with respect to such Unit in accordance with Proposed Regulation §1.704-1(b)(4)(xii) or such other official guidance as shall be applicable.

ARTICLE V

MANAGEMENT

SECTION 5.1. Management by the Board.

(a) ***General Authority of the Board; Size and Composition.***

(i) The Board shall have complete authority and exclusive control over the management of the business and affairs of the Company, which authority may be delegated in part as provided in Section 5.1(b). Unless this Agreement or the Act expressly requires the approval of one or more Members, the Board may take any action without the approval of any Member. The Board shall have all the rights and powers which may be possessed by a group of managers under the Act and this Agreement and all additional rights and powers as are otherwise conferred by law or which are necessary, proper, advisable or convenient to the discharge of its duties and obligations under this Agreement.

(ii) The Class A Members, by vote of the holders of a majority of Class A Units shall be entitled to designate and remove all managers (each, a ***Director***"). The number of Directors shall be up to five (5). As of the Effective Date there are four Directors: Gregory W. Haskell, William Grieco, Colin Scott, and Josh Claman.

(iii) Each Director shall be entitled to one vote on all matters which come before the Board. No Member, nor any Affiliate of any Member, shall have any liability as a result of designating a person for election as a Director for any act or omission by such designated person in his or her capacity as a Director, nor shall any Member have any liability as a result of voting for any such designee in accordance with the provisions of this Agreement.

(iv) The Board shall have the authority to issue New Securities, to designate new classes of Units, and to designate new series of Units, provided that such issuance or designation is approved pursuant to 5.2(b)(i).

(b) ***Delegation of Authority to Officers.*** To the extent that the Board determines that it is reasonably necessary for the orderly and timely administration of the business and affairs of the Company, it may from time to time delegate a portion of its power and authority to one or more Persons who may, but need not, be Members by written resolution of the Board, which resolution shall specify the nature, extent and duration of the Board's delegation and identify the Person or Persons, by name or by title or by position to whom such power and authority is delegated. The Board shall also have the authority to determine the titles of Persons who perform services for the Company and to require the use of such titles when such Persons identify themselves to others as associated with the Company, which titles may include president, chairman, chief executive officer, director, manager, vice president, treasurer or such other titles as the Board may determine, and to remove any such Person at any time for any reason.

(c) ***Special Meetings.*** Special meetings of the Board may be held at any time or place whenever called by the Chief Executive Officer of the Company, or by written request of any two Directors, notice thereof being given to each Director by the Secretary of the Company or other Person calling the meeting. Notwithstanding the foregoing, meetings may be held at any time without formal notice provided all of the Directors are present or those not present shall at any time waive or have waived notice thereof. The Company shall use its best efforts to hold a Board meeting no less frequently than each calendar quarter.

(d) ***Notice***. Except as otherwise specifically provided herein, notice of any special meetings shall be given at least two (2) days previous thereto by written notice delivered personally, by facsimile transmission, by electronic mail or by mail. If given by mail, such notice shall be deemed to be delivered three (3) days after being delivered to the postal service.

(e) ***Meetings by any Form of Communication***. The Board shall have the power to permit any and all Directors to participate in a regular or special meeting by, or conduct the meeting through the use of any means of communication by which all Directors participating may simultaneously hear each other during the meeting. A Director participating in a meeting by this means is deemed to be present in person at the meeting.

(f) ***Quorum***. A majority of the Directors then serving shall constitute a quorum for the transaction of business by the Board, but a lesser number may adjourn any meeting and the meeting may be held as adjourned without further notice. When a quorum is present at any meeting of Directors, a majority of the Directors present thereat shall decide any question brought before such meeting, except as otherwise provided by law or by this Agreement. The fact that a Director has an interest in a matter to be voted on by the meeting shall not prevent the votes of such Director from being counted for purposes of a quorum.

(g) ***Action by Written Consent of Directors***. Any action required to be taken at a meeting of the Board, or any other action which may be taken at a meeting of the Board, may be taken without a meeting if a majority of the Directors consent to taking such action without a meeting. The action must be evidenced by one or more written consents describing the action taken, signed by each Director, and shall be filed with the Company records reflecting the action taken.

(h) ***Board Observation Rights***. The Board may, by written agreement and on the terms and conditions set forth therein, permit one or more Persons to have the right to appoint a representative who shall: (a) receive written notice of all meetings (both regular and special) of the Board and each committee of the Board (such notice to be delivered or mailed at the same time as notice is given to the members of the Board and/or committee); (b) be entitled to attend (or, in the case of telephone meetings, monitor) all such meetings; (c) receive all notices, information and reports which are furnished to the members of the Board and/or committee; (d) be entitled to participate in all discussions conducted at such meetings and (e) receive as soon as available (but in any event prior to the next succeeding board meeting) copies of the minutes of all such meetings. If any action is proposed to be taken by the Board and/or committee by written consent in lieu of a meeting, the Company will use reasonable efforts to give written notice thereof to such representatives. The Company will furnish such representatives with a copy of each such written consent within a reasonable amount of time after it has been signed by its last signatory. Such representatives shall not constitute Directors or members of the Board and/or committee and shall not be entitled to vote on any matters presented at meetings of the Board and/or committee or to consent to any matter as to which the consent of the Board and/or committee shall have been requested. Notwithstanding anything to the contrary in this Section 5.1(h), any such representative must first agree in writing to hold in confidence and trust and to act in a fiduciary manner with respect to all Company information to be so provided and the Company reserves the right to withhold any information and to exclude such representative from any meeting or portion thereof if the Board determines, in its sole discretion, that access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel or result in disclosure of trade secrets or a conflict of interest.

(i) ***Annual Operating Budget***. At least thirty (30) days prior to the beginning of each annual period of each Fiscal Year, the Chief Executive Officer shall prepare and submit to the Board for its approval an annual operating budget for the Company prepared on a monthly basis for such annual period, out-of-pocket expenses payable to third parties with respect to the operations of the Company, and out-of- pocket expenses incurred in connection with the investigation and negotiation of potential investment opportunities.

SECTION 5.2. Restrictions on Authority of Board.

(a) ***Unanimous Member Consent Required.*** Without the consent, vote or approval of all the Members, no Person shall have the authority to:

(i) possess any property or assign, transfer, or pledge the rights of the Company in assets of the Company, for other than a Company purpose;

(ii) employ, or permit to be employed, the funds, assets, employees or other resources of the Company in any manner except for the benefit of the Company; or

(iii) commingle the Company's funds with his own or with the funds of any other Person or entity.

(b) ***Approval of Supermajority of Voting Members Required.*** The approval (at a meeting or given by written consent) of the Voting Members holding at least seventy percent (70%) of the Voting Units outstanding shall be required to:

(i) issue any New Securities, to designate new classes of Units, and to designate new series of Units;

(ii) alter, change or modify the rights, preferences, or privileges of any Units so as to adversely affect the rights of the holders thereof;

(iii) engage in any transaction with any Member (or Affiliate of a Member) unless such transaction is approved by the majority of the disinterested Directors or expressly contemplated by this Agreement;

(iv) redeem, repurchase or otherwise acquire any interest, except as expressly permitted by this Agreement or the terms of an equity incentive plan or grant, any employment agreements or consulting agreements;

(v) amend this Agreement or the Certificate of Formation;

(vi) grant a security interest in any material portion of the Company's assets or intellectual property;

(vii) cause the Company to undertake a Corporate Conversion pursuant to Section 7.7 hereof;

(viii) cause the Company to merge, consolidate, or otherwise combine with or into any other Person, or convert into another type of entity, or cause any Person to merge, consolidate or combine with or into the Company, except for the merger, consolidation or combination of any Person, all of the equity interests of which are owned by the Company;

(ix) cause the Company to be dissolved or liquidated;

(x) cause the Company to engage in a Change of Control Transaction;

(xi) engage in any material change from the Business contemplated to be conducted by the Company;

(xii) consent to an Event of Bankruptcy with respect to the Company;

(xiii) sell, transfer, encumber or enter into an exclusive license in respect of the Company's material intellectual property;

(xiv) acquire by any form of transaction all or substantially all of the business or assets of any third party to the extent the value of any such transaction exceeds $100,000;

(xv) spend, in any fiscal year, an amount in excess of 110% of the budget for such fiscal year approved by the Board (which approval must include at least one of the Investor Directors);

(xvi) pay separation or termination benefits to any employee of the Company in excess of 4 weeks of base salary;

(xvii) incur any indebtedness in excess of $250,000, except as set forth in a business plan approved by the Board or the refinancing of previously approved indebtedness; or

(xviii) enter into any commitment or obligation with respect to any of the foregoing.

SECTION 5.3. Limitation of Liability.

(a) Notwithstanding any provision of this Agreement, common law or the Act, no Director, Officer or Member (including the Tax Matters Member) (the "***Covered Persons***") shall be liable to the Members or to the Company for any loss suffered which arises out of an act or omission of such Covered Person, if, in good faith, it was determined by such Persons that such act or omission was in the best interests of the Company and such act or omission did not constitute willful misconduct, gross negligence or fraud. The Covered Persons shall be indemnified by the Company against any and all claims, demands and losses whatsoever if: (i) the indemnitee conducted himself in good faith; and (ii) reasonably believed (x) in the case of conduct in its official capacity with the Company, that its conduct was in the Company's best interests and (y) in all other cases, that its conduct was at least not opposed to the Company's best interests; and (iii) in the case of any criminal proceeding, such Person had no reasonable cause to believe its conduct was unlawful. The payment of any amounts for indemnification shall be made before any distributions are made by the Company. No Member shall have any obligation to provide funds for any indemnification obligation hereunder. To the fullest extent permitted by law, the indemnification and advances provided for herein shall include expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement. The indemnification provided herein shall not be deemed to limit the right of the Company to indemnify any other Person for any such expenses (including attorneys' fees), judgments, fines and amounts paid in settlement to the fullest extent permitted by law, both as to action in its official capacity and as to action in another capacity while holding such office. In the event the Company has applicable insurance coverage, the scope of the indemnity shall not be less than the scope of such coverage subject to the limitations, exclusions, deductibility and similar restrictions set forth in the policy to the extent of the policy limits.

(b) Notwithstanding the foregoing, the Company shall not indemnify any such indemnitee who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the name of the Company to secure a judgment in its favor against such indemnitee with respect to any claim, issue or matter as to which the indemnitee shall have been adjudged to be liable to the Company, unless and only to the extent that, a court of competent jurisdiction shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such indemnitee is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(c) The rights to indemnification and advancement of expenses set forth in this Section 5.3 are intended to be greater than those which are otherwise provided for in the Act, are contractual between the Company and the Person being indemnified, its heirs, executors and administrators, and, with respect to this Section 5.3 are mandatory, notwithstanding a Person's failure to meet the standard of conduct required for permissive indemnification under the Act, as amended from time to time. The rights to indemnification and advancement of expenses set forth in this Section 5.3 are nonexclusive of other similar rights which may be granted by law, the Company's Certificate of Formation, a resolution of the Board or the Members or an agreement with the Company, which means of indemnification and advancement of expenses are hereby specifically authorized.

(d) Any amendment or modification of the provisions of this Section 5.3, either directly or by the adoption of an inconsistent provision, shall be prospective only and shall not adversely affect any right or protection set forth herein existing in favor of a particular individual at the time of such repeal or modification. In addition, if an amendment to the Act limits or restricts in any way the indemnification rights permitted by law as of the date hereof, such amendment shall apply only to the extent mandated by law and only to activities of Persons subject to indemnification under this Section 5.3 which occur subsequent to the effective date of such amendment.

ARTICLE VI

MEMBER ACTION AND MEETINGS

SECTION 6.1. Actual Meetings.

(a) Meetings of the Voting Members may be called by any Voting Member or group of Voting Members who hold at least 20% of the Voting Units, by notice to the other Voting Members setting forth the date and time of the meeting and the matters proposed to be acted upon at the meeting. Such meetings shall be held at such place in Orlando, Florida, as may be designated by the Voting Members giving notice. Notice of any meeting shall be given pursuant to Section 12.1 below to all Voting Members not fewer than two (2) business days nor more than thirty (30) calendar days prior to the meeting. Notice of any meeting of the Voting Members shall be deemed to have been waived by attendance at the meeting, unless the Voting Member attends the meeting solely for the purpose of objecting to notice and so objects at the beginning of the meeting. Voting Members may attend and vote in person or by proxy at such meeting, and the Company shall make reasonable arrangements to permit Voting Members to attend and vote at meetings by telephone. Any vote or consent of the Voting Members may be given at a meeting of the Voting Members or may be given in accordance with the procedure prescribed in Section 6.2 for written consent to action in lieu of actual meetings. The presence in person of Voting Members sufficient to take the proposed action as set forth in this Agreement shall constitute a quorum at all meetings of the Voting Members.

(b) Meetings of the Voting Members may be held via conference call with no physical location designated as the place of the meeting, provided that all Persons on the conference call can hear and speak to one another and notice of the conference call is given or waived as required by this Section 6.1. The Board shall be responsible for arranging the conference call and shall specify in the notice of the conference call meeting the method by which the Voting Members can participate in the conference call.

SECTION 6.2. **Written Consent to Action in Lieu of Actual Meetings.** Any action that is permitted or required to be taken by Voting Members may be taken or ratified by written consent setting forth the specific action to be taken and signed by that number of Voting Members required in order to take the specified action.

SECTION 6.3. **Voting.** On any matter on which a vote of the Voting Members is called for (whether pursuant to this Agreement, the Act or otherwise), the holder of each Class A Unit shall be entitled to one (1) vote, and all Voting Units shall vote together as a single class (unless otherwise provided by this Agreement).

ARTICLE VII

TRANSFER OF INTERESTS

SECTION 7.1. **In General.** Except as otherwise set forth Section 2.6(b) and in this Article, a Member may not Transfer, directly or indirectly, all or any portion of its Interest. Any Transfer which does not comply with the provisions of this Article shall be void.

SECTION 7.2. **Limited Exception For Transfers.** (a) For a period of three (3) years from the Effective Date, no Member may Transfer its Class A Units or Class C Units, except to a Permitted Transferee, unless the proposed Transfer is approved by the Board. A Member may Transfer its Class A Units or Class C Units if (x) such Transfer is permitted or approved in accordance with the first sentence of this Section 7.2(a) and (y) each of the following conditions is satisfied:

(i) ***Prior Notice.*** At least ten (10) days prior to any proposed Transfer of Interest otherwise permitted pursuant to this Section 7.2(a), the Member proposing to Transfer all or a portion of such Member's Interest delivers a Transfer Notice.

(ii) ***Assignment Documents.*** Such Member and its transferee execute, acknowledge, and deliver to the Company such instruments of transfer and assignment with respect to such transaction as are in form and substance reasonably satisfactory to the Company, including, without limitation, the written agreement of the transferee to assume and be bound by all of the obligations of the transferor under this Agreement, including the limited power of attorney provisions in Section 7.8 below.

(iii) ***Securities Law Compliance.*** Either (x) the Interest is registered under the Securities Act and the rules and regulations thereunder, and any applicable state securities laws; or (y) the Company and its counsel determine that the sale, assignment or transfer qualifies for an exemption from the registration requirements of the Securities Act and any applicable state securities laws. The Company has no obligation or intention to register Interests for resale under any federal or state securities laws or to take any action which would make available any exemption from the registration requirements of such laws.

(iv) ***Transfer Notification.*** Such Member provides the Company with the notification required by Code § 6050K(c)(1).

(v) ***Transfer Fee.*** Such Member pays the Company a transfer fee that is sufficient to pay all reasonable expenses of the Company in connection with such transaction.

(vi) ***Rights of First Refusal.*** If the proposed Transfer is an Optional Purchase Event, the Member shall have complied with the provisions contained in this Article and no Person shall have acquired the Interest pursuant to the rights granted herein to purchase such Interest; provided, the holders of a majority of the outstanding Class A Units outstanding, voting as a separate class, may waive the satisfaction of the condition set forth in this subsection (vi) and/or declare that a particular Transfer shall not be deemed to be an Optional Purchase Event.

(vii) ***Opinion of Counsel***. The Company shall have received an opinion of counsel satisfactory to it (or waived such requirement) that the effect of such Transfer would not:

(A) result in the termination of the Company's tax year under Section 708(b)(1)(B) of the Code;

(B) result in violation of the Securities Act or any comparable state law;

(C) result in a termination of the Company's status as a partnership for tax purposes;

(D) result in a violation of any law, rule, or regulation by the Company or any Member; or

(E) cause the Company to be deemed to be a "publicly traded partnership" as such term is defined in Section 7704(b) of the Code.

Any attempted sale, assignment or Transfer with respect to which any of the above conditions have not been satisfied shall be null and void, and the Company shall not recognize the attempted purchaser, assignee, or transferee for any purpose whatsoever, and the Member attempting such sale, transfer or assignment shall have breached this Agreement for which the Company and the other Members shall have all remedies available for breach of contract.

SECTION 7.3. Admission of Assignees as Members. A transferee of a Member's Interest pursuant to this Article VII shall become a substituted Member only with the consent of the Board. No Person taking or acquiring, by whatever means, the Interest of any Member in the Company shall be admitted as a Member unless such Person:

(a) Elects to become a Member by executing and delivering such Person's written acceptance and adoption of the provisions of this Agreement;

(b) Executes, acknowledges, and delivers to the Company such other instruments as the Company may deem necessary or advisable to effect the admission of such Person as a Member, and

(c) Pays a transfer fee to the Company in an amount sufficient to cover all reasonable expenses of the Company connected with the admission of such Person as a Member.

The Board shall amend the Information Exhibit from time to time to reflect the admission of Members pursuant to this Section 7.3. A transferee of an Interest that fails to be admitted as a Member as a result of its noncompliance with the requirements of this Section 7.3 shall be an assignee with those rights and obligations as set forth in the last sentence of Section 8.3. No assignment by a Member of its interest in the Company shall release the assignor from its liability to the Company pursuant to Section 2.1; provided that if the assignee becomes a Member as provided in this Section 7.3, the assignor shall thereupon so be released (in the case of a partial assignment, to the extent of such assignment). Notwithstanding the foregoing, a Member will not be required to comply with this Section 7.3 in connection with any proposed Drag-Along Transaction.

SECTION 7.4. Distributions and Allocations With Respect to Transferred Interests. If any Interest is sold, assigned, or Transferred during any Fiscal Year in compliance with the provisions of this Article, then (i) Profits, Losses, and all other items attributable to the Interest for such period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such Fiscal Year in accordance with Code § 706(d), using any convention(s) permitted by the Code and selected by the Board; (ii) all distributions on or before the date of such Transfer shall be made to the transferor, and all distributions thereafter shall be made to the transferee; and (iii) the transferee shall succeed to and assume the Capital Account, Units and other similar items of the transferor to the extent related to the transferred Interest. Solely for purposes of making the allocations and distributions, the Company shall recognize such Transfer not later than the end of the calendar month during which the Company receives notice of such Transfer. If the Company does not receive a notice stating the date the Interest was transferred and such other information as the Company may reasonably require within thirty days after the end of the Fiscal Year during which the transfer occurs, then all of such items shall be allocated, and all distributions shall be made to the Person, who, according to the books and records of the Company on the last day of the Fiscal Year during which the Transfer occurs, was the owner of the Interest. Neither the Company nor any Director shall incur any liability for making allocations and distributions in accordance with the provisions of this Section, whether or not such Person had knowledge of any Transfer of ownership of any Interest.

SECTION 7.5. Optional Purchase of Units; Co-Sale Right.

(a) ***Grant of Option.*** Upon the occurrence of an Optional Purchase Event (defined below), Innventure, first, followed by the Company, second, shall have successive options to purchase all, but not less than all, of the Person's Interest pursuant to the terms and conditions set forth in this Agreement; provided, however, that if the Optional Purchase Event is a proposed Transfer of only a portion of the Person's Interest, the Company's and Innventure's options shall apply only to the portion of the Interest that is proposed to be Transferred. Upon the occurrence of an Optional Purchase Event, the Person with respect to whom the Optional Purchase Event has occurred shall immediately deliver the Transfer Notice to the Company and to Innventure, which notice shall describe the Optional Purchase Event. If the Person with respect to whom the Optional Purchase Event has occurred does not provide the Transfer Notice, and if the Company determines that Optional Purchase Event has occurred, then the Company shall provide to Innventure the notice that should have been sent by the Person with respect to whom the Optional Purchase event has occurred. For purposes of this Agreement, the term "***Optional Purchase Event***" shall mean a proposed Transfer of an Interest (unless such Transfer is to a Permitted Transferee of the transferor Member).

(i) ***Proposed Transfer for Consideration.*** If the Optional Purchase Event is a proposed Transfer of an Interest for cash, indebtedness, property or other consideration, then the Company's and Innventure's successive options shall be to purchase the Interest for cash plus the fair market value of the other consideration (if any) proposed to be received in exchange for the Transfer of the Interest, payable at the closing described below, and pursuant to all of the other terms and conditions of the proposed Transfer. If the consideration includes any indebtedness, property or other noncash consideration, fair market value of such consideration shall be determined pursuant to the Appraisal Exhibit.

(ii) ***Other Optional Purchase Events.*** If the Optional Purchase Event is a proposed Transfer other than for cash, indebtedness, property or other consideration, then the successive options shall be for a purchase price equal to, unless otherwise agreed to by the transferring Person and the purchaser (i) the fair market value of such Interest as of the last day of the calendar month immediately prior to the occurrence of the Optional Purchase Event (the "***Valuation Date***") determined pursuant to the Appraisal Exhibit, plus (ii) interest at the Prime Rate on the amount determined under clause (i) from the Valuation Date to the closing date, compounded monthly, reduced by (iii) any distributions with respect to such Interest from the Valuation Date through the closing.

(iii) ***Exercise of Option.*** In order to exercise the option pursuant to this Section 7.5(a), Innventure shall provide written notice of exercise of the option to the transferring Person and to the Company not later than fifteen (15) days following the date of the giving of the Transfer Notice, and such exercise notice shall specify whether Innventure will purchase all or less than all of the Interest offered. Any portion of the Interest remaining after Innventure's exercise or non-exercise of its foregoing rights may be acquired by the Company by giving written notice to the transferring Person within ten (10) days following the expiration of the foregoing period(s) for exercise by Innventure. A failure by the Company or Innventure to give any notice within the applicable period shall be deemed to be a notice of nonexercise. Any party with an option to purchase an Interest pursuant to this Article may waive its option at any time by notice of such waiver to the owner of the Interest and to the Company. Within two (2) business days following the expiration of the foregoing periods, the Company shall give notice (the "***Remaining Interest Notice***") to the Transferring Person and Innventure whether there remain any Units not to be acquired by Innventure or the Company pursuant to the exercise of the options described in this Section 7.5(a) (a "***Remaining Interest***"), in which case the provisions of Section 7.5(b) shall apply.

(b) ***Right of Co-Sale.*** If there is any Remaining Interest, the transferring Person shall, within five (5) days following its receipt of the Remaining Interest Notice, confirm in writing to the Company and to Innventure the transferring Person's bona fide intention to sell or transfer the Remaining Interest to the third-party described in the Transfer Notice (the "***Reconfirmation Notice***"). Innventure may give notice in writing to the transferring Person within ten (10) days following the giving of the Reconfirmation Notice that it will sell a pro rata portion of Units to such third party. In the event Innventure exercises its right of co-sale hereunder, the transferring Person shall assign so much of its interest in the proposed agreement of sale as Innventure shall be entitled to and shall request hereunder, and Innventure shall assume such part of the obligations of the Selling Unitholder under such agreement as shall relate to the sale of Units by Innventure. The transferring Person and Innventure shall be entitled to sell to the third-person a number of Units as is equal to the product of (X) the number of Units in the Remaining Interest and (Y) a fraction, the numerator of which shall be the number of Units owned by the transferring Person or Innventure (as the case may be) and the denominator of which shall be the aggregate number of Units then held by the transferring Person and Innventure. A failure by Innventure to give any notice within the applicable period shall be deemed to be a notice of nonexercise.

(c) ***Failure to Exercise Options.*** If Persons with options under this Section shall fail to exercise their options to purchase such Interest or to co-sell with such Interest within the applicable periods, or in the event the purchaser(s) shall fail to tender the required consideration at the closing referred to below, then the Person with respect to whom the Optional Purchase Event has occurred may transfer the Interest to the Person upon the terms and price specified in the Transfer Notice, but only if such Transfer is consummated within ninety (90) days after the expiration or withdrawal of the last option, or the failure to tender the consideration if applicable; *provided, however*, that such Transfer shall comply with the other provisions of this Agreement and provided the holder of such transferred Interest shall be a mere assignee and shall not become a Member unless admitted as such pursuant to the terms of the Agreement. If the subject Interest is not so transferred within the applicable period, the Interest shall again become subject to all of the terms and conditions of the Agreement and may not thereafter be transferred except in the manner and on the terms herein provided. In the event the Company or Innventure exercises an option hereunder, but fails to tender the required consideration at the closing, in addition to being entitled to complete the proposed transaction, the Person with respect to whom the Optional Purchase Event has occurred shall have all rights and remedies against the Company or Innventure available for breach of contract.

SECTION 7.6. Closing of Purchase of Interests; Payment of Purchase Price. The closing of the purchase of any Interests pursuant to Section 7.5 shall occur at the offices of the Company within thirty (30) days (on such business date as determined by the Board) after (a) the expiration of the last option as set forth in the preceding Section, or (b) if the procedures in the Appraisal Exhibit are applicable, the determination of fair market value pursuant to the Appraisal Exhibit. At the closing, the selling Member shall deliver to the purchaser(s) an executed assignment of the subject Interest satisfactory in form to counsel for the Company, and the purchaser(s) shall deliver the purchase price as provided below to the transferring Person. The selling Person and the purchaser(s) each shall execute and deliver such other documents as may reasonably be requested by the other. The purchase price shall be delivered at closing as follows:

(a) If the purchase of the Interest is as a result of a Transfer to a third party for consideration, the purchase price determined under this Agreement shall be payable on the same basis as the purchase price was to have been paid by the third party.

(b) If the purchase of the Interest is as a result of any other Optional Purchase Event, the purchase price shall be payable in cash or same day funds at closing.

SECTION 7.7. Corporate Conversion.

(a) ***In General.*** It is the express intention and understanding of the Members at the time of their execution of this Agreement, or a joinder agreement hereto, that upon the determination at any time by the Board that it is in the best interests of the Company that it be converted into a corporation the Company shall be converted into a corporation in the manner set forth herein by the action of the Board and Members holding at least seventy percent (70%) of the Class A Units then outstanding.

(b) ***Procedures.*** Subject to Section 5.2 hereof, upon the determination at any time by the Board that it is in the best interests of the Company that it be converted into a corporation, the Board shall (i) cause the Company to be converted into a corporation pursuant to any appropriate procedure permitted under the Act, and (ii) cause to be executed, delivered and filed the certificate of incorporation of the resulting corporation (including the certificate of designations) and such other instruments and documents as it shall determine to be necessary or appropriate in order to effectuate such conversion or merger (such transaction referred to as a "***Corporate Conversion***"). In connection with the Corporate Conversion, each holder of outstanding Units (including Class C Units) shall receive one share of voting common stock in the resulting corporation for each Unit of such holder on the date of the Corporate Conversion.

(c) ***Board of Directors.*** In connection with the consummation of a Corporate Conversion the board of directors of the surviving corporation shall initially be the same size and shall have the same composition and shall be subject to the same voting and other rules as the Board.

(d) ***Other Rights of Members.*** In connection with a Corporate Conversion, the Board shall cause the resulting corporation to enter into such agreements as are necessary to provide the Members with rights with respect to such corporation which are substantially similar to the rights of such Members pursuant to this Agreement.

(e) ***No Appraisal Rights.*** The Members shall have no appraisal rights in connection with a Corporate Conversion.

(f) ***Other Permitted Ancillary Transactions.*** In connection with the consummation of a Corporate Conversion, the Board shall have the authority to merge, consolidate or reorganize one or more Subsidiaries with one or more other Subsidiaries or other entities wholly-owned directly or indirectly by the Company or the surviving corporation in the Corporate Conversion.

(g) ***Further Assurances.*** The Board is specifically authorized to take any and all further action, and to execute, deliver and file any and all additional agreements, documents or instruments, as it may determine to be necessary or appropriate in order to effectuate the provisions of this Section 7.7, and each Member hereby agrees to execute, deliver and file any such agreements, documents or instruments or to take such action as may be reasonably requested by the Board for the purpose of effectuating the provisions of this Section 7.7.

(h) ***Market Stand-off Agreement.*** Each Member hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to a firmly-underwritten initial public offering of the Company's (or any successor's) securities pursuant to an effective registration statement on Form S-1 (or successor thereto) (the "***IPO***") and ending on the date specified by the Company (or any successor thereto) and the managing underwriter (such period not to exceed one hundred eighty (180) days), (i) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any equity securities of the Company (or its successor in the IPO) held immediately before the effective date of the registration statement for the IPO or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the equity securities of the Company (or its successor in the IPO), whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of equity securities of the Company (or its successor in the IPO) or other securities, in cash or otherwise. The foregoing provisions of this Section 7.7(h) shall not apply to the sale of any equity securities to an underwriter pursuant to an underwriting agreement. The underwriters in connection with the IPO are intended third party beneficiaries of this Section 7.7(h) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Member further agrees to execute such agreements as may be reasonably requested by the underwriters in the IPO that are consistent with this Section 7.7(h) or that are necessary to give further effect thereto. In order to enforce the covenant in this Section 7.7(h) above, the Company may impose stop-transfer instructions with respect to the equity securities of each Member (and transferees and assignees thereof) until the end of such restricted period.

SECTION 7.8. Limited Power of Attorney. Each Member hereby makes, constitutes and appoints the Chief Executive Officer of the Company, with full power of substitution and resubstitution, its true and lawful attorney-in-fact for it and in its name, place, and stead for its use and benefit, to sign, execute, certify, acknowledge, swear to, file, and record any and all agreements, certificates, instruments, and other documents which such Person may deem reasonably necessary, desirable, or appropriate to allow the Chief Executive Officer to carry out the express provisions of this Agreement including the provisions of Sections 7.7 and 7.9. Each Member authorizes each such attorney-in-fact to take any action necessary or advisable in connection with the foregoing, hereby giving each attorney-in-fact full power and authority to do and perform each and every act or thing whatsoever requisite or advisable to be done in connection with the foregoing as fully as such Member might or could do so personally, and hereby ratifies and confirms all that such attorney-in-fact shall lawfully do or cause to be done by virtue thereof or hereof. This power of attorney is a special power of attorney coupled with an interest and is irrevocable, and (i) may be exercised by any such attorney-in-fact by listing the Member executing any agreement, certificate, instrument, or other document with the single signature of any such attorney-in-fact acting as attorney-in- fact for such Member, (ii) shall survive the death, disability, legal incapacity, bankruptcy, insolvency, dissolution, or cessation of existence of a Member and (iii) shall survive the assignment by a Member of the whole or any portion of his Interest.

SECTION 7.9. Drag Along Rights. Notwithstanding anything to the contrary in this Agreement, if holders of at least a majority of the outstanding Class A Units approve a transaction that would result in the acquisition of the Company by another Person by means of any transaction or series of related transactions (including, without limitation, any merger, consolidation, sale, assignment, transfer distribution or issuance of stock with respect to the Company) and pursuant to such transaction the Members of the Company immediately prior to such transaction will not hold, directly or indirectly, at least fifty percent (50%) of the voting power of the surviving or continuing entity (a "***Drag-Along Transaction***"), then, upon thirty (30) days' written notice to the other Members of the Company (the "***Drag-Along Notice***"), which notice shall include substantially all of the details of the proposed transaction, including the proposed time and place of closing and the estimated aggregate consideration to be received by the Members in such transaction, each Member shall raise no objection to such Drag-Along Transaction and be obligated to, and shall sell, transfer and deliver, or cause to be sold, transferred and delivered, to such third party, all of its Interest in the same transaction at the closing thereof (and will deliver such Interest free and clear of all liens, claims, or encumbrances). The proceeds from such Drag-Along Transaction shall be distributed to the Members in proportion to their relative entitlement to distributions pursuant to Section 9.3. Notwithstanding the foregoing, a Member will not be required to comply with this Section 7.9 in connection with any proposed Drag-Along Transaction unless:

(a) any representations and warranties to be made by such Member (in its capacity as a Member) in connection with the Drag-Along Transaction are limited to representations and warranties related to authority, ownership and the ability to convey title to such Units, including but not limited to representations and warranties that (i) the Member holds all right, title and interest in and to the Units such Member purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Member in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Member have been duly executed by the Member and delivered to the acquirer and are enforceable against the Member in accordance with their respective terms and (iv) neither the execution and delivery of documents to be entered into in connection with the transaction, nor the performance of the Member's obligations thereunder, will cause a breach or violation of the terms of any agreement, law or judgment, order or decree of any court or governmental agency;

(b) the Member shall not be liable for the inaccuracy of any representation or warranty made by any other Person in connection with the Drag-Along Transaction, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any Member of any of identical representations, warranties and covenants provided by all Members);

(c) the liability for indemnification, if any, of such Member in the Drag-Along Transaction and for the inaccuracy of any representations and warranties made by the Company or its Members in connection with such Drag-Along Transaction, is several and not joint with any other Person (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any Member of any of identical representations, warranties and covenants provided by all Members), and is pro rata in proportion to, and, except with respect to claims related to fraud or intentional misrepresentation by such Member, does not exceed, the amount of consideration paid to such Member in connection with such Drag-Along Transaction;

(d) liability (if any) shall be limited to such Member's applicable share (determined based on the respective proceeds payable to each Member in connection with such Drag-Along Transaction in accordance with this Agreement) of a negotiated aggregate indemnification amount that applies equally to all Members but that in no event exceeds the amount of consideration otherwise payable to such Member in connection with such Drag-Along Transaction, except with respect to claims related to fraud or intentional misrepresentation by such Member, the liability for which need not be limited as to such Member;

(e) upon the consummation of the Drag-Along Transaction, each holder of each class or series of the Company's Units will receive the same form of consideration for their Units of such class as is received by other holders in respect of their Units of such same class or series of Units; and

(g) subject to clause (e) above, requiring the same form of consideration to be available to the holders of any single class or series of Units, if any holders of any Units are given an option as to the form and amount of consideration to be received as a result of the Drag-Along Transaction, all holders of such Units will be given the same option; *provided, however*, that nothing in this Section 7.3(g) shall entitle any holder to receive any form of consideration that such holder would be ineligible to receive as a result of such holder's failure to satisfy any condition, requirement or limitation that is generally applicable to the Company's Members.

ARTICLE VIII

CESSATION OF MEMBERSHIP; CERTAIN COVENANTS

SECTION 8.1. When Membership Ceases. A Person, who is a Member, shall cease to be a Member only upon the Transfer as permitted under this Agreement (including with respect to any unvested Units, a forfeiture) of the Member's entire Interest. A Member is not entitled to withdraw voluntarily from the Company.

SECTION 8.2. Deceased, Incompetent or Dissolved Members. The personal representative, executor, administrator, guardian, conservator or other legal representative of a deceased individual Member or of an individual Member who has been adjudicated incompetent may exercise the rights of the Member for the purpose of administration of such deceased Member's estate or such incompetent Member's property. The beneficiaries of a deceased Member's estate may become Members only upon compliance with the conditions of this Agreement. If a Member who is a Person other than an individual is dissolved, the legal representative or successor of such Person may exercise the rights of the Member pending liquidation. The distributees of such Person may become Members only upon compliance with the conditions of this Agreement.

SECTION 8.3. Consequences of Cessation of Membership. In the event a Person ceases to be a Member as provided in Section 8.1 and Section 8.2 above, such Person (and the Person's successor in interest) shall continue to be liable for all obligations of the former Member to the Company existing as of the date of such cessation, including any obligation to make Capital Contributions that is explicitly set forth herein, and, with respect to any Interest owned by such successor in interest, shall be an assignee unless admitted as a Member pursuant to Section 7.3. An assignee with respect to an Interest is entitled only to receive distributions and allocations with respect to such Interest as set forth in this Agreement from and after the date of such assignment, and shall have no other rights, benefits or authority of a Member under this Agreement or the Act, including without limitation no right to receive notices to which Members are entitled under this Agreement, no right to vote, no right to inspect the books or records of the Company, no right to bring derivative actions on behalf of the Company, no right to designate members of the Board, no right to purchase additional Interests, and no other rights of a Member under the Act or this Agreement; provided, however, that the Interest of an assignee shall be subject to all of the restrictions, obligations (including any obligation to make Capital Contributions) and limitations under this Agreement and the Act, including without limitation the restrictions on transfer of Interests contained in this Agreement.

ARTICLE IX

DISSOLUTION, WINDING UP AND LIQUIDATING DISTRIBUTIONS

SECTION 9.1. Dissolution Triggers. The Company shall dissolve upon the first occurrence of the following events:

(a) The determination by the Board, subject to Section 5.2 hereof, that the Company should be dissolved;

(b) The entry of a decree of judicial dissolution or the administrative dissolution of the Company as provided in the Act; or

(c) A sale of all or substantially all of the assets of the Company.

SECTION 9.2. Winding Up. Upon a dissolution of the Company, the Board, or, if there is no Board, a court appointed liquidating trustee, shall take full account of the Company's assets and liabilities and wind up the affairs of the Company as described in this Article IX. The Persons charged with winding up the Company shall settle and close the Company's business, and dispose of and convey the Company's noncash assets as promptly as reasonably possible following dissolution as is consistent with obtaining the fair market value for the Company's assets.

SECTION 9.3. Liquidating Distributions. Following dissolution, the Company's noncash assets not otherwise to be distributed to the Members in liquidation as provided in Section 9.2 above, the Company's cash, the proceeds, if any, from the disposition of the Company's noncash assets and those noncash assets to be distributed to the Members, shall be distributed in the following order:

(a) To the Company's creditors, including Members who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Company;

(b) To the Members who are creditors whose claims are not satisfied by distributions pursuant to the preceding subsection;

(c) The balance, if any, to the Members in accordance with Section 3.2 above.

To the extent that the credit balances in the Capital Accounts, after adjusting the Capital Accounts for all allocations of Profits and Losses and all Regulatory Allocations and all distributions other than liquidating distributions pursuant to subsection (c) above (the "***Tentative Liquidation Capital Account***") do not equal the amounts to be distributed pursuant to subsection (c) above, then any provision in this Agreement to the contrary notwithstanding the Company shall allocate gross income or gross deductions for its last Fiscal Year to the extent necessary in order that the Tentative Liquidation Capital Accounts equal the distributions to be made to the Members pursuant to subsection (c) above; and to the extent such gross income or gross deductions are not sufficient, shall allocate gross income or gross deductions for the next preceding Fiscal Year to the extent necessary in order that the Capital Accounts equal such distributions; and to the extent such gross income or gross deductions are not sufficient, shall allocate gross income or gross deductions for the second preceding Fiscal Year, and so forth, with respect to all Company taxable years for which an amended return can be timely filed, to the extent necessary to cause the Tentative Liquidation Capital Accounts to equal the amount of distribution hereunder.

In the event of liquidating distributions of property other than cash, the amount of the distribution shall be the Agreed Value of the property distributed as of the date of distribution. In the event of a Change of Control Transaction, the Agreed Value of any property to be distributed shall be determined by the Board by taking into account the fair market value of the Company implied in any such transaction.

Distributions pursuant to this Section 9.3 may be made to a trust established by the Members or the Company for the benefit of the Members for the purposes of liquidating Company assets, collecting amounts owed to the Company, and paying liabilities or obligations of the Company. The assets of any such trust shall be distributed to the Members from time to time, in the reasonable discretion of the trustee of the liquidating trust, in the same proportions as the amount distributed to such trust by the Company would otherwise have been distributed to the Members pursuant to this Agreement.

ARTICLE X

BOOKS AND RECORDS

SECTION 10.1. Books and Records. The Company shall keep adequate books and records at its principal place of business, which shall set forth an accurate account of all transactions of the Company as well as the other information required by the Act.

SECTION 10.2. **Taxable Year.** The Company shall use the Fiscal Year as its taxable year.

SECTION 10.3. **Tax Information; Reports.**

(a) ***Tax Information.*** Tax information necessary to enable each Member to prepare its state, federal, local and foreign income tax returns shall be delivered to each Member within seventy-five days of the end of each Fiscal Year.

ARTICLE XI

COVENANTS OF MEMBERS

SECTION 11.1. **Non-Competition**. During the Restricted Period, each Member shall not, directly or indirectly, in any manner, anywhere in the Applicable Area (whether on such Member's own account, or as an employee, director, consultant, contractor, agent, partner, manager, joint venturer, owner, operator or officer of any other Person, or in any other capacity) engage in the Business, or own any interest in, manage, control, provide financing to, participate in (whether as an owner, operator, manager, consultant, officer, director, employee, investor, agent, representative or otherwise), or be employed by, consult with or provide services to any competitive business or assist any Person in doing any of the foregoing. Nothing in this Section 11.1 will prohibit (a) a Member from being a passive owner of not more than 2% of the outstanding stock of any class of a corporation that is publicly traded, so long as the Member has no active participation in the business of such corporation.

SECTION 11.2. **Non-Solicitation of Employees.** During the Restricted Period, each Member shall not, directly or indirectly, in any manner (whether on such Member's own account, or as an employee, director, consultant, contractor, agent, partner, manager, joint venturer, owner, operator or officer of any other Person, or in any other capacity): (i) recruit, solicit or otherwise attempt to employ or retain, or enter into any business relationship with, any current or former employee of or consultant to any of the Group Entities, (ii) hire or engage or otherwise retain or enter into any business relationship with, any current or former employee of or consultant to any of the Group Entities, or (iii) induce or attempt to induce any current or former employee of, or consultant to, any of the Group Entities, to leave the employ of such Group Entity, or in any way interfere with the relationship between any of the Group Entities and any their employees or consultants; provided, however that a Member may recruit, hire or engage former employees and consultants to the Group Entities after such former employees or consultants have ceased to be employed or otherwise engaged by any Group Entity for a period of at least 12 months.

SECTION 11.3. **Non-Solicitation of Customers.** During the Restricted Period, each Member shall not, directly or indirectly, in any manner, anywhere in the Applicable Area (whether on such Member's own account, or as an employee, director, consultant, contractor, agent, partner, manager, joint venturer, owner, operator or officer of any other Person, or in any other capacity), solicit, service, contact, divert, take away or interfere with, or aid in the solicitation, servicing, contacting, diverting, taking away or interfering with, any customer of any Group Entity for the purpose of (i) performing services in competition with any of the Group Entities, (ii) procuring any investment from any such customer of any Group Entity or any opportunity to invest in any such customer of any Group Entity, (iii) inducing any such customer of any Group Entity to cancel, transfer, or cease doing business in whole or in part with any of the Group Entities, (iv) inducing any such customer of any Group Entity to do business with any Person in competition with the any of the Group Entities or in any way interfere with its relationship with any of the Group Entities, or (v) engaging in a competitive business. In furtherance of the foregoing, during the Restricted Period, each Member will not otherwise utilize any customer of any Group Entity for such Member's benefit or for the benefit of such Member's Affiliates if any such benefit would result in a cost, expense or detriment to any of the Group Entities.

SECTION 11.4. Non-Disparagement. During the Restricted Period, each Member shall refrain from, directly or indirectly, making disparaging, negative or other similar remarks concerning any Group Entity, or any of their respective Affiliates or any employee, manager or consultant thereof to any third party.

SECTION 11.5. Enforcement. If, at the time of enforcement of any provision of Section 11.1, Section 11.2, Section 11.3 or Section 11.4 (the "***Restrictive Covenants***"), a court shall hold that the duration, scope or area restrictions stated therein are unreasonable under circumstances then existing, the parties agree that the maximum duration, scope or area reasonable under such circumstances shall be substituted for the stated duration, scope or area and that the court shall be allowed to revise the restrictions contained therein to cover the maximum period, scope and area permitted by law. Because each Member has access to proprietary information and confidential information of the Group Entities, the parties hereto agree that money damages would not be an adequate remedy for any breach of any of the Restrictive Covenants. Therefore, in the event of a breach or threatened breach of any of the Restrictive Covenants, the Company or any of its successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce or prevent any violations of the provisions hereof (without posting a bond or other security and without proving actual damages). In addition, in the event of a breach or violation by any Member of any provision of any of the Restrictive Covenants, the Restricted Period shall be tolled until such breach or violation has been duly cured. The existence of any claim or cause of action by any Member against any Group Entity or any of their Affiliates, whether predicated on this Agreement or otherwise, will not constitute a defense to the enforcement by the Company of the provisions of any of the Restrictive Covenants, which will be enforceable notwithstanding the existence of any such breach.

SECTION 11.6. Further Acknowledgments. Each Member expressly agrees and acknowledges that the restrictions contained in the Restrictive Covenants do not preclude such Member from earning a livelihood, nor do they unreasonably impose limitations on such Member's ability to earn a living. In addition, each Member agrees and acknowledges that the potential harm to the Company of the non-enforcement of the Restrictive Covenants outweighs any harm to such Member of this enforcement by injunction or otherwise. Each Member acknowledges that such Member has carefully read this Agreement and has given careful consideration to the restraints imposed upon such Member, and is in full accord as to their necessity for the reasonable and proper protection of the confidential information of the Group Entities. Each Member expressly acknowledges and agrees that (a) each and every restriction imposed by this Agreement is reasonable with respect to subject matter and time period and such restrictions are necessary to protect the Company's interest in, and value of, the Company (including the goodwill inherent therein), and (b) the Company would not have consummated the transactions contemplated herein without the restrictions contained in the Restrictive Covenants. Each Member understands and agrees that the restrictions and covenants contained of the Restrictive Covenants are in addition to, and not in lieu of, any non-competition, non-solicitation or other similar obligations contained in any other agreements between such Member and the Company.

MISCELLANEOUS

SECTION 12.1. Notices. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given upon the earlier of actual receipt, or (a) personal delivery to the party to be notified, (b) when sent, if sent by electronic mail or facsimile during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address as set forth on the signature page to this Agreement or the Information Exhibit, or to such e-mail address, facsimile number or address as subsequently modified by written notice given in accordance with this Section 12.1.

SECTION 12.2. Binding Effect. Except as otherwise provided in this Agreement, every covenant, term, and provision of this Agreement shall be binding upon and inure to the benefit of the Members, and their respective heirs, legatees, legal representatives, successors, transferees, and assigns.

SECTION 12.3. Construction. Every covenant, term and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any Member. No provision of this Agreement is to be interpreted as a penalty upon, or a forfeiture by, any party to this Agreement. The parties acknowledge that each party to this Agreement, together with such party's legal counsel, has shared equally in the drafting and construction of this Agreement and, accordingly, no court construing this Agreement shall construe it more strictly against one party hereto than the other.

SECTION 12.4. Entire Agreement; No Oral Agreements; Amendments to the Agreement. This Agreement (together with its Exhibits) constitutes the entire agreement among the Members with respect to the affairs of the Company and the conduct of its business, and supersedes all prior agreements and understandings, whether oral or written. The Company shall have no oral limited liability company agreements. This Agreement may be amended only by a written amendment adopted by the holders of at least seventy percent (70%) of the outstanding Class A Units. Any amendment adopted consistent with the provisions of this Section 12.4 shall be binding on the Members without the necessity of their execution of the amendment or any other instrument. Each Member hereby grants to the Chief Executive Officer, with power of substitution and resubstitution such Member's power of attorney to execute any amendment otherwise approved in accordance with this Section 12.4 and without the use of such power of attorney, which power of attorney is coupled with an interest, and shall be irrevocable and shall survive the Member's legal incapacity or Transfer of the Member's Interest. The Board shall promptly provide copies of all amendments to the Members.

SECTION 12.5. **Headings.** Section and other headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define, or limit the scope, extent, or intent of this Agreement or any provision hereof.

SECTION 12.6. **Severability.** Every provision of this Agreement is intended to be severable. If any term or provision hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity or legality of the remainder of this Agreement.

Regulatory Allocations

This Exhibit contains special rules for the allocation of items of Company income, gain, loss and deduction that override the basic allocations of Profits and Losses in Section 4.1 of the Agreement to the extent necessary to cause the overall allocations of items of Company income, gain, loss and deduction to have substantial economic effect pursuant to Treasury Regulations §1.704-1(b) and shall be interpreted in light of that purpose. Subsection (a) below contains special technical definitions. Subsections (b) through (h) contain the Regulatory Allocations themselves. Subsections (i), (j) and (k) are special rules applicable in applying the Regulatory Allocations.

(a) ***Definitions Applicable to Regulatory Allocations***. For purposes of the Agreement, the following terms shall have the meanings indicated:

(i) "*Adjusted Capital Account*" means, with respect to any Member or assignee, such Person's Capital Account (as defined below) as of the end of the relevant Fiscal Year increased by any amounts which such Person is obligated to restore, or is deemed to be obligated to restore pursuant to the next to last sentences of Treasury Regulations §1.704-2(g)(1) (share of minimum gain) and 1.704-2(i)(5) (share of Member Nonrecourse Debt Minimum Gain).

(ii) "*Company Minimum Gain*" has the meaning of "partnership minimum gain" set forth in Treasury Regulations §1.704-2(d) and is generally the aggregate gain the Company would realize if it disposed of its property subject to Nonrecourse Liabilities in full satisfaction of each such liability, with such other modifications as provided in Treasury Regulations §1.704-2(d). In the case of Nonrecourse Liabilities for which the creditor's recourse is not limited to particular assets of the Company, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the Company shall be treated as a single liability and allocated to the Company's assets using any reasonable basis selected by the Board.

(iii) "*Member Nonrecourse Debt*" means any LLC liability with respect to which one or more but not all of the Members or related Persons to one or more but not all of the Members bears the economic risk of loss within the meaning of Treasury Regulations §1.752-2 as a guarantor, lender or otherwise.

(iv) "*Member Nonrecourse Deductions*" shall mean losses, deductions or Code §705(a)(2)(B) expenditures attributable to Member Nonrecourse Debt under the general principles applicable to "partner nonrecourse deductions" set forth in Treasury Regulations §1.704-2(i)(2).

(v) "*Member Nonrecourse Debt Minimum Gain*" shall mean the minimum gain attributable to Member Nonrecourse Debt as determined pursuant to Treasury Regulations §1.704-2(i)(3). In the case of Member Nonrecourse Debt for which the creditor's recourse against the Company is not limited to particular assets of the Company, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the Company shall be treated as a single liability and allocated to the Company's assets using any reasonable basis selected by the Board.

(vi) "*Nonrecourse Deductions*" shall mean losses, deductions, or Code §705(a)(2)(B) expenditures attributable to Nonrecourse Liabilities (see Treasury Regulations §1.704-2(b)(1)). The amount of Nonrecourse Deductions for a Fiscal Year shall be determined pursuant to Treasury Regulations §1.704-2(c), and shall generally equal the net increase, if any, in the amount of Company Minimum Gain for that taxable year, determined generally according to the provisions of Treasury Regulations § 1.704-2(d), reduced (but not below zero) by the aggregate distributions during the year of proceeds of Nonrecourse Liabilities that are allocable to an increase in Company Minimum Gain, with such other modifications as provided in Treasury Regulations § 1.704- 2(c).

(vii) "*Nonrecourse Liability*" means any Company liability (or portion thereof) for which no Member bears the economic risk of loss under Treasury Regulations § 1.752-2.

(viii) "*Regulatory Allocations*" shall mean allocations of Nonrecourse Deductions provided in Paragraph (b) below, allocations of Member Nonrecourse Deductions provided in Paragraph (c) below, the minimum gain chargeback provided in Paragraph (d) below, the Member Nonrecourse Debt Minimum Gain chargeback provided in Paragraph (e) below, the qualified income offset provided in Paragraph (f) below, the gross income allocation provided in Paragraph (g) below, and the curative allocations provided in Paragraph (h) below.

(b) ***Nonrecourse Deductions***. All Nonrecourse Deductions for any Fiscal Year shall be allocated to the Members in accordance with their respective Sharing Percentages during such Fiscal Year.

(c) ***Member Nonrecourse Deductions***. All Member Nonrecourse Deductions for any Fiscal Year shall be allocated to the Member who bears the economic risk of loss under Treasury Regulations § 1.752-2 with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable.

(d) ***Minimum Gain Chargeback***. If there is a net decrease in Company Minimum Gain for a Fiscal Year, each Member shall be allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of such net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations §1.704-2(g)(2) and the definition of Company Minimum Gain set forth above. This provision is intended to comply with the minimum gain chargeback requirement in Treasury Regulations §1.704-2(f) and shall be interpreted consistently therewith.

(e) ***Member Nonrecourse Debt Minimum Gain Chargeback***. This Contractor Agreement ("Agreement") is entered into this 3rd day of June 2019 between WE-Innventure, LLC, a Delaware company ("Innventure") and 4350 LAAD, Inc., an independent contractor (hereinafter "Contractor").

Whereby Contractor and Innventure wish to conduct business together, for valuable consideration, the receipt of which is hereby acknowledged, the parties agree to the following terms and conditions, along with the attached Statement of Work:

1. Relationship Between the Parties. Nothing contained in this Agreement shall be construed to make Contractor an employee or agent of Innventure or its business partners, nor shall either party have any authority to bind the other in any respect. It is expressly understood that Contractor shall remain an independent contractor responsible for its own actions. No agent, employee or servant of Contractor shall be deemed to be an employee, agent or servant of Innventure or its business partners. Nothing contained in this Agreement shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of joint venture and Contractor does not have any authority of any kind to bind Innventure in any respect whatsoever.

2. Confidential Information. "Confidential Information" shall mean confidential or proprietary information of Innventure, including, without limitation: (a) processes, technical information, data, business methods and techniques, methods of presentation, programs and other materials used or to be used by Innventure in providing its services and in managing, marketing, or furthering Innventure's business or the business of its clients, (b) customer names and customer information and customer lists, (c) pricing information, (d) the terms and conditions of any proposed (or actual) license agreement or other agreements concerning Innventure's products and services, (e) computer technology, source code, object code, programs and data, whether online, in hard copy or on disk or other medium, whether released or unreleased, (f) information received from others, including customers of Innventure, that is confidential to such persons and/or customers, including information that Innventure is required to treat as confidential, (g) financial information, and (h) all other confidential or proprietary information about Innventure's business, whether in tangible or intangible form. Confidential Information shall not include the following:

a. Information which at the time of disclosure is publicly known or which later becomes publicly known by publication or otherwise through no breach of this agreement by Contractor, including without limitation, information which is generally known within the industries or trades in which either party competes; or

b. Information which either Contractor can substantiate beyond a reasonable doubt was in Contractor's possession prior to receipt of such information from either party; or

c. Information which is furnished to Contractor by a third party, as a matter of right without restriction of confidentiality by such third party, and which was not received directly or indirectly from Innventure.

3. Confidentiality. Contractor acknowledges that the Confidential Information constitutes a valuable asset of, and is proprietary to Innventure. Contractor agrees to use the Confidential Information solely in connection with the business engagement between Innventure and Contractor and only as permitted by this Agreement. Contractor shall not otherwise use the Confidential Information for its own benefit or for the benefit of any third party. During the time period that parties are engaged or otherwise a business relationship exists between the parties, and for three (3) years after a termination of the business relationship for any reason, Contractor shall treat all of the Confidential Information as strictly confidential and not use for competitive advantage over Innventure, unless otherwise agreed by Innventure in writing. Contractor agrees to promptly notify Innventure of any unauthorized disclosure of or access to the Confidential Information of which Contractor becomes aware. Nothing contained in this Confidentiality Agreement is to be construed as granting or conferring any rights, by license or otherwise, in any Confidential Information disclosed by Innventure. Contractor acknowledges and agrees that any disclosure or unauthorized use of the Confidential Information shall cause irreparable harm and loss to Innventure. If Contractor is unsure whether any information is Confidential Information, Contractor agrees to treat such information as Confidential Information unless Contractor is instructed by Innventure to the contrary. In an exception to the three-year confidentiality germ, trade secret information will be treated as Confidential Information for as long as it retains trade secret status.

4. Ownership of Work Product and Copyright Compliance . Contractor acknowledges that all business plans, business models, methods, processes, designs, and all other items prepared by or for Innventure in connection with its services or business operations (the "Work Product"), including any such items prepared by Contractor, shall be owned solely by Innventure. Innventure shall be deemed the original author of such Work Product. Neither Contractor, nor any other person, firm, corporation, or other entity shall have the right to use the Work Product for any purpose without the prior written consent of Innventure. Contractor further agrees that it will not use, for any purpose other than the performance of services for Innventure, the Work Product or any product, design or other item ("Customer Product") owned or licensed by a customer of Innventure. Innventure shall be entitled to copyright and/or patent, as applicable, any and all of the Work Product, and Contractor agrees to cooperate with Innventure in order to carry out the steps deemed necessary by Innventure to obtain copyrights, patents, or other type of intellectual property in the Work Product.

5. Remedies. Contractor acknowledges and agree that a breach, or attempted or threatened breach, of any obligation under this Agreement may cause immediate and/or irreparable harm to Innventure for which monetary damages would not be a sufficient remedy, and that Innventure shall be entitled to injunctive relief as a remedy for any such breach or attempted or threatened breach. The foregoing remedy will not be deemed to be the exclusive remedy of Innventure, but shall be in addition to all other remedies available at law or in equity.

6. Severability. If any provision of this Agreement is held to be illegal, invalid, or unenforceable in any respect, both parties agree that such term or provision shall be deemed to be modified to the extent necessary to permit its enforcement to the maximum extent permitted by applicable law.

The terms of this Agreement shall not be amended or modified in any respect whatsoever except by a written instrument executed by Innventure and Contractor. This Agreement and any disputes arising out of this Agreement shall be governed and construed in accordance with Illinois law and shall be litigated solely in courts located in Cook County, Illinois. Contractor waives objection to venue or jurisdiction.

8. Payment, Work Performed, and Term . Contractor will receive a payment for work performed as defined in an attached Statement of Work. Each Statement of Work must be signed and dated by Contractor and Innventure. Either party may terminate this Agreement for any reason at any time upon 30 days' written notice in accordance with the notice requirements set forth below, subject to survival of ongoing covenants set forth within this Agreement and the Statement of Work.

9. Notices. Any notice provided for herein shall be in writing or by e-mail or facsimile with evidence of successful transmission if the e-mail address and/or facsimile number has been provided to the other party in writing. Either party may change its address or email by notice to the other.

10. Notice of Tax Responsibility/Counsel . It being agreed that each party to this Agreement shall remain an independent contractor responsible for its own actions, the Engaging Company cannot and shall not treat Contractor as an employee for employment tax or any other purposes. Innventure hereby notifies Contractor that no provision will be made in Contractor's name for the withholding of any local, state or federal income tax, for the withholding of Social Security taxes, unemployment compensation premiums, workers' compensation premiums or for any other local, state or federal employment related tax. Therefore, Contractor bears individual responsibility for all of Contractor's (and, if applicable, Contractor's employee's) employment taxes, including, without limitation, the federal self employment tax and withholding for local, state and federal income taxes and Social Security.

11. Indemnity. Contractor will indemnify and hold harmless Innventure and its officers, directors, employees, agents, affiliates, successors, and permitted assigns against any and all losses, damages, liabilities, claims, costs and expenses (including reasonable attorneys' fees and other professional fees and the cost of enforcing any right to indemnification under this Agreement) to the extent based on a third-party claim arising out of Contractor's gross negligence or willful misconduct. Innventure will indemnify harmless Contractor against any claims: (a) that Innventure's materials or products, as created by Innventure, infringe any intellectual property rights of any third party; or (b) arising out of Innventure's gross negligence or willful misconduct.

12. Non-Solicitation. Contractor will not during the term of this Agreement, or for one year following termination of this agreement, directly solicit for employment any employee of Innventure or of Innventure's clients. Contractor may hire Innventure employees who respond to a general solicitation for employment not specifically directed to Innventure employees.

13. Warranty. Contractor warrants that services performed by Contractor under this Agreement will be performed in a workmanlike manner, consistent with customary practices in the Contractor's industry. Contractor further warrants that Contractor has any licenses or permits required to perform services for Innventure under this Agreement.

14. Miscellaneous. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. This Agreement is not assignable, transferable or sublicensable by Contractor except with Innventure's prior written consent. Innventure may transfer and assign any of its rights and obligations under this Agreement without consent. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. This Agreement shall be governed by the laws of the State of Illinois without regard to its conflict of laws provisions.

IN WITNESS WHEREOF, the parties have understood and executed this Agreement the day and year first above written.

4. **Evaluation and Commercial Supply Agreement**.

4.1 **Lead Line Success Criteria**. Supplier shall meet all lead line technical success criteria as described in Exhibit C hereto (a "**Lead Line Success**"). Supplier's failure to achieve a Lead Line Success shall be deemed a breach of a material obligation under this Agreement. 4.2 **Commercial Supply Agreement**. Upon achievement of a Lead Line Success as set forth in Section 4.1, the Supplier will become the exclusive supplier of the Commercial Line Machines, as set forth in a separate commercial supply agreement (a "Commercial Supply Agreement"), the terms of which will be negotiated separately in good faith by the Parties. In any event, the terms and conditions of such Commercial Supply Agreement shall be based upon and in reference to the framework terms agreed by the Parties as set forth in Exhibit D. If the Parties fail to enter into this Commercial Supply Agreement, the Parties will negotiate in good faith a settlement agreement, with regard to the Company's availability of the Fameccanica Design Package as provided in Section 3.2. The foregoing notwithstanding, nothing in this Agreement shall be interpreted to conflict with or encumber Company's ownership of the Fameccanica Design Package.

If either Party shall have a receiver or insolvency administrator appointed for the whole or any part of its assets or if an order is made or a resolution passed for winding up its business and operations (the "Insolvent Party") (unless such order is part of a business reorganization of the Insolvent Party) then the other Party may terminate this Agreement and the rights and licenses granted hereunder with immediate effect and without being required to give any or further notice in advance of such termination. Such termination shall be without prejudice to the remedy of the other Party to sue for and recover any payments then due and to pursue any remedy in respect of any previous breach of any of the covenants or undertakings herein contained. Furthermore, the rights and licenses granted to the other Party and its Affiliates hereunder shall be unaffected by such termination.

5.6 **Termination for Commercial Supply Agreement**. The indemnified Party's failure to perform any obligations under this Section 8.3 shall not relieve the indemnifying Party of its obligation under this Section 8.3 except to the extent that the indemnifying Party can demonstrate that it has been materially prejudiced as a result of the failure. The indemnified Party may participate in and observe the proceedings at its own cost and expense with counsel of its own choosing.

8.4 **Limits on Liability**. IN NO EVENT SHALL EITHER PARTY OR EACH OF ITS AFFILIATES AND EACH OF THEIR REPRESENTATIVES BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF GOODWILL, LOSS OF PROFITS, LOSS OF DATA, OR LOSS OF USE ARISING OUT OF THIS AGREEMENT, REGARDLESS OF WHETHER THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATIONS ON LIABILITY SHALL NOT APPLY TO EITHER PARTY'S LIABILITY, IF ANY, FOR (A) CONTRIBUTION OR INDEMNITY WITH RESPECT TO LIABILITY TO OTHER PERSONS FOR PERSONAL INJURY, DEATH, OR DAMAGE TO TANGIBLE PROPERTY AS A RESULT OF SUCH PARTY'S NEGLIGENCE OR WILLFUL MISCONDUCT, OR (B) SUCH PARTY'S BREACH OF SECTION 6. 10.1 **By Supplier**. Supplier may not, without the prior written consent of Company, assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement (except to its Affiliates), in each case whether voluntarily, involuntarily, by operation of Law, or otherwise; *provided*, *however*, that any merger, consolidation, or reorganization involving Supplier (regardless of whether Supplier is a surviving or disappearing entity, and regardless whether Supplier experiences a Change of Control) shall not be deemed to be a transfer of rights, obligations, or performance under this Agreement for which the Company's prior written consent is required.

10.2 **By Company**. Company may freely assign its rights and obligations and delegate its duties under this Agreement to any Person, upon written notice to Supplier.

10.3 **Effect of Assignment**. No delegation or other transfer will relieve a Party of any of its obligations or performance under this Agreement unless expressly agreed in writing by the other Party. Any purported assignment, delegation or transfer in violation of this Section 10 is null and void.

11. **Governing Law; Dispute Resolution**.

11.1 **Governing Law; Language**. This Agreement and all related documents, and all matters arising out of or relating to this Agreement, shall be governed by and construed in accordance with, the Laws of the State of New York, USA, without regard to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the Laws of any jurisdiction other than those of the State of New York, USA; *provided, however*, with respect to matters of infringement and validity of Patents, the substantive Law of the country or state under which the respective Patent has been granted shall apply in respect thereof. The Parties acknowledge and agree that the American English language version of this Agreement is the original version of this Agreement and shall govern for all purposes, regardless of whether this Agreement in translated into any other language.

11.2 **Dispute Resolution**.

11.2.1 **Mediation**. The Parties shall use their respective best efforts to negotiate and resolve in good faith, through mutual agreement and understanding, and promptly, any dispute between any Parties arising out of or related to this Agreement, and the rights and obligations, course of conduct, course of dealing, actions and statements (whether verbal or written) of the Parties in connection with this Agreement ("Dispute"). If negotiation fails to resolve any Dispute upon written notice by a Party to the other Party, the Parties agree first to submit their Dispute to non-binding mediation before a neutral mediator mutually selected by the Parties, prior to any Party initiating any proceedings contemplated under Section 11.1. The Parties shall cooperate in good faith to agree on a mutual time, place and mediator, and shall equally bear the costs and expenses of the mediator and mediation and bear their own attorneys' fees and costs. Mediation shall take place within thirty (30) days of the date of written notice by a Party to the other Party.

11.2.2 **Arbitration**. Any Dispute that is not amicably settled by the Parties shall be exclusively and finally resolved through confidential binding arbitration ("Arbitration") in New York, New York, in the English language. Arbitration shall be administered by the International Centre for Dispute Resolution ("ICDR") in accordance with its International Dispute Resolution Procedures then in effect at the time of filing of the Arbitration (the "ICDR Rules") at a mutually agreeable location and, if the Parties cannot agree, then at the offices of the ICDR in New York, New York. The number of arbitrators shall be one (1) mutually selected by the Parties unless the Parties cannot agree, in which case the arbitrator will be selected in accordance with applicable ICDR Rules. The final decision of the arbitrators as to the merits of the Dispute (the "Arbitration Decision") shall be rendered within ninety (90) days after commencement of Arbitration, or as soon as practically possible thereafter, and shall be kept confidential to the fullest extent permitted under applicable Law. The Arbitration Decision, which shall be in writing and state the reasons upon which the award is based, shall be final and binding on the Parties, who shall forthwith comply therewith after receiving notice thereof, and shall include an award of attorney's fees and costs to the prevailing Party pursuant to Section 11.2.6. Discovery shall be conducted pursuant to the ICDR Rules, as the case may be, and as agreed by the Parties in writing during Arbitration. Any appeal rights as to the Arbitration Decision shall be governed by the ICDR Rules. Each Party shall bear its own costs and expenses related to the Arbitration, other than as expressly set forth in this Agreement, and the administrative costs of the Arbitration, including the arbitrator fees, shall be borne equally by the Parties.

11.2.3 **Enforcement; Consent to Jurisdiction; Service of Process** Judgment on the Arbitration Decision issued pursuant to this Section 11.2 may be entered into and by any court of competent jurisdiction, anywhere in the world. Without limiting any of the provisions in this Section 11.2, any action in connection with or related to the validity or enforcement of the Arbitration Decision made pursuant hereto, and any Dispute which by its nature is prohibited under applicable Law from resolution through arbitration, including any equitable relief, shall be exclusively brought in and before the U.S. District Court for the Southern District of New York, or, if such court does not have jurisdiction, then the state courts of the State of New York, USA. Each Party hereby (i) agrees to the exclusive jurisdiction of such courts, (ii) irrevocably agrees to be bound by any final judgment (after any and all appeals) of any such courts, (iii) irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceedings in any such court, and further irrevocably waives, to the fullest extent permitted by Law, any claim that any such suit, action or proceedings brought in any such courts has been brought in an inconvenient forum, (iv) agrees that service of process in any such action may be effectuated by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Party in accordance with the notice provisions set forth in this Agreement, and (v) agrees that nothing herein shall affect the right to effectuate service of process in any other manner permitted by applicable Law.

11.2.4 **Waiver of Jury Trial**. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.2.5 **Equitable Relief**. Each Party acknowledges that a breach by the other Party of this Agreement may cause the non-breaching Party irreparable harm, for which an award of damages would not be adequate compensation and agrees that, in the event of such a breach or threatened breach, the non-breaching Party will be entitled to seek equitable relief, including in the form of a restraining order, orders for preliminary or permanent injunction, specific performance, and any other relief that may be available from any court, and the Parties hereby waive any requirement for the securing or posting of any bond or the showing of actual monetary damages in connection with such relief. These remedies shall not be deemed to be exclusive but shall be in addition to all other remedies available under this Agreement at law or in equity, subject to any express exclusions or limitations in this Agreement to the contrary.

11.2.6 **Attorneys' Fees**. In the event that any Dispute results in an Arbitration, or in any action, suit, or other legal or administrative proceeding as instituted or commenced by either Party against the other Party arising out of or related to this Agreement, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and court costs from the non-prevailing Party.

12. Miscellaneous.

12.1 **Independent Contractors**. The relationship between the Parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.

12.2 **Compliance with Laws**. Each Party will comply with all applicable Laws related to the exercise of its rights and performance of its obligations under this Agreement.

12.3 **Force Majeure**. Neither Party shall be liable or responsible to the other Party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by: (a) acts of nature; (b) flood, fire, or explosion; (c) war, terrorism, invasion, riot, or other civil unrest; (d) embargoes or blockades in effect on or after the date of this Agreement; (e) national or regional emergency; (f) strikes, labor stoppages or slowdowns, or other industrial disturbances; (g) any passage of Law or governmental order, rule, regulation or direction, or any action taken by a governmental or public authority, including imposing an embargo, export or import restriction, quota, or other restriction or prohibition; or (h) national or regional shortage of adequate power or telecommunications or transportation facilities (each of the foregoing, a "Force Majeure Event"); provided that (i) such event is outside the reasonable control of the affected Party; (ii) the affected Party provides prompt written notice to the other Party, stating the period of time the occurrence is expected to continue; and (iii) the affected Party uses diligent efforts to end the failure or delay and minimize the effects of such Force Majeure Event. A Party may terminate this Agreement if a Force Majeure Event affecting the other Party continues substantially uninterrupted for a period of ninety (90) days or more. Unless a Party terminates this Agreement pursuant to the preceding sentence, all dates by which a Party must perform any act or on which the other Party's obligation is due shall automatically be extended for a period up to the duration of the Force Majeure Event.

12.4 **Entire Agreement**. This Agreement, together with its preamble, recitals and all exhibits, schedules, appendices, and any other documents incorporated herein by reference, constitutes the sole and entire agreement of the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter; provided, however, that nothing herein shall supersede or replace any other confidentiality and non-disclosure agreements entered into by the Parties and/or with P&G, and the confidentiality provisions herein shall supplement the foregoing. In the event of any conflict between the terms and provisions of this Agreement and those of any exhibit, schedule, appendix, or other document incorporated herein by reference, the following order of precedence shall govern: (a) first, this Agreement, excluding its exhibits, schedules, appendices or other documents incorporated by reference to this Agreement; and (b) second, the exhibits, schedules, appendices to this Agreement and other documents incorporated by reference to this Agreement, as of the Effective Date; and (c) third, any other documents incorporated herein by reference as of a date later than the Effective Date.

12.5 **Amendment; Modification; Waiver**. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each Party. No waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the waiving Party. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

12.6 **Severability**. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

12.7 **Interpretation**. The headings and sub-headings in this Agreement are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement. For purposes of this Agreement, (a) the words "include," "includes," and "including" shall be deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. Any Schedules referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein. This Agreement is the result of negotiations between the Parties and, accordingly, shall not be construed for or against either Party regardless of which Party drafted this Agreement or any portion thereof.

12.8 **Binding Effect**. This Agreement shall not be binding upon the Parties until it has been signed by or on behalf of each Party, in which event it shall be effective as of the Effective Date.

12.9 **No Third-Party Beneficiaries**. Other than as expressly otherwise set forth in this Agreement, this Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever, under or by reason of this Agreement.

12.10 **Further Assurances**. Each Party shall, upon the reasonable request, and at the sole cost and expense, of the other Party, promptly execute such documents and perform such acts as may be necessary to give full effect to the terms of this Agreement.

The Parties shall cooperate in good faith to agree on a mutual time, place and mediator, and shall equally bear the costs and expenses of the mediator and mediation and bear their own attorneys' fees and costs. Mediation shall take place within thirty (30) days of the date of written notice by a Party to the other Party.

11.2.2 **Arbitration**. The Arbitration Decision, which shall be in writing and state the reasons upon which the award is based, shall be final and binding on the Parties, who shall forthwith comply therewith after receiving notice thereof, and shall include an award of attorney's fees and costs to the prevailing Party pursuant to Section 11.2.6. Each Party acknowledges that a breach by the other Party of this Agreement may cause the non-breaching Party irreparable harm, for which an award of damages would not be adequate compensation and agrees that, in the event of such a breach or threatened breach, the non-breaching Party will be entitled to seek equitable relief, including in the form of a restraining order, orders for preliminary or permanent injunction, specific performance, and any other relief that may be available from any court, and the Parties hereby waive any requirement for the securing or posting of any bond or the showing of actual monetary damages in connection with such relief. A Party may terminate this Agreement if a Force Majeure Event affecting the other Party continues substantially uninterrupted for a period of ninety (90) days or more. Unless a Party terminates this Agreement pursuant to the preceding sentence, all dates by which a Party must perform any act or on which the other Party's obligation is due shall automatically be extended for a period up to the duration of the Force Majeure Event.

PROJECT PLAN

KEY SUCCESS CRITERIA

PRODUCTION RATE

To be measured with two pak sizes when running MDO/LLDPE film.

Shape 1 (AeroFlexx Classic)	Size 1 (9 oz)	150 paks/min
Shape 1 (AeroFlexx Classic)	Size 2 (16 oz)	150 paks/min

DEFECT LEVEL

All quality criteria is to be met over the machine speed range and during machine ramp up and ramp down. Defects attributable to the system must be less than 0.1% after camera inspection and rejection. Paks in reject stream will not be counted as defects. Critical product defects that impact package quality, integrity or functionality caused by equipment must not occur in normal operation without the machine being able to detect & reject them. Defects in seal integrity cannot be detected by the camera and a certain number of paks will be automatically rejected during machine start/stop to avoid such defects. Such paks will not be counted as defects.

QUALITY - RELEASE CRITERIA

All release criteria listed below along with their tolerances can be found in section 2.2 and/or section 25 of the detailed machine specifications. Any criteria that fall outside the tolerance limits will be classified as defects.

1. Emboss placement on target and tolerance in MD and CD
2. Emboss depth on target, no puncturing of film
3. Vent hole placement on target and tolerance in MD and CD
4. Vent hole diameter on target (measured in final pack out of converter)
5. Filler pin hole placement on target and tolerance in MD and CD
6. Filler pin hole dimensions on target
7. Seal 1 placement on target and tolerance in MD and CD
8. Fold lines on target and tolerance in CD
9. Seal 2 placement on target tolerance in MD and CD
10. Seal Strength - Air Chamber 14 psi min (seal 1), Product Chamber 10 psi min (seal 2)
11. Material should rupture before seal breaks during inflation test
12. Seal 1 / Seal 2 overlap in final pack on target and tolerance in MD and CD
13. Perimeter seal dimensions on target
14. Location Hole placement on target tolerance in MD and CD
15. Location Hole dimensions on target
16. Scoring line on target and tolerance in MD and CD

17. Match of score lines on front and back of pack

18. Scoring line depth on front and rear of pack on target

19. No sealing of product (liquid) and air entry ports.

CHANGEOVER REQUIREMENTS

The line shall be changed over from one format to another by a trained crew of 2 operators in 30 mins. In addition to this it will take another 30 mins for fine tuning so the line may run at target performance levels.

OPERATING EFFICIENCY & SCRAP

The equipment operating efficiency shall be 85.0 % or better.

Operating Efficiency = Good units / (Unit Rate per minute x 480 minutes)
Example: 900 units / (2 units/minute X 480 minutes) = 93.4%

Scrap rate shall be 15.0% or less at VAT, 10 % or less after 30 days of production with a target of 6% or less for ongoing production with MD/LLDPE film.

Scrap = Scrap units / (Good units + Scrap units):
Example: 9 units scrap / (900 good units+9 units scrap) = 0.9%

The equipment shall average the targets for ongoing efficiency & scrap on or before the 90th day after start of commissioning.

SAFETY

Meets US/Europe industry safety standards

OPERATING AND MAINTENANCE TIME

The equipment must be designed to sustain target speeds for 24-hours per day, 7-days per week, 52 weeks/year operation. The maintenance allowances are tabulated below.

Operating Period	PM Allowance	Vendor Estimate
24 hours	15 minutes	
168 hours (1 week)	1 hour	
4300 (6 months)	4 hours	
1 Year	8 hours	
5 Years	20 hours	

The PM allowance above is assumed to be cumulative

ie. 15 mins/day + 60 mins/week + …… + 20hrs/5 years

4.6. **COMMERCIAL PATENT AND KNOW-HOW LICENSE.** OWNER hereby grants LICENSEE a SOLE, royalty bearing, worldwide, non-assignable and otherwise non-transferable, revocable, license under OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS to make, have made, use, offer to sell, and sell the LICENSED PRODUCT, subject to the following time restrictions ("**COMMERCIAL PATENT LICENSE**"). 4.7. **Royalties.** LICENSEE will pay a royalty to OWNER every year according to the per-package Estimated Royalty Rate defined in Table 4.7 or the Minimum Royalty defined in Paragraph 4.8 (Minimum Royalty), whichever is greater. If the calculated Estimated Royalty per Table 4.7 is greater than the Minimum royalty the following will apply. If the calculated Estimated Royalty on the number of packages sold divided by the packages sold is less than [***]% of the NET PROFIT per package sold as defined in Exhibit 5, in any given calendar year, LICENSEE will pay OWNER the difference in the following calendar year. If the calculated Estimated Royalty on the number of packages sold divided by the packages sold is more than [***]% of the NET PROFIT per package sold in any given calendar year, OWNER will pay LICENSEE the difference in the following calendar year. If OWNER is required to refund money to LICENSEE in any calendar year, LICENSEE will still be responsible to meet the Minimum Royalty for that calendar year. Royalty rates will begin, at the latest, 48 months after the EFFECTIVE DATE and will be due quarterly, 30 days after the end of each quarter. Exhibit 6 provides examples of the end of year adjustments to the estimated royalties paid by LICENSEE.

Table 4.7

Estimated Royalty Rate	Bracket
[***]	[***]
[***]	[***]
[***]	[***]
[***]	[***]

4.8. **Annual Minimum Royalties.** The Minimum Royalty to maintain the SOLE COMMERCIAL PATENT AND KNOW-HOW LICENSE will be:

4.8.1. In Year 5 of this agreement = $[***]

4.8.2. In Year 6 of this agreement = $[***]

4.8.3. In Year 7 of this agreement = $[***]

4.8.4. In Year 8 of this agreement = $[***]

4.8.5. In Year 9 of this agreement = $[***]

4.8.6. In Year 10 of this agreement = $[***]

4.8.7. In Year 11 of this agreement = $[***]

4.8.8. In Year 12 of this agreement = $[***]

4.8.9. In Year 13 of this agreement = $[***]

4.8.10. In Year 14 and all future years of this agreement = $[***] per year

4.9. **Failure to Pay Minimum Royalties.** If LICENSEE fails to pay at least the Minimum Royalty in any year, the COMMERCIAL PATENT AND KNOW-HOW LICENSE will immediately revert to a non-exclusive license and OWNER's right to collect at least [***]% of the NET PROFIT per package sold by LICENSEE will increase to [***]% of the NET PROFIT per package sold as defined in Paragraph 4.7 (Royalties). OWNER will thereafter have the right to license OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to THIRD PARTIES, subject to the remaining rights of LICENSEE under this agreement. Should a THIRD PARTY begin selling LICENSED PRODUCT using OWNER PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS, the royalty paid to OWNER by LICENSEE will automatically revert to [***]% of NET PROFIT per package. If LICENSEE pays all minimums due before OWNER licenses the OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to a THIRD PARTY, LICENSEE's SOLE license will be reinstated.

4.10. **OWNER Supply of LICENSED PRODUCT.** At OWNER's sole discretion but subject to terms to be agreed with LICENSEE, LICENSEE may meet all or any agreed portion of OWNER's supply needs for LICENSED PRODUCT during the TERM. LICENSEE will be required to meet all of OWNER's specifications and requirements for the LICENSED PRODUCT. The terms of LICENSEE's supply to OWNER of LICENSED PRODUCT will be negotiated in a separate supply agreement to be negotiated between LICENSEE and OWNER using commercially reasonable efforts. LICENSEE will not be responsible to pay royalties to OWNER for products LICENSEE supplies to OWNER.

4.11. **Most Favored Nation Pricing.** For each CONTRACT YEAR, LICENSEE will not sell the LICENSED PRODUCT to any THIRD PARTY (taking account of comparable terms as to volume, package complexity and period) for less than the price LICENSEE offers to OWNER for the same CONTRACT YEAR ("**MFN PRICING**").

5. Payments

5.1. **Payment Due Dates.** LICENSEE will pay all royalty obligations under this agreement which accrued after the end of Phase 3 within 30 calendar days following the end of each quarterly period of the CONTRACT YEAR in which the royalties have accrued. LICENSEE will pay all other payments and fees accruing to OWNER under the terms of this agreement on or before their respective due dates. OWNER will pay any obligations under this agreement to LICENSEE within 30 calendar days following the end of the CONTRACT YEAR in which the royalties have accrued.

5.2. **Late Payments.** Payments provided for in this agreement, when overdue, will bear interest at a rate of [***]% per annum for the time period from the payment due date until payment is received by OWNER.

5.3. **Wire Transfer.** All payments, fees and royalties are to be transferred by wire to OWNER's Citibank, New York, USD account labeled [***], ABA#[***], or as OWNER might otherwise direct in writing. If a subject payment, fee, or royalty must be paid in non-USD pursuant to Paragraph 5.6 (Currency), then LICENSEE will promptly notify OWNER and OWNER will provide LICENSEE the appropriate P&G-required bank deposit information.

5.4. **Payment Reference.** In the detail section of the transmission for royalty payments, LICENSEE will provide the following statement: *AIR ASSIST Technologies Royalty Payment for Patent License, Contract # [____]: For Royalty Period (_____)*", providing within the parentheses the period the royalties relate to, e.g., "(First Half, 2016)". OWNER will provide the contract number to LICENSEE together with a Contract Administration packet.

Fax: (860) 570-2444

5.6. **Currency.** LICENSEE will pay all royalties and other payment obligations of LICENSEE in USD. If the royalty was generated in non-USD, then the royalties will be calculated separately for each quarterly period by determining the aggregate NET SALES of LICENSED PRODUCT for that quarter in local currency, then converting same to USD using an average of the conversion rates for the first through last BUSINESS DAY of that quarterly period as published in The Wall Street Journal, New York edition. The royalties for each quarterly period will be calculated separately as described, and then added to arrive at the royalty payment in USD.

5.7. **Statements & Reports.** With the exception of royalties which are paid quarterly, Within75 calendar days after the end of each calendar year, LICENSEE will prepare and issue to OWNER verified reports for each calendar year in the English language that will include:

5.7.1. **Label.** a label identifying this agreement's title, reference number, and quarterly period;

5.7.7. **Forecasts.** LICENSEE's forecasts for NET PROFIT per package sold and the forecast of number of packages LICENSEE will sell for the next 4 quarterly periods; and

5.8. **Report if No Product Sold.** If no LICENSED PRODUCT is sold or OTHERWISE DISTRIBUTED by LICENSEE during the reporting period, LICENSEE will prepare and issue a report to OWNER to that effect, within 30 calendar days after the end of each quarterly period.

5.10. **Taxes.** LICENSEE is responsible for timely paying all taxes on the sales of LICENSED PRODUCT.

5.11. **Withholding.** If any taxes on sales of LICENSED PRODUCT are owed by OWNER and required by law or regulation to be withheld on any royalty or other payments under this agreement, then:

5.11.1. **Payment.** LICENSEE will timely pay the taxes on behalf of OWNER.

5.11.2. **Deduction.** LICENSEE will deduct the amount of the taxes from the subject royalty before paying the royalty to OWNER.

5.11.3. **Certificate.** LICENSEE will provide to OWNER a certified copy of the withholding tax certificate for the taxes.

5.11.4. **Assistance.** LICENSEE will assist OWNER with obtaining other necessary documentation for the taxes, including documentation required by revenue authorities to enable OWNER to claim exemption or repayment of the taxes.

6. Ownership of IMPROVEMENTS

6.1. **IMPROVEMENTS.** IMPROVEMENTS made by the PARTIES, solely or jointly, are owned by OWNER, and any rights that might accrue to LICENSEE arising from its inventive contribution to IMPROVEMENTS are hereby assigned to OWNER. Despite anything to the contrary in this agreement except Section 6.2, any decision as to whether to file a patent application, continue prosecution of a patent application, or continue the maintenance of any granted patent on an IMPROVEMENT will be at OWNER's discretion. LICENSEE will sign any documents that OWNER deems reasonably necessary to secure OWNER's proprietary rights as set forth in this Paragraph 6.1, such as to obtain and/or maintain patents, worldwide, or other protection covering IMPROVEMENTS and to fully cooperate as requested to do so in the prosecution and/or maintenance of such patents or other applications. Any such filing, prosecution and maintenance as well as the drafting of any such documents will be at OWNER's expense.

6.2. **Unelected IMPROVEMENTS.** The Parties will discuss, in good faith, whether the IMPROVEMENTS will be maintained as a trade secret. If OWNER elects not to file patent applications on IMPROVEMENTS or maintain as a trade secret, LICENSEE will have the option of filing patent applications at LICENSEE's expense, with LICENSEE having sole ownership ("**AIR ASSIST FILINGS**"). LICENSEE will provide OWNER a non-exclusive, royalty-free license to any AIR ASSIST FILINGS, which will convert to an exclusive, royalty-free license at the end of the TERM. For the life of the AIR ASSIST FILINGS, OWNER, at OWNER's sole discretion, may purchase from LICENSEE any of the AIR ASSIST FILINGS for the associated filing and legal costs, subject to the rights of Paragraph 6.1 (IMPROVEMENTS).

6.3. **PRE-EXISTING IP.** Each PARTY's PRE-EXISTING IP will remain the absolute unencumbered property of the respective owner of the rights at the EFFECTIVE DATE, except for the limited rights explicitly set forth in this agreement.

7. Term

7.1. **Term.** This agreement is effective from the EFFECTIVE DATE and continues until terminated under Article 8 (Termination), unless terminated earlier under the PHASE 1 TERM, or PHASE 2 TERM; (any such period, the "**TERM**").

8. Termination

8.1. **Breach.** Either PARTY may terminate this agreement if the other PARTY is in material breach of any representation, warranty, obligation, or agreement contained in this agreement, after providing written notice to the other PARTY of such intent and reason for termination. This termination will be: **(a)** effective immediately upon notice with respect to breaches that are not curable; and **(b)** effective within 90 calendar days after the date of the notice for curable breaches, unless before the end of that period the other PARTY cured the breach identified in the notice. If the breach is cured in the specified period and the breaching PARTY receives written acknowledgement from the non-breaching PARTY that the breach has been cured, then the notice of termination will be void and of no effect. LICENSEE's failure to meet the provisions of Paragraph 4.3 (Plant Funding and Construction) will be material breaches of this agreement.

8.2. **Cause.** Despite Paragraph 8.2 (Breach), OWNER may terminate this agreement immediately upon written notice to LICENSEE at any time selected by OWNER, following the occurrence of any one or more of the events of Paragraph 8.3.1 (False Report), 8.3.2, (False Claim) or 8.3.3 (Insolvency), unless the event is cured within 7 calendar days after the date of the event and the breaching PARTY provides written acknowledgement to the non-breaching PARTY that the breach has been cured:

8.2.1. **False Report.** if LICENSEE at any time makes a knowingly false report, or habitually makes inaccurate reports,

8.2.2. **False Claim.** if LICENSEE has made any knowingly false claim about LICENSED PRODUCT, including claims of product performance and/or efficacy;

8.2.3. **Insolvency.** Despite Paragraph 8.2 (Breach), this agreement immediately terminates if LICENSEE: **(a)** suspends or discontinues substantially all of its business operations; **(b)** makes any assignment for the benefit of its creditors;**(c)** applies for, seeks, consents to, or acquiesces in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any part of its property; **(d)** fails to pay or admits in writing its inability to pay its debts generally as they become due; **(e)** has involuntary bankruptcy proceedings commenced against it under the United States Bankruptcy Code (and such proceedings or petition remains undismissed or unstayed for a period of more than 60 days); **(f)** institutes, or consents to any proceeding seeking to have entered against LICENSEE an order for relief under the United States Bankruptcy Code; or **(g)** institutes, or consents to any proceeding seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of LICENSEE or its debts under any law relating to bankruptcy or insolvency.

8.3. **Equipment Attachment.** This agreement immediately terminates if any judgment or judgments, writ or writs or warrant or warrants of attachment, or any similar process or processes, is entered or filed against LICENSEE, or against any of LICENSEE's property, in an aggregate amount in excess of $[***] (except to the extent fully covered by insurance under which the insurer has accepted liability therefor in writing), and which remains undischarged, unvacated, unbonded, or unstayed for a period of 30 days.

8.4. **Validity Challenge.** Despite Paragraph 8.2 (Breach), and in view of the representations set forth in Paragraphs 10.3 (Representation of Conflict Avoidance Benefit) and 10.4 (Representation of Patent Validity / Enforceability / Infringement), if LICENSEE or any LICENSEE AFFILIATE initiates one or more challenges, or assists either directly or indirectly in the initiation of one or more challenges to the validity or enforceability of any of the LICENSED PATENTS in any manner, including requesting a declaration of invalidity or unenforceability in a court, administrative or government proceeding, or other tribunal of competent jurisdiction, or by cooperating with a THIRD PARTY to do so, then OWNER may, at its discretion, terminate this agreement immediately upon written notice to LICENSEE. The termination may be as to the entirety of this agreement or as to the particular one or more LICENSED PATENTS involved. The invalidity or unenforceability of any LICENSED PATENTS will not create an obligation of OWNER to refund to LICENSEE any royalties or other fees paid by LICENSEE to OWNER.

8.5. **Termination for Convenience.** Either PARTY can terminate with the written consent of the other PARTY and after providing 90 days' notice. Obligations under this agreement shall continue to accrue during the 90 day notice period, including the obligation to make any payments due under this agreement.

8.6. **Termination Upon Lack of Commercialization Potential.** LICENSEE may terminate this agreement at any time if, in LICENSEE's sole discretion, any applicable SUCCESS CRITERIA will not be satisfied or the underlying LICENSED PRODUCTS are not desirable for commercialization. Notwithstanding anything to the contrary in this Agreement, upon any such termination by LICENSEE under this Section 8.6, LICENSEE shall have no continuing obligations for any payments accruing under this agreement after the effective date of termination.

9. **Effect of Termination.**

9.1. **Surviving Rights & Obligations.** Termination of this agreement will not relieve either PARTY of any obligations accruing prior to such termination, including those set forth in: Articles 5 (Payments), 14 (Confidentiality), 15 (Other Representations & Warranties), and 17 (Indemnification & Insurance).

9.2. **Reversion.** Upon the termination of this agreement, all rights granted to LICENSEE will revert to OWNER, and LICENSEE will have no claim against OWNER for compensation of loss of business or goodwill, or for any other damages that might result from such termination of this agreement.

9.3. **Payment.** OWNER is entitled to retain all royalties and other things of value paid or delivered to OWNER prior to termination. The entire unpaid balance of all royalties or other fees owing and due under this agreement will immediately become due and payable upon termination.

9.4. **Execute Documents**. LICENSEE will sign all documents necessary to terminate of record any of LICENSEE's rights under this agreement; OWNER will prepare such documents at OWNER's expense.

9.5. **Production and Sale Rights After Termination**. Upon termination of this agreement, LICENSEE shall cease all production and sale of completed LICENSED PRODUCT. Production and sale of LICENSED PRODUCT where production had begun prior to notice of termination may continue for one year after termination, subject to the royalty payments of this agreement.

10. LICENSED PATENTS – Additional Obligations

10.1. **Patent Prosecution & Maintenance.** OWNER will determine, in its discretion, whether and in what manner to file, prosecute, obtain, register and maintain LICENSED PATENTS, and patent applications and patents on IMPROVEMENTS ("**PATENT PROSECUTION**"). OWNER agrees to use reasonable efforts to file and prosecute patent applications and maintain LICENSED PATENTS. OWNER will keep LICENSEE reasonably informed and provided the opportunity to comment on major decisions concerning such activities. At the end of each calendar year, OWNER will provide LICENSEE a summary of the LICENSED PATENTS portfolio, an updated Schedule 1.1.21, and make available to LICENSEE one intellectual property attorney working for OWNER who can answer questions about the LICENSED PATENTS portfolio and provide a non-binding projection of how OWNER will handle the portfolio in the next calendar year. To the extent OWNER elects to conduct PATENT PROSECUTION, OWNER will be financially responsible for all fees associated with such PATENT PROSECUTION.

10.2. **Patent Marking.** LICENSEE will not mark LICENSED PRODUCT with any LICENSED PATENTS nor reference any LICENSED PATENTS in advertising unless requested in writing by OWNER. Upon OWNER's request, LICENSEE will place in a conspicuous location on any LICENSED PRODUCT sold in the US, the words "*US Patent(s)*" followed by a listing of the applicable LICENSED PATENTS. Upon OWNER's request, LICENSEE will place in a conspicuous location, on any subject LICENSED PRODUCT for sale outside the US, a patent notice in accordance with the applicable patent marking laws of the country in which the LICENSED PRODUCT is made and/or sold, should such marking serve as legal notice to would-be infringers. It will be LICENSEE's responsibility to ensure compliance with all applicable laws and regulations.

10.3. **Representation of Conflict Avoidance Benefit.** The PARTIES represent that a mutual benefit of the license(s) granted in this agreement is the avoidance of expending financial and/or other resources on any potential conflict between the PARTIES regarding what OWNER would otherwise consider infringement of its LICENSED PATENTS in the absence of the license(s) granted in this agreement.

10.4. **No Other Licenses Granted to LICENSEE.** The licenses granted LICENSEE under this agreement are limited to those specifically set forth in Paragraphs 2.1 (PHASE 1 PATENT AND KNOW-HOW LICENSE), 3.2 (PHASE 2 PATENT AND KNOW-HOW LICENSE), 4.2 (PHASE 3 PATENT AND KNOW-HOW LICENSE), and 4.6 (COMMERCIAL PATENT AND KNOW-HOW LICENSE). Nothing in this agreement will be construed to grant LICENSEE any rights or licenses to any other certification mark, copyright, domain name or other URL, know-how, logo, patent, product name, service mark, technical information, trademark, trade name, or other intellectual property of OWNER. All rights not specifically granted to LICENSEE are reserved by OWNER.

10.5. **Conversion to Non-exclusive.** Despite anything to the contrary in this agreement, upon the occurrence of any one or more of the following events, and unless and until terminated under any rights to terminate under this agreement (specifically including any termination events that include a cure period), the SOLE license grant under this agreement will immediately become non-exclusive at OWNER's sole discretion; LICENSEE is specifically *not* entitled to any cure period to avoid such conversion to non-exclusive:

10.5.1. **Failure to Pay.** If LICENSEE fails to make a timely payment to OWNER of any royalties or other payments due under this agreement and LICENSEE fails to make such payment within 7 days of written notice by OWNER.

11. Additional Obligations

11.1. **Product and Development Costs.** LICENSEE will be solely responsible for all costs of all of LICENSEE's activities associated with LICENSED PRODUCT including all costs associated with manufacture, distribution, sale, advertising, promotion, packaging design, and artwork. OWNER will be responsible for its own development costs to support OWNER's specific efforts, including but not limited to P&G small scale market tests and for any OWNER initiated IMPROVEMENTS.

11.2. **Compliance with Laws.** LICENSEE represents as of the EFFECTIVE DATE and warrants for the TERM, that LICENSEE is, and will at all times be, in full compliance with all applicable governmental, legal, regulatory and professional requirements associated with LICENSED PRODUCT; including all applicable codes, certifications, decrees, judgments, laws, orders, ordinances, regulations, and rules; including those related to: advertising and marketing, adulteration and contamination, antitrust, board of health, branding and labeling, consumer protection and safety, customs, employment, environmental matters (including NSF certification, state certification, extraction results, California Proposition 65, and applicable EPA regulations), fair trade, immigration, importation of materials, labor, product quality, working conditions, worker health and safety, and all applicable privacy laws (regulations, rules, opinions or other governmental and/or self-regulatory group requirements or statements of position), and the manufacture, marketing, and distribution of the LICENSED PRODUCT (collectively, "**LAWS**"). OWNER accepts no responsibility or liability for the noncompliance of LICENSEE or its contract manufacturers with any applicable LAWS.

11.3. **No Child Labor**. Neither LICENSEE nor its contract manufacturers will engage in child labor practices or in unfair labor practices and LICENSEE will be responsible to verify compliance by its contract manufacturers. For purposes of this paragraph, the term "child" means any person younger than the age of completion of compulsory schooling; but in any event no person younger than the age of 15 will be employed in the manufacturing, packaging, or distribution of the LICENSED PRODUCT.

11.4. **Trade & Consumer Research**. LICENSEE will provide OWNER full access to any trade or consumer research conducted on the LICENSED PRODUCT, even if funded entirely by LICENSEE. This research will be conducted in such a way as to assure the legality of this access. LICENSEE will ensure that OWNER will have the unlimited and unrestricted right to use these research learnings and data for OWNER's own use in OWNER's future commercial endeavors.

12. Audit & Inspection

12.1. **Record Keeping**. LICENSEE will keep and maintain at its regular place of business complete and accurate books and records of all transactions carried out by LICENSEE in connection with the creation and sales of LICENSED PRODUCT under this agreement, sufficient to comply with United States Generally Accepted Accounting Principles (a.k.a., GAAP), applicable laws and provisions outlined in this agreement, including accounting books and records, regarding LICENSED PRODUCT manufacturing, sales, shipment, returns, deduction and promotion ledgers, written policies and procedures, approval forms, THIRD PARTY manufacturer's agreements, if applicable, and general ledger entries, and any consumer comments and call logs and data (these books and records, collectively "**RECORDS**").

12.2. **Audits**. RECORDS will be subject to audit and reproduction by OWNER during the TERM and for 3 years subsequent to termination of this agreement. For the purpose of ensuring verification of compliance by LICENSEE with all requirements of this agreement, OWNER or its authorized representative will have the right to inspect and audit the RECORDS during regular business hours, on condition that OWNER will give LICENSEE at least 10 calendar days advance notice of its intention to do so.

12.3. **Audit Findings**. If, based on OWNER's audit or inspection of LICENSEE's records related to this agreement, OWNER determines that the amount of royalties and other fees properly due to OWNER is greater than the amount reported and/or actually paid by LICENSEE to OWNER, and OWNER provides LICENSEE a copy of a report describing the underpayment, and showing, in reasonable detail, the basis upon which such underpayment was determined; then, within 30 calendar days from the date the report was provided to LICENSEE:

12.3.1. **Underpayment.** LICENSEE will pay OWNER a sum of money equal to the underpayment as determined by OWNER, along with interest on the underpayment at a rate of [***]% per annum from the date the royalties were due until the date on which the underpayment is paid to OWNER; or

12.3.2. **Overpayment.** OWNER will **(a)** credit the amount of any overpayment to the next payment date or **(b)** if there is no future payment due OWNER, refund the amount of the overpayment.

12.4. **Contesting Audit Findings**. If LICENSEE wants to contest OWNER's determination of an amount of LICENSEE's underpayment of royalties, then LICENSEE will provide written notice to OWNER. In response to this written notice, OWNER may, at OWNER's discretion, request an independent auditor, reasonably acceptable to LICENSEE, to review the RECORDS and/or the basis on which OWNER determined the amount of underpayment. If the auditor confirms OWNER's claim, or concludes that the underpayment was larger than the amount estimated by OWNER, then LICENSEE will, within 30 calendar days from the date of the auditor's conclusions, remit to OWNER a sum equal to the deficiency determined by the auditor and all actual costs of the independent audit will be borne by LICENSEE; along with interest on the underpayment, at a rate of 12% per annum, from the date on which the royalties were due from LICENSEE until the date on which the underpayment is paid to OWNER.

13. Assignment & Delegation

13.1. **OWNER Assignment of agreement.** This agreement may be assigned in whole or part by OWNER to any OWNER AFFILIATE or other THIRD PARTY and this agreement will benefit and be binding on any assignees of OWNER to the extent set forth in the applicable assignment document.

13.2. **OWNER Assignment of IP.** Despite Paragraphs 15.1 (Authority) and 15.2. (Ownership & Right to License), OWNER may assign to any OWNER AFFILIATE or other THIRD PARTY any intellectual property rights licensed by OWNER to LICENSEE under this agreement, on condition that a written agreement is entered into binding the AFFILIATE or other THIRD PARTY to the licensor obligations of this agreement with respect to such assigned intellectual property rights.

13.3. **No Assignments or Delegations by LICENSEE.** The rights and licenses granted by OWNER in this agreement are personal to LICENSEE and this agreement is entered into because of OWNER's reliance upon the knowledge, experience, skill, and integrity of LICENSEE. This agreement, the license(s) and any other rights granted to LICENSEE under this agreement, and/or any duties to be performed by LICENSEE under this agreement will not be delegated, assigned, transferred, hypothecated, sublicensed, encumbered, or otherwise disposed of –including by merger (whether that party is the surviving or disappearing entity), consolidation, dissolution, or operation of law– without first obtaining the consent in writing of OWNER, which may be withheld in OWNER's reasonable discretion. If OWNER grants such consent, then all future delegations, assignments, transfers, hypothecations, sublicenses, encumbrances, or other disposals of any new party's rights and/or duties under this agreement will not occur without written consent from OWNER; such consent may be withheld in OWNER's discretion. Any attempted assignment without OWNER's consent will be void and will automatically terminate all rights of LICENSEE under this agreement. This paragraph notwithstanding, if LICENSEE forms one or more new companies for the commercial manufacture of LICENSED PRODUCT or for project financing purposes, OWNER will not unreasonably withhold consent to assign or sublicense.

14. Confidentiality

14.1. **Disclosure of INFORMATION.** It is understood that confidential information might be disclosed by one PARTY ("**DISCLOSER**") to the other PARTY ("**RECEIVER**") for purposes of enabling the RECEIVER's performance under this agreement. This confidential information may include commercial plans, customer lists, data, designs, drawings, financial projections, findings, formulae, ideas, inventions, know-how, new products, plans, photographs, pricing information, processes, reports, samples, sketches, specifications, and studies (collectively "**INFORMATION**").

14.2. **Obligation of Confidentiality.** The RECEIVER will: **(a)** maintain the INFORMATION in confidence using the same degree of care, but no less than a reasonable degree of care, as RECEIVER uses to protect its own confidential information of a like nature; **(b)** use the INFORMATION solely in connection with RECEIVER's performance of this agreement; and **(c)** not disclose the INFORMATION to any THIRD PARTIES except where such disclosure is necessary to enable RECEIVER's performance under this agreement. Before RECEIVER discloses any INFORMATION to a THIRD PARTY, RECIEVER will get written approval from DISCLOSER to disclose the INFORMATION, and RECEIVER will enter into a confidentiality agreement with the receiving THIRD PARTY which is no less restrictive than this Section 14. But, the RECEIVER will have no obligation under this Article 14 with respect to any specific portion of INFORMATION that:

14.3. **Prior Possession.** is already in the RECEIVER's possession at the time of disclosure by the DISCLOSER, as established by competent documentary evidence;

14.4. **Publicly Available.** is or later becomes available to the public, other than by the RECEIVER's default of this Article 14;

14.5. **Received From Others.** is received from a THIRD PARTY having no obligation of confidentiality to the DISCLOSER;

14.6. **Independently Developed.** is independently developed by the RECEIVER by personnel not aware of the INFORMATION of the DISCLOSER, as established by competent documentary evidence; or

14.7. **Disclosed to Others.** corresponds to that furnished by the DISCLOSER to any THIRD PARTY on a non-confidential basis other than in connection with limited consumer testing.

14.8. **Required Disclosure by Law / Regulation.** If RECEIVER is required by law or government regulation to disclose DISCLOSER INFORMATION ("**COMPELLED DISCLOSURE**"), then RECEIVER will: **(a)** provide prompt reasonable prior notice to the DISCLOSER of the COMPELLED DISCLOSURE so that DISCLOSER may take steps to protect DISCLOSER's confidential information, and **(b)** provide reasonable cooperation to DISCLOSER in DISCLOSER's protecting against the COMPELLED DISCLOSURE and/or obtaining a protective order narrowing the scope of the COMPELLED DISCLOSURE or use of the INFORMATION. If DISCLOSER is unable to obtain such protection against the COMPELLED DISCLOSURE, then despite the commitments set forth in Paragraph 14.2 (Obligation of Confidentiality) RECEIVER will be entitled to disclose the DISCLOSER's INFORMATION **(aa)** only as and to the extent necessary to legally comply with the COMPELLED DISCLOSURE and **(bb)** on condition that RECEIVER exercises reasonable efforts to obtain reliable assurance that the DISCLOSER's INFORMATION is treated as confidential to the extent allowable by the law or government regulation requiring the COMPELLED DISCLOSURE. Such COMPELLED DISCLOSURE does not otherwise waive the non-use and confidentiality obligations set forth in Paragraph 14.2 (Obligation of Confidentiality) with respect to other uses and/or other disclosures of such INFORMATION.

14.9. **Representation That No Disclosure Required.** LICENSEE represents as of the EFFECTIVE DATE that LICENSEE does not need to disclose the terms of this agreement for any reasons permitted by Paragraph 14.8 (Required Disclosure by Law/Regulation).

14.10. **Term of Confidentiality.** Despite termination of this agreement, the obligations of confidentiality and non-use of the RECEIVER under this Article 14 with respect to specific portions of INFORMATION that is not a trade secret will survive for a period of 5 years from termination of this agreement, or upon written release of such obligations by the DISCLOSER; whichever is earlier. The confidentiality of trade secrets will be maintained by the RECIEVER indefinitely or until the trade secret falls into one of the following exceptions to confidentiality: 14.4 (Publicly Available); 14.5(Received From Others); 14.6 (Independent Developed); or 14.7 (Discloser to Others). Following termination of the obligations of confidentiality under this Article 14 (Confidentiality), the RECEIVER will be completely free of any express or implied obligations restricting disclosure and use of INFORMATION for which the termination of commitments applies, subject to the DISCLOSER's patent and other intellectual property rights.

14.11. **Disclosure of this agreement**. LICENSEE will not divulge, permit, or cause LICENSEE's officers, directors, or agents to divulge the substance of this agreement, other than to **(a)** its representatives and attorneys in the course of any legal proceeding to which either of the PARTIES is a party for the purpose of securing compliance with this agreement, or **(b)** its contract manufacturers for the purpose of complying with this agreement;. (c) as required by lenders, bankers, investors, insurers; in either case, LICENSEE will disclose only those portions of this agreement necessary for the respective purposes under (a) , (b) and (c) of this paragraph

15. Other Representations & Warranties

15.1. **Authority.** Subject to Paragraph 13.2 (OWNER Assignment of IP), each of the PARTIES represents as of the EFFECTIVE DATE and warrants for the TERM that it has authority to enter into this agreement and to perform its obligations under this agreement and that it has been authorized to sign and to deliver this agreement.

15.2. **Ownership & Right to License.** Subject to Paragraph 13.2 (OWNER Assignment of IP), OWNER represents as of the EFFECTIVE DATE that:

15.2.1. **Licensed Patents.** OWNER owns OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS.

15.2.2. **Right to License.** OWNER has the right to license the OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS under this agreement.

15.3. **Technical Information – No Liability.** Nothing in this agreement will be deemed to be a representation or warranty by OWNER of the accuracy, safety, or usefulness for any purpose of any technical information, techniques, or practices at any time made available by OWNER or any OWNER AFFILIATE. Neither OWNER nor any OWNER AFFILIATE will have any liability to LICENSEE or any other PERSON for or on account of any injury, loss, or damage, of any kind or nature, sustained by, or any damage assessed or asserted against, or any other liability incurred by or imposed on LICENSEE or any other PERSON, however caused, related to or arising out of or from: **(a)** the production, use, or sale of any apparatus or product, including LICENSED PRODUCT; **(b)** the use of any technical information, techniques, or practices disclosed by OWNER or any OWNER AFFILIATE; or **(c)** any advertising or other promotional activities with respect to any of the foregoing.

15.4. ***Express Disclaimer.*** *OWNER disclaims all representations and warranties –implied, arising by operation of law or cause of conduct, or otherwise–, including warranties of merchantability, fitness for a particular purpose, and non-infringement. OWNER does not represent or warrant the patentability, validity, or enforceability of LICENSED IP; or that LICENSED IP will not be limited by the rights of THIRD PARTIES. OWNER will not have any liabilities or responsibilities with respect to PRODUCT.*

16. Infringement

16.1. **Notification of Infringements**. If LICENSEE becomes aware of any infringement by a THIRD PARTY of the LICENSED PATENTS, LICENSEE will promptly notify OWNER in writing and will provide OWNER any information LICENSEE has in support of such belief.

16.2. **Infringement Action**. LICENSEE and OWNER will promptly provide written notice, to the other party, of any alleged infringement by a THIRD PARTY of the LICENSED PATENTS and provide such other PARTY with any available evidence of such infringement. In the event there is good reason to believe infringement of any of the LICENSED PATENTS is occurring, OWNER will take prompt action to abate or settle such infringement. OWNER shall have the right to institute an action in its own name, in so far as permitted by law, to abate the infringement and may join LICENSEE as a plaintiff, only if without cost to LICENSEE.

16.2.1. During the term of this agreement, OWNER will have the right but not an obligation to prosecute, at its own expense and utilizing counsel of its choice, any infringement of the LICENSED PATENTS. OWNER will promptly provide LICENSEE copies of all litigation pleadings and other documents submitted to the court. No settlement, consent judgment or other voluntary final disposition of any such suit may be entered into without the written consent of LICENSEE, which consent will not unreasonably be withheld.

16.2.2. In the event OWNER institutes an action for infringement of LICENSED PATENTS in its own name and a settlement is entered into or monetary damages are awarded in a final non-appealable judgment, the amount paid as a result of such settlement or the monetary damages awarded will first be applied to the payment of OWNER's out-of-pocket expenses, including attorney's fees and court costs incurred in the action, and the balance of any such amount will be divided appropriately between OWNER and LICENSEE with reference to the relative monetary injury suffered by each as a result of the infringement for which such amount is recovered.

16.2.3. In any suit to enforce and/or defend the LICENSED PATENTS pursuant to this agreement, the PARTY not in control of such suit will, at the request and expense of the controlling PARTY, cooperate in all respects and, to the extent reasonably possible, have its employees testify when requested and make available relevant records, papers, information, samples, specimens and the like.

17. Indemnification & Insurance

17.1. **Indemnification by LICENSEE.** LICENSEE assumes all responsibility as to the manufacture, use, marketing, distributing and sale of LICENSED PRODUCT and for any LIABILITY however caused, related to or arising out of or from the manufacture, use, marketing, distribution, and/or sale of LICENSED PRODUCT, and/or related to or arising out of or from LICENSEE's breach of any representation, warranty, obligation, or agreement by LICENSEE contained in this agreement. LICENSEE indemnifies OWNER PARTIES from and against any THIRD PARTY LIABILITY incurred by any OWNER PARTIES related to or arising out of or from the manufacture, use, marketing, distribution, and/or sale of LICENSED PRODUCT by LICENSEE and/or related to or arising out of or from LICENSEE's breach of any representation, warranty, obligation, or agreement by LICENSEE contained in this agreement. OWNER will, at the request and expense of LICENSEE, give LICENSEE all reasonable assistance in any such proceedings.

17.1.1. **"OWNER PARTIES"** means any of: OWNER; OWNER AFFILIATEs; any agents, officers, directors, and employees of OWNER; and any agents, officers, directors, and employees of OWNER's AFFILIATEs.

17.1.2. **"LIABILITY"** means administrative action, cause of action, claim, damages, expenses, liability, loss, and suit (including reasonable attorney fees and costs) including any damages for personal injuries, including death and property damage and any other costs of whatsoever nature.

17.2. **Insurance.** LICENSEE will acquire and maintain at its sole cost and expense throughout the TERM Commercial General Liability insurance, including product liability and contractual liability coverage, underwritten by an insurance company that has been rated at least A-VI by the most recent edition of Best's Insurance Report. The financial status of an insurance company located outside of the United States must be acceptable to OWNER. This insurance coverage will provide protection against all claims, demands, causes of action, or damages, including attorneys' fees, arising out of any alleged defect in the LICENSED PRODUCT, or any use thereof, of not less than $[***] combined single limit for bodily injury, including death, personal injury and property damage, and with a deductible no greater than $[***] through the end of Phase 3 and not less than $[***] combined single limit for bodily injury, including death, personal injury and property damage, and with a deductible no greater than $[***] after Phase 3. The insurance policy will name OWNER as an additional insured party. In addition, LICENSEE will name OWNER as an insured on all excess or umbrella policies carried by LICENSEE. As it relates to LICENSEE's indemnification obligations, all self-insurance, risk financing techniques and/or insurance policies maintained by LICENSEE will be primary to and not excess or contributory with respect to any insurance or self-insurance maintained by OWNER.

17.3. **Insurance Certificate & Maintenance of Coverage.** Within 30 calendar days after the EFFECTIVE DATE (and thereafter at the end of each CONTRACT YEAR and at least 30 calendar days prior to the termination of coverage as evidenced by the Certificate of Insurance), LICENSEE will furnish OWNER with a Certificate of Insurance evidencing the foregoing insurance coverage, and including a copy of the additional insured endorsement.

17.4. **LICENSEE's Performance.** Nothing in this Article 17 will restrict, limit, waive, or excuse LICENSEE's performance of any other obligations set forth elsewhere in this agreement.

17.5. **LIMITATION ON LIABILITIES.** IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, OR PUNITIVE DAMAGES. THE LIABILITIES LIMITED BY THIS SECTION 17.5 APPLY: (i) TO LIABILITY FOR NEGLIGENCE; (ii) REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, STRICT PRODUCT LIABILITY, OR OTHERWISE; (iii) EVEN IF A PARTY IS ADVISED IN ADVANCE OF THE POSSIBILITY OF THE DAMAGES IN QUESTION AND EVEN IF SUCH DAMAGES WERE FORESEEABLE; AND (iv) EVEN IF A PARTY'S REMEDIES FAIL OF THEIR ESSENTIAL PURPOSE. If applicable law limits the application of the provisions of this Section 17.5, each PARTY's liability will be limited to the maximum extent permissible.

18. Miscellaneous

18.1. **Applicable Law.** All matters arising under or relating to this agreement are governed by the laws of the State of Ohio applicable to contracts made and performed entirely in such state, without regard to any principle of conflict or choice of laws that would cause the application of the laws of any other jurisdiction. Despite the above, the substantive law of the country of each respective LICENSED PATENT governs the validity and enforceability of the subject LICENSE PATENT.

18.2. **Construction.** The words "hereof," "herein" and "hereunder" and words of similar import when used in this agreement will refer to this agreement as a whole and not to any particular provision of this agreement. The use of the words "include" or "including" in this agreement will be by way of example rather than by limitation. The phrase "and/or" will be deemed to mean, e.g., X or Y or both. The meanings given to terms defined in this agreement will be equally applicable to both the singular and plural forms of these terms. Unless stated specifically to the contrary, all amounts referenced in this agreement are stated in, and must be paid in, United States Dollars, and the symbol "$" means United States dollars.

18.3. **Agreement Negotiated.** The PARTIES have participated jointly in the negotiation and drafting of this agreement. If any ambiguity or question of intent or interpretation arises, this agreement will be construed as if drafted jointly by the PARTIES, and no presumption or burden of proof will arise favoring or disfavoring any PARTY by virtue of the authorship of any of the provisions of this agreement.

18.4. **Headings.** Headings or titles to sections or attachments of this agreement are provided for convenience and are not to be used in the construction or interpretation of this agreement. All references to sections and attachments will be to the sections and attachments of this agreement, unless specifically noted otherwise. Reference to a section includes the referenced section, and all sub-sections included within the referenced section.

18.5. **Counterparts.** This agreement may be signed in one or more counterparts, each of which will be deemed to be an original, but all of which will constitute one and the same instrument. A facsimile or .pdf copy of a signature of a PARTY will have the same effect and validity as an original signature.

18.6. **Dispute Resolution.** It is the intention of both PARTIES to attempt to settle all issues between the PARTIES arising from this agreement by negotiations between the PARTIES. But, should such efforts not be successful, all such disputes will be brought exclusively before the appropriate courts in the State of Ohio, Hamilton County.

18.7. **Effect of Supply Relationship.** The terms contained in this agreement are independent of any contractual supply agreements between OWNER and LICENSEE for purchase of LICENSED PRODUCT for use by OWNER.

18.8. **Entire Agreement / Amendments.** This agreement, including any attached schedules, exhibits, or other attachments, constitutes the entire understanding between the PARTIES with respect to the subject matter contained in this agreement and supersedes all prior agreements, understandings, and arrangements whether oral or written between the PARTIES relating to the subject matter of this agreement, except as expressly set forth in this agreement. No amendment to this agreement will be effective unless it is in a subsequent writing signed with the same formalities as this agreement.

18.8.1. **Cross-Termination Clause Exception.** Despite Paragraph 18.8 (Entire agreement / Amendments), this agreement does not supersede any rights set forth in any previous or future agreement ("**PREV/FUT AGREEMENT**") between the PARTIES that may give the OWNER the right, following termination of the PREV/FUT AGREEMENT, to also terminate any other agreement OWNER may have with LICENSEE, including termination of this agreement.

18.9. **Expenses.** Except as specifically provided to the contrary in this agreement, all costs, fees and/or expenses incurred in connection with this agreement will be paid by the PARTY incurring such costs, fees and/or expenses.

18.10. **Force Majeure.** Neither OWNER nor LICENSEE will be liable to the other for any failure to comply with any terms of this agreement to the extent the failure is caused directly or indirectly by acts or occurrences beyond the control of or without fault on the part of either PARTY, including: acts of nature, fire, government restrictions or other government acts, strike or other labor dispute, riots, insurrection, terrorism, threats of terrorism, or war (whether or not declared). But, LICENSEE will continue to be obligated to pay OWNER when due all amounts which it will have duly become obligated to pay in accordance with the terms of this agreement and OWNER will continue to be bound by any exclusivity provisions under this agreement. Upon the occurrence of any event of the type referred to in this Paragraph 18.11, the affected PARTY will give prompt notice to the other PARTY, together with a description of the event and the duration for which the affected PARTY expects its ability to comply with the provisions of this agreement to be affected. The affected PARTY will devote reasonable efforts to remedy to the extent possible the condition giving rise to the failure event and to resume performance of its obligations under this agreement as promptly as possible.

18.11. **Further Assurances.** Each PARTY will sign and deliver those additional documents or take those additional actions as may be reasonably requested by the other PARTY if the requested document or action is reasonably necessary to accomplish the purposes of or obligations imposed under this agreement.

18.12. **Inquiries.** All inquiries by THIRD PARTIES with respect to this agreement will be directed to OWNER.

18.13. **No Special Payments.** OWNER does not make any special payments, in cash or in kind, either directly or indirectly, to any THIRD PARTY with a view to influencing unduly the decision of the THIRD PARTY in order to obtain any benefit or advantage. Nothing in this agreement authorizes LICENSEE to make any such special payments, either directly or indirectly, in the performance of its obligations under this agreement, nor will OWNER reimburse any such special payments.

18.14. **No Third Party Beneficiaries.** Despite anything in this agreement to the contrary, nothing in this agreement, expressed or implied, is intended to confer on any PERSON other than the PARTIES or their respective permitted successors and assignees, any rights, remedies, obligations, or liabilities under or by reason of this agreement.

18.15. **Non-reliance.** In evaluating and entering into this agreement neither PARTY relied and are not relying on any representations, warranties, agreements, or other statements, whether oral or written, of the other, including with regard to any level of profitability, except those representations, warranties, and agreements specifically set forth in this agreement.

18.16. **Non-waiver.** If either PARTY at any time waives any of its rights under this agreement or the performance by the other PARTY of any of its obligations under this agreement, the waiver will not be construed as a continuing waiver of the same rights or obligations or a waiver of any other rights or obligations.

18.17. **Notices.** All notices under this agreement will be sent to the respective PARTIES at the following addresses (or such other addresses as a PARTY designates for itself, to the other PARTY by written notice) by certified or registered mail, or sent by a nationally recognized overnight courier service; and will be deemed to have been given one day after being sent:

18.18. Other Consents & Licenses. LICENSEE understands that that the terms of this agreement might not constitute all the consents or licenses required in order to manufacture, import, and/or sell the LICENSED PRODUCT, and acknowledges that LICENSEE is solely responsible for obtaining all other licenses or consents that might be so required.

18.19. Relationship Between the PARTIES. This agreement does not constitute LICENSEE as the agent or legal representative of OWNER, or OWNER as the agent or legal representative of LICENSEE for any purpose. Neither PARTY is granted any right or authority to assume or to create any obligation or responsibility, expressed or implied, on behalf of or in the name of the other PARTY or to bind the other PARTY in any manner or thing. LICENSEE's employees will not represent themselves as being representatives of or otherwise employed by OWNER. Nothing in this agreement will be construed as creating the relationship of employer and employee, joint venture, partnership, distributorship, franchise, agency or consignment between the PARTIES.

18.20. Severability. If and to the extent that any court or tribunal of competent jurisdiction holds any of the terms or provisions of this agreement, or the application thereof to any circumstances, to be invalid or unenforceable in a final nonappealable order, the PARTIES will use their reasonable efforts to reform the portions of this agreement declared invalid to realize the intent of the PARTIES as fully as practicable, and the remainder of this agreement and the application of the invalid term or provision to circumstances other than those as to which it is held invalid or unenforceable will not be affected thereby, and each of the remaining terms and provisions of this agreement will remain valid and enforceable to the fullest extent of the law.

18.21. **Solicitation & Hiring.** During the TERM and for the 12 months immediately following termination of this agreement, neither PARTY will solicit for employment directly or indirectly, nor employ, any employees of the other PARTY with whom it has had more than incidental contact in the course of performing its obligations under this agreement without the prior approval of the first PARTY. If an employee terminates with a PARTY then the other PARTY will neither solicit for employment directly or indirectly, nor employ such employee for a period of 90 days after the termination of such employee's employment. This provision will not operate or be construed to prevent or limit any employee's right to practice his or her profession or to utilize his or her skills for another employer or to restrict any employee's freedom of movement or association. Neither the publication of classified advertisements in newspapers, periodicals, Internet bulletin boards, or other publications of general availability or circulation nor the consideration and hiring of persons responding to such advertisements is deemed a breach of this Paragraph, unless the advertisement and solicitation is undertaken as a means to circumvent or conceal a violation of this Paragraph, and/or the hiring party acts with knowledge of this hiring prohibition.

18.22. **Time of the Essence.** Subject to the next full sentence, time is of the essence in this agreement. Whenever action must be taken (including the giving of notice or the delivery of documents) under this agreement during a certain period of time or by a particular date that ends or occurs on a non-BUSINESS DAY, then the period or date will be extended until the immediately following BUSINESS DAY.

The PARTIES, by their authorized representatives, sign this agreement in duplicate; with each PARTY receiving one of the signed originals of this agreement.

EXHIBIT 1 - PHASE 1 DELIVERABLES

PHASE 1 deliverables:

- Within 6 months from the EFFECTIVE DATE, LICENSEE will complete a technology roadmap for a first commercial production line of the LICENSED PRODUCT, a business model for making and selling the LICENSED PRODUCT, a key customer list, and technical partnerships identified (collectively, the **"CONCEPTUAL PLAN"**). LICENSEE will share the CONCEPTUAL PLAN with OWNER and within months 7-12 from the EFFECTIVE DATE, LICENSEE will, at LICENSEE's option, incorporate OWNER's feedback into the CONCEPTUAL PLAN.

EXHIBIT 2 - PHASE 1 SUCCESS CRITERIA

The following are the PHASE 1 SUCCESS CRITERIA:

- Before the end of PHASE 1, LICENSEE will have a final CONCEPTUAL PLAN that is acceptable to LICENSEE. The CONCEPTUAL PLAN will lay out the roadmap for making the choice to move to a pilot plant or directly to a first COMMERCIAL PLANT, and will have a PHASE 2 staffing plan that may comprise any combination of LICENSEE employees, subcontractors, and LICENSEE funded employees of OWNER.

EXHIBIT 3 – PHASE 2 WORK PLAN

- Within months 13-18 from the EFFECTIVE DATE, LICENSEE will commit to either develop a pilot plant before the commercial production line, or develop a commercial production line without a pilot plant.
- If LICENSEE chooses to develop a pilot plant, the pilot plant will be operational within 30 months from the EFFECTIVE DATE.
- If LICENSEE chooses to develop a commercial production line without a pilot plant, LICENSEE will have a plant design completed and an identified location for the plant before the end of PHASE 2.

EXHIBIT 4 – PHASE 2 SUCCESS CRITERIA

- LICENSEE will achieve technical autonomy, which is defined as LICENSEE needing no further technical support from OWNER.
- LICENSEE will have an operational pilot plant or a commercial scale plant design and a location for the commercial scale plant by the end of PHASE 2.

EXHIBIT 5 – NET PROFIT Calculation

NET PROFIT equals NET SALES minus the sum of direct and allocated costs. NET PROFIT can never be less than zero. NET PROFIT per package sold is NET PROFIT divided by the number of packages sold over the time frame of interest. LICENSEE's transactions with third parties that impact any portion of the NET PROFIT calculation will be on terms no less favorable than an arm's length transaction between two unaffiliated parties.

Within the 6 month period before the commercial sales of LICENSED PRODUCT begins, the PARTIES will meet to mutually agree on the definition of direct and allocated costs that go into the calculation of NET PROFIT. The agreed upon definitions will be added to EXHIBIT 7 and become a part of this agreement. EXHIBIT 7 will be updated and amended from time to time upon mutual agreement of the PARTIES.

The following are basic principles that the PARTIES will use to arrive at the definition of direct and allocated costs:

1. Direct costs attributable to the LICENSED PRODUCT may include any combination of the following:
    a. The product cost, which is the sum of:
        i. material costs for the finished package;
        ii. manufacturing operating expenses which include, direct labor, contractor fees, utilities, supplies, rent, training and travel;
        iii. transportation costs, handling charges, logistics and warehousing;
        iv. manufacturing overhead, which includes plant management, labor, supplies, training and travel, and property taxes.
    b. Sales labor, distributor fees, and general management expenses.
    c. Debt service.
2. Direct costs may further include depreciation on property, plant and equipment that is used exclusively for the manufacture of LICENSED PRODUCT. Depreciation on shared manufacturing, distribution and product development assets used to manufacture LICENSED PRODUCT will be shared pro-rata based upon an allocation process to be mutually agreed to in writing by the PARTIES.
3. Allocated costs are the costs that cannot be attributed solely to the business.

EXHIBIT 6 – Examples of Annual Royalty Adjustments

EXHIBIT 7 - Annual Calculation of Direct and Allocated Costs

To be populated annually.

EXHIBIT 8 – Example of a Warrant Agreement

NEITHER THIS WARRANT NOR THE SECURITIES ISSUABLE UPON EXERCISE HEREOF HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY APPLICABLE STATE SECURITIES LAW, AND NO INTEREST HEREIN OR THEREIN MAY BE SOLD, DISTRIBUTED, ASSIGNED, OFFERED, PLEDGED OR OTHERWISE TRANSFERRED UNLESS (A) THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS COVERING ANY SUCH TRANSACTION, (B) THE COMPANY RECEIVES AN OPINION OF COUNSEL FOR THE HOLDER OF SUCH SECURITIES (CONCURRED IN BY COUNSEL FOR THE COMPANY) THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION, OR (C) THE COMPANY OTHERWISE SATISFIES ITSELF THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION.

2. Exercise

2.1 Exercise Period

The "Exercise Period" of this Warrant shall commence at the signing of this Unit Purchase Warrant and shall terminate on the earliest to occur of (a) the closing of a Change of Control Transaction, or (b) the closing of a Qualified IPO. The Company shall provide at least twenty (20) days written notice prior to an event described in Sections 2.1(a) or 2.1(b).

2.2 Procedure for Exercise

This Warrant may be exercised at any time during the Exercise Period, in whole or part, by delivering to the Company (a) the form of Exercise Notice attached hereto in substantially the form attached hereto as Exhibit A duly completed and executed by the Holder, (b) this Warrant certificate, and (c) cash, a bank cashier's check or wire transfer of immediately payable funds payable to the Company in the amount of the Exercise Price. The Holder will be deemed to be the holder of record of the Warrant Units as to which the Warrant was exercised in accordance with this Warrant, effective on the date and time such exercise is completed and all documents specified above are delivered to and accepted by the Company.

3. Delivery of Unit Certificate

Within ten days after the exercise of this Warrant (in full or in part) and payment of the Exercise Price, the Company shall issue in the name of and deliver to the Holder (a) a certificate or certificates for the number of fully paid and nonassessable Warrant Units to which the Holder shall be entitled upon such exercise and (b) a replacement Warrant for the number of Warrant Units to which the Holder remains entitled to purchase. In the event of any partial exercise hereunder, the Exercise Price for the remaining Warrant Units shall equal one dollar ($1.00).

4. Reservation of Warrant Unit

The Company covenants and agrees that all Warrant Units that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times have the authority to issue a sufficient number of Warrant Units to provide for the exercise of the rights represented by this Warrant. If at any time prior to the end of the Exercise Period the Company is not authorized to issue Warrant Units sufficient to permit exercise of this Warrant, the Company will take such company action as may, in the opinion of its counsel, be necessary to be authorized to issue Warrant Units in a number as is sufficient for such purposes.

5. Effect of Reorganization

(a) **Reorganization—No Change in Control**

If a merger, consolidation, share exchange, acquisition of all or substantially all of the property or Unit, liquidation, or other reorganization of the Company (collectively, a "Reorganization") is to be effected prior to expiration of the Exercise Period, as a result of which the Members of the Company will receive cash, Units, or other property in exchange for their Units and the holders of the Company's voting equity securities immediately prior to such Reorganization (assuming conversion of all convertible securities and exercise of all options, warrants, and other exercisable securities after giving effect to any acceleration of vesting provisions that will apply in connection with such transaction) together will own a majority interest of the voting equity securities of the successor entity (or its parent) following such Reorganization, lawful provision shall be made so that the Holder shall thereafter be entitled to receive, upon exercise of this Warrant, the number of securities resulting from such Reorganization (and cash and other property) to which a holder of the Company's Class B Units would have been entitled in such Reorganization if this Warrant had been exercised in full immediately prior to such Reorganization. In any such case, appropriate adjustment (as determined in good faith by the Company's Board of Directors) shall be made in the application of the provisions of this Warrant with respect to the rights and interest of the Holder after the Reorganization to the end that the provisions of this Warrant (including adjustments of the number and type of securities purchasable pursuant to the terms of this Warrant) shall be applicable after that event, as near as reasonably may be, in relation to any units deliverable after that event upon the exercise of this Warrant. The Company will provide the Holder with at least 20 days prior written notice of any such contemplated Reorganization.

(b) **Reorganization—Change in Control; Qualified IPO Termination of Warrant**

If a Reorganization is to be effected prior to expiration of the Exercise Period that will constitute a Change of Control Transaction, or there will be a Qualified IPO, the Company shall provide the Holder an opportunity to exercise this Warrant in full at least 20 days prior to the date on which a record will be taken for determining rights to vote, if any, in respect of such Reorganization or Qualified IPO. Notwithstanding the period of exercisability stated on the face of this Warrant, this Warrant shall expire upon the closing of such Change of Control Transaction or Qualified IPO to the extent not exercised prior to such closing (including an exercise that is effective upon, or immediately prior to, such closing).

6. Adjustments for Unit Splits; Conversion or Exchange of Warrant Unit; Anti Dilution Protection.

(a) If the Company's outstanding Class B Units shall be subdivided into a greater number of units or a dividend in Class B Units shall be paid in respect of Class B Units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted. If outstanding Class B Units shall be combined into a smaller number of units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted.

(b) In the event that the Company's Class B Units are exchanged for or reclassified into units of a different class or series, this Warrant shall thereafter be exercisable for the number and class of units into which the Class B Units otherwise purchasable under this Warrant would have been converted, exchanged, or reclassified if this Warrant had been exercised in full immediately prior to any such transaction.

(c) The number of Warrant Units exercisable upon full exercise of this Warrant initially represents a 10% Sharing Percentage in the Company, calculated on a fully diluted basis. The Sharing Percentage represented by this Warrant will be subject to adjustment on a pari passu basis with all outstanding Class B Units at any given time; provided however, that the number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) is not reduced below a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis. To the extent that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be reduced below a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis, the number of Warrant Units purchasable upon the exercise of this Warrant shall be increased such that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be equal to a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis. The aggregate Exercise Price for the exercise of all Warrant Units after any adjustment under this Section 6(c) will be the same as the aggregate Exercise Price prior to such adjustment.

7. Compliance With Securities Act.

(a) Compliance With Securities Act. The Holder, by acceptance hereof, agrees that this Warrant, and the Units issuable upon exercise of this Warrant, are being acquired for investment and that such Holder will not offer, sell or otherwise dispose of this Warrant, or any Units issuable upon exercise of this Warrant, except under circumstances which will not result in a violation of the Securities Act (defined below), or any applicable state securities laws. This Warrant and all Units issued upon exercise of this Warrant (unless registered under the Securities Act and any applicable state securities laws) shall be stamped or imprinted with a legend in substantially the following form:

> "THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY APPLICABLE STATE SECURITIES LAW AND MAY NOT BE SOLD, OFFERED FOR SALE, MORTGAGED, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS, OR AN EXEMPTION THEREFROM, AND, IF REQUESTED BY THE COMPANY, THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY TO THAT EFFECT. THIS WARRANT HAS BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE."

(b) Restricted Securities. The Holder understands that this Warrant and the Units issuable upon exercise of this Warrant, will not be registered at the time of their issuance under the Securities Act for the reason that the sale provided for herein and in the Purchase Agreement is exempt pursuant to Section 4(2) of the Securities Act based on the representations of the Holder set forth herein. The Holder represents that it is experienced in evaluating companies such as the Company, has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment, and has the ability to suffer the total loss of the investment. The Holder further represents that it has had the opportunity to ask questions of and receive answers from the Company concerning the terms and conditions of this Warrant, the business of the Company, and to obtain additional information to such Holder's satisfaction. The Holder further represents that it is an "accredited investor" within the meaning of Regulation D under the Securities Act, as presently in effect. The Holder further represents that this Warrant is being acquired for the account of the Holder for investment only and not with a view to, or with any intention of, a distribution or resale thereof, in whole or in part, or the grant of any participation therein.

8. Fractional Units

No fractional Warrant Units shall be issued upon the exercise of this Warrant. In lieu of fractional units, the Company shall pay the Holder a sum in cash equal to the fair market value of the fractional unit (as determined in good faith by the Company's Board of Directors) on the date of exercise.

9. Restrictions on Transfer

Neither this Warrant nor any securities issued upon exercise of this Warrant may be transferred or assigned by the Holder without the consent of the Company, except to an affiliate of such Holder; provided that (a) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee; (b) such transferee or assignee agrees in writing to be bound by and subject to the terms and conditions of this Warrant; and (c) such assignment shall be effective only if, immediately following such transfer, the further disposition of this Warrant and any securities issued upon exercise of this Warrant by the transferee or assignee is restricted under the Securities Act of 1933, as amended. A legend setting forth or referring to the above restrictions shall be placed on this Warrant, any replacement hereof and any certificate representing a security issued pursuant to the exercise hereof, and a stop transfer restriction or order shall be placed on the books of the Company and with any transfer agent until such securities may be legally sold or otherwise transferred. Subject to the foregoing, this Warrant and the rights of the Holder hereunder may be transferred, properly endorsed for transfer by delivery of an Assignment Form in substantially the form attached hereto as Exhibit B, to any person or entity who agrees to be bound hereby as the Holder, and the rights and obligations of the Holder hereunder shall be binding upon and shall inure to the benefit of any such successors, assigns, and transferees.

10. No Member Rights

This Warrant shall not entitle the Holder to any voting rights or any other rights as a Member of the Company or to any other rights whatsoever except the rights stated herein.

11. Member Rights

Upon exercise, the Holder will be entitled to become a party to the Limited Liability Operating Agreement of the Company, dated February XX, 2018, as the same may be amended from time to time.

12. Construction

The validity and interpretation of the terms and provisions of this Warrant shall be governed by the laws of the State of Delaware. The descriptive headings of the several sections of this Warrant are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions thereof.

13. Expiration

This Warrant shall be void and all rights represented thereby shall cease unless exercised during the Exercise Period. All restrictions set forth herein on the Units issued upon exercise of any rights hereunder shall survive such exercise and expiration of the rights granted hereunder.

14. Exchange or Replacement of Warrant

If this Warrant is lost, stolen, mutilated or destroyed, the Company shall, upon request in writing from the Holder and subject to compliance by Holder with the following sentence, issue a new Warrant of like denomination, tenor and date as this Warrant, subject to the Company's right to require the Holder to give the Company a bond or other satisfactory security sufficient to indemnify the Company against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft, mutilation or destruction of this Warrant or the issuance of such new Warrant. The Holder shall reimburse the Company for any and all reasonable expenses and costs incurred by the Company in connection with issuing a new Warrant under this Section 14.

15. Waivers and Amendments

This Warrant or any provision hereof may be changed, waived, discharged, or terminated only by a statement in writing signed by the Company and the Holder. No course of dealing or any delay or failure to exercise any right, power, or remedy hereunder on the part of any Holder of this Warrant shall operate as a waiver or otherwise prejudice such Holder's rights, powers or remedies.

16. Notices

This Warrant may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts will together constitute one instrument.

18. Remedies

The Company acknowledges that the remedies at law of the Holder of the performance of or compliance with any of the terms of this Warrant are not and will not be adequate and that, to the fullest extent permitted by law, such terms may be specifically enforced by a decree for the specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise without requiring such Holder to post any bond or other security, unless otherwise required by applicable law (which cannot be waived by the Company).

The PARTIES therefore agree as follows:

1. Definitions

1.1. **General.** The capitalized terms defined in this agreement have the meanings indicated for purposes of this agreement; non-capitalized terms have their ordinary meaning as determined by context, subject matter, and/or scope, except as noted in Paragraph 18.2 (Construction). 2.2. **PHASE 1 Engagement Fee.** LICENSEE will pay OWNER four, non-refundable, non-creditable, engagement fee payments of $[***] each. The first payment will be payable within 30 days after the end of the first calendar quarter of 2018. 2.3. **PHASE 1 DELIVERABLES**. The PHASE 1 DELIVERABLES, attached as Exhibit 1, outline the deliverables necessary to achieve the PHASE 1 SUCCESS CRITERIA ("**PHASE 1 DELIVERABLES**").

2.4. **PHASE 1 SUCCESS CRITERIA**. 2.5. **OWNER Personnel Resources**. OWNER will provide access to LICENSEE the equivalent of 3 full-time employees ('**FTEs**") from research and development, product supply or engineering to execute against the PHASE 1 DELIVERABLES for the first 4 months of the calendar year 2018. The cost for these resources will be $[***] paid by LICENSEE to OWNER on or before 30 May 30, 2018. It is anticipated that OWNER FTEs will continue to work with LICENSEE, and be funded by LICENSEE after such 4 month period. LICENSEE and OWNER will each use commercially reasonable efforts to mutually agree to FTE requirements for the duration of 2018.

2.6. **OWNER Materials.** Within 90 days after the EFFECTIVE DATE, OWNER will provide to LICENSEE copies of all technical drawings, books, records and other materials within OWNER's possession which are necessary for LICENSEE to meet the PHASE 1 and PHASE 2 SUCCESS CRITERIA. If the period is longer than 90 days, payment will be made 30 days after each successive 90 day period.

2.10. **PHASE 1 TERM.** PHASE 1 of this agreement is effective from the EFFECTIVE DATE and terminates 12 months after the EFFECTIVE DATE ("**PHASE 1 TERM**") unless terminated earlier under Article 8 (Termination).

3. PHASE 2 - Pilot Plant

3.1. **Pilot Plant Funding.** LICENSEE will be solely responsible for all costs related to the pilot plant, including construction, materials, and management. LICENSEE will be the sole owner of such property.

3.2. **PHASE 2 PATENT AND KNOW-HOW LICENSE.** OWNER hereby grants LICENSEE a SOLE, worldwide, royalty free, non-assignable and otherwise non-transferable license, without the right to sublicense, under OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS to make, have made, use, offer to sell, and sell LICENSED PRODUCT for the PHASE 2 TERM.

3.5. **PHASE 2 SUCCESS CRITERIA**. The PHASE 2 SUCCESS CRITERIA are attached as Exhibit 4 and outline the achievements necessary to continue to PHASE 3, the success of which will be determined at sole discretion of LICENSEE ("**PHASE 2 SUCCESS CRITERIA**"). If the PHASE 2 SUCCESS CRITERIA are not completed and LICENSEE elects not to proceed to PHASE 3, then this agreement will terminate at the end of the PHASE 2 TERM.

4.3. **COMMERCIAL PLANT Funding and Construction.** LICENSEE will start construction of a 1st COMMERCIAL PLANT for the manufacture of LICENSED PRODUCT, including construction, materials, and management within the first 6 months of the PHASE 3. Licensee will have a fully operational commercial production line producing LICENSED PRODUCT within the later of 48 months from the EFFECTIVE DATE or the end of PHASE 3. This agreement will terminate at the election of OWNER upon written notice to LICENSEE if LICENSEE is unable to either: **(a)** begin construction on a commercial production line for the COMMERCIAL PLANT within 6 months of start of PHASE 3 or **(b)** have a fully operational commercial production line producing LICENSED PRODUCT within the later of 48 months from the EFFECTIVE DATE or the end of PHASE 3.

4.4. **PHASE 3 TERM**. PHASE 3 is effective from the end of the PHASE 2 TERM and terminates December 31, 2022 unless terminated earlier under Article 8 (Termination). The PHASE 3 engagement fee will be $[***] and will be due on or before December 31, 2021. If LICENSEE builds and starts production of a COMMERCIAL PLANT for the manufacture of LICENSED PRODUCT before December 31, 2021, the second PHASE 3 engagement fee of $[***] will be due on the day production of LICENSED PRODUCT begins.

4.5. **START OF SALES.** At or before the end of PHASE 3, LICENSEE will start and maintain commercial sales from the 1st COMMERCIAL PLANT ("**START OF SALES**"). If LICENSEE is unable to start and maintain commercial sales, LICENSEE will still be subject to the provisions of Paragraph 4.3 (Plant Funding and Construction), or Paragraph 4.8 (Annual MINIMUM ROYALTIES).

4.6. **COMMERCIAL PATENT AND KNOW-HOW LICENSE.** OWNER hereby grants LICENSEE a SOLE, royalty bearing, worldwide, non-assignable and otherwise non-transferable, revocable, license under OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS to make, have made, use, offer to sell, and sell the LICENSED PRODUCT, subject to the following time restrictions ("**COMMERCIAL PATENT LICENSE**"). The term for this worldwide COMMERCIAL PATENT LICENSE will begin at the end of the PHASE 3 TERM and will end as set forth in Section 7.1.

4.7. **Royalties.** LICENSEE will pay a royalty to OWNER every year the greater of: **(a)** $[***] per package sold in any given FISCAL YEAR; **(b)** [***]% of the NET PROFIT per package sold in any given FISCAL YEAR; or **(c)** the MINIMUM ROYALTY for any given FISCAL YEAR net of all royalties previously paid during such FISCAL YEAR – see EXHIBIT 8 for example of ROYALTY calculation. Royalty payments will be due quarterly, 30 days after the end of each quarter.

4.8. **Annual MINIMUM ROYALTIES.** The annual minimum royalty to maintain the SOLE COMMERCIAL PATENT and the KNOW-HOW LICENSE (the "**MINIMUM ROYALTY**") is defined in Table 4.8.

Table 4.8

FISCAL YEAR July 1-June 30	**Annual MINIMUM ROYALTY**
Prior to June 30, 2025	None
FISCAL YEAR 2025-26 (July 1, 2025-June 30 2026)	[***]
FISCAL YEAR 2026-27	[***]

FISCAL YEAR 2029-30	[***]
FISCAL YEAR 2030-31	[***]
FISCAL YEAR 2031-32 and beyond	[***]

4.9. **Failure to Pay MINIMUM ROYALTIES.** If LICENSEE fails to pay at least the MINIMUM ROYALTY in any year, OWNER's sole and exclusive remedy for such failure shall be the following: the COMMERCIAL PATENT AND KNOW-HOW LICENSE will immediately revert to a non-exclusive license and OWNER's right to collect at least [***]% of the NET PROFIT per package sold by LICENSEE will increase to [***]% of the NET PROFIT per package sold as defined in Paragraph 4.7 (Royalties). OWNER will thereafter have the right to license OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to THIRD PARTIES, subject to the remaining rights of LICENSEE under this agreement. Should a THIRD PARTY begin selling LICENSED PRODUCT using OWNER PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS, the royalty paid to OWNER by LICENSEE will automatically revert to [***]% of NET PROFIT per package. If LICENSEE pays all minimums due before OWNER licenses the OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to a THIRD PARTY, LICENSEE's SOLE license will be reinstated.

4.10. **OWNER Supply of LICENSED PRODUCT.** At OWNER's sole discretion but subject to terms to be agreed with LICENSEE, LICENSEE may meet all or any agreed portion of OWNER's supply needs for LICENSED PRODUCT during the TERM. LICENSEE will be required to meet all of OWNER's specifications and requirements for the LICENSED PRODUCT. The terms of LICENSEE's supply to OWNER of LICENSED PRODUCT will be negotiated in a separate supply agreement to be negotiated between LICENSEE and OWNER using commercially reasonable efforts. LICENSEE will not be responsible to pay royalties to OWNER for products LICENSEE supplies to OWNER.

4.11. **Most Favored Nation Pricing.** For each CONTRACT YEAR, LICENSEE will not sell the LICENSED PRODUCT of COMPARABLE TERMS to any THIRD PARTY for less than the price LICENSEE offers to OWNER for the same CONTRACT YEAR ("**MFN PRICING**"). The data required to generate MFN PRICING under this paragraph is subject to the audit provisions of Section 12 (Audit & Inspection).

5. Payments

5.1. **Payment Due Dates.** LICENSEE will pay all royalty obligations under this agreement which accrued after the end of Phase 3 within 30 calendar days following the end of each quarterly period of the CONTRACT YEAR in which the royalties have accrued. LICENSEE will pay all other payments and fees accruing to OWNER under the terms of this agreement on or before their respective due dates. OWNER will pay any obligations under this agreement to LICENSEE within 30 calendar days following the end of the CONTRACT YEAR in which the royalties have accrued.

5.2. **Late Payments.** Payments provided for in this agreement, when overdue, will bear interest at a rate of 12% per annum for the time period from the payment due date until payment is received by OWNER.

5.3. **Wire Transfer.** All payments, fees and royalties are to be transferred by wire to OWNER's Citibank, New York, USD account labeled 0000-1986, ABA#021000089, or as OWNER might otherwise direct in writing. If a subject payment, fee, or royalty must be paid in non-USD pursuant to Paragraph 5.6 (Currency), then LICENSEE will promptly notify OWNER and OWNER will provide LICENSEE the appropriate P&G-required bank deposit information.

5.4. **Payment Reference.** In the detail section of the transmission for royalty payments, LICENSEE will provide the following statement:*AEROFLEXX, LLC Technologies Royalty Payment for Patent License, Contract # [____]: For Royalty Period (_____)*", providing within the parentheses the period the royalties relate to, e.g., "(First Half, 2022". OWNER will provide the contract number to LICENSEE together with a Contract Administration packet.

5.5. **Payment Notice.** When money is transferred, LICENSEE will send a notice to the following address, and/or such other address as OWNER designates by written notice:

5.6. **Currency.** LICENSEE will pay all royalties and other payment obligations of LICENSEE in USD. If the royalty was generated in non-USD, then the royalties will be calculated separately for each quarterly period by determining the aggregate NET SALES of LICENSED PRODUCT for that quarter in local currency, then converting same to USD using an average of the conversion rates for the first through last BUSINESS DAY of that quarterly period as published in The Wall Street Journal, New York edition. The royalties for each quarterly period will be calculated separately as described, and then added to arrive at the royalty payment in USD.

5.7. **Statements & Reports.** With the exception of royalties which are paid quarterly, within 75 calendar days after the end of each calendar year following START OF SALES, LICENSEE will prepare and issue to OWNER verified reports for each calendar year in the English language that will include:

5.7.1. **Label.** a label identifying this agreement's title, reference number, and quarterly period;

5.7.2. **Totals.** total number or amount of LICENSED PRODUCT sold or OTHERWISE DISTRIBUTED by LICENSEE;

5.7.3. **Sales.** GROSS SALES and NET SALES;

5.7.4. **Deductions & Returns.** itemized deductions and returns by LICENSED PRODUCT, used to calculate NET SALES;

5.7.5. **Direct and Allocated Costs.** The direct and allocated costs used to calculate the NET PROFIT of each package sold as defined in Exhibit 5;

5.7.6. **Royalties.** the royalties accrued during the quarterly period and payable to OWNER by LICENSEE, including supporting summary calculations;

5.7.7. **Forecasts.** LICENSEE's forecasts for NET PROFIT per package sold and the forecast of number of packages LICENSEE will sell for the next 4 quarterly periods; and

5.8. **Report if No Product Sold.** If no LICENSED PRODUCT is sold or OTHERWISE DISTRIBUTED by LICENSEE during the reporting period, LICENSEE will prepare and issue a report to OWNER to that effect, within 30 calendar days after the end of each quarterly period.

5.9. **Transmitting Reports.** LICENSEE will transmit, via a method and form as directed by OWNER, the reports of Paragraphs 5.7 (Statements & Reports) and 5.8 (Report if No Product Sold) to the following addresses, or such other address as OWNER designates by written notice:

The Procter & Gamble Company

5.10. **Taxes.** LICENSEE is responsible for timely paying all taxes on the sales of LICENSED PRODUCT.

5.11. **Withholding.** If any taxes on sales of LICENSED PRODUCT are owed by OWNER and required by law or regulation to be withheld on any royalty or other payments under this agreement, then:

5.11.1. **Payment.** LICENSEE will timely pay the taxes on behalf of OWNER.

5.11.2. **Deduction.** LICENSEE will deduct the amount of the taxes from the subject royalty before paying the royalty to OWNER.

5.11.3. **Certificate.** LICENSEE will provide to OWNER a certified copy of the withholding tax certificate for the taxes.

5.11.4. **Assistance.** LICENSEE will assist OWNER with obtaining other necessary documentation for the taxes, including documentation required by revenue authorities to enable OWNER to claim exemption or repayment of the taxes.

6. Ownership of IMPROVEMENTS

6.1. **IMPROVEMENTS.** IMPROVEMENTS made jointly by both PARTIES ("**OWNER-OWNED IMPROVEMENTS**"), are owned by OWNER, and any rights that might accrue to LICENSEE arising from its inventive contribution to such OWNER-OWNED IMPROVEMENTS are hereby assigned to OWNER. As between OWNER and LICENSEE, IMPROVEMENTS made solely by LICENSEE and/or sublicensees of LICENSEE ("**LICENSEE IMPROVEMENTS**"), are owned by LICENSEE. LICENSEE hereby grants OWNER, a non-exclusive, worldwide, non-sublicensable, royalty-free license under LICENSEE IMPROVEMENTS, to make, have made, use, offer to sell, and sell the LICENSED PRODUCT. LICENSEE will require sublicensees of LICENSEE to grant OWNER a non-exclusive, worldwide, non-sublicensable, royalty-free license under LICENSEE IMPROVEMENTS developed by such sublicensee of LICENSEE, to make, have made, use, offer to sell, and sell the LICENSED PRODUCT. For the avoidance of doubt, the have made rights granted to OWNER by LICENSEE under this Section 6.1 shall extend only to the right to have made LICENSED PRODUCTS exclusively for OWNER.

6.2. **Decision-making.** Despite anything to the contrary in this AGREEMENT except Paragraph 6.3, any decision as to whether to file a patent application, continue prosecution of a patent application, or continue the maintenance of any granted patent on an OWNER-OWNED IMPROVEMENT will be at OWNER's discretion. LICENSEE will sign any documents that OWNER deems reasonably necessary to secure OWNER's proprietary rights as set forth in Paragraph 6.1, such as to obtain and/or maintain patents, worldwide, or other protection covering OWNER-OWNED IMPROVEMENTS and to fully cooperate as requested to do so in the prosecution and/or maintenance of such patents or other applications. Any such filing, prosecution and maintenance as well as the drafting of any such documents will be at OWNER's expense.

6.3. **Unelected OWNER-OWNED IMPROVEMENTS.** The Parties will discuss, in good faith, whether the OWNER-OWNED IMPROVEMENTS will be maintained as a trade secret. If OWNER elects not to file patent applications on OWNER-OWNED IMPROVEMENTS or maintain as a trade secret, LICENSEE will have the option of filing patent applications at LICENSEE's expense, with LICENSEE having sole ownership ("**AIR ASSIST FILINGS**"). LICENSEE will provide OWNER a non-exclusive, royalty-free license to any AIR ASSIST FILINGS, which will convert to an exclusive, royalty-free license at the end of the TERM. For the life of the AIR ASSIST FILINGS, OWNER, at OWNER's sole discretion, may purchase from LICENSEE any of the AIR ASSIST FILINGS for the associated filing and legal costs, subject to the rights of Paragraph 6.1 (IMPROVEMENTS).

6.4. **PRE-EXISTING IP.** Each PARTY's PRE-EXISTING IP will remain the absolute unencumbered property of the respective owner of the rights at the EFFECTIVE DATE, except for the limited rights explicitly set forth in this agreement.

7. Term

7.1. **Term.** This agreement is effective from the EFFECTIVE DATE and continues until terminated under Article 8 (Termination), unless terminated earlier under the PHASE 1 TERM, or PHASE 2 TERM; (any such period, the "**TERM**").

8. Termination

8.1. **Breach.** Either PARTY may terminate this agreement if the other PARTY is in material breach of any representation, warranty, obligation, or agreement contained in this agreement, after providing written notice to the other PARTY of such intent and reason for termination. This termination will be: **(a)** effective immediately upon notice with respect to breaches that are not curable; and **(b)** effective within 90 calendar days after the date of the notice for curable breaches, unless before the end of that period the other PARTY cured the breach identified in the notice. If the breach is cured in the specified period and the breaching PARTY receives written acknowledgement from the non-breaching PARTY that the breach has been cured, then the notice of termination will be void and of no effect. LICENSEE's failure to meet the provisions of Paragraph 4.3 (Plant Funding and Construction) will be material breaches of this agreement.

8.2. **Cause.** Despite Paragraph 8.2 (Breach), OWNER may terminate this agreement immediately upon written notice to LICENSEE at any time selected by OWNER, following the occurrence of any one or more of the events of Paragraph 8.3.1 (False Report), 8.3.2, (False Claim) or 8.3.3 (Insolvency), unless the event is cured within 7 calendar days after the date of the event and the breaching PARTY provides written acknowledgement to the non-breaching PARTY that the breach has been cured:

8.2.1. **False Report.** if LICENSEE at any time makes a knowingly false report, or habitually makes inaccurate reports,

8.2.2. **False Claim.** if LICENSEE has made any knowingly false claim about LICENSED PRODUCT, including claims of product performance and/or efficacy;

8.2.3. **Insolvency.** Despite Paragraph 8.2 (Breach), this agreement immediately terminates if LICENSEE: **(a)** suspends or discontinues substantially all of its business operations; **(b)** makes any assignment for the benefit of its creditors;**(c)** applies for, seeks, consents to, or acquiesces in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any part of its property; **(d)** fails to pay or admits in writing its inability to pay its debts generally as they become due; **(e)** has involuntary bankruptcy proceedings commenced against it under the United States Bankruptcy Code (and such proceedings or petition remains undismissed or unstayed for a period of more than 60 days); **(f)** institutes, or consents to any proceeding seeking to have entered against LICENSEE an order for relief under the United States Bankruptcy Code; or **(g)** institutes, or consents to any proceeding seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of LICENSEE or its debts under any law relating to bankruptcy or insolvency.

8.3. **Equipment Attachment.** This agreement immediately terminates if any judgment or judgments, writ or writs or warrant or warrants of attachment, or any similar process or processes, is entered or filed against LICENSEE, or against any of LICENSEE's property, in an aggregate amount in excess of $[***] (except to the extent fully covered by insurance under which the insurer has accepted liability therefor in writing), and which remains undischarged, unvacated, unbonded, or unstayed for a period of 30 days.

8.4. **Validity Challenge.** Despite Paragraph 8.2 (Breach), and in view of the representations set forth in Paragraphs 10.3 (Representation of Conflict Avoidance Benefit) and 10.4 (Representation of Patent Validity / Enforceability / Infringement), if LICENSEE or any LICENSEE AFFILIATE initiates one or more challenges, or assists either directly or indirectly in the initiation of one or more challenges to the validity or enforceability of any of the LICENSED PATENTS in any manner, including requesting a declaration of invalidity or unenforceability in a court, administrative or government proceeding, or other tribunal of competent jurisdiction, or by cooperating with a THIRD PARTY to do so, then OWNER may, at its discretion, terminate this agreement immediately upon written notice to LICENSEE. The termination may be as to the entirety of this agreement or as to the particular one or more LICENSED PATENTS involved. The invalidity or unenforceability of any LICENSED PATENTS will not create an obligation of OWNER to refund to LICENSEE any royalties or other fees paid by LICENSEE to OWNER.

8.5. **Termination for Convenience.** Either PARTY can terminate with the written consent of the other PARTY and after providing 90 days' notice. Obligations under this agreement shall continue to accrue during the 90 day notice period, including the obligation to make any payments due under this agreement.

8.6. **Termination Upon Lack of Commercialization Potential.** LICENSEE may terminate this agreement at any time if, in LICENSEE's sole discretion, any applicable SUCCESS CRITERIA will not be satisfied or the underlying LICENSED PRODUCTS are not desirable for commercialization. Notwithstanding anything to the contrary in this Agreement, upon any such termination by LICENSEE under this Section 8.6, LICENSEE shall have no continuing obligations for any payments accruing under this agreement after the effective date of termination.

9. Effect of Termination.

9.1. **Surviving Rights & Obligations.** Termination of this agreement will not relieve either PARTY of any obligations accruing prior to such termination, including those set forth in: Articles 5 (Payments), 14 (Confidentiality), 15 (Other Representations & Warranties), and 17 (Indemnification & Insurance).

9.2. **Reversion.** Upon the termination of this agreement, all rights granted to LICENSEE will revert to OWNER, and LICENSEE will have no claim against OWNER for compensation of loss of business or goodwill, or for any other damages that might result from such termination of this agreement.

9.3. **Payment.** OWNER is entitled to retain all royalties and other things of value paid or delivered to OWNER prior to termination. The entire unpaid balance of all royalties or other fees owing and due under this agreement will immediately become due and payable upon termination.

9.4. **Execute Documents**. LICENSEE will sign all documents necessary to terminate of record any of LICENSEE's rights under this agreement; OWNER will prepare such documents at OWNER's expense.

9.5. **Production and Sale Rights After Termination**. Upon termination of this agreement, LICENSEE shall cease all production and sale of completed LICENSED PRODUCT. Production and sale of LICENSED PRODUCT where production had begun prior to notice of termination may continue for one year after termination, subject to the royalty payments of this agreement.

10. LICENSED PATENTS – Additional Obligations

10.1. **Patent Prosecution & Maintenance.** OWNER will determine, in its discretion, whether and in what manner to file, prosecute, obtain, register and maintain LICENSED PATENTS, and patent applications and patents on IMPROVEMENTS ("**PATENT PROSECUTION**"). OWNER agrees to use reasonable efforts to file and prosecute patent applications and maintain LICENSED PATENTS. OWNER will keep LICENSEE reasonably informed and provided the opportunity to comment on major decisions concerning such activities. At the end of each calendar year, OWNER will provide LICENSEE a summary of the LICENSED PATENTS portfolio, an updated Schedule 1.1.21, and make available to LICENSEE one intellectual property attorney working for OWNER who can answer questions about the LICENSED PATENTS portfolio and provide a non-binding projection of how OWNER will handle the portfolio in the next calendar year. To the extent OWNER elects to conduct PATENT PROSECUTION, OWNER will be financially responsible for all fees associated with such PATENT PROSECUTION.

10.2. **Patent Marking.** LICENSEE will not mark LICENSED PRODUCT with any LICENSED PATENTS nor reference any LICENSED PATENTS in advertising unless requested in writing by OWNER. Upon OWNER's request, LICENSEE will place in a conspicuous location on any LICENSED PRODUCT sold in the US, the words "*US Patent(s)*" followed by a listing of the applicable LICENSED PATENTS. Upon OWNER's request, LICENSEE will place in a conspicuous location, on any subject LICENSED PRODUCT for sale outside the US, a patent notice in accordance with the applicable patent marking laws of the country in which the LICENSED PRODUCT is made and/or sold, should such marking serve as legal notice to would-be infringers. It will be LICENSEE's responsibility to ensure compliance with all applicable laws and regulations.

10.3. **Representation of Conflict Avoidance Benefit.** The PARTIES represent that a mutual benefit of the license(s) granted in this agreement is the avoidance of expending financial and/or other resources on any potential conflict between the PARTIES regarding what OWNER would otherwise consider infringement of its LICENSED PATENTS in the absence of the license(s) granted in this agreement.

10.4. **No Other Licenses Granted to LICENSEE.** The licenses granted LICENSEE under this agreement are limited to those specifically set forth in Paragraphs 2.1 (PHASE 1 PATENT AND KNOW-HOW LICENSE), 3.2 (PHASE 2 PATENT AND KNOW-HOW LICENSE), 4.2 (PHASE 3 PATENT AND KNOW-HOW LICENSE), and 4.6 (COMMERCIAL PATENT AND KNOW-HOW LICENSE). Nothing in this agreement will be construed to grant LICENSEE any rights or licenses to any other certification mark, copyright, domain name or other URL, know-how, logo, patent, product name, service mark, technical information, trademark, trade name, or other intellectual property of OWNER. All rights not specifically granted to LICENSEE are reserved by OWNER.

10.5. **Conversion to Non-exclusive.** Despite anything to the contrary in this agreement, upon the occurrence of any one or more of the following events, and unless and until terminated under any rights to terminate under this agreement (specifically including any termination events that include a cure period), the SOLE license grant under this agreement will immediately become non-exclusive at OWNER's sole discretion; LICENSEE is specifically *not* entitled to any cure period to avoid such conversion to non-exclusive:

10.5.1. **Failure to Pay.** If LICENSEE fails to make a timely payment to OWNER of any royalties or other payments due under this agreement and LICENSEE fails to make such payment within 7 days of written notice by OWNER.

11. Additional Obligations

11.1. **Product and Development Costs.** LICENSEE will be solely responsible for all costs of all of LICENSEE's activities associated with LICENSED PRODUCT including all costs associated with manufacture, distribution, sale, advertising, promotion, packaging design, and artwork. OWNER will be responsible for its own development costs to support OWNER's specific efforts, including but not limited to P&G small scale market tests and for any OWNER initiated IMPROVEMENTS.

11.2. **Compliance with Laws.** LICENSEE represents as of the EFFECTIVE DATE and warrants for the TERM, that LICENSEE is, and will at all times be, in full compliance with all applicable governmental, legal, regulatory and professional requirements associated with LICENSED PRODUCT; including all applicable codes, certifications, decrees, judgments, laws, orders, ordinances, regulations, and rules; including those related to: advertising and marketing, adulteration and contamination, antitrust, board of health, branding and labeling, consumer protection and safety, customs, employment, environmental matters (including NSF certification, state certification, extraction results, California Proposition 65, and applicable EPA regulations), fair trade, immigration, importation of materials, labor, product quality, working conditions, worker health and safety, and all applicable privacy laws (regulations, rules, opinions or other governmental and/or self-regulatory group requirements or statements of position), and the manufacture, marketing, and distribution of the LICENSED PRODUCT (collectively, "**LAWS**"). OWNER accepts no responsibility or liability for the noncompliance of LICENSEE or its contract manufacturers with any applicable LAWS.

11.3. **No Child Labor**. Neither LICENSEE nor its contract manufacturers will engage in child labor practices or in unfair labor practices and LICENSEE will be responsible to verify compliance by its contract manufacturers. For purposes of this paragraph, the term "child" means any person younger than the age of completion of compulsory schooling; but in any event no person younger than the age of 15 will be employed in the manufacturing, packaging, or distribution of the LICENSED PRODUCT.

11.4. **Trade & Consumer Research**. LICENSEE will provide OWNER full access to any trade or consumer research conducted on the LICENSED PRODUCT, even if funded entirely by LICENSEE. This research will be conducted in such a way as to assure the legality of this access. LICENSEE will ensure that OWNER will have the unlimited and unrestricted right to use these research learnings and data for OWNER's own use in OWNER's future commercial endeavors.

12. Audit & Inspection

12.1. **Record Keeping**. LICENSEE will keep and maintain at its regular place of business complete and accurate books and records of all transactions carried out by LICENSEE in connection with the creation and sales of LICENSED PRODUCT under this agreement, sufficient to comply with United States Generally Accepted Accounting Principles (a.k.a., GAAP), applicable laws and provisions outlined in this agreement, including accounting books and records, regarding LICENSED PRODUCT manufacturing, sales, shipment, returns, deduction and promotion ledgers, written policies and procedures, approval forms, THIRD PARTY manufacturer's agreements, if applicable, and general ledger entries, and any consumer comments and call logs and data (these books and records, collectively "**RECORDS**").

12.2. **Audits**. RECORDS will be subject to audit and reproduction by OWNER during the TERM and for 3 years subsequent to termination of this agreement. For the purpose of ensuring verification of compliance by LICENSEE with all requirements of this agreement, OWNER or its authorized representative will have the right to inspect and audit the RECORDS during regular business hours, on condition that OWNER will give LICENSEE at least 10 calendar days advance notice of its intention to do so.

12.3. **Audit Findings**. If, based on OWNER's audit or inspection of LICENSEE's records related to this agreement, OWNER determines that the amount of royalties and other fees properly due to OWNER is greater than the amount reported and/or actually paid by LICENSEE to OWNER, and OWNER provides LICENSEE a copy of a report describing the underpayment, and showing, in reasonable detail, the basis upon which such underpayment was determined; then, within 30 calendar days from the date the report was provided to LICENSEE:

12.3.1. **Underpayment.** LICENSEE will pay OWNER a sum of money equal to the underpayment as determined by OWNER, along with interest on the underpayment at a rate of 12% per annum from the date the royalties were due until the date on which the underpayment is paid to OWNER; or

12.3.2. **Overpayment.** OWNER will **(a)** credit the amount of any overpayment to the next payment date or **(b)** if there is no future payment due OWNER, refund the amount of the overpayment.

12.4. **Contesting Audit Findings**. If LICENSEE wants to contest OWNER's determination of an amount of LICENSEE's underpayment of royalties, then LICENSEE will provide written notice to OWNER. In response to this written notice, OWNER may, at OWNER's discretion, request an independent auditor, reasonably acceptable to LICENSEE, to review the RECORDS and/or the basis on which OWNER determined the amount of underpayment. If the auditor confirms OWNER's claim, or concludes that the underpayment was larger than the amount estimated by OWNER, then LICENSEE will, within 30 calendar days from the date of the auditor's conclusions, remit to OWNER a sum equal to the deficiency determined by the auditor and all actual costs of the independent audit will be borne by LICENSEE; along with interest on the underpayment, at a rate of 12% per annum, from the date on which the royalties were due from LICENSEE until the date on which the underpayment is paid to OWNER.

13. Assignment & Delegation

13.1. **OWNER Assignment of agreement.** This agreement may be assigned in whole or part by OWNER to any OWNER AFFILIATE or other THIRD PARTY and this agreement will benefit and be binding on any assignees of OWNER to the extent set forth in the applicable assignment document.

13.2. **OWNER Assignment of IP.** Despite Paragraphs 15.1 (Authority) and 15.2. (Ownership & Right to License), OWNER may assign to any OWNER AFFILIATE or other THIRD PARTY any intellectual property rights licensed by OWNER to LICENSEE under this agreement, on condition that a written agreement is entered into binding the AFFILIATE or other THIRD PARTY to the licensor obligations of this agreement with respect to such assigned intellectual property rights.

13.3. **No Assignments or Delegations by LICENSEE.** The rights and licenses granted by OWNER in this agreement are personal to LICENSEE and this agreement is entered into because of OWNER's reliance upon the knowledge, experience, skill, and integrity of LICENSEE. This agreement, the license(s) and any other rights granted to LICENSEE under this agreement, and/or any duties to be performed by LICENSEE under this agreement will not be delegated, assigned, transferred, hypothecated, sublicensed, encumbered, or otherwise disposed of –including by merger (whether that party is the surviving or disappearing entity), consolidation, dissolution, or operation of law– without first obtaining the consent in writing of OWNER, which may be withheld in OWNER's reasonable discretion. If OWNER grants such consent, then all future delegations, assignments, transfers, hypothecations, sublicenses, encumbrances, or other disposals of any new party's rights and/or duties under this agreement will not occur without written consent from OWNER; such consent may be withheld in OWNER's discretion. Any attempted assignment without OWNER's consent will be void and will automatically terminate all rights of LICENSEE under this agreement. This paragraph notwithstanding, if LICENSEE forms one or more new companies for the commercial manufacture of LICENSED PRODUCT or for project financing purposes, OWNER will not unreasonably withhold consent to assign or sublicense.

14. Confidentiality

14.1. **Disclosure of INFORMATION.** It is understood that confidential information might be disclosed by one PARTY ("**DISCLOSER**") to the other PARTY ("**RECEIVER**") for purposes of enabling the RECEIVER's performance under this agreement. This confidential information may include commercial plans, customer lists, data, designs, drawings, financial projections, findings, formulae, ideas, inventions, know-how, new products, plans, photographs, pricing information, processes, reports, samples, sketches, specifications, and studies (collectively "**INFORMATION**").

14.2. **Obligation of Confidentiality.** The RECEIVER will: **(a)** maintain the INFORMATION in confidence using the same degree of care, but no less than a reasonable degree of care, as RECEIVER uses to protect its own confidential information of a like nature; **(b)** use the INFORMATION solely in connection with RECEIVER's performance of this agreement; and **(c)** not disclose the INFORMATION to any THIRD PARTIES except where such disclosure is necessary to enable RECEIVER's performance under this agreement. Before RECEIVER discloses any INFORMATION to a THIRD PARTY, RECIEVER will get written approval from DISCLOSER to disclose the INFORMATION, and RECEIVER will enter into a confidentiality agreement with the receiving THIRD PARTY which is no less restrictive than this Section 14. But, the RECEIVER will have no obligation under this Article 14 with respect to any specific portion of INFORMATION that:

14.3. **Prior Possession.** is already in the RECEIVER's possession at the time of disclosure by the DISCLOSER, as established by competent documentary evidence;

14.4. **Publicly Available.** is or later becomes available to the public, other than by the RECEIVER's default of this Article 14;

14.5. **Received From Others.** is received from a THIRD PARTY having no obligation of confidentiality to the DISCLOSER;

14.6. **Independently Developed.** is independently developed by the RECEIVER by personnel not aware of the INFORMATION of the DISCLOSER, as established by competent documentary evidence; or

14.7. **Disclosed to Others.** corresponds to that furnished by the DISCLOSER to any THIRD PARTY on a non-confidential basis other than in connection with limited consumer testing.

14.8. **Required Disclosure by Law / Regulation.** If RECEIVER is required by law or government regulation to disclose DISCLOSER INFORMATION ("**COMPELLED DISCLOSURE**"), then RECEIVER will: **(a)** provide prompt reasonable prior notice to the DISCLOSER of the COMPELLED DISCLOSURE so that DISCLOSER may take steps to protect DISCLOSER's confidential information, and **(b)** provide reasonable cooperation to DISCLOSER in DISCLOSER's protecting against the COMPELLED DISCLOSURE and/or obtaining a protective order narrowing the scope of the COMPELLED DISCLOSURE or use of the INFORMATION. If DISCLOSER is unable to obtain such protection against the COMPELLED DISCLOSURE, then despite the commitments set forth in Paragraph 14.2 (Obligation of Confidentiality) RECEIVER will be entitled to disclose the DISCLOSER's INFORMATION **(aa)** only as and to the extent necessary to legally comply with the COMPELLED DISCLOSURE and **(bb)** on condition that RECEIVER exercises reasonable efforts to obtain reliable assurance that the DISCLOSER's INFORMATION is treated as confidential to the extent allowable by the law or government regulation requiring the COMPELLED DISCLOSURE. Such COMPELLED DISCLOSURE does not otherwise waive the non-use and confidentiality obligations set forth in Paragraph 14.2 (Obligation of Confidentiality) with respect to other uses and/or other disclosures of such INFORMATION.

14.9. **Representation That No Disclosure Required.** LICENSEE represents as of the EFFECTIVE DATE that LICENSEE does not need to disclose the terms of this agreement for any reasons permitted by Paragraph 14.8 (Required Disclosure by Law/Regulation).

14.10. **Term of Confidentiality.** Despite termination of this agreement, the obligations of confidentiality and non-use of the RECEIVER under this Article 14 with respect to specific portions of INFORMATION that is not a trade secret will survive for a period of 5 years from termination of this agreement, or upon written release of such obligations by the DISCLOSER; whichever is earlier. The confidentiality of trade secrets will be maintained by the RECIEVER indefinitely or until the trade secret falls into one of the following exceptions to confidentiality: 14.4 (Publicly Available); 14.5(Received From Others); 14.6 (Independent Developed); or 14.7 (Discloser to Others). Following termination of the obligations of confidentiality under this Article 14 (Confidentiality), the RECEIVER will be completely free of any express or implied obligations restricting disclosure and use of INFORMATION for which the termination of commitments applies, subject to the DISCLOSER's patent and other intellectual property rights.

14.11. **Disclosure of this agreement**. LICENSEE will not divulge, permit, or cause LICENSEE's officers, directors, or agents to divulge the substance of this agreement, other than to **(a)** its representatives and attorneys in the course of any legal proceeding to which either of the PARTIES is a party for the purpose of securing compliance with this agreement, or **(b)** its contract manufacturers for the purpose of complying with this agreement;. (c) as required by lenders, bankers, investors, insurers; in either case, LICENSEE will disclose only those portions of this agreement necessary for the respective purposes under (a) , (b) and (c) of this paragraph

15. Other Representations & Warranties

15.1. **Authority.** Subject to Paragraph 13.2 (OWNER Assignment of IP), each of the PARTIES represents as of the EFFECTIVE DATE and warrants for the TERM that it has authority to enter into this agreement and to perform its obligations under this agreement and that it has been authorized to sign and to deliver this agreement.

15.2. **Ownership & Right to License.** Subject to Paragraph 13.2 (OWNER Assignment of IP), OWNER represents as of the EFFECTIVE DATE that:

15.2.1. **Licensed Patents.** OWNER owns OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS.

15.2.2. **Right to License.** OWNER has the right to license the OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS under this agreement.

15.3. **Technical Information – No Liability.** Nothing in this agreement will be deemed to be a representation or warranty by OWNER of the accuracy, safety, or usefulness for any purpose of any technical information, techniques, or practices at any time made available by OWNER or any OWNER AFFILIATE. Neither OWNER nor any OWNER AFFILIATE will have any liability to LICENSEE or any other PERSON for or on account of any injury, loss, or damage, of any kind or nature, sustained by, or any damage assessed or asserted against, or any other liability incurred by or imposed on LICENSEE or any other PERSON, however caused, related to or arising out of or from: **(a)** the production, use, or sale of any apparatus or product, including LICENSED PRODUCT; **(b)** the use of any technical information, techniques, or practices disclosed by OWNER or any OWNER AFFILIATE; or**(c)** any advertising or other promotional activities with respect to any of the foregoing.

15.4. ***Express Disclaimer.*** *OWNER disclaims all representations and warranties –implied, arising by operation of law or cause of conduct, or otherwise–, including warranties of merchantability, fitness for a particular purpose, and non-infringement. OWNER does not represent or warrant the patentability, validity, or enforceability of LICENSED IP; or that LICENSED IP will not be limited by the rights of THIRD PARTIES. OWNER will not have any liabilities or responsibilities with respect to PRODUCT.*

16. Infringement

16.1. **Notification of Infringements by LICENSEE**. If LICENSEE becomes aware of any potential infringement by a THIRD PARTY of the LICENSED PATENTS or OWNER IMPROVEMENTS, LICENSEE will promptly notify OWNER in writing and will provide OWNER any information LICENSEE has in support of such belief.

16.2. **Infringement Action by OWNER**. At OWNER's discretion subject to Paragraph 16.2.1, OWNER will promptly provide written notice, to the other party, of any alleged infringement by a THIRD PARTY of the LICENSED PATENTS or OWNER IMPROVEMENTS and provide such other PARTY with any available evidence of such infringement. In the event there is good reason to believe infringement of any of the LICENSED PATENTS or OWNER IMPROVEMENTS is occurring, OWNER will take prompt action to abate or settle such infringement. OWNER shall have the right to institute an action in its own name, in so far as permitted by law, to abate the infringement and may join LICENSEE as a plaintiff, only if without cost to LICENSEE.

16.2.1. During the term of this agreement, OWNER will have the right but not an obligation to prosecute, at its own expense and utilizing counsel of its choice, any infringement of the LICENSED PATENTS and OWNER IMPROVEMENTS. OWNER will promptly provide LICENSEE copies of all litigation pleadings and other documents submitted to the court. No settlement, consent judgment or other voluntary final disposition of any such suit may be entered into without the written consent of LICENSEE, which consent will not unreasonably be withheld.

16.2.2. If within 90 days after receiving notice of any alleged infringement of the LICENSED PATENTS by a THIRD PARTY, OWNER has been unsuccessful in persuading the alleged infringer to desist, and has not brought and will not be diligently prosecuting an infringement action, or if OWNER notifies LICENSEE, at any time prior thereto, of its intention not to bring suit against the alleged infringer, then LICENSEE will have the right, but not the obligation, to prosecute, at their own expense and utilizing counsel of its choice, any infringement of the LICENSED PATENTS (a "LICENSEE Prosecution"), and LICENSEE may, for such purposes, join the OWNER as a party plaintiff, at the expense of LICENSEE. The total cost of any such infringement action commenced solely by LICENSEE will be borne by LICENSEE, and LICENSEE will first apply any recovery or damages for past infringement derived therefrom to the payment of its out of pocket expenses, including attorney's fees and court costs, and the remainder shall be divided appropriately between OWNER and LICENSEE with reference to the relative monetary injury suffered by each as a result of the infringement for which such amount is recovered. For clarity, OWNER maintains all rights related to any alleged invalidity action of the LICENSED PATENTS by a THIRD PARTY, including when invalidity action is offered as a defense to any alleged infringement of the LICENSED PATENTS by a THIRD PARTY.

16.2.3. In the event OWNER institutes an action for infringement of LICENSED PATENTS or OWNER IMPROVEMENTS in its own name and a settlement is entered into or monetary damages are awarded in a final non-appealable judgment, the amount paid as a result of such settlement or the monetary damages awarded will first be applied to the payment of OWNER's out-of-pocket expenses, including attorney's fees and court costs incurred in the action, and the balance of any such amount will be divided appropriately between OWNER and LICENSEE with reference to the relative monetary injury suffered by each as a result of the infringement for which such amount is recovered.

16.2.4. In any suit to enforce and/or defend the LICENSED PATENTS or OWNER IMPROVEMENTS pursuant to this agreement, the PARTY not in control of such suit will, at the request and expense of the controlling PARTY, cooperate in all respects and, to the extent reasonably possible, have its employees testify when requested and make available relevant records, papers, information, samples, specimens and the like.

16.3. **Notification of Infringements by OWNER**. If OWNER becomes aware of any potential infringement by a THIRD PARTY of the LICENSEE IMPROVEMENTS, OWNER will promptly notify LICENSEE in writing and will provide LICENSEE any information OWNER has in support of such belief.

16.4. **Infringement Action by LICENSEE**. At LICENSEE's discretion subject to Paragraph 16.4.1, LICENSEE will promptly provide written notice, to the other party, of any alleged infringement by a THIRD PARTY of the LICENSEE IMPROVEMENTS and provide such other PARTY with any available evidence of such infringement. In the event there is good reason to believe infringement of any of the LICENSEE IMPROVEMENTS is occurring, LICENSEE will take prompt action to abate or settle such infringement. LICENSEE shall have the right to institute an action in its own name, in so far as permitted by law, to abate the infringement. LICENSEE will utilize best efforts to avoid subjecting OWNER to any legal response related to any infringement action. Should OWNER be compelled to be part of such infringement action, LICENSEE will bear all related costs.

16.4.1. During the term of this agreement, LICENSEE will have the right but not an obligation to prosecute, at its own expense and utilizing counsel of its choice, any infringement of the LICENSEE IMPROVEMENTS. LICENSEE will promptly provide OWNER copies of all litigation pleadings and other documents submitted to the court. No settlement, consent judgment or other voluntary final disposition of any such suit may be entered into without the written consent of OWNER, which consent will not unreasonably be withheld.

16.4.2. In the event LICENSEE institutes an action for infringement of LICENSEE IMPROVEMENTS in its own name and a settlement is entered into or monetary damages are awarded in a final non-appealable judgment, the amount paid as a result of such settlement or the monetary damages awarded will be payable to LICENSEE.

16.4.3. In any suit to enforce and/or defend the LICENSEE IMPROVEMENTS pursuant to this agreement, the PARTY not in control of such suit will, at the request and expense of the controlling PARTY, cooperate in all respects and, to the extent reasonably possible, have its employees testify when requested and make available relevant records, papers, information, samples, specimens and the like.

This insurance coverage will provide protection against all claims, demands, causes of action, or damages, including attorneys' fees, arising out of any alleged defect in the LICENSED PRODUCT, or any use thereof, of not less than $[***] combined single limit for bodily injury, including death, personal injury and property damage, and with a deductible no greater than $[***] through the end of Phase 3 and not less than $[***] combined single limit for bodily injury, including death, personal injury and property damage, and with a deductible no greater than $[***] after Phase 3. The insurance policy will name OWNER as an additional insured party. In addition, LICENSEE will name OWNER as an insured on all excess or umbrella policies carried by LICENSEE. If applicable law limits the application of the provisions of this Section 17.5, each PARTY's liability will be limited to the maximum extent permissible.

18. Miscellaneous

18.1. **Applicable Law.** All matters arising under or relating to this agreement are governed by the laws of the State of Ohio applicable to contracts made and performed entirely in such state, without regard to any principle of conflict or choice of laws that would cause the application of the laws of any other jurisdiction. Despite the above, the substantive law of the country of each respective LICENSED PATENT governs the validity and enforceability of the subject LICENSE PATENT.

18.2. **Construction.** The words "hereof," "herein" and "hereunder" and words of similar import when used in this agreement will refer to this agreement as a whole and not to any particular provision of this agreement. The meanings given to terms defined in this agreement will be equally applicable to both the singular and plural forms of these terms. 18.5. **Counterparts.** This agreement may be signed in one or more counterparts, each of which will be deemed to be an original, but all of which will constitute one and the same instrument. A facsimile or .pdf copy of a signature of a PARTY will have the same effect and validity as an original signature.

18.6. **Dispute Resolution.** It is the intention of both PARTIES to attempt to settle all issues between the PARTIES arising from this agreement by negotiations between the PARTIES. But, should such efforts not be successful, all such disputes will be brought exclusively before the appropriate courts in the State of Ohio, Hamilton County.

18.7. **Effect of Supply Relationship.** The terms contained in this agreement are independent of any contractual supply agreements between OWNER and LICENSEE for purchase of LICENSED PRODUCT for use by OWNER.

No amendment to this agreement will be effective unless it is in a subsequent writing signed with the same formalities as this agreement.

18.8.1. **Cross-Termination Clause Exception.** Despite Paragraph 18.8 (Entire agreement / Amendments), this agreement does not supersede any rights set forth in any previous or future agreement ("**PREV/FUT AGREEMENT**") between the PARTIES that may give the OWNER the right, following termination of the PREV/FUT AGREEMENT, to also terminate any other agreement OWNER may have with LICENSEE, including termination of this agreement.

18.9. **Expenses.** Except as specifically provided to the contrary in this agreement, all costs, fees and/or expenses incurred in connection with this agreement will be paid by the PARTY incurring such costs, fees and/or expenses.

18.10. **Force Majeure.** Neither OWNER nor LICENSEE will be liable to the other for any failure to comply with any terms of this agreement to the extent the failure is caused directly or indirectly by acts or occurrences beyond the control of or without fault on the part of either PARTY, including: acts of nature, fire, government restrictions or other government acts, strike or other labor dispute, riots, insurrection, terrorism, threats of terrorism, or war (whether or not declared). But, LICENSEE will continue to be obligated to pay OWNER when due all amounts which it will have duly become obligated to pay in accordance with the terms of this agreement and OWNER will continue to be bound by any exclusivity provisions under this agreement. Upon the occurrence of any event of the type referred to in this Paragraph 18.11, the affected PARTY will give prompt notice to the other PARTY, together with a description of the event and the duration for which the affected PARTY expects its ability to comply with the provisions of this agreement to be affected. The affected PARTY will devote reasonable efforts to remedy to the extent possible the condition giving rise to the failure event and to resume performance of its obligations under this agreement as promptly as possible.

18.11. **Further Assurances.** Each PARTY will sign and deliver those additional documents or take those additional actions as may be reasonably requested by the other PARTY if the requested document or action is reasonably necessary to accomplish the purposes of or obligations imposed under this agreement.

18.13. **No Special Payments.** OWNER does not make any special payments, in cash or in kind, either directly or indirectly, to any THIRD PARTY with a view to influencing unduly the decision of the THIRD PARTY in order to obtain any benefit or advantage. Nothing in this agreement authorizes LICENSEE to make any such special payments, either directly or indirectly, in the performance of its obligations under this agreement, nor will OWNER reimburse any such special payments.

18.14. **No Third Party Beneficiaries.** Despite anything in this agreement to the contrary, nothing in this agreement, expressed or implied, is intended to confer on any PERSON other than the PARTIES or their respective permitted successors and assignees, any rights, remedies, obligations, or liabilities under or by reason of this agreement.

18.15. **Non-reliance.** In evaluating and entering into this agreement neither PARTY relied and are not relying on any representations, warranties, agreements, or other statements, whether oral or written, of the other, including with regard to any level of profitability, except those representations, warranties, and agreements specifically set forth in this agreement.

18.16. **Non-waiver.** If either PARTY at any time waives any of its rights under this agreement or the performance by the other PARTY of any of its obligations under this agreement, the waiver will not be construed as a continuing waiver of the same rights or obligations or a waiver of any other rights or obligations.

18.17. **Notices.** All notices under this agreement will be sent to the respective PARTIES at the following addresses (or such other addresses as a PARTY designates for itself, to the other PARTY by written notice) by certified or registered mail, or sent by a nationally recognized overnight courier service; and will be deemed to have been given one day after being sent:

Nothing in this agreement will be construed as creating the relationship of employer and employee, joint venture, partnership, distributorship, franchise, agency or consignment between the PARTIES.

18.20. **Severability.** If and to the extent that any court or tribunal of competent jurisdiction holds any of the terms or provisions of this agreement, or the application thereof to any circumstances, to be invalid or unenforceable in a final nonappealable order, the PARTIES will use their reasonable efforts to reform the portions of this agreement declared invalid to realize the intent of the PARTIES as fully as practicable, and the remainder of this agreement and the application of the invalid term or provision to circumstances other than those as to which it is held invalid or unenforceable will not be affected thereby, and each of the remaining terms and provisions of this agreement will remain valid and enforceable to the fullest extent of the law.

If an employee terminates with a PARTY then the other PARTY will neither solicit for employment directly or indirectly, nor employ such employee for a period of 90 days after the termination of such employee's employment. This provision will not operate or be construed to prevent or limit any employee's right to practice his or her profession or to utilize his or her skills for another employer or to restrict any employee's freedom of movement or association. Neither the publication of classified advertisements in newspapers, periodicals, Internet bulletin boards, or other publications of general availability or circulation nor the consideration and hiring of persons responding to such advertisements is deemed a breach of this Paragraph, unless the advertisement and solicitation is undertaken as a means to circumvent or conceal a violation of this Paragraph, and/or the hiring party acts with knowledge of this hiring prohibition.

18.22. **Time of the Essence.** Subject to the next full sentence, time is of the essence in this agreement. Whenever action must be taken (including the giving of notice or the delivery of documents) under this agreement during a certain period of time or by a particular date that ends or occurs on a non-BUSINESS DAY, then the period or date will be extended until the immediately following BUSINESS DAY.

The PARTIES, by their authorized representatives, sign this agreement in duplicate; with each PARTY receiving one of the signed originals of this agreement.

- Within months 13-18 from the EFFECTIVE DATE, LICENSEE will commit to either develop a pilot plant before the commercial production line, or develop a commercial production line without a pilot plant.
- If LICENSEE chooses to develop a pilot plant, the pilot plant will be operational within 30 months from the EFFECTIVE DATE.
- If LICENSEE chooses to develop a commercial production line without a pilot plant, LICENSEE will have a plant design completed and an identified location for the plant before the end of PHASE 2.

EXHIBIT 4 – PHASE 2 SUCCESS CRITERIA

- LICENSEE will achieve technical autonomy, which is defined as LICENSEE needing no further technical support from OWNER.
- LICENSEE will have an operational pilot plant or a commercial scale plant design and a location for the commercial scale plant by the end of PHASE 2.

EXHIBIT 5 – NET PROFIT Calculation

NET PROFIT equals NET SALES minus the sum of direct and allocated costs. NET PROFIT can never be less than zero. NET PROFIT per package sold is NET PROFIT divided by the number of packages sold over the time frame of interest. LICENSEE's transactions with third parties that impact any portion of the NET PROFIT calculation will be on terms no less favorable than an arm's length transaction between two unaffiliated parties.

Within the 6 month period before the commercial sales of LICENSED PRODUCT begins, the PARTIES will meet to mutually agree on the definition of direct and allocated costs that go into the calculation of NET PROFIT. The agreed upon definitions will be added to EXHIBIT 6 and become a part of this agreement. EXHIBIT 6 will be updated and amended from time to time upon mutual agreement of the PARTIES.

The following are basic principles that the PARTIES will use to arrive at the definition of direct and allocated costs:

1. Direct costs attributable to the LICENSED PRODUCT may include any combination of the following:
    a. The product cost, which is the sum of:
        i. material costs for the finished package;
        ii. manufacturing operating expenses which include, direct labor, contractor fees, utilities, supplies, rent, training and travel;
        iii. transportation costs, handling charges, logistics and warehousing;
        iv. manufacturing overhead, which includes plant management, labor, supplies, training and travel, and property taxes.
    b. Sales labor, distributor fees, and general management expenses.
    c. Debt service.

2. Direct costs may further include depreciation on property, plant and equipment that is used exclusively for the manufacture of LICENSED PRODUCT. Depreciation on shared manufacturing, distribution and product development assets used to manufacture LICENSED PRODUCT will be shared pro-rata based upon an allocation process to be mutually agreed to in writing by the PARTIES.
3. Allocated costs are the costs that cannot be attributed solely to the business.

EXHIBIT 6 - Annual Calculation of Direct and Allocated Costs

To be populated annually.

EXHIBIT 7 – Example of a Warrant Agreement

NEITHER THIS WARRANT NOR THE SECURITIES ISSUABLE UPON EXERCISE HEREOF HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY APPLICABLE STATE SECURITIES LAW, AND NO INTEREST HEREIN OR THEREIN MAY BE SOLD, DISTRIBUTED, ASSIGNED, OFFERED, PLEDGED OR OTHERWISE TRANSFERRED UNLESS (A) THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS COVERING ANY SUCH TRANSACTION, (B) THE COMPANY RECEIVES AN OPINION OF COUNSEL FOR THE HOLDER OF SUCH SECURITIES (CONCURRED IN BY COUNSEL FOR THE COMPANY) THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION, OR (C) THE COMPANY OTHERWISE SATISFIES ITSELF THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION.

Warrant No.: 001 **Original Date of Issue: February XX, 2018**

AEROFLEXX, LLC

UNIT PURCHASE WARRANT

On the terms and subject to the conditions set forth in this Unit Purchase Warrant (this " Warrant"), for good and valuable consideration paid, The Procter & Gamble Company, or such person to whom this Warrant is properly transferred pursuant to Section 9 (the "Holder"), is hereby entitled, at any time during the Exercise Period (as defined below), to purchase a number of duly authorized, validly issued, fully paid and nonassessable Class B Units of AeroFlexx, LLC, a Delaware LLC (the "Company"), (as such number of Class B Units may be subject to adjustment as provided herein), equal to an amount that initially represents10% of all of the outstanding equity of the Company, on a fully diluted basis, including any Units reserved for issuance as a result of any equity-based award. The aggregate exercise price for all such Class B Units will equal one dollar ($1.00).
For purposes of this Warrant, (a) the term " Warrant Unit" means the Company's Class B Units issuable pursuant to this Warrant and (b) the term "Exercise Price" means an aggregate price of one dollar ($1.00). Capitalized terms used and not otherwise defined herein have the meanings ascribed to such terms in the Company's Limited Liability Company Operating Agreement as in effect as of XXX, XX, 20XX.

1. Number of Units Subject to Warrant. Subject to the terms and conditions hereinafter set forth, the Holder is entitled, upon exercise as set forth in Section 2, to purchase from the Company, at a price equal to the Exercise Price, up to XXX,XXX (XXX,XXX) Warrant Units.

2. Exercise

2.1 Exercise Period

The "Exercise Period" of this Warrant shall commence at the signing of this Unit Purchase Warrant and shall terminate on the earliest to occur of (a) the closing of a Change of Control Transaction, or (b) the closing of a Qualified IPO. The Company shall provide at least twenty (20) days written notice prior to an event described in Sections 2.1(a) or 2.1(b).

2.2 Procedure for Exercise

This Warrant may be exercised at any time during the Exercise Period, in whole or part, by delivering to the Company (a) the form of Exercise Notice attached hereto in substantially the form attached hereto as Exhibit A duly completed and executed by the Holder, (b) this Warrant certificate, and (c) cash, a bank cashier's check or wire transfer of immediately payable funds payable to the Company in the amount of the Exercise Price. The Holder will be deemed to be the holder of record of the Warrant Units as to which the Warrant was exercised in accordance with this Warrant, effective on the date and time such exercise is completed and all documents specified above are delivered to and accepted by the Company.

3. Delivery of Unit Certificate

Within ten days after the exercise of this Warrant (in full or in part) and payment of the Exercise Price, the Company shall issue in the name of and deliver to the Holder (a) a certificate or certificates for the number of fully paid and nonassessable Warrant Units to which the Holder shall be entitled upon such exercise and (b) a replacement Warrant for the number of Warrant Units to which the Holder remains entitled to purchase. In the event of any partial exercise hereunder, the Exercise Price for the remaining Warrant Units shall equal one dollar ($1.00).

4. Reservation of Warrant Unit

The Company covenants and agrees that all Warrant Units that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times have the authority to issue a sufficient number of Warrant Units to provide for the exercise of the rights represented by this Warrant. If at any time prior to the end of the Exercise Period the Company is not authorized to issue Warrant Units sufficient to permit exercise of this Warrant, the Company will take such company action as may, in the opinion of its counsel, be necessary to be authorized to issue Warrant Units in a number as is sufficient for such purposes.

5. Effect of Reorganization

(a) **Reorganization—No Change in Control**

If a merger, consolidation, share exchange, acquisition of all or substantially all of the property or Unit, liquidation, or other reorganization of the Company (collectively, a "Reorganization") is to be effected prior to expiration of the Exercise Period, as a result of which the Members of the Company will receive cash, Units, or other property in exchange for their Units and the holders of the Company's voting equity securities immediately prior to such Reorganization (assuming conversion of all convertible securities and exercise of all options, warrants, and other exercisable securities after giving effect to any acceleration of vesting provisions that will apply in connection with such transaction) together will own a majority interest of the voting equity securities of the successor entity (or its parent) following such Reorganization, lawful provision shall be made so that the Holder shall thereafter be entitled to receive, upon exercise of this Warrant, the number of securities resulting from such Reorganization (and cash and other property) to which a holder of the Company's Class B Units would have been entitled in such Reorganization if this Warrant had been exercised in full immediately prior to such Reorganization. In any such case, appropriate adjustment (as determined in good faith by the Company's Board of Directors) shall be made in the application of the provisions of this Warrant with respect to the rights and interest of the Holder after the Reorganization to the end that the provisions of this Warrant (including adjustments of the number and type of securities purchasable pursuant to the terms of this Warrant) shall be applicable after that event, as near as reasonably may be, in relation to any units deliverable after that event upon the exercise of this Warrant. The Company will provide the Holder with at least 20 days prior written notice of any such contemplated Reorganization.

(b) **Reorganization—Change in Control; Qualified IPO Termination of Warrant**

If a Reorganization is to be effected prior to expiration of the Exercise Period that will constitute a Change of Control Transaction, or there will be a Qualified IPO, the Company shall provide the Holder an opportunity to exercise this Warrant in full at least 20 days prior to the date on which a record will be taken for determining rights to vote, if any, in respect of such Reorganization or Qualified IPO. Notwithstanding the period of exercisability stated on the face of this Warrant, this Warrant shall expire upon the closing of such Change of Control Transaction or Qualified IPO to the extent not exercised prior to such closing (including an exercise that is effective upon, or immediately prior to, such closing).

6. Adjustments for Unit Splits; Conversion or Exchange of Warrant Unit; Anti Dilution Protection.

(a) If the Company's outstanding Class B Units shall be subdivided into a greater number of units or a dividend in Class B Units shall be paid in respect of Class B Units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted. If outstanding Class B Units shall be combined into a smaller number of units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted.

(b) In the event that the Company's Class B Units are exchanged for or reclassified into units of a different class or series, this Warrant shall thereafter be exercisable for the number and class of units into which the Class B Units otherwise purchasable under this Warrant would have been converted, exchanged, or reclassified if this Warrant had been exercised in full immediately prior to any such transaction.

(c) The number of Warrant Units exercisable upon full exercise of this Warrant initially represented a 10% Sharing Percentage in the Company, calculated on a fully diluted basis. The Sharing Percentage represented by this Warrant will be subject to adjustment on a pari passu basis with all outstanding Class B Units at any given time, and as of the date of this Amended and Restated Patent and Know How License Agreement, Holder's Sharing Percentage in the Company has been diluted to 7.5%. In consideration of this Amended and Restated Patent and Know How License Agreement, the Parties agree that the number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) will not be reduced below an 8.75% (where the Holder has not entered into a supply agreement, as defined below (a "Supply Agreement"), with the Company) or 10% (where the Holder has entered into a Supply Agreement with the Company) Sharing Percentage in the Company, calculated on a fully diluted basis. To the extent that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be reduced below an 8.75% (where the Holder has not entered into a Supply Agreement with the Company) or 10% (where the Holder has entered into a Supply Agreement with the Company) Sharing Percentage in the Company, calculated on a fully diluted basis, the number of Warrant Units purchasable upon the exercise of this Warrant shall be increased such that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be equal to an 8.75% (where the Holder has not entered into a Supply Agreement with the Company) or 10% (where the Holder has entered into a Supply Agreement with the Company) Sharing Percentage in the Company, calculated on a fully diluted basis. The aggregate Exercise Price for the exercise of all Warrant Units after any adjustment under this Section 6(c) will be the same as the aggregate Exercise Price prior to such adjustment. For purposes of this Paragraph 6, a "Supply Agreement" means an agreement for the purchase by the Holder on or before the date on which the Company enters into a Change of Control Transaction or a Qualified IPO.

7. Compliance With Securities Act.

(a) Compliance With Securities Act. The Holder, by acceptance hereof, agrees that this Warrant, and the Units issuable upon exercise of this Warrant, are being acquired for investment and that such Holder will not offer, sell or otherwise dispose of this Warrant, or any Units issuable upon exercise of this Warrant, except under circumstances which will not result in a violation of the Securities Act (defined below), or any applicable state securities laws. THIS WARRANT HAS BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE."

(b) Restricted Securities. The Holder understands that this Warrant and the Units issuable upon exercise of this Warrant, will not be registered at the time of their issuance under the Securities Act for the reason that the sale provided for herein and in the Purchase Agreement is exempt pursuant to Section 4(2) of the Securities Act based on the representations of the Holder set forth herein. The Holder represents that it is experienced in evaluating companies such as the Company, has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment, and has the ability to suffer the total loss of the investment. The Holder further represents that it has had the opportunity to ask questions of and receive answers from the Company concerning the terms and conditions of this Warrant, the business of the Company, and to obtain additional information to such Holder's satisfaction. The Holder further represents that it is an "accredited investor" within the meaning of Regulation D under the Securities Act, as presently in effect. The Holder further represents that this Warrant is being acquired for the account of the Holder for investment only and not with a view to, or with any intention of, a distribution or resale thereof, in whole or in part, or the grant of any participation therein.

8. Fractional Units

No fractional Warrant Units shall be issued upon the exercise of this Warrant. In lieu of fractional units, the Company shall pay the Holder a sum in cash equal to the fair market value of the fractional unit (as determined in good faith by the Company's Board of Directors) on the date of exercise.

9. Restrictions on Transfer

Neither this Warrant nor any securities issued upon exercise of this Warrant may be transferred or assigned by the Holder without the consent of the Company, except to an affiliate of such Holder; provided that (a) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee; (b) such transferee or assignee agrees in writing to be bound by and subject to the terms and conditions of this Warrant; and (c) such assignment shall be effective only if, immediately following such transfer, the further disposition of this Warrant and any securities issued upon exercise of this Warrant by the transferee or assignee is restricted under the Securities Act of 1933, as amended. A legend setting forth or referring to the above restrictions shall be placed on this Warrant, any replacement hereof and any certificate representing a security issued pursuant to the exercise hereof, and a stop transfer restriction or order shall be placed on the books of the Company and with any transfer agent until such securities may be legally sold or otherwise transferred. Subject to the foregoing, this Warrant and the rights of the Holder hereunder may be transferred, properly endorsed for transfer by delivery of an Assignment Form in substantially the form attached hereto as Exhibit B, to any person or entity who agrees to be bound hereby as the Holder, and the rights and obligations of the Holder hereunder shall be binding upon and shall inure to the benefit of any such successors, assigns, and transferees.

10. No Member Rights

This Warrant shall not entitle the Holder to any voting rights or any other rights as a Member of the Company or to any other rights whatsoever except the rights stated herein.

11. Member Rights

Upon exercise, the Holder will be entitled to become a party to the Limited Liability Operating Agreement of the Company, dated February XX, 2018, as the same may be amended from time to time.

12. Construction

The validity and interpretation of the terms and provisions of this Warrant shall be governed by the laws of the State of Delaware. The descriptive headings of the several sections of this Warrant are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions thereof.

13. Expiration

This Warrant shall be void and all rights represented thereby shall cease unless exercised during the Exercise Period. All restrictions set forth herein on the Units issued upon exercise of any rights hereunder shall survive such exercise and expiration of the rights granted hereunder.

14. Exchange or Replacement of Warrant

If this Warrant is lost, stolen, mutilated or destroyed, the Company shall, upon request in writing from the Holder and subject to compliance by Holder with the following sentence, issue a new Warrant of like denomination, tenor and date as this Warrant, subject to the Company's right to require the Holder to give the Company a bond or other satisfactory security sufficient to indemnify the Company against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft, mutilation or destruction of this Warrant or the issuance of such new Warrant. The Holder shall reimburse the Company for any and all reasonable expenses and costs incurred by the Company in connection with issuing a new Warrant under this Section 14.

15. Waivers and Amendments

This Warrant or any provision hereof may be changed, waived, discharged, or terminated only by a statement in writing signed by the Company and the Holder. No course of dealing or any delay or failure to exercise any right, power, or remedy hereunder on the part of any Holder of this Warrant shall operate as a waiver or otherwise prejudice such Holder's rights, powers or remedies.

16. Notices

All notices or other communications required or permitted hereunder shall be in writing and shall be delivered by personal delivery, reputable overnight courier service, faxed or mailed by United States mail, first-class postage prepaid, or by registered or certified mail with return receipt requested, addressed as follows:

This Warrant may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts will together constitute one instrument.

18. Remedies

The Company acknowledges that the remedies at law of the Holder of the performance of or compliance with any of the terms of this Warrant are not and will not be adequate and that, to the fullest extent permitted by law, such terms may be specifically enforced by a decree for the specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise without requiring such Holder to post any bond or other security, unless otherwise required by applicable law (which cannot be waived by the Company).

It is anticipated that OWNER FTEs will continue to work with LICENSEE, and be funded by LICENSEE after such 4 month period. Licensee will have a fully operational commercial production line producing LICENSED PRODUCT within the later of 48 months from the EFFECTIVE DATE or the end of PHASE 3. This agreement will terminate at the election of OWNER upon written notice to LICENSEE if LICENSEE is unable to either: **(a)** begin construction on a commercial production line for the COMMERCIAL PLANT within 6 months of start of PHASE 3 or **(b)** have a fully operational commercial production line producing LICENSED PRODUCT within the later of 48 months from the EFFECTIVE DATE or the end of PHASE 3.

If LICENSEE builds and starts production of a COMMERCIAL PLANT for the manufacture of LICENSED PRODUCT before December 31, 2021, the second PHASE 3 engagement fee of $[***] will be due on the day production of LICENSED PRODUCT begins.

4.5. **START OF SALES.** At or before the end of PHASE 3, LICENSEE will start and maintain commercial sales from the 1st COMMERCIAL PLANT ("**START OF SALES**"). If LICENSEE is unable to start and maintain commercial sales, LICENSEE will still be subject to the provisions of Paragraph 4.3 (Plant Funding and Construction), or Paragraph 4.8 (Annual Minimum Royalties).

4.6. **COMMERCIAL PATENT AND KNOW-HOW LICENSE.** OWNER hereby grants LICENSEE a SOLE, royalty bearing, worldwide, non-assignable and otherwise non-transferable, revocable, license under OWNER'S PRE-EXISTING IP, LICENSED IP, and IMPROVEMENTS to make, have made, use, offer to sell, and sell the LICENSED PRODUCT, subject to the following time restrictions ("**COMMERCIAL PATENT LICENSE**"). The term for this worldwide COMMERCIAL PATENT LICENSE will begin at the end of the PHASE 3 TERM and will end as set forth in Section 7.1.

4.7. **Royalties.** LICENSEE will pay a royalty to OWNER every year according to the per-package Estimated Royalty Rate defined in Table 4.7 or the Minimum Royalty defined in Paragraph 4.8 (Minimum Royalty), whichever is greater. If the calculated Estimated Royalty per Table 4.7 is greater than the Minimum royalty the following will apply. If the calculated Estimated Royalty on the number of packages sold divided by the packages sold is less than 25% of the NET PROFIT per package sold as defined in Exhibit 5, in any given calendar year, LICENSEE will pay OWNER the difference in the following calendar year. If the calculated Estimated Royalty on the number of packages sold divided by the packages sold is more than 25% of the NET PROFIT per package sold in any given calendar year, OWNER will pay LICENSEE the difference in the following calendar year. If OWNER is required to refund money to LICENSEE in any calendar year, LICENSEE will still be responsible to meet the Minimum Royalty for that calendar year. Royalty rates will begin, at the latest, 48 months after the EFFECTIVE DATE and will be due quarterly, 30 days after the end of each quarter. Exhibit 6 provides examples of the end of year adjustments to the estimated royalties paid by LICENSEE.

Table 4.7

Estimated Royalty Rate	Bracket
[***]	[***]
[***]	[***]
[***]	[***]
[***]	[***]

4.8. **Annual Minimum Royalties.** The Minimum Royalty to maintain the SOLE COMMERCIAL PATENT AND KNOW-HOW LICENSE will be:

4.8.1. In Year 5 of this agreement = $[***]

4.8.2. In Year 6 of this agreement = $[***]

4.8.3. In Year 7 of this agreement = $[***]

4.8.4. In Year 8 of this agreement = $[***]

4.8.5. In Year 9 of this agreement = $[***]

4.8.6. In Year 10 of this agreement = $[***]

4.8.7. In Year 11 of this agreement = $[***]

4.8.8. In Year 12 of this agreement = $[***]

4.8.9. In Year 13 of this agreement = $[***]

4.8.10. In Year 14 and all future years of this agreement = $[***] per year

4.9. **Failure to Pay Minimum Royalties.** If LICENSEE fails to pay at least the Minimum Royalty in any year, the COMMERCIAL PATENT AND KNOW-HOW LICENSE will immediately revert to a non-exclusive license and OWNER's right to collect at least [***]% of the NET PROFIT per package sold by LICENSEE will increase to [***]% of the NET PROFIT per package sold as defined in Paragraph 4.7 (Royalties). OWNER will thereafter have the right to license OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to THIRD PARTIES, subject to the remaining rights of LICENSEE under this agreement. Should a THIRD PARTY begin selling LICENSED PRODUCT using OWNER PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS, the royalty paid to OWNER by LICENSEE will automatically revert to 25% of NET PROFIT per package. If LICENSEE pays all minimums due before OWNER licenses the OWNER's PRE-EXISTING IP, LICENSED IP and IMPROVEMENTS to a THIRD PARTY, LICENSEE's SOLE license will be reinstated.

4.10. **OWNER Supply of LICENSED PRODUCT.** At OWNER's sole discretion but subject to terms to be agreed with LICENSEE, LICENSEE may meet all or any agreed portion of OWNER's supply needs for LICENSED PRODUCT during the TERM. LICENSEE will be required to meet all of OWNER's specifications and requirements for the LICENSED PRODUCT. The terms of LICENSEE's supply to OWNER of LICENSED PRODUCT will be negotiated in a separate supply agreement to be negotiated between LICENSEE and OWNER using commercially reasonable efforts. LICENSEE will not be responsible to pay royalties to OWNER for products LICENSEE supplies to OWNER.

4.11. **Most Favored Nation Pricing.** For each CONTRACT YEAR, LICENSEE will not sell the LICENSED PRODUCT to any THIRD PARTY (taking account of comparable terms as to volume, package complexity and period) for less than the price LICENSEE offers to OWNER for the same CONTRACT YEAR ("**MFN PRICING**").

5. Payments

5.1. **Payment Due Dates.** LICENSEE will pay all royalty obligations under this agreement which accrued after the end of Phase 3 within 30 calendar days following the end of each quarterly period of the CONTRACT YEAR in which the royalties have accrued. LICENSEE will pay all other payments and fees accruing to OWNER under the terms of this agreement on or before their respective due dates. OWNER will pay any obligations under this agreement to LICENSEE within 30 calendar days following the end of the CONTRACT YEAR in which the royalties have accrued.

5.2. **Late Payments.** Payments provided for in this agreement, when overdue, will bear interest at a rate of 12% per annum for the time period from the payment due date until payment is received by OWNER.

5.3. **Wire Transfer.** All payments, fees and royalties are to be transferred by wire to OWNER's Citibank, New York, USD account labeled 0000-1986, ABA#021000089, or as OWNER might otherwise direct in writing. If a subject payment, fee, or royalty must be paid in non-USD pursuant to Paragraph 5.6 (Currency), then LICENSEE will promptly notify OWNER and OWNER will provide LICENSEE the appropriate P&G-required bank deposit information.

5.4. **Payment Reference.** In the detail section of the transmission for royalty payments, LICENSEE will provide the following statement: *AIR ASSIST Technologies Royalty Payment for Patent License, Contract # [____]: For Royalty Period (_____)*", providing within the parentheses the period the royalties relate to, e.g., "(First Half, 2016)". OWNER will provide the contract number to LICENSEE together with a Contract Administration packet.

5.5. **Payment Notice.** When money is transferred, LICENSEE will send a notice to the following address, and/or such other address as OWNER designates by written notice:

The Procter & Gamble Company
P.O. Box 330176
West Hartford, CT 06133-0176
Attention: Contract Administration
Telephone: (860) 236-8002
Fax: (860) 570-2444

5.6. **Currency.** LICENSEE will pay all royalties and other payment obligations of LICENSEE in USD. If the royalty was generated in non-USD, then the royalties will be calculated separately for each quarterly period by determining the aggregate NET SALES of LICENSED PRODUCT for that quarter in local currency, then converting same to USD using an average of the conversion rates for the first through last BUSINESS DAY of that quarterly period as published in The Wall Street Journal, New York edition. The royalties for each quarterly period will be calculated separately as described, and then added to arrive at the royalty payment in USD.

5.7. **Statements & Reports.** With the exception of royalties which are paid quarterly, Within75 calendar days after the end of each calendar year, LICENSEE will prepare and issue to OWNER verified reports for each calendar year in the English language that will include:

5.7.1. **Label.** a label identifying this agreement's title, reference number, and quarterly period;

5.7.2. **Totals.** total number or amount of LICENSED PRODUCT sold or OTHERWISE DISTRIBUTED by LICENSEE;

5.7.3. **Sales.** GROSS SALES and NET SALES;

5.7.4. **Deductions & Returns.** itemized deductions and returns by LICENSED PRODUCT, used to calculate NET SALES;

5.7.5. **Direct and Allocated Costs.** The direct and allocated costs used to calculate the NET PROFIT of each package sold as defined in Exhibit 5;

5.7.6. **Royalties.** the royalties accrued during the quarterly period and payable to OWNER by LICENSEE, including supporting summary calculations;

5.7.7. **Forecasts.** LICENSEE's forecasts for NET PROFIT per package sold and the forecast of number of packages LICENSEE will sell for the next 4 quarterly periods; and

5.8. **Report if No Product Sold.** If no LICENSED PRODUCT is sold or OTHERWISE DISTRIBUTED by LICENSEE during the reporting period, LICENSEE will prepare and issue a report to OWNER to that effect, within 30 calendar days after the end of each quarterly period.

5.9. **Transmitting Reports.** LICENSEE will transmit, via a method and form as directed by OWNER, the reports of Paragraphs 5.7 (Statements & Reports) and 5.8 (Report if No Product Sold) to the following addresses, or such other address as OWNER designates by written notice:

The Procter & Gamble Company
P.O. Box 330176
West Hartford, CT 06133-0176
Attention: Contract Administration

Telephone: (860) 236-8002
Fax: (860) 570-2444
Email: contracts@pg-compl.com

5.10. **Taxes.** LICENSEE is responsible for timely paying all taxes on the sales of LICENSED PRODUCT.

5.11. **Withholding.** If any taxes on sales of LICENSED PRODUCT are owed by OWNER and required by law or regulation to be withheld on any royalty or other payments under this agreement, then:

5.11.1. **Payment.** LICENSEE will timely pay the taxes on behalf of OWNER.

5.11.2. **Deduction.** LICENSEE will deduct the amount of the taxes from the subject royalty before paying the royalty to OWNER.

5.11.3. **Certificate.** LICENSEE will provide to OWNER a certified copy of the withholding tax certificate for the taxes.

5.11.4. **Assistance.** LICENSEE will assist OWNER with obtaining other necessary documentation for the taxes, including documentation required by revenue authorities to enable OWNER to claim exemption or repayment of the taxes.

6. Ownership of IMPROVEMENTS

6.1. **IMPROVEMENTS.** IMPROVEMENTS made by the PARTIES, solely or jointly, are owned by OWNER, and any rights that might accrue to LICENSEE arising from its inventive contribution to IMPROVEMENTS are hereby assigned to OWNER. Despite anything to the contrary in this agreement except Section 6.2, any decision as to whether to file a patent application, continue prosecution of a patent application, or continue the maintenance of any granted patent on an IMPROVEMENT will be at OWNER's discretion. LICENSEE will sign any documents that OWNER deems reasonably necessary to secure OWNER's proprietary rights as set forth in this Paragraph 6.1, such as to obtain and/or maintain patents, worldwide, or other protection covering IMPROVEMENTS and to fully cooperate as requested to do so in the prosecution and/or maintenance of such patents or other applications. Any such filing, prosecution and maintenance as well as the drafting of any such documents will be at OWNER's expense.

6.2. **Unelected IMPROVEMENTS.** The Parties will discuss, in good faith, whether the IMPROVEMENTS will be maintained as a trade secret. If OWNER elects not to file patent applications on IMPROVEMENTS or maintain as a trade secret, LICENSEE will have the option of filing patent applications at LICENSEE's expense, with LICENSEE having sole ownership ("**AIR ASSIST FILINGS**"). LICENSEE will provide OWNER a non-exclusive, royalty-free license to any AIR ASSIST FILINGS, which will convert to an exclusive, royalty-free license at the end of the TERM. For the life of the AIR ASSIST FILINGS, OWNER, at OWNER's sole discretion, may purchase from LICENSEE any of the AIR ASSIST FILINGS for the associated filing and legal costs, subject to the rights of Paragraph 6.1 (IMPROVEMENTS).

6.3. **PRE-EXISTING IP.** Each PARTY's PRE-EXISTING IP will remain the absolute unencumbered property of the respective owner of the rights at the EFFECTIVE DATE, except for the limited rights explicitly set forth in this agreement.

7. Term

7.1. **Term.** This agreement is effective from the EFFECTIVE DATE and continues until terminated under Article 8 (Termination), unless terminated earlier under the PHASE 1 TERM, or PHASE 2 TERM; (any such period, the "**TERM**").

8. Termination

8.1. **Breach.** Either PARTY may terminate this agreement if the other PARTY is in material breach of any representation, warranty, obligation, or agreement contained in this agreement, after providing written notice to the other PARTY of such intent and reason for termination. This termination will be: **(a)** effective immediately upon notice with respect to breaches that are not curable; and **(b)** effective within 90 calendar days after the date of the notice for curable breaches, unless before the end of that period the other PARTY cured the breach identified in the notice. If the breach is cured in the specified period and the breaching PARTY receives written acknowledgement from the non-breaching PARTY that the breach has been cured, then the notice of termination will be void and of no effect. LICENSEE's failure to meet the provisions of Paragraph 4.3 (Plant Funding and Construction) will be material breaches of this agreement.

8.2. **Cause.** Despite Paragraph 8.2 (Breach), OWNER may terminate this agreement immediately upon written notice to LICENSEE at any time selected by OWNER, following the occurrence of any one or more of the events of Paragraph 8.3.1 (False Report), 8.3.2, (False Claim) or 8.3.3 (Insolvency), unless the event is cured within 7 calendar days after the date of the event and the breaching PARTY provides written acknowledgement to the non-breaching PARTY that the breach has been cured:

8.2.1. **False Report.** if LICENSEE at any time makes a knowingly false report, or habitually makes inaccurate reports,

8.2.2. **False Claim.** if LICENSEE has made any knowingly false claim about LICENSED PRODUCT, including claims of product performance and/or efficacy;

8.2.3. **Insolvency.** Despite Paragraph 8.2 (Breach), this agreement immediately terminates if LICENSEE: **(a)** suspends or discontinues substantially all of its business operations; **(b)** makes any assignment for the benefit of its creditors;**(c)** applies for, seeks, consents to, or acquiesces in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any part of its property; **(d)** fails to pay or admits in writing its inability to pay its debts generally as they become due; **(e)** has involuntary bankruptcy proceedings commenced against it under the United States Bankruptcy Code (and such proceedings or petition remains undismissed or unstayed for a period of more than 60 days); **(f)** institutes, or consents to any proceeding seeking to have entered against LICENSEE an order for relief under the United States Bankruptcy Code; or **(g)** institutes, or consents to any proceeding seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of LICENSEE or its debts under any law relating to bankruptcy or insolvency.

8.3. **Equipment Attachment.** This agreement immediately terminates if any judgment or judgments, writ or writs or warrant or warrants of attachment, or any similar process or processes, is entered or filed against LICENSEE, or against any of LICENSEE's property, in an aggregate amount in excess of $[***] (except to the extent fully covered by insurance under which the insurer has accepted liability therefor in writing), and which remains undischarged, unvacated, unbonded, or unstayed for a period of 30 days.

8.4. **Validity Challenge.** Despite Paragraph 8.2 (Breach), and in view of the representations set forth in Paragraphs 10.3 (Representation of Conflict Avoidance Benefit) and 10.4 (Representation of Patent Validity / Enforceability / Infringement), if LICENSEE or any LICENSEE AFFILIATE initiates one or more challenges, or assists either directly or indirectly in the initiation of one or more challenges to the validity or enforceability of any of the LICENSED PATENTS in any manner, including requesting a declaration of invalidity or unenforceability in a court, administrative or government proceeding, or other tribunal of competent jurisdiction, or by cooperating with a THIRD PARTY to do so, then OWNER may, at its discretion, terminate this agreement immediately upon written notice to LICENSEE. The termination may be as to the entirety of this agreement or as to the particular one or more LICENSED PATENTS involved. The invalidity or unenforceability of any LICENSED PATENTS will not create an obligation of OWNER to refund to LICENSEE any royalties or other fees paid by LICENSEE to OWNER.

8.5. **Termination for Convenience.** Either PARTY can terminate with the written consent of the other PARTY and after providing 90 days' notice. Obligations under this agreement shall continue to accrue during the 90 day notice period, including the obligation to make any payments due under this agreement.

8.6. **Termination Upon Lack of Commercialization Potential.** LICENSEE may terminate this agreement at any time if, in LICENSEE's sole discretion, any applicable SUCCESS CRITERIA will not be satisfied or the underlying LICENSED PRODUCTS are not desirable for commercialization. Notwithstanding anything to the contrary in this Agreement, upon any such termination by LICENSEE under this Section 8.6, LICENSEE shall have no continuing obligations for any payments accruing under this agreement after the effective date of termination.

9. Effect of Termination.

9.1. **Surviving Rights & Obligations.** Termination of this agreement will not relieve either PARTY of any obligations accruing prior to such termination, including those set forth in: Articles 5 (Payments), 14 (Confidentiality), 15 (Other Representations & Warranties), and 17 (Indemnification & Insurance).

9.2. **Reversion.** Upon the termination of this agreement, all rights granted to LICENSEE will revert to OWNER, and LICENSEE will have no claim against OWNER for compensation of loss of business or goodwill, or for any other damages that might result from such termination of this agreement.

9.3. **Payment.** OWNER is entitled to retain all royalties and other things of value paid or delivered to OWNER prior to termination. The entire unpaid balance of all royalties or other fees owing and due under this agreement will immediately become due and payable upon termination.

9.4. **Execute Documents**. LICENSEE will sign all documents necessary to terminate of record any of LICENSEE's rights under this agreement; OWNER will prepare such documents at OWNER's expense.

9.5. **Production and Sale Rights After Termination**. Upon termination of this agreement, LICENSEE shall cease all production and sale of completed LICENSED PRODUCT. Production and sale of LICENSED PRODUCT where production had begun prior to notice of termination may continue for one year after termination, subject to the royalty payments of this agreement.

10. LICENSED PATENTS – Additional Obligations

10.1. **Patent Prosecution & Maintenance.** OWNER will determine, in its discretion, whether and in what manner to file, prosecute, obtain, register and maintain LICENSED PATENTS, and patent applications and patents on IMPROVEMENTS ("**PATENT PROSECUTION**"). OWNER agrees to use reasonable efforts to file and prosecute patent applications and maintain LICENSED PATENTS. OWNER will keep LICENSEE reasonably informed and provided the opportunity to comment on major decisions concerning such activities. At the end of each calendar year, OWNER will provide LICENSEE a summary of the LICENSED PATENTS portfolio, an updated Schedule 1.1.21, and make available to LICENSEE one intellectual property attorney working for OWNER who can answer questions about the LICENSED PATENTS portfolio and provide a non-binding projection of how OWNER will handle the portfolio in the next calendar year. To the extent OWNER elects to conduct PATENT PROSECUTION, OWNER will be financially responsible for all fees associated with such PATENT PROSECUTION.

10.2. **Patent Marking.** LICENSEE will not mark LICENSED PRODUCT with any LICENSED PATENTS nor reference any LICENSED PATENTS in advertising unless requested in writing by OWNER. Upon OWNER's request, LICENSEE will place in a conspicuous location on any LICENSED PRODUCT sold in the US, the words "*US Patent(s)*" followed by a listing of the applicable LICENSED PATENTS. Upon OWNER's request, LICENSEE will place in a conspicuous location, on any subject LICENSED PRODUCT for sale outside the US, a patent notice in accordance with the applicable patent marking laws of the country in which the LICENSED PRODUCT is made and/or sold, should such marking serve as legal notice to would-be infringers. It will be LICENSEE's responsibility to ensure compliance with all applicable laws and regulations.

10.3. **Representation of Conflict Avoidance Benefit.** The PARTIES represent that a mutual benefit of the license(s) granted in this agreement is the avoidance of expending financial and/or other resources on any potential conflict between the PARTIES regarding what OWNER would otherwise consider infringement of its LICENSED PATENTS in the absence of the license(s) granted in this agreement.

10.4. **No Other Licenses Granted to LICENSEE.** The licenses granted LICENSEE under this agreement are limited to those specifically set forth in Paragraphs 2.1 (PHASE 1 PATENT AND KNOW-HOW LICENSE), 3.2 (PHASE 2 PATENT AND KNOW-HOW LICENSE), 4.2 (PHASE 3 PATENT AND KNOW-HOW LICENSE), and 4.6 (COMMERCIAL PATENT AND KNOW-HOW LICENSE). Nothing in this agreement will be construed to grant LICENSEE any rights or licenses to any other certification mark, copyright, domain name or other URL, know-how, logo, patent, product name, service mark, technical information, trademark, trade name, or other intellectual property of OWNER. All rights not specifically granted to LICENSEE are reserved by OWNER.

10.5. **Conversion to Non-exclusive.** Despite anything to the contrary in this agreement, upon the occurrence of any one or more of the following events, and unless and until terminated under any rights to terminate under this agreement (specifically including any termination events that include a cure period), the SOLE license grant under this agreement will immediately become non-exclusive at OWNER's sole discretion; LICENSEE is specifically *not* entitled to any cure period to avoid such conversion to non-exclusive:

10.5.1. **Failure to Pay.** If LICENSEE fails to make a timely payment to OWNER of any royalties or other payments due under this agreement and LICENSEE fails to make such payment within 7 days of written notice by OWNER.

11. Additional Obligations

11.1. **Product and Development Costs.** LICENSEE will be solely responsible for all costs of all of LICENSEE's activities associated with LICENSED PRODUCT including all costs associated with manufacture, distribution, sale, advertising, promotion, packaging design, and artwork. OWNER will be responsible for its own development costs to support OWNER's specific efforts, including but not limited to P&G small scale market tests and for any OWNER initiated IMPROVEMENTS.

11.2. **Compliance with Laws.** LICENSEE represents as of the EFFECTIVE DATE and warrants for the TERM, that LICENSEE is, and will at all times be, in full compliance with all applicable governmental, legal, regulatory and professional requirements associated with LICENSED PRODUCT; including all applicable codes, certifications, decrees, judgments, laws, orders, ordinances, regulations, and rules; including those related to: advertising and marketing, adulteration and contamination, antitrust, board of health, branding and labeling, consumer protection and safety, customs, employment, environmental matters (including NSF certification, state certification, extraction results, California Proposition 65, and applicable EPA regulations), fair trade, immigration, importation of materials, labor, product quality, working conditions, worker health and safety, and all applicable privacy laws (regulations, rules, opinions or other governmental and/or self-regulatory group requirements or statements of position), and the manufacture, marketing, and distribution of the LICENSED PRODUCT (collectively, "**LAWS**"). OWNER accepts no responsibility or liability for the noncompliance of LICENSEE or its contract manufacturers with any applicable LAWS.

11.3. **No Child Labor**. Neither LICENSEE nor its contract manufacturers will engage in child labor practices or in unfair labor practices and LICENSEE will be responsible to verify compliance by its contract manufacturers. For purposes of this paragraph, the term "child" means any person younger than the age of completion of compulsory schooling; but in any event no person younger than the age of 15 will be employed in the manufacturing, packaging, or distribution of the LICENSED PRODUCT.

11.4. **Trade & Consumer Research**. LICENSEE will provide OWNER full access to any trade or consumer research conducted on the LICENSED PRODUCT, even if funded entirely by LICENSEE. This research will be conducted in such a way as to assure the legality of this access. LICENSEE will ensure that OWNER will have the unlimited and unrestricted right to use these research learnings and data for OWNER's own use in OWNER's future commercial endeavors.

12. Audit & Inspection

12.1. **Record Keeping**. LICENSEE will keep and maintain at its regular place of business complete and accurate books and records of all transactions carried out by LICENSEE in connection with the creation and sales of LICENSED PRODUCT under this agreement, sufficient to comply with United States Generally Accepted Accounting Principles (a.k.a., GAAP), applicable laws and provisions outlined in this agreement, including accounting books and records, regarding LICENSED PRODUCT manufacturing, sales, shipment, returns, deduction and promotion ledgers, written policies and procedures, approval forms, THIRD PARTY manufacturer's agreements, if applicable, and general ledger entries, and any consumer comments and call logs and data (these books and records, collectively "**RECORDS**").

12.2. **Audits**. RECORDS will be subject to audit and reproduction by OWNER during the TERM and for 3 years subsequent to termination of this agreement. For the purpose of ensuring verification of compliance by LICENSEE with all requirements of this agreement, OWNER or its authorized representative will have the right to inspect and audit the RECORDS during regular business hours, on condition that OWNER will give LICENSEE at least 10 calendar days advance notice of its intention to do so.

12.3. **Audit Findings**. If, based on OWNER's audit or inspection of LICENSEE's records related to this agreement, OWNER determines that the amount of royalties and other fees properly due to OWNER is greater than the amount reported and/or actually paid by LICENSEE to OWNER, and OWNER provides LICENSEE a copy of a report describing the underpayment, and showing, in reasonable detail, the basis upon which such underpayment was determined; then, within 30 calendar days from the date the report was provided to LICENSEE:

12.3.1. **Underpayment.** LICENSEE will pay OWNER a sum of money equal to the underpayment as determined by OWNER, along with interest on the underpayment at a rate of 12% per annum from the date the royalties were due until the date on which the underpayment is paid to OWNER; or

12.3.2. **Overpayment.** OWNER will **(a)** credit the amount of any overpayment to the next payment date or **(b)** if there is no future payment due OWNER, refund the amount of the overpayment.

12.4. **Contesting Audit Findings**. If LICENSEE wants to contest OWNER's determination of an amount of LICENSEE's underpayment of royalties, then LICENSEE will provide written notice to OWNER. In response to this written notice, OWNER may, at OWNER's discretion, request an independent auditor, reasonably acceptable to LICENSEE, to review the RECORDS and/or the basis on which OWNER determined the amount of underpayment. If the auditor confirms OWNER's claim, or concludes that the underpayment was larger than the amount estimated by OWNER, then LICENSEE will, within 30 calendar days from the date of the auditor's conclusions, remit to OWNER a sum equal to the deficiency determined by the auditor and all actual costs of the independent audit will be borne by LICENSEE; along with interest on the underpayment, at a rate of 12% per annum, from the date on which the royalties were due from LICENSEE until the date on which the underpayment is paid to OWNER.

13. Assignment & Delegation

13.1. **OWNER Assignment of agreement.** This agreement may be assigned in whole or part by OWNER to any OWNER AFFILIATE or other THIRD PARTY and this agreement will benefit and be binding on any assignees of OWNER to the extent set forth in the applicable assignment document.

13.2. **OWNER Assignment of IP.** Despite Paragraphs 15.1 (Authority) and 15.2. (Ownership & Right to License), OWNER may assign to any OWNER AFFILIATE or other THIRD PARTY any intellectual property rights licensed by OWNER to LICENSEE under this agreement, on condition that a written agreement is entered into binding the AFFILIATE or other THIRD PARTY to the licensor obligations of this agreement with respect to such assigned intellectual property rights.

13.3. **No Assignments or Delegations by LICENSEE.** The rights and licenses granted by OWNER in this agreement are personal to LICENSEE and this agreement is entered into because of OWNER's reliance upon the knowledge, experience, skill, and integrity of LICENSEE. This agreement, the license(s) and any other rights granted to LICENSEE under this agreement, and/or any duties to be performed by LICENSEE under this agreement will not be delegated, assigned, transferred, hypothecated, sublicensed, encumbered, or otherwise disposed of –including by merger (whether that party is the surviving or disappearing entity), consolidation, dissolution, or operation of law– without first obtaining the consent in writing of OWNER, which may be withheld in OWNER's reasonable discretion. If OWNER grants such consent, then all future delegations, assignments, transfers, hypothecations, sublicenses, encumbrances, or other disposals of any new party's rights and/or duties under this agreement will not occur without written consent from OWNER; such consent may be withheld in OWNER's discretion. Any attempted assignment without OWNER's consent will be void and will automatically terminate all rights of LICENSEE under this agreement. This paragraph notwithstanding, if LICENSEE forms one or more new companies for the commercial manufacture of LICENSED PRODUCT or for project financing purposes, OWNER will not unreasonably withhold consent to assign or sublicense.

14. Confidentiality

14.1. **Disclosure of INFORMATION.** It is understood that confidential information might be disclosed by one PARTY ("**DISCLOSER**") to the other PARTY ("**RECEIVER**") for purposes of enabling the RECEIVER's performance under this agreement. This confidential information may include commercial plans, customer lists, data, designs, drawings, financial projections, findings, formulae, ideas, inventions, know-how, new products, plans, photographs, pricing information, processes, reports, samples, sketches, specifications, and studies (collectively "**INFORMATION**").

14.2. **Obligation of Confidentiality.** The RECEIVER will: **(a)** maintain the INFORMATION in confidence using the same degree of care, but no less than a reasonable degree of care, as RECEIVER uses to protect its own confidential information of a like nature; **(b)** use the INFORMATION solely in connection with RECEIVER's performance of this agreement; and **(c)** not disclose the INFORMATION to any THIRD PARTIES except where such disclosure is necessary to enable RECEIVER's performance under this agreement. Before RECEIVER discloses any INFORMATION to a THIRD PARTY, RECIEVER will get written approval from DISCLOSER to disclose the INFORMATION, and RECEIVER will enter into a confidentiality agreement with the receiving THIRD PARTY which is no less restrictive than this Section 14. But, the RECEIVER will have no obligation under this Article 14 with respect to any specific portion of INFORMATION that:

14.3. **Prior Possession.** is already in the RECEIVER's possession at the time of disclosure by the DISCLOSER, as established by competent documentary evidence;

14.4. **Publicly Available.** is or later becomes available to the public, other than by the RECEIVER's default of this Article 14;

14.5. **Received From Others.** is received from a THIRD PARTY having no obligation of confidentiality to the DISCLOSER;

14.6. **Independently Developed.** is independently developed by the RECEIVER by personnel not aware of the INFORMATION of the DISCLOSER, as established by competent documentary evidence; or

14.7. **Disclosed to Others.** corresponds to that furnished by the DISCLOSER to any THIRD PARTY on a non-confidential basis other than in connection with limited consumer testing.

14.8. **Required Disclosure by Law / Regulation.** If RECEIVER is required by law or government regulation to disclose DISCLOSER INFORMATION ("**COMPELLED DISCLOSURE**"), then RECEIVER will: **(a)** provide prompt reasonable prior notice to the DISCLOSER of the COMPELLED DISCLOSURE so that DISCLOSER may take steps to protect DISCLOSER's confidential information, and **(b)** provide reasonable cooperation to DISCLOSER in DISCLOSER's protecting against the COMPELLED DISCLOSURE and/or obtaining a protective order narrowing the scope of the COMPELLED DISCLOSURE or use of the INFORMATION. If DISCLOSER is unable to obtain such protection against the COMPELLED DISCLOSURE, then despite the commitments set forth in Paragraph 14.2 (Obligation of Confidentiality) RECEIVER will be entitled to disclose the DISCLOSER's INFORMATION **(aa)** only as and to the extent necessary to legally comply with the COMPELLED DISCLOSURE and **(bb)** on condition that RECEIVER exercises reasonable efforts to obtain reliable assurance that the DISCLOSER's INFORMATION is treated as confidential to the extent allowable by the law or government regulation requiring the COMPELLED DISCLOSURE. Such COMPELLED DISCLOSURE does not otherwise waive the non-use and confidentiality obligations set forth in Paragraph 14.2 (Obligation of Confidentiality) with respect to other uses and/or other disclosures of such INFORMATION.

14.9. **Representation That No Disclosure Required.** LICENSEE represents as of the EFFECTIVE DATE that LICENSEE does not need to disclose the terms of this agreement for any reasons permitted by Paragraph 14.8 (Required Disclosure by Law/Regulation).

Neither OWNER nor any OWNER AFFILIATE will have any liability to LICENSEE or any other PERSON for or on account of any injury, loss, or damage, of any kind or nature, sustained by, or any damage assessed or asserted against, or any other liability incurred by or imposed on LICENSEE or any other PERSON, however caused, related to or arising out of or from: **(a)** the production, use, or sale of any apparatus or product, including LICENSED PRODUCT; **(b)** the use of any technical information, techniques, or practices disclosed by OWNER or any OWNER AFFILIATE; or **(c)** any advertising or other promotional activities with respect to any of the foregoing.

18. Miscellaneous

18.1. **Applicable Law.** All matters arising under or relating to this agreement are governed by the laws of the State of Ohio applicable to contracts made and performed entirely in such state, without regard to any principle of conflict or choice of laws that would cause the application of the laws of any other jurisdiction. Despite the above, the substantive law of the country of each respective LICENSED PATENT governs the validity and enforceability of the subject LICENSE PATENT.

18.2. **Construction.** The words "hereof," "herein" and "hereunder" and words of similar import when used in this agreement will refer to this agreement as a whole and not to any particular provision of this agreement. The use of the words "include" or "including" in this agreement will be by way of example rather than by limitation. The phrase "and/or" will be deemed to mean, e.g., X or Y or both. The meanings given to terms defined in this agreement will be equally applicable to both the singular and plural forms of these terms. Unless stated specifically to the contrary, all amounts referenced in this agreement are stated in, and must be paid in, United States Dollars, and the symbol "$" means United States dollars.

18.3. **Agreement Negotiated.** The PARTIES have participated jointly in the negotiation and drafting of this agreement. If any ambiguity or question of intent or interpretation arises, this agreement will be construed as if drafted jointly by the PARTIES, and no presumption or burden of proof will arise favoring or disfavoring any PARTY by virtue of the authorship of any of the provisions of this agreement.

18.4. **Headings.** Headings or titles to sections or attachments of this agreement are provided for convenience and are not to be used in the construction or interpretation of this agreement. All references to sections and attachments will be to the sections and attachments of this agreement, unless specifically noted otherwise. Reference to a section includes the referenced section, and all sub-sections included within the referenced section.

18.5. **Counterparts.** This agreement may be signed in one or more counterparts, each of which will be deemed to be an original, but all of which will constitute one and the same instrument. A facsimile or .pdf copy of a signature of a PARTY will have the same effect and validity as an original signature.

18.6. **Dispute Resolution.** It is the intention of both PARTIES to attempt to settle all issues between the PARTIES arising from this agreement by negotiations between the PARTIES. But, should such efforts not be successful, all such disputes will be brought exclusively before the appropriate courts in the State of Ohio, Hamilton County.

18.7. **Effect of Supply Relationship.** The terms contained in this agreement are independent of any contractual supply agreements between OWNER and LICENSEE for purchase of LICENSED PRODUCT for use by OWNER.

18.8. **Entire Agreement / Amendments.** This agreement, including any attached schedules, exhibits, or other attachments, constitutes the entire understanding between the PARTIES with respect to the subject matter contained in this agreement and supersedes all prior agreements, understandings, and arrangements whether oral or written between the PARTIES relating to the subject matter of this agreement, except as expressly set forth in this agreement. No amendment to this agreement will be effective unless it is in a subsequent writing signed with the same formalities as this agreement.

18.8.1. **Cross-Termination Clause Exception.** Despite Paragraph 18.8 (Entire agreement / Amendments), this agreement does not supersede any rights set forth in any previous or future agreement ("**PREV/FUT AGREEMENT**") between the PARTIES that may give the OWNER the right, following termination of the PREV/FUT AGREEMENT, to also terminate any other agreement OWNER may have with LICENSEE, including termination of this agreement.

18.9. **Expenses.** Except as specifically provided to the contrary in this agreement, all costs, fees and/or expenses incurred in connection with this agreement will be paid by the PARTY incurring such costs, fees and/or expenses.

But, LICENSEE will continue to be obligated to pay OWNER when due all amounts which it will have duly become obligated to pay in accordance with the terms of this agreement and OWNER will continue to be bound by any exclusivity provisions under this agreement. Upon the occurrence of any event of the type referred to in this Paragraph 18.11, the affected PARTY will give prompt notice to the other PARTY, together with a description of the event and the duration for which the affected PARTY expects its ability to comply with the provisions of this agreement to be affected. The affected PARTY will devote reasonable efforts to remedy to the extent possible the condition giving rise to the failure event and to resume performance of its obligations under this agreement as promptly as possible.

18.11. **Further Assurances.** Each PARTY will sign and deliver those additional documents or take those additional actions as may be reasonably requested by the other PARTY if the requested document or action is reasonably necessary to accomplish the purposes of or obligations imposed under this agreement.

18.12. **Inquiries.** All inquiries by THIRD PARTIES with respect to this agreement will be directed to OWNER.

18.13. **No Special Payments.** OWNER does not make any special payments, in cash or in kind, either directly or indirectly, to any THIRD PARTY with a view to influencing unduly the decision of the THIRD PARTY in order to obtain any benefit or advantage. Nothing in this agreement authorizes LICENSEE to make any such special payments, either directly or indirectly, in the performance of its obligations under this agreement, nor will OWNER reimburse any such special payments.

18.14. **No Third Party Beneficiaries.** Despite anything in this agreement to the contrary, nothing in this agreement, expressed or implied, is intended to confer on any PERSON other than the PARTIES or their respective permitted successors and assignees, any rights, remedies, obligations, or liabilities under or by reason of this agreement.

18.15. **Non-reliance.** In evaluating and entering into this agreement neither PARTY relied and are not relying on any representations, warranties, agreements, or other statements, whether oral or written, of the other, including with regard to any level of profitability, except those representations, warranties, and agreements specifically set forth in this agreement.

18.16. **Non-waiver.** If either PARTY at any time waives any of its rights under this agreement or the performance by the other PARTY of any of its obligations under this agreement, the waiver will not be construed as a continuing waiver of the same rights or obligations or a waiver of any other rights or obligations.

18.17. **Notices.** All notices under this agreement will be sent to the respective PARTIES at the following addresses (or such other addresses as a PARTY designates for itself, to the other PARTY by written notice) by certified or registered mail, or sent by a nationally recognized overnight courier service; and will be deemed to have been given one day after being sent:

18.19. Relationship Between the PARTIES. This agreement does not constitute LICENSEE as the agent or legal representative of OWNER, or OWNER as the agent or legal representative of LICENSEE for any purpose. LICENSEE's employees will not represent themselves as being representatives of or otherwise employed by OWNER. Nothing in this agreement will be construed as creating the relationship of employer and employee, joint venture, partnership, distributorship, franchise, agency or consignment between the PARTIES.

18.20. Severability. If and to the extent that any court or tribunal of competent jurisdiction holds any of the terms or provisions of this agreement, or the application thereof to any circumstances, to be invalid or unenforceable in a final nonappealable order, the PARTIES will use their reasonable efforts to reform the portions of this agreement declared invalid to realize the intent of the PARTIES as fully as practicable, and the remainder of this agreement and the application of the invalid term or provision to circumstances other than those as to which it is held invalid or unenforceable will not be affected thereby, and each of the remaining terms and provisions of this agreement will remain valid and enforceable to the fullest extent of the law.

18.21. **Solicitation & Hiring.** During the TERM and for the 12 months immediately following termination of this agreement, neither PARTY will solicit for employment directly or indirectly, nor employ, any employees of the other PARTY with whom it has had more than incidental contact in the course of performing its obligations under this agreement without the prior approval of the first PARTY. If an employee terminates with a PARTY then the other PARTY will neither solicit for employment directly or indirectly, nor employ such employee for a period of 90 days after the termination of such employee's employment. This provision will not operate or be construed to prevent or limit any employee's right to practice his or her profession or to utilize his or her skills for another employer or to restrict any employee's freedom of movement or association. Neither the publication of classified advertisements in newspapers, periodicals, Internet bulletin boards, or other publications of general availability or circulation nor the consideration and hiring of persons responding to such advertisements is deemed a breach of this Paragraph, unless the advertisement and solicitation is undertaken as a means to circumvent or conceal a violation of this Paragraph, and/or the hiring party acts with knowledge of this hiring prohibition.

18.22. **Time of the Essence.** Subject to the next full sentence, time is of the essence in this agreement. Whenever action must be taken (including the giving of notice or the delivery of documents) under this agreement during a certain period of time or by a particular date that ends or occurs on a non-BUSINESS DAY, then the period or date will be extended until the immediately following BUSINESS DAY.

The PARTIES, by their authorized representatives, sign this agreement in duplicate; with each PARTY receiving one of the signed originals of this agreement.

Warrant No.: 001 **Original Date of Issue: February XX, 2018**

AIR ASSIST LLC

UNIT PURCHASE WARRANT

On the terms and subject to the conditions set forth in this Unit Purchase Warrant (this " Warrant"), for good and valuable consideration paid, The Procter & Gamble Company, or such person to whom this Warrant is properly transferred pursuant to Section 9 (the "Holder"), is hereby entitled, at any time during the Exercise Period (as defined below), to purchase a number of duly authorized, validly issued, fully paid and nonassessable Class B Units of Air Assist LLC, a Delaware LLC (the "Company"), (as such number of Class B Units may be subject to adjustment as provided herein), equal to an amount that initially represents 10% of all of the outstanding equity of the Company, on a fully diluted basis, including any Units reserved for issuance as a result of any equity-based award. The aggregate exercise price for all such Class B Units will equal one dollar ($1.00).

For purposes of this Warrant, (a) the term " Warrant Unit" means the Company's Class B Units issuable pursuant to this Warrant and (b) the term "Exercise Price" means an aggregate price of one dollar ($1.00). Capitalized terms used and not otherwise defined herein have the meanings ascribed to such terms in the Company's Limited Liability Company Operating Agreement as in effect as of XXX, XX, 20XX.

1. Number of Units Subject to Warrant. Subject to the terms and conditions hereinafter set forth, the Holder is entitled, upon exercise as set forth in Section 2, to purchase from the Company, at a price equal to the Exercise Price, up to XXX,XXX (XXX,XXX) Warrant Units.

2. Exercise.

2.1 Exercise Period

The "Exercise Period" of this Warrant shall commence at the signing of this Unit Purchase Warrant and shall terminate on the earliest to occur of (a) the closing of a Change of Control Transaction, or (b) the closing of a Qualified IPO. The Company shall provide at least twenty (20) days written notice prior to an event described in Sections 2.1(a) or 2.1(b).

2.2 Procedure for Exercise

This Warrant may be exercised at any time during the Exercise Period, in whole or part, by delivering to the Company (a) the form of Exercise Notice attached hereto in substantially the form attached hereto as Exhibit A duly completed and executed by the Holder, (b) this Warrant certificate, and (c) cash, a bank cashier's check or wire transfer of immediately payable funds payable to the Company in the amount of the Exercise Price. The Holder will be deemed to be the holder of record of the Warrant Units as to which the Warrant was exercised in accordance with this Warrant, effective on the date and time such exercise is completed and all documents specified above are delivered to and accepted by the Company.

3. Delivery of Unit Certificate.

Within ten days after the exercise of this Warrant (in full or in part) and payment of the Exercise Price, the Company shall issue in the name of and deliver to the Holder (a) a certificate or certificates for the number of fully paid and nonassessable Warrant Units to which the Holder shall be entitled upon such exercise and (b) a replacement Warrant for the number of Warrant Units to which the Holder remains entitled to purchase. In the event of any partial exercise hereunder, the Exercise Price for the remaining Warrant Units shall equal one dollar ($1.00).

4. Reservation of Warrant Unit.

The Company covenants and agrees that all Warrant Units that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times have the authority to issue a sufficient number of Warrant Units to provide for the exercise of the rights represented by this Warrant. If at any time prior to the end of the Exercise Period the Company is not authorized to issue Warrant Units sufficient to permit exercise of this Warrant, the Company will take such company action as may, in the opinion of its counsel, be necessary to be authorized to issue Warrant Units in a number as is sufficient for such purposes.

5. Effect of Reorganization.

(a) **Reorganization—No Change in Control**

If a merger, consolidation, share exchange, acquisition of all or substantially all of the property or Unit, liquidation, or other reorganization of the Company (collectively, a "Reorganization") is to be effected prior to expiration of the Exercise Period, as a result of which the Members of the Company will receive cash, Units, or other property in exchange for their Units and the holders of the Company's voting equity securities immediately prior to such Reorganization (assuming conversion of all convertible securities and exercise of all options, warrants, and other exercisable securities after giving effect to any acceleration of vesting provisions that will apply in connection with such transaction) together will own a majority interest of the voting equity securities of the successor entity (or its parent) following such Reorganization, lawful provision shall be made so that the Holder shall thereafter be entitled to receive, upon exercise of this Warrant, the number of securities resulting from such Reorganization (and cash and other property) to which a holder of the Company's Class B Units would have been entitled in such Reorganization if this Warrant had been exercised in full immediately prior to such Reorganization. In any such case, appropriate adjustment (as determined in good faith by the Company's Board of Directors) shall be made in the application of the provisions of this Warrant with respect to the rights and interest of the Holder after the Reorganization to the end that the provisions of this Warrant (including adjustments of the number and type of securities purchasable pursuant to the terms of this Warrant) shall be applicable after that event, as near as reasonably may be, in relation to any units deliverable after that event upon the exercise of this Warrant. The Company will provide the Holder with at least 20 days prior written notice of any such contemplated Reorganization.

(b) **Reorganization—Change in Control; Qualified IPO Termination of Warrant**

If a Reorganization is to be effected prior to expiration of the Exercise Period that will constitute a Change of Control Transaction, or there will be a Qualified IPO, the Company shall provide the Holder an opportunity to exercise this Warrant in full at least 20 days prior to the date on which a record will be taken for determining rights to vote, if any, in respect of such Reorganization or Qualified IPO. Notwithstanding the period of exercisability stated on the face of this Warrant, this Warrant shall expire upon the closing of such Change of Control Transaction or Qualified IPO to the extent not exercised prior to such closing (including an exercise that is effective upon, or immediately prior to, such closing).

6. Adjustments for Unit Splits; Conversion or Exchange of Warrant Unit; Anti Dilution Protection .

(a) If the Company's outstanding Class B Units shall be subdivided into a greater number of units or a dividend in Class B Units shall be paid in respect of Class B Units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted. If outstanding Class B Units shall be combined into a smaller number of units, the number of Warrant Units purchasable upon the exercise of this Warrant shall be pro partially adjusted.

(b) In the event that the Company's Class B Units are exchanged for or reclassified into units of a different class or series, this Warrant shall thereafter be exercisable for the number and class of units into which the Class B Units otherwise purchasable under this Warrant would have been converted, exchanged, or reclassified if this Warrant had been exercised in full immediately prior to any such transaction.

(c) The number of Warrant Units exercisable upon full exercise of this Warrant initially represents a 10% Sharing Percentage in the Company, calculated on a fully diluted basis. The Sharing Percentage represented by this Warrant will be subject to adjustment on a pari passu basis with all outstanding Class B Units at any given time; provided however, that the number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) is not reduced below a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis. To the extent that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be reduced below a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis, the number of Warrant Units purchasable upon the exercise of this Warrant shall be increased such that the total number of Warrant Units exercisable upon full exercise of this Warrant (including any Warrant Units already exercised under this Warrant) would be equal to a 7.5% Sharing Percentage in the Company, calculated on a fully diluted basis. The aggregate Exercise Price for the exercise of all Warrant Units after any adjustment under this Section 6(c) will be the same as the aggregate Exercise Price prior to such adjustment.

7. Compliance With Securities Act.

(a) Compliance With Securities Act. The Holder, by acceptance hereof, agrees that this Warrant, and the Units issuable upon exercise of this Warrant, are being acquired for investment and that such Holder will not offer, sell or otherwise dispose of this Warrant, or any Units issuable upon exercise of this Warrant, except under circumstances which will not result in a violation of the Securities Act (defined below), or any applicable state securities laws. This Warrant and all Units issued upon exercise of this Warrant (unless registered under the Securities Act and any applicable state securities laws) shall be stamped or imprinted with a legend in substantially the following form:

> "THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY APPLICABLE STATE SECURITIES LAW AND MAY NOT BE SOLD, OFFERED FOR SALE, MORTGAGED, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS, OR AN EXEMPTION THEREFROM, AND, IF REQUESTED BY THE COMPANY, THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY TO THAT EFFECT. THIS WARRANT HAS BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE."

(b) Restricted Securities. The Holder understands that this Warrant and the Units issuable upon exercise of this Warrant, will not be registered at the time of their issuance under the Securities Act for the reason that the sale provided for herein and in the Purchase Agreement is exempt pursuant to Section 4(2) of the Securities Act based on the representations of the Holder set forth herein. The Holder represents that it is experienced in evaluating companies such as the Company, has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment, and has the ability to suffer the total loss of the investment. The Holder further represents that it has had the opportunity to ask questions of and receive answers from the Company concerning the terms and conditions of this Warrant, the business of the Company, and to obtain additional information to such Holder's satisfaction. The Holder further represents that it is an "accredited investor" within the meaning of Regulation D under the Securities Act, as presently in effect. The Holder further represents that this Warrant is being acquired for the account of the Holder for investment only and not with a view to, or with any intention of, a distribution or resale thereof, in whole or in part, or the grant of any participation therein.

8. Fractional Units.

No fractional Warrant Units shall be issued upon the exercise of this Warrant. In lieu of fractional units, the Company shall pay the Holder a sum in cash equal to the fair market value of the fractional unit (as determined in good faith by the Company's Board of Directors) on the date of exercise.

9. Restrictions on Transfer.

Neither this Warrant nor any securities issued upon exercise of this Warrant may be transferred or assigned by the Holder without the consent of the Company, except to an affiliate of such Holder; provided that (a) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee; (b) such transferee or assignee agrees in writing to be bound by and subject to the terms and conditions of this Warrant; and (c) such assignment shall be effective only if, immediately following such transfer, the further disposition of this Warrant and any securities issued upon exercise of this Warrant by the transferee or assignee is restricted under the Securities Act of 1933, as amended. A legend setting forth or referring to the above restrictions shall be placed on this Warrant, any replacement hereof and any certificate representing a security issued pursuant to the exercise hereof, and a stop transfer restriction or order shall be placed on the books of the Company and with any transfer agent until such securities may be legally sold or otherwise transferred. Subject to the foregoing, this Warrant and the rights of the Holder hereunder may be transferred, properly endorsed for transfer by delivery of an Assignment Form in substantially the form attached hereto as Exhibit B, to any person or entity who agrees to be bound hereby as the Holder, and the rights and obligations of the Holder hereunder shall be binding upon and shall inure to the benefit of any such successors, assigns, and transferees.

10. No Member Rights.

This Warrant shall not entitle the Holder to any voting rights or any other rights as a Member of the Company or to any other rights whatsoever except the rights stated herein.

11. Member Rights.

Upon exercise, the Holder will be entitled to become a party to the Limited Liability Operating Agreement of the Company, dated February XX, 2018, as the same may be amended from time to time.

12. Construction.

The validity and interpretation of the terms and provisions of this Warrant shall be governed by the laws of the State of Delaware. The descriptive headings of the several sections of this Warrant are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions thereof.

12. Expiration.

This Warrant shall be void and all rights represented thereby shall cease unless exercised during the Exercise Period. All restrictions set forth herein on the Units issued upon exercise of any rights hereunder shall survive such exercise and expiration of the rights granted hereunder.

14. Exchange or Replacement of Warrant.

If this Warrant is lost, stolen, mutilated or destroyed, the Company shall, upon request in writing from the Holder and subject to compliance by Holder with the following sentence, issue a new Warrant of like denomination, tenor and date as this Warrant, subject to the Company's right to require the Holder to give the Company a bond or other satisfactory security sufficient to indemnify the Company against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft, mutilation or destruction of this Warrant or the issuance of such new Warrant. The Holder shall reimburse the Company for any and all reasonable expenses and costs incurred by the Company in connection with issuing a new Warrant under this Section 14.

15. Waivers and Amendments.

This Warrant or any provision hereof may be changed, waived, discharged, or terminated only by a statement in writing signed by the Company and the Holder. No course of dealing or any delay or failure to exercise any right, power, or remedy hereunder on the part of any Holder of this Warrant shall operate as a waiver or otherwise prejudice such Holder's rights, powers or remedies.

18. Remedies.

The Company acknowledges that the remedies at law of the Holder of the performance of or compliance with any of the terms of this Warrant are not and will not be adequate and that, to the fullest extent permitted by law, such terms may be specifically enforced by a decree for the specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise without requiring such Holder to post any bond or other security, unless otherwise required by applicable law (which cannot be waived by the Company).

19. Severability.
